As Chair of the Clay County Board of Commissioners, let me be the first to extend a warm welcome to you. Clay County, Florida, a place with small towns and big passions is located in Northeast Florida, lies southwest of Jacksonville with the entire eastern border nestled along the banks of the scenic St. Johns River. Within the county's 640 square miles, you will discover natural beauty, rich history and a vast array of natural and agricultural resources minutes away from vibrant business environments.

Founded in 1858, our county has developed into a diverse mixture of suburban and rural areas resulting in a vivid panorama of productive, modern living; superior, grade "A" schools; a well-trained, skilled workforce; bustling retail centers and economic vitality. Clay County is a haven for those who love nature and the outdoors, while being home to some of the region's best golf courses, public parks and hiking & bicycling trails. Add the enjoyment of boating, fishing, canoeing or kayaking on our waterways and you can see why people love Clay County.

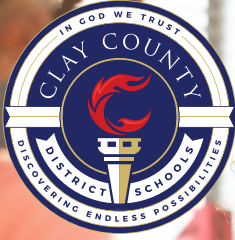

While you are in Clay County, we invite you to explore the many experiences we have in our small towns. Be sure to enjoy:

- Our rich military history. Whether a historical marker siting the 1716 Fort San Francisco de Pupo, or our Civil War actions including sinking of the Maple Leaf; the multiple locations used in World War II, like Lee Field, Reynolds Industrial Park and Camp Blanding. We stand by our military's strength, honor and history. Be sure to visit one of our area military museums that will engage you in our military story.
- Exploring our more than 93,000 acres of parks, 35 miles of trails, and 39 square miles of navigable waterways. You are sure to find some great picture spots.
- Shopping and dining at many of our area small businesses. Delicious coffee from local roasters, unique entrees and familiar favorites are served at our locally owned eateries. Looking for that perfect gift or souvenir to remember your visit? Our local retailers feature locally made products, repurposed vintage ware, antiques and specialty gifts.
- Make memories at one-of-a-kind events. Whether you enjoy the Northeast Florida Scottish Highland Games, Clay County Agricultural Fair, Amazing Grace Family Farms Sunflower or Crop Maze Festival, RiverFest, Orange Park Fall Festival, holiday events or sporting events like MotoSurf, you will experience Clay County's charm.

If you run out of time, this trip, please come back to enjoy the uniqueness of the place I call home. I hope you enjoy your time here and look forward to seeing you exploring the small towns and big passions Clay County has to offer throughout the year.

Sincerely,

Jim Renninger, Chair
Clay County Board of Commissioners

Holiday Events

By Carrie McLaren

The holidays are here and there are plenty of festive activities on the horizon this season. Gather the family for holiday parades, meet and greets with Santa, holiday cheer and more.

Here's a look at the joyous celebrations taking place in Clay County –

Celebrate the Season in Orange Park

The Town of Orange Park and The Historical Society of Orange Park team up to bring you an old-fashioned holiday celebration – **Hometown Holidays** - on the evenings of December 13 and 14 from 5 to 9 p.m. at Clarke House Park. Explore the shopping village, enjoy family hayrides through a decorated trail of lights, live entertainment, Clarke House tours, photo opportunities with Santa and more. It may even snow! Admission and many activities are free!

Get Ready for Holiday Shopping

At the Orange Park Mall, **visit the big man himself - Santa!** Celebrate his arrival on Saturday, November 16th at 11:00 a.m. The Salvation Army Band will kick off the festivities along with reindeer pony rides from Pinto Farms and holiday goers can enjoy a cookie cake from Great American Cookies and the Grinch's Hot Cocoa Bar.

For children with autism and related sensory sensitivities, visiting Santa can often mean crowded spaces, long lines and competing noise causing an overstimulating and upsetting environment. **Sensitive Santa**® provides a magical experience for guests and takes place on Sunday, December 1 and Sunday, December 8 from 10 am to 12 p.m. at the Orange Park Mall. Activities include crafts with Mrs. Claus, a cereal bar and a special gift from Santa. Advance registration is required.

Wrap up your holiday shopping at the **Orange Park Farmer's Market** held the first and third Sunday in December at Orange Park Town Hall. With over 100 vendors featured each week, visitors can find homegrown items like fresh produce and honey, along with arts and crafts, live music and plenty of options for a bite to eat too.

Shop until you drop as the **Vintage Market Days** returns to the Clay County Fairgrounds November 15-17, 2024. This shopping extravaganza features upscale vintage-inspired market featuring original art, antiques, clothing, jewelry, handmade treasures, home décor, outdoor furnishings, treats, seasonal plantings and more.

Time for a Holiday Show

Whether you choose a lunchtime matinee or a dinner show, don't miss seeing **"A Christmas Carol: The Musical"** at the Spotlight Center with shows from November 7 through No-

ember 23. Also, enjoy the Spotlight Kids in their production of **"A Year Without Santa Claus"** with performance dates ranging from December 5 through December 24. This show is the theater's own stage adaptation of the classic Rankin Bass stop motion movie!

Celebrate the holidays at the Island Theater in Fleming Island for a performance of Irving Berlin's **"White Christmas: The Musical"** with shows taking place on select dates between December 13 through December 21.

Holiday Fun in Green Cove Springs

On Saturday, December 7, get ready for the **Green Cove Springs Christmas Parade**, sponsored by the Green Cove Springs Business League. The parade features 80 groups and area organizations marching their way through the city streets. The parade starts at the intersection of Houston Street and Highway 17 and will travel south on Highway 17. It will then do a U turn at Walnut Street and travel back North on Highway 17 giving everyone a great view from both sides of the street. The parade steps off at 6 p.m., so be sure to get there early for a great seat.

Get ready for a day of shopping local at the **Christmas on Walnut Street** event in Green Cove Springs. The fun takes place on December 7 from 2 p.m. to 9 p.m. with local makers and businesses helping you wrap up your holiday shopping. Santa will also be there meeting children at his workshop at the Spring Park pavilion. Enjoy food and craft vendors, live entertainment and a kids zone. The day wraps up with a 1-mile Jingle Bell Fun Run and the popular Christmas parade through town.

Take a stroll through the lights at the City of **Green Cove Springs' Parade of Trees** in Spring Park. Each evening from December 1 through December 31 until 10 p.m., admire 225 lit Christmas trees decorated by families, organizations and local businesses. The Parade of Trees is free and open to the public.

Discover more trees on display in Keystone Heights for the holiday season at the town's **Festival of Trees**. Local businesses and organizations will have their decorated trees on display at Keystone Heights Natural Park.

More Parade Fun in Clay County

Get ready for more parade fun as the **Oakleaf Christmas Parade** takes place on December 14th. In Middleburg, the community comes together to celebrate the season on December 14th with the **Middleburg Christmas Parade**. And that evening, make your way to Keystone Heights for their Christmas Parade on December 14th stepping off at 6 p.m.

New to Clay County This Holiday Season

For a night of family-fun surrounding the holiday season, get ready for **"A Night of Wonders"** taking place on select evenings from November 29 to December 31, 2024. Enjoy amusement rides and ice skating under twinkling lights and spectacular Christmas decorations. Enjoy live entertainment and roaming holiday entertainers throughout the venue and experience an enhanced live nativity experience. At the time of publication, an outdoor location has not been announced, stay tuned to ExploreClay.com and social media for more details.

Have fun making memories together with your family, however you choose to celebrate this holiday season in Clay County. To learn more about the cheerful fun taking place in Clay County this December, check out the Explore Clay Calendar of Events.

Milestones and Anniversaries

By Carrie McLaren

Over the next few years, Clay County will celebrate numerous milestones commemorating the founding of many communities. Local events throughout the upcoming years will celebrate the history, people and places of Clay County.

In 2024, Green Cove Springs will celebrate 150 years, in 2025 the community of Keystone Heights will celebrate 100 years and in 2026 residents will celebrate 100 years of the Penney Retirement Community. In 2027, the Town of Penney Farms will mark its 100th anniversary and in 2029, the Town of Orange Park commemorates their 100th anniversary.

Here's a look at the Clay County communities celebrating in 2024 and 2025 -

Green Cove Springs Celebrates Its 150th Anniversary in 2024

As the quaint, small town that serves as the county seat, Green Cove Springs has always been a gathering place. From the 1870s around the spring pool or today enjoying a festival in Spring Park, here are just a few reasons why people still enjoy relaxing and exploring in this friendly community.

It all builds up to our 150th Anniversary Celebration on Saturday Nov. 2, 2024, from 4 p.m. to 9 p.m. throughout downtown Green Cove Springs. In partnership with Green Cove Springs Food Truck Friday, our 150th Anniversary Celebration features food trucks, live bands, a car show by Clay County Cruzers, a Children's Entrepreneur Market and more, ending the evening with the largest fireworks display the City has put on to date.

For those visiting Green Cove Springs, don't miss spending time at Spring Park. Home to the Green Cove Springs spring pool, one of the oldest in the country, dating back to 1871 when Dr. Joseph Applegate made it accessible to the public for medicinal purposes. Today, the spring is part of the newly renovated park providing residents and visitors with waterfront access to the St. Johns River, pavilions, gazebos and numerous playgrounds. The spring pool stays at a consistent 77 degree temperature throughout the year.

At nearby Camp Chownewaw visitors can explore the outdoors with birding, fishing, hiking trails and camping beneath the stars. Dating back to 1933, Camp Chownewaw County Park was once Florida's first Girl Scout Camp. Today, the public park offers 150 acres for exploring along popular

Black Creek. At the Bayard Conservation Area, discover the outdoors within this resource-based park encompassing 10,371 acres.

Military buffs can visit the Military Museum of Northeast Florida, once home to Lee Field during World War II, the area served as an airfield and port. The museum continues to keep those stories alive with a hellcat engine, a Blackhawk simulator and more on display for visitors. At the county's historic triangle near the Old Jail and Courthouse, stop to pay your respect to the 62 Clay County veterans who lost their lives during combat dating back to the Civil War.

Unleash your passion for the arts in Green Cove Springs shopping for antiques along Walnut Street, celebrate Augusta Savage, the African-American art trailblazer during the Harlem Renaissance when you visit the Augusta Savage Arts & Community Center.

For a taste of local cuisine, stop in for a cup of locally-brewed Brass Tacks Roasters coffee at Spring Park Coffee. For a fun-loving atmosphere or to catch up on sports scores, Roger That Wings and Things just steps from Spring Park. You'll also find Italian favorites at D'Fontana and tangy Pan Asian Cuisine Sushi Bar. For a sweet treat, stop in for a delicious treat from Sweet Sensations. Try the new Pink Peony for specialty treats and a lunch menu that changes weekly to keep you coming back for more.

Keystone Heights: Thrilling Adventures and Authentic Outdoor Exploring

Keystone Heights celebrates its history with a special event coming in May 2025. Stay tuned in the coming months for news from the Keystone Heights Heritage Commission as a celebration is in the works for visitors and the entire community.

Home to Clay County's only airport, Keystone Heights Airport serves as a take-off and landing site for private aircraft and corporate jets.

Take in the area's rich military history with a stop in at Camp Blanding Museum both home to memorabilia and first-hand stories from veterans and volunteers that are a part of our destination's pride.

After strolling through history, test your skills on the Rally Race Car Course – FIRM, also located at the Keystone Heights Airport. From defensive driving classes to training how to drive rally cars or bring your own car for open course day, it is all about racing for your bragging rights.

Spend time with nature at the Belmore State Forest, just north of Keystone Heights and home to gopher tortoises, Sherman's fox squirrel, Florida black bears, American

alligators and more. At Gold Head Branch State Park, hike down ravines and stay overnight at the park's primitive camp sites or bring your own RV. With hiking and cycling trails and canoe and kayaking launch sites, this makes the park an enjoyable place to enjoy the outdoors.

Bring along your four-legged family members for adventures at the Keystone Heights Recreation Park, the only official dog park in the Clay County. For family fun, Keystone Beach offers an expansive playground encompassed by canopy oak trees and a large picnic area.

For a bite to eat, stop in for local, southern eats at Orange Blossoms open for breakfast and lunch. Enjoy a slice or two of authentic New York-style pizza and Italian favorites at Brooklyn Boys Pizza. Catch up on the day's sports scores and socialize with the locals at Stone's Irish Pub.

Keystone Heights, with its unique experiences and natural beauty matched with friendly faces, will have you wanting to return again and again.

Celebrate with the Community of Penney Farms

Get ready for two years of celebrating in Penney Farms as in 2026 residents will celebrate 100 years of the Penney Retirement Community. And the fun continues into 2027 as the Town of Penney Farms will mark its 100th anniversary.

Expect two years of unique and exciting events to be announced as the anniversary dates get closer!

Unique Stays in Clay County

By Carrie McLaren

For those in search of unique, overnight accommodations, Clay County offers a variety of out-of-the-ordinary spots to call home for a night or two during your getaway.

From quiet, quaint spots in Keystone Heights to nightlife right outside your door, you've got options here in Northeast Florida. Choose from a night on a boat, a treehouse under the stars or even a glamorous night overlooking the St. Johns River.

Let's take a look at some of the unique accommodations available here in Clay County –

It's a Boatiful Life

Get ready to spend the night on the shores of Doctors Lake in a lovely houseboat that is now a luxury vacation rental. Known as 'It's a Boatiful Life', this houseboat is easily accessible off of Highway 17 at the Doctors Lake Marina, the houseboat is just a short walk from the onsite Sunset Tiki Bar.

This stationary houseboat features a fully equipped kitchen, a washer and a dryer, a queen sleeper sofa, two, twin beds in the loft and a queen bed in the master bedroom along with vaulted ceilings and surrounding window views that make this property feel large and open with views of the water just outside.

Sleep Under the Stars

Dating back to 1933, Green Cove Springs' Camp Chowenwaw County Park was once Florida's first Girl Scout Camp. Today, the public park offers 150 acres, a swimming pool and numerous trails for exploring and pristine conditions for overnight camping too. From one of the many onsite cabins to a night in one of the nine treehouses that sleep four people, families can sleep under the stars at this historic campground.

Other popular spots for overnight and rustic camping in Clay County include Mike Roess Gold Head Branch State Park in Keystone Heights, home to 2,000 acres with 5.44 miles of trails along the Florida National Scenic Trail. As a full-facility campground with 73 camp sites, overnight accommodations are available for RVs, tents and cabin rentals.

At nearly 24,000 acres, Jennings State Forest located just outside of Oakleaf is open daily during daylight hours for visitors interested in hiking, bicycling, canoeing and horseback riding throughout the land. There are three hiking trails ranging from 1.7 miles to 5-mile loops taking visitors along area waterways and primitive areas in the forest. Overnight camping and primitive campsites are available at the Hammock Campground.

Stay in an Esteemed Mansion

Located in Orange Park near River Road, Club Continental was once known as the Palmolive Estate (yes, like the soap). In the 1880's, B.J. Johnson, owner of the Palmolive Soap Company, was looking to escape the harsh winters of Wisconsin and moved his family to Orange Park for the winter months.

The home was host to many, riverfront parties throughout the 1920's ranging from social events, equestrian meets, yacht parties and more.

Today, Club Continental is home to a fine dining restaurant, twenty-two guest rooms, seven tennis courts and three swimming pools. The pristine lawns, along with 300-year-old Live Oaks, Magnolia trees and formal gardens are carefully maintained as part of Club Continental's deep history.

Seven of the twenty-two rooms on the property are located within the main mansion. All rooms feature a private bath, cable TV and free Wi-Fi, along with a complimentary continental breakfast each morning. Guests also have access to the property's tennis courts and three swimming pools.

Each of the main mansion's rooms feature views of the St. Johns River with some rooms offering balconies. The property's Continental Suite is luxuriously appointed with a mahogany antique king size bed, hardwood floors and French doors that lead to an oversized private deck overlooking the gardens, pool and river.

The property's impressive one- and two- bed River Suites all feature a private balcony overlooking the St. Johns River.

Escape to The Treehouse on Black Creek

Bring your boat to the 30-acre oasis along Black Creek known as The Treehouse in Middleburg. This vacation rental offers peaceful views of the woods and sightings of deer, turkeys and other native Florida creatures.

With access to Black Creek, this is a fisherman's delight with the home offering small boats, kayaks and canoes direct access to the waterways. For those with larger boats, the home is a short drive from Middleburg's Main Street Boat Ramp. After a day of fishing, enjoy the home's 'man cave' with a great seating area, TV with antenna, a barbecue grill, refrigerator/freezer, cornhole, dart board and canoes.

Upstairs, the home features an open concept living area with full kitchen, stainless steel appliances - including dishwasher; dining area for four along with bar counter seating. The open living area with Queen sleeper sofa, two recliners and a cozy King size Corda-Roy Bean Bag that also opens into a King mattress.

Ready to explore more about Clay County, Florida? Pack your bags and get ready for a vacation that stands out from all of the rest. We invite you to experience a side of Clay County that allows you to experience your surroundings and enjoy a great night's sleep too!

THE HOUSES OF HISTORIC MIDDLEBURG

UNITED METHODIST CHURCH

(Circa 1847) 3925 Main Street

This building is one of the oldest Methodist churches in continuous use in Florida. It is a frame vernacular Church built of Hand-wrought lumber and nails. Mr. George Branning later donated the bell which was forged in New York and shipped by steamboat. One early use of the bell was to toll the death of his son, Robert Branning, who died in 1861 at 20 years of age.

OLD MASONIC LODGE

(Circa Late 1800-1889) 3893 Main Street

This building was moved to its present site from where the present Masonic Lodge is now. It is often called "the old lodge." It has an open side gable frame vernacular building built in the federal-period style. It has a one bay gable roof entrance porch on the east side. This yellow painted two-story building is balanced or symmetrical in appearance. It is beside the Clark-Chalker house.

THE BARDIN HOME

(Circa 1888) 3881 Main Street

This is Middleburg's only example of Italian architecture. This style is more common in other areas of the country than in the South. There is a central cupola which is a small structure built on to the house. It is often used as a lookout and for air supply ventilation. Mr. Henry Bardin's house has two wide porches across the front of the hoe. It also has Victorian style gingerbread trim. The Bardins used to have square dances there many Saturday nights.

THE FROSARD BUDINGTON HOME

(Circa 1910) 3916 Main Street

This is Historic Middleburg's only example of Queen Anne architecture. It is unusual in that it is a single story with a rounded corner on the veranda porch. The rounded columns are called ionic. The interesting shape of the left-hand gable window when facing the front of the house is called Palladian. In 1927, Mr. and Mrs. F. Budington gave a deed to the Middleburg United Methodist Church which later added the Budington Educational Building. This home is now owned by Mrs. Pat Mueller.

THE STEWART HOME

(Circa 1890-1911) 3895 Main Street

This is Middleburg's only example of center gable frame vernacular architecture. It is a white two-story home with a porch. It has a front facing gable wall dormer window. The home was built by George Chalker. As Mr. Chalker had a home on wharf Street, he rented this house to Mr. and Mrs. G.P. Stewart. The Stewarts moved from the Gin House Landing area where they had a turpentine mill.

THE BUDINGTON HOME

(Circa Late 1800's)

Originally at 3913 Main Street

This is a white two-story house with a wide L-shaped porch which extends out to an area which can be used now as a carport. The shutters on this home are functional. This frame vernacular home is thought to have been moved to its present sit by rolling it on logs from across the street where the F. Budington home is now. This home is simpler in appearance on the outside than the Frosard Budington house across the street. This house has been relocated to the Main Street Park.

THE GEORGE CHALKER HOME

(Circa Late 1800's) 2160 Wharf Street

This white two-story home sits on a large area of land. It is Colonial Revival architecture which features a flat roofed porch with a railing above which is supported by square columns. There is a dormer window on the roof on the front of the house. A vine-covered retaining wall fronts the home on Wharf Street. The Chalker family was related to many families in Middleburg. It is presently under-going renovation and restoration.

DR. G.E. ADAMS & DR. STONE HOME

(Circa Early 1900's) 2145 Wharf Street

This building is a small frame vernacular home. It has decorative wooden trim on it. There is wooden "gingerbread" trim at the top of the porch columns. The porch with railing is on the left side of the house when facing the front. This building served as a Doctor's office and home in 1914. Later, the house became a private residence.

THE GEORGE HASKELL HOME

(Circa Late 1800's) 3894 Main Street

This frame vernacular home was built by Mr. Haskell as a replica of his home in Salem Mass. He was stationed with the Union troops during the Civil War in the area. He was attached to the Paymaster Corps. He later acquired 500 acres of land. The house is three stories and has been remodeled and kept in good condition. It is white with a decorative eagle on it.

THE CLARK-CHALKER HOUSE

(Circa 1835) 3891 Main Street

This is the oldest building in Middleburg. It is a white two-story columned house with a white picket fence. This open side gable frame vernacular home was built for Capt. Matthew Clark and his staff. They were with the U.S. 2nd Dragoons stationed at Ft Heilman. During the Second Seminole Indian war, the house was headquarters for General Winfield Scott. Martha Ann Chalker later occupied the house for 82 years until her death in 1936.

THE BARTHLOW HOME

(Circa 1800's) 3884 Main Street

This is a frame vernacular home, which is a typical wood frame home of the period. It is a small home with a tin roof and green metal awnings over the porch. Homes during this period were built with fireplaces for heat as is this one. This home has a metal fence. Some of the other homes have wooden, brick, metal or stone fences in front of their homes. Some do not have fences. This home remains in the Barthlow family to this day.

THE HADDEN HOME

(Circa 1912) 3887 Main Street

This is a colonial revival home with a balanced front called a symmetrical façade. This is a two-story home with round columns. It has a tin roof like several of the historic homes in the historic district. An interesting aspect of this home is that the decoration above the front door was originally made from an old bed headboard. This is called a decorative entrance Pediment.

LONG HOUSE

(Circa 1890) 3858 Main Street

This home was purchased by Edward Long for his parents in 1896. It was an example of the open side gable frame vernacular style. This building features drop siding exterior wall fabric and an exterior field stone chimney stack.

Green Cove Springs Historic Walking Tour

- 1 Spring Park - The Spring tapers down with clear visibility to a depth of 31 feet up from which flows 78 degree mineral water filling the pool at 1300 gallons per minute for chemical free swimming in the summer. In the late 1800's many came to partake of the medicinal waters and some even stayed. Today the park includes the pool, the spring, playground, cooking pavilion, numerous gazebos, picnic tables, a stream, fishing pier and boat slips with water and electricity on the St. Johns River.
- 2 215 Spring Street - City Hall is seen west of the park. It was completed in 2004 on the site of the Qui Si Sana Hotel which faced the spring (c. 1907 meaning "Here is Health"). The architectural features of City Hall have similarities of the Qui Si Sana. Prior to the Qui Si Sana, the same site was occupied by the Clarendon Hotel (1870 - 1900). Guests of the Clarendon had exclusive use of the spring.
- 3 103 S. Magnolia Avenue - This frame vernacular style is characteristic of one of the most popular building styles in this region during the late 1800's. This building was used as a cottage for the Clarendon Hotel as well as the residence of Dr. Joseph Applegate who prescribed and dispensed the "medicinal" spring water to his wealthy northern clientele. It is in current use as the River Park Inn Bed and Breakfast.
- 4 219 Spring Street - Built in 1887, this home was, for many years, in the family of Judge Rivers. Notice the design pressed into the metal roof and the wonderful wrap around porch.
- 5 Footbridge - Across Spring Run connecting the North and South sides of the park, this bridge was built in 1988 by a Hungarian immigrant and Vietnam War Army veteran, Antal Molnar and his son Antal Jr. Note the replica of the old city seal in the center of the intricate iron work.
- 6 Spring Run is the stream from the outflow of the spring-fed chemical-free community pool. "Friends of the Park" were responsible for the large riverfront gazebo built in 1984 and still used regularly today for weddings and other events. Cross the bridge and take the sidewalk along St Johns Avenue.
- 7 14 North St. Johns Avenue - Built circa 1897 and known as the home of Captain C. E. Garner of the Independent Line Steamers that operated the May Garner riverboat between here and Jacksonville in the early 1900's, this home has been lovingly restored in the Italian Renaissance style by its current owners.
- 8 15 N. St. Johns Avenue - the winter residence of the Carl Schultz family of NY; it was later known as the Hallock Hotel.
- 9 218 Palmer Street - The original home of Dustin Page is still maintained as a private residence.
- 10 115 St. Johns - Built in the Italian Renaissance style as his family's first residence, W. M. Hoyt, a Chicago grocery chain magnate was one of many wealthy northerners who invested in real estate in Green Cove Springs in the late 19th century. It later became known as the Riverview Hotel.
- 11 200 N. St. Johns - Having the means to do so, W. M. Hoyt later built this house designed by architect, Mellon Greeley, in 1917 for his family in the Mediterranean Revival style with features such as the stucco exterior and tile roof. The building has now been converted to condominiums.
- 12 400 St. Johns Avenue - St. Mary's Episcopal Church, built in 1979, continues to serve an active parish today. It is built in Carpenter Gothic Style. Note the small doors beneath each window. They are more often used for ventilation but they would provide escape in case of fire. On the same property notice the Fellowship Hall. It was originally one of 5 army chapels at Camp Blanding built in the early 1940's and later relocated to this site for the church.
- 13 405 St. Johns Avenue - The rectory for St. Mary's Episcopal Church, circa 1906, was erected with funds from the Morton Fox Memorial Fund, according to the historical marker on the left eve of the house.
- 14 208 Park Street - One of three still existing homes in town originally built for members of the Borden family of condensed milk fame.
- 15 502 North Magnolia Avenue - Called "Villa Cottage", this home was built in 1880 by John C. Borden, son of the inventor of condensed milk. The tower on the right was used for judging the horse races which occurred on Magnolia Avenue. It was later used as the first home of the Women's Club better known as the Village Improvement Association (VIA).
- 16 300 Gum Street - First Presbyterian Church, circa 1892, is a detailed carpenter gothic style church. Designs on the hand forged hinges as well as the shapes and colors of the windows have special meanings. The Friendship Hall was completed as an addition in 1995.
- 17 303 North Magnolia Avenue - Circa 1884, Queen Anne style, rumors have circulated for many years about the ghosts in residence!
- 18 312 Center Street - This beautifully restored 1890's residence was most recently an art studio.
- 19 326 Walnut Street - Green Cove Springs got its own Art Deco style theater in the mid 1930's. The owner in 1936, R. C. Wilson, relocated the business from 420 Walnut Street where it was known as the Palace Opera House and Motion Picture Show. In 1939 a license permit was issued for the Clay Theater to Frank Bryant. Today it is the Clay Theatre, An Event Venue.
- 20 400 Block of Walnut Street - Walnut Street developed early as the main street for business in town because it led to the town's general landing at the east end where the fishing pier is now located. In 1882 there was a barbershop, a cobbler, several grocery stores, 2 churches, a bakery, a photography shop and several hotels on Walnut Street.

The Keystone Heights Heritage Commission presents:

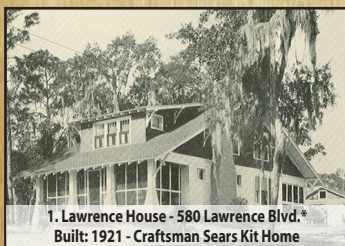

Walking Tour of Historical Homes

Keystone Heights was established in 1923 by the Lawrence Developing Company. Its owner, J. J. Lawrence, was from Pittsburgh, Pennsylvania. The town was to be a vacation spot and health benefits from recreational opportunities, climate and clean water were highly emphasized in sales brochures. Key-stone Heights was on the Chatauqua RR Circuit. Citrus and pecan trees were also touted as good investment possibilities. Frank Walrath, a cousin, was head of sales for the development company.

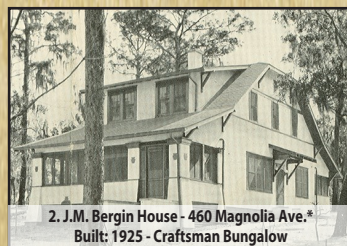

The town was laid out in 1923 by an unrelated C. Ray Lawrence, also from Pennsylvania, who was a retired civil engineer. Streets and alleys as planned then, exist today.

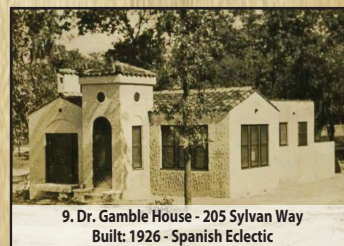

Keystone's earliest homes, including that of J. J. Lawrence, are thought to be mail order catalogue homes. Some evidence exists in the form of handwritten labels and model numbers on framing. The homes in this tour are from the first building period (1921-1929). Initial development stopped when the stock market fell.
