THE WINNERS CIRCLE

From the Publisher

For Clay Today, being a member of the community means being a trusted source of information that drives engagement and offers a platform to connect with others.

We strongly believe in supporting local events, businesses and their projects. A weekly newspaper should be the community's heartbeat, documenting the successes, struggles and perseverance of residents and business leaders.

The newspaper can serve as a lifeline for local companies and boost visibility by print and digital means. Unlike worldwide ad platforms and sources, Clay Today connects with neighbors who walk through our door, which builds friendships and establishes loyalty.

Clay Today celebrates our towns' leaders, military veterans, seniors, city council members, college students and high school teams. We strive to focus on subjects that major daily outlets sometimes overlook. Without community newspapers, human-interest stories risk being lost.

We are more than just a news source: We help people become engaged, to thrive, and to be proud of where they live and work.

Our dedicated customers and growing business community made the 2025 BEST OF CLAY contest a success.

Now in its seventh year, the competition's nominees expanded to 34,290. We received 169,688 votes and enjoyed interaction on social media. We're confident you've seen our BEST OF CLAY winners' stickers on the doors of many of your favorite places.

BEST OF CLAY's success emphasizes the important role of a weekly community newspaper. That's why we're proud to partner with our readers to recognize the winners and everybody who was nominated. Congratulations.

Readers and residents accepted nominations from our area. It took only one nomination for a business to be listed on a ballot. Businesses and organizations that only serve Clay County were allowed to compete.

We want to thank everyone who voted in this year's contest. You can find the results on our website, claytodayonline.com. Annual subscriptions cost \$50 and are available at our office at 3513 U.S. Highway 17 on Fleming Island or by calling (904) 264-3200 or visiting www.claytodayonline.com.

FANTASTIC FLOORS

2025 Best of Clay for FLOORING COMPANY & CARPET / FLOORING STORE

At Fantastic Floors, we pride ourselves in service, quality and value. Our customers have come to expect the best experience when it comes to working with us. We have assembled the best sales team to assist you in the latest design and project management. We are locally owned and operated so it is truly our pleasure to serve our community.

Our industry has changed over the years and we have a lot of box stores and small stores selling products from overseas that they can't stand behind. Unfortunately when floors fail and you call upon your contractor/installer there is almost no way they can warranty the work. We deal directly with manufacturers and have installers we team up with to ensure a job well done! That is backed by a warranty and our name! We offer free in-home estimates and serve all of NE Florida.

We look forward to the opportunity to earn your business!

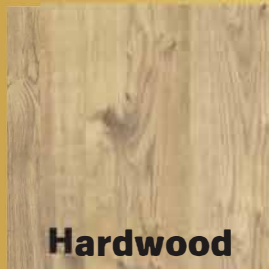

Come See Our Us At

1632 Park Ave suite 100 / 206 Ashourian ave suite 115-116 St Aug. Fla 32092

Hello! I'm Rusty, owner of Fantastic Floors. My goal is to build a business based on low prices, honest work, and a job done well. We are different as we bring low prices with high quality. I like to tell customers to give me a chance to earn their business, and since I give true free estimates, it won't cost them anything. So, next time you need to get done a job on flooring in Orange Park or in any area that we cover, do not hesitate to ask me for a quote.
