42nd Annual Town of Orange Park Fall Festival

The Town of Orange Park's Fall Festival is back for its 42nd year! The festival is Clay County's oldest arts and crafts festival. The festival has been named one of Southeast Tourism Society's Top 20 Events in the Southeast for October four times. The festival also received two SunSational Awards from Florida Festival and Events Association and won Best of Clay for Best Community Event!

This year's festival will take place on October 19th and 20th from 10am – 5pm both days at Town Hall Park. Free parking and a shuttle is available at Moosehaven. Moosehaven is located at 1701 Park Ave. Limited handicap parking is available at the municipal lot located at the corner of Clinton Dr. and Smith Street.

Music & Entertainment

The Waste Management Main Stage sits at the heart of the festival. Gather 'round and enjoy community dance groups and local sensations in addition to The Atlantic City Boys! The Community Stage is located on the east side of the festival. Bring a chair or blanket to enjoy the shows. Visit the Entertainment section on page 5 and on our website for full stage schedules.

Artists & Makers

The festival is a great place to find unique items to fill your home and check off your holiday shopping lists. In addition to your long-time favorites, you're sure to find something new this year. Flip to the center of the guide to see the complete list of participating artists and makers and a map of festival to guide you to their booths. Be sure to vote for your favorite vendor in the people's choice contests! Vote on our mobile

app or at the information booth near the main stage.

Did someone say food?

With over 25 food vendors, you're sure to find something to satisfy your appetite for tasty festival treats. The food vendors are located along the Kingsley Avenue on the north side of the festival grounds. Visit

our website under the Artists & Vendors tab or mobile app to view the full list of food vendors and preview many of their menus.

Visit our website www.OPFallFestival.com for more information and be sure to follow us on Facebook @OPFallFestival.

The Atlantic City Boys

The Atlantic City Boys are four dynamic lead singers who have wowed audiences at Las Vegas, Walt Disney World, Atlantic City, as well as cruise ships around the world. Their show is an exciting mix of world class vocals and interactive comedy - featuring the rock-n-roll harmonies of the Beach Boys, Drifters, the BeeGees, and of course, Frankie Valli and the Four Seasons. The Boys have performed with many greats from Jay Leno to Huey Lewis and Pattie LaBelle and the Temptations. They are one of the most sought-after productions coming as a result of their stable performing both nationally and internationally.

BedRock

BedRock is a high-energy, tribute to 80's / 90's Rock that brings the ultimate hair band experience to venues across the sunshine state, performing all the fun tunes that everyone knows and loves plus a few surprises thrown in to make it one big party! Audiences are constantly kept on their feet, happy to hear their favorite rock tunes

that bring them back to when music was about having fun.

There are no wigs or gimmicks here - just everyone's favorite 80's / 90's rock tunes played right! The band is based out of Jacksonville, FL and consists of all pro musicians - most of whom have extensive stage and touring experience across the US and beyond!

Jimmy Parrish & The Waves

A native Floridian and long-time Jacksonville resident, Jimmy's been performing

both as a solo act and with his band for nearly thirty years entertaining audiences throughout the southeast with an island style tropical vibe. You can expect to hear high-energy island-style covers by artists like Kenny Chesney, Zac Brown, Bob Marley, of course tons of Buffett, both popular and obscure, and a long list of creative originals peppered in throughout the shows.

Community Stage

GUARD TAXPAYER DOLLARS

Clay County has one of the smallest tax bases of any top 10 Florida school district. I will ensure every dollar is spent properly out of respect for our students and teachers, and you, the tax payer.

**SUPPORT CAREER AND TECHNICAL
EDUCATION**

I am the proof that Career and Technical Education is vital to our public schools. As a firefighter and state guardsman, I believe we need to allocate funds, resources, and expand of our CTE programs.

**ATTRACT & RETAIN HIGHLY QUALIFIED
TEACHERS**

I will work with our district to support, hire, and keep our true public servants. I would work to provide competitive pay, solid benefits, and ensuring teachers have the support they need to be effective in the classroom.

**PROMOTE STUDENT ACHIEVEMENT AND
PARENTAL INVOLVEMENT**

I will promote high standards of learning by adopting policies that support our students ability to learn and our teachers ability to teach.
