# **Supervisors Address Insurance and DD 180**

#### by Diane Weiland

Following the approval of the agenda and last week's minutes Dave Walters from Hughes Brennan and Wirtz reviewed the county's insurance package. He reminded the Board that he told them last June during the review that property insurance premiums were on the rise. There was an 18% increase in the property insurance. He stated that it was offset by the 22% decrease that occurred earlier this year in Workman's Compensation.

Walters asked the Board about cyber insurance. Auditor Carmen Moser stated that the county has put into place cyber security systems. The Board inquired if the premium would be lowered because there is currently no jail in the county. Walters responded that it would not make a difference because there have been too many natural disasters and storms like the derecho. After the discussion the Board decided to stay with the same package.

Mark Hunefeld visited with the Board at their request. They asked him about the county's Hazardous Mitigation plan and

what that says about the flood plain & pipelines. He responded that there are different rules where flood plains are located and the policy defers to the Iowa Department of Natural Resources. The DNR makes those rules and regulations. Hunefeld stated that the Mitigation plan does not address the flood plain. Jan Morey sells flood insur-

ance and she commented about the flood plain. She had the US Flood Plain Plan which is a resource for flood plains. It might be helpful for the draft of the county ordinance concerning the CO2 pipeline project. County engineer Walter Davis-Oeth asked for approval to move forward on the pur-

chase of four dump trucks with boxes. He reminded the Board that the fleet is old and it takes time to get what is needed. He proposed to order four Volvo dump tuck models with a side mount, snow plow and under belly scrape. Each truck will cost \$300,069. He estimated

that it would be about two years before the chassis & add-ons arrive. The Board approved the purchase.

The completion hearing on Drainage Ditch No 180 Lateral 1 Tile ensued with several landowners present. Jon Rosengren from Bolton & Menk conducted the hearing. He explained that the hearing was to consider crop damages, answer questions about the project and to review several damages and completions that needed to be addressed.

After a summary of the project and discussion about crop damages the landowners and the Supervisors agreed to the following compensations. Corn will be figured at 200 bushels per acre at a price of \$8.32 per bushel. Beans will be figured at 80 bushels per acre at a price of \$15 per bushel.

Three landowners Mike Hermansen, Mike Frederick & Vincent Lammers had issues with portions of the project on their land. One was an intake that was cut off too high. Another was some concerns about whether intakes were properly reconnected. The last was a claim for picking up rock & repairing a fence. Rosengren assured the landowners that these items would be taken care of.

Kindergarten Community Helper Unit

HANDS-ON LEARNING -- The kindergarteners at Emmetsburg Catholic and West Elementary visited the fire station on Tuesday to learn all about fire safety as part of their community helper unit. On Wednesday, the students would also get to see an ambulance vehicle, a police truck, and an lowa Electric truck in the West Elementary Natalie Henriksen photo parking lot. This unit helps students to understand the impact of those who serve in roles that maintain safety and order in the community.

Around 300 people attended the fourth annual Palo Alto County Zero Suicide Coalition event in Soper Park last Saturday afternoon and evening. There were jumbo inflatables, information tables, food, crafts and the very popular One Layne Band.

Michelle Theesfeld who serves as LMHC Director of School Based Services and Therapy Specialist was one of the organizers for the event. She shared that, "When we created the coalition Palo Alto

County was in the top 10 per capita in Iowa for the rate of suicide." That is the premise for the yearly event. "We have resource tables available to provide insights into the supports that are available, to answer

questions and to provide education. Aside from that, we want families to come out and enjoy the day and experience a sense community." of stated

Michelle. As the sun started setting the glow sticks came out. A prayer service was held and luminaries

a glow run and walk. All of this Michelle referred to as bringing light to the darkness. There were multiple agencies involved in the afternoon. Some of those named were Seasons Center, PACHS, Plains

Area Mental Health, Palo Alto County Sheriff's Office, 10 area school districts, AEA, Public Library, United Methodist Church and ISU Extension.

There are costs to putting on any event. For this one, grants were received from four were lit in remembrance of sources including Seasons,

PACHS, CCNIA and Plains Area Mental Health. One Layne Band played for no fee. There were area businesses that contributed door prizes and Dollar Fresh provided a donation.

The overall goals for the event were to provide awareness, partnering with other organizations, providing information about mental health resources and giving families the opportunity to be together for fun.

For Michelle the events takeaway included hope, resilience, family and community.

### Projects Underway In Emmetsburg

by Natalie Henriksen The Emmetsburg City Council members met on Monday, October 10 to discuss and move forward with decisions for the improvement of the City of Emmetsburg.

Police Chief Ryan Veldboom reported that the stop sign at the intersection of 11th and Grand is working well in the midst of the Public Safety Center construction. The stop sign is currently temporary, and will continue to be evaluated by the police department.

Public Properties Director Frank Kliegl explained that he and his team have been busy completing fall maintenance

tasks in the community. The new crosswalk signs at the intersection of Main Street and Call Street are a recent addition made possible by a Community Visioning Committee grant through the Gaming Development Corporation.

The council then discussed that there would be several locations where crosswalk signs would be beneficial. For example, a sign is turned every day at the school twice a day, but it is not made as clear as signs with lights similar to those installed at Main and Call. With the changing of seasons, it is often recommended that lights are involved to capture the attention of drivers in order to promote safety and extra visibility in the darker months.

Due to the expense of the crosswalk signs, grant funding is extremely helpful in making them possible. The goal is to get funding for more crosswalk signs in the future. As a member of the Community Vision-

Committee, ing City Administrator Kim Kibbie expressed her thankfulness for outside donations that make these signs possible. "We hope to apply for grants and get funding for these projects," she said on behalf of the Community Visioning Committee. Marketing and Retail Coordinator Gretchen Reichter was also thankful for the work that Frank Kliegl and his crew have done with recent community projects.

WHAT DO FIREFIGHTERS WEAR? -- Many curious questions were asked by the kindergarteners who attended the learning stations at the fire hall on Tuesday morning as part of their community helper unit. This particular session involved showing the students how the firefighter gear is put on before attending to an emergency. The students even got to don some of the items for themselves to feel how heavy the uniform is.

Another session involved an educational video about fire safety and how to keep fire alarms working properly in the home. Behind the fire hall, the students were able to learn how to spray the hose from the fire truck, which seemed to be many of the students' favorite part.

After the sessions were completed, the students were given goodie bags with toy fire hats, coloring books, and educational materials about what they had learned that day. -- Natalie Henriksen photo

### Autumn Spice Event Recap

by Natalie Henriksen

The Autumn Spice and Everything Nice Retail Event last Thursday was a treat for all involved. Businesses and vendors were busy for nearly the whole four hours. People could be seen walking up and down Broadway Street snagging deals at the Emmetsburg businesses, and the free wagon rides took the shoppers to the VFW to visit the participating vendors and to enjoy maidrites and hot dogs served by the VFW Ladies Auxiliary.

A variety of free samples and doorprizes were available. Peg McNally's name was drawn at Clover Cottage for the prize basket. Mini photo sessions were offered in Mural Park by Kristal Theesfeld Photography to capture Emmetsburg citizens in the season's beauty, and in Artsy Darci's pumpkin painting ta at the Chamber building was a linhit; a great opportunity for all

ages to get creative. The winner of the scarecrow contest in the residential category was the Reichters at 202 King Street with a scarecrow taking a bath. The winner in the business category was Emerald Oaks with a scarecrow named Esmerelda, who was dressed in her finest. Chamber Director Deb Hite

explained that when Emerald Oaks was presented with the \$150 Chamber Bucks for their winning scarecrow, the residents were excited to express the ways they would like to use the money. A few residents said they would like to go dancing. Harold Europa said that a meet-

ing will be held to disucss in detail what the residents would like to do.

Hite also observed that the winners were not in the downtown area, showcasing that all areas of town get involved. She would love to see more residential participation in the future. All you need to do is let the Chamber know you would like to be involved in the contest if you have a scarecrow on display outside in future years.

"It was so great to have the whole community involved. Those are my favorite events where everyone gets together. It's fun to decorate the town, and everywhere you go has a flavor of autumn," said Deb Hite. Look for photos from last Thursday's event on page 7A of this issue.

#### CITY COUNCIL Continued from Front

Reichter went on to explain that Downtown Housing Grant work is officially underway. New windows are now installed in the front of the building and can be seen from Broadway Street. Recently, Lieutenant Governor Adam Gregg came through Emmetsburg as part of his 99 county tour, and the chosen tour spot was the Downtown Housing Project. "It was nice to get some publicity with the project," commented Re-

ichter. Similar to the Downtown Housing Grant is the Catalyst Grant. The Catalyst Grant was to be implemented a couple years ago, but due to Covid and price changes, was postponed. Reichter is now refining paperwork in order to open up applications to property owners who may be interested in the 1017 Broadway project. From there, potential project applications would be sifted through and brought before the council to move forward with an application to the state.

In new business, the city council approved the Annual Urban Renewal Report with no further discussion. The council also discussed the City of Pocahontas' offer to purchase a SnoGo snowblower, which was also approved.

A stage that will no longer be utilized at The Shores due to concerns for the time and labor it takes to put it together for events was approved to be donated to Main Street Community Theatre.

The council also accepted the Park Board's recommendation to increase cabin rental rates in Emmetsburg by 10%. The Park Board felt that the price needed to be increased when it was compared to other rates.

Additionally, Thea Schmahl was approved as a bartender for The Shores, and Andrew Matheason was approved as a cook for The Shores.

SCARECROW WINNER -- Emerald Oaks' scarecrow was the winner in the Chamber of Commerce's annual scarecrow contest. Voting was held last week until Friday. The businesses were very creative for their contest entries. On Monday, Deb Hite, Chamber Executive Director, delivered the \$150 in Chamber Bucks to Emerald Oaks. Harold Europa, Assisted Living Manager stated that the residents will have to decide how they want to spend their prize. The residents gave credit to Sandy Gappa for designing and putting together their entry. Esmeralda (the name given for the scarecrow) was formed from an ironing board. The residents were very proud of their creation. # **Q & A: Medicare Open Enrollment**

With U.S. Senator Chuck Grassley

Q: What do Iowans need to know about Medicare open enrollment?

A: The open enrollment period for joining a Medicare health or drug plan for the upcoming year starts Oct. 15. The deadline to join, switch or drop a plan is Dec. 7. Coverage begins on Jan. 1, 2023.

In Iowa, 653,534 individuals currently are enrolled in Medicare. During this window, Iowans may change from original Medicare to a Medicare Advantage Plan, or vice versa. From year to year, health needs vary and it's prudent to examine different costs and benefits. Taking the time to comparison shop is a smart idea to look for coverage and benefits that suits your health care needs and budget.

The Centers for Medicare & Medicaid Services (CMS) recently announced 2023 premi-

When I chaired the Senate Fiby the number of full, uncovnance Committee, I worked ered months you were eligible with then-ranking member Sen. and didn't enroll. That amount Max Baucus to write the firstis added to your monthly preever Medicare prescription mium every year. So, be sure to drug benefit. In fact, Part D was the first major expansion of Medicare since the nation's health insurance program for seniors and Americans with disabilities was enacted in 1965. Most recently, I wrote com-

keep records showing you had drug coverage to avoid the late enrollment penalty down the road. More importantly, even if you don't need prescription drug medicines today, it may save your pocketbook in the years ahead to sign up for prehensive bipartisan reforms Medicare drug coverage now. I'll continue working to fight inflation and lower costs for seniors. Recently, the FDA finalized rules for my bipartisan 2017 Over-the-Counter Hearing Aid law that will enable certain types of hearing aids to be available over-the-counter for those with mild to moderate hearing loss. Rules for this will go into effect on October 17, 2022. This is good news. Consumers will be able to access more affordable hearing aids that are safe and effective. I'll also continue working to lower prescription drug costs. Recent reforms I've championed into law will save \$9.6 billion over the next decade. I'm also committed to making insulin more affordable and passing bipartisan reforms to hold Big Pharma and powerful pharmacy benefit managers accountable. Q: What if Iowans need help

Medicare can find information about getting started with Medicare at Medicare.gov. Use the Medicare Plan Finder to explore Medicare coverage options tailored to your needs by comparing coverage and cost options.

As a reminder, if you choose a Medicare Advantage Plan or other Medicare health plan, you have the same basic benefits as people who have Original Medicare. Be sure to compare monthly premiums, deductibles, coinsurance and copayments to enroll in the plan that best fits your needs.

Iowans who are satisfied with their current coverage can roll over their current plan and do not need to re-enroll.

Medicare enrollees also may reach out to the local State Health Insurance Information Program (SHIP) for one-on-one help. Iowans may call (800)

# We Can't Do It Alone

Natalie Henriksen

From The

News Room

Have you heard of the notion that it takes a village? At times, we are taught that we must be independent, self-sufficient, and tough While some moments this may seem true, I would like to provide you with the reminder that it does not always need to be done alone.

We are meant to live in community, leaning on one another and relying on others' strengths that we may lack. In this way, we balance one another out, giving what we are able in order to make up a whole.

I can't help but think of the many groups in Emmetsburg who operate in this way. The various strengths of community members make Emmetsburg the welcoming place it is. The familiarity of hometown connections keeps roots strong as we move into the future. The groups who make progress possible work as many units toward two central goals I have personally observed over time: the overall betterment of the community and increased opportunities for connection among others.

The simple mind shift from individuality to connectivity allows us to accept that self-sufficiency, while considered a strength, is not always necessary. We were not meant to do it alone. Reminding ourselves of this brings not only comfort, but strength. Reaching out is not a weakness.

Whether it be in times of trial or success, sometimes all we need is for someone to sit in it with us.

I now challenge you to think of how you can reach out. In what ways have you caused your own hardship because you did not reach out? How can people in your life be more actively integrated in the day-to-day in a way that not only benefits you, but them as well?

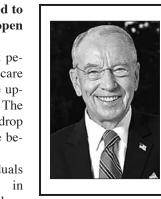

Who have you failed to check in with for some time? Is it yourself? Is it a family member or long-distance friend? Who is on your team that you may have forgotten to cheer on lately? How can you support and uplift those around you with purpose? It is one thing to simply get by, and a complete other thing to be conscious in our words and actions daily. Make others feel welcome. Take a step forward and make those new relationships. You never know where it may lead you.

If we are continually inspired by what it means to be on a team whether it be a sports team, a choir, a work team, or a family, we find that things are made better if we loosen the grip we hold on meticulously carrying out our own plans. Let the day unfold as it is meant to, and let teamwork carry you to something even better than what you could have accomplished on your own. By simply calling on the knowledge of another, we are made even more powerful.

drug plans. In Iowa, CMS estimates the average monthly Medicare Advantage plan premium will be \$9.13 in 2023. Our state has 70 Medicare Advantage plans available next year, compared to 61 in 2022. Access to Medicare Advantage plans vary by county. CMS expects enrollment in Medicare Advantage plans will continue to grow. Iowans who choose Medicare Advantage plans have a range of supplemental benefits, including eyewear, hearing aids, dental and other benefits.

Iowans also may choose to join a Medicare drug plan, known as Part D. In 2023, the average basic monthly premium for standard Part D is estimated to be \$31.50. In Iowa, 24 stand-alone Medicare prescription drug plans are available in 2023.

with Sen. Ron Wyden to help lower the cost of prescription drugs. Unfortunately, my effort to replace the reckless tax and spending spree with our Pre-

scription Drug Pricing Reduction Act in August was blocked. We could have passed drug pricing reform on a bipartisan basis if the majority was less interested in scoring political points. According to the Congressional Budget Office, our bill would save taxpayers \$95 billion, reduce out-of-pocket spending by \$72 billion and reduce premiums by \$1 billion. For first-time Medicare enrollees, it's important to be aware of the Part D late enrollment penalty. If you don't join a Medicare drug coverage plan (or have prescription drug coverage elsewhere) for more than 63 days after first enrolling in Medicare Part A or Part B, the late enrollment penalty is calculated by multiplying 1 percent of the "national base beneficiary premium" (\$32.74 in 2023)

it's worth holding on to. Is it worth anything?

A: Lane started in 1912 as the Standard Red Cedar Chest Company in Altavista, Virginia. John Lane was president and his son, Ed, was vice president and general manager. It became The Lane Company in 1922.

The company was known for its cedar chests, which were often used as "hope chests" by brides-to-be. Lane began making occasional tables in 1951 and expanded to include lines of bedroom, living room and dining room furniture in the 1960s and '70s.

You can find the age of your Lane chest by looking for the serial number on the bottom. If you read the number backward, you will find the production date. For example, serial number 753150 indicates the chest was produced on 05/13/57. An extra digit at the end of the serial number is the plant number

Lane cedar chests made before 1987 have the old-style locks that can latch shut and trap a child inside. Those locks should be removed or replaced. Value depends on style and condition. Some Lane chests sell for less than \$50, others for over \$100.

### Marlys A. Lee

**RUTHVEN** -- Funeral service for Marlys A. Lee will be held Saturday, Oct. 22, at 2 p.m. at the United Methodist Church in Ruthven.

Inurnment will be at Crown Hill Cemetery, Ruthven. The Martin-Mattice Funeral Home in Ruthven is in charge of arrangements.

Marlys went home to be with Jesus on Saturday, Sept. 17, 2022, one month short of her 98th birthday, in her daughter's home at Merrifield, MN. She was born in Murdo, SD,

to Frank and Maude Coleman, the first of five children. The family moved to the farm near Ruthven where Marlys attended country school and later Ruthven High School. Here she met Lawrence (Larry) Lee and during his service in the Naval Air Corp during WWII they were married in the Methodist Church in Ruthven. After Larry's discharge they moved to Crosby, MN and then on to other cities/states through the years. Over those years they had five children. Marlys was a devoted homemaker, gardener and baker, caring for her home and family like few oth-

Marlys and Larry eventually retired to a home in Pequot Lakes, MN and lived there until his passing in 1999. They were both active in the Crosslake Evangelical Free Church and Marlys continued her service there for many more years being active in YAHS (Young at Hearts) and Happy Halves (widowed friends). Marlys left her home in Pequot Lakes to live at the Ruthven Community Care Center in assisted living for eight years, renewing her relationship with local family, church and friends, until mov-

ing home with her daughter and son-in-law. Marlys loved the Lord her entire life and was a mighty prayer warrior as so many can testify to.

by her siblings, her husband of 54 years, Larry and one son, David.

She is survived by her daughter, Dianne and Tom Rogers of Merrifield, MN; her sons, Gary and Jackie Lee of Bulverde, TX, Jeff and Cheryl Lee of Billings, MT and Tim and Deb Lee of Jackson, MN; as well as 15 grandchildren; many greatgrandchildren and great-great

# 8th Annual Heartland Honor Choir Hosted by Iowa Lakes

(Estherville, Iowa) The Iowa Lakes Community College Music Department will host area high school choirs for the 8th Annual Heartland Honor Choir on Thursday, October 20, 2022.

At the end of the day, the Music Department will offer a concert at the Janice K. Lund Performing Arts Center in Estherville at 6:00 pm. The performance will feature more than 100 local singers, the Iowa

Lakes Concert Choir, and the guest choir, Spirit Lake High School's Meistersingers, under the direction of Luke Miller. Cornelius Koerselman from Northwestern College is conducting the Heartland Honor Choir. As a Northwestern graduate, he earned a master's degree in education from Northwest Missouri State University and has over 35 years of music teaching experience. Most recently, Koerselman

served as the vocal director at Sibley-Ochevedan High School, where his vocal jazz group was the 2011 Class 2A State Champions at the Iowa Vocal Jazz Championships.

Koerselman is active as a church musician, guest soloist, clinician, and adjudicator. From 2011 to 2014, he chaired the high school repertoire and standards committee for the Iowa Choral Directors Association. "These singers come from all

over the area and spend the day working together to create a beautiful choral sound. I highly recommend everyone attend this concert," said Iowa Lakes Vocal Music and Choir Professor Brett Fuelberth.

Tickets for the concert are \$5 and will be available at the door on the performance day.

For questions, please contact the Iowa Lakes Music Department at 712.362.8345 or music@iowalakes.edu.

The students were reminded that they should not fear the noise the machine makes when firefighters breathe in safe air as they come to the rescue. Rather, they should stay calm and call for help so the firefighters can find them and bring them back to safety.

Emmetsburg, Iowa 50536

The last words from the press box last Friday night were the E-Hawks score for the last three games is 110-0. That quote said it all about how successful the E-Hawks have been recently. In the second to the last game of the regular season the E-Hawks captured the win over Ridge View with a score of 27-0. Coach Thomsen praised the defense for the great work they did against the Raptors. He noted that the E-Hawks struggled offensively on the first drive. "It was a big lift when Cade made the interception," said Thomsen. Shirk then ran the ball from the 25-yard line into the end zone for the first score. It changed the momentum.

"When the defense can limit the opponent to under 100 yards of offense, it is a great win," stated Coach Thomsen.

The next touchdown came in the second quarter when Brennan handed off to Shirk who carried the ball across the goal line on a 10-yard run. On a short run in the third quarter

Brennen was successful for the third touchdown. He was successful with all three PATs and the score was 21-0

The last score came from a 10-yard run by Carson Baak in the last quarter of the game. The PAT was missed and the score was 27-0.

Offensively the E-Hawks ended the night with 332 yards. The top three on offense were Cade Shirk with 114 yards, Ryan Brennan at 103 and Quentin Ort had 61. Rounding out the offense were Carson Baak with 31 yards, and 26 yards from Jace Nelson-Brown. Seventy-four yards came from passing and 258 from rushing. Ridge View's offense only managed 90 yards. The E-

Hawks dominated the line that resulted in the Raptors earning only four first downs. The Ehawks had 24. The intense play of the de-

fense resulted in more assists than solo tackles for the E-Hawks. A swarm of E-Hawks were in on almost every tackle. Quentin Ort was credited with nine takedowns, Carson Baak

Rvan Brennan, Joshua Van Huevelen and Ben Saxton. Jacob Fiene and Gavin Swanson tallied three each. Good for two or one of the tackles were Clayton Rubel, Cade Shirk, Cameron Madden, Jace Nelson-Brown, Gage Jorgenson,

had six. It was four each for

Keegan Hamerlinck and Tattum Fries. Towards the end of the game Jace Nelson-Brown was injured and had to be helped off the

field. Early speculation was that he suffered a knee injury. The regular season closes out Friday when the E-Hawks travel to Hull to face Western Christian. The Jets stand at 5-2 for the season. "We can't be complacent this week," said Thomsen. "We have to have a great week of practices. Western Christian has good team dynamics. They run and throw the ball fast and are physical up

front." Thomsen added that it has been tough for the E-hawks on the road. "It will be a great challenge for us Friday but it is doable," he said.

# **EHS Cheerleaders To Compete at State Cheer for First Time in Eight Years**

by Natalie Henriksen

The Emmetsburg High School Cheerleading Team will be competing at the Iowa State Cheerleading Championships for the first time in eight years on Saturday, October 29 in the 2A time-out cheer category.

The team, coached by JaDee Gloede, will begin after-school practices next Thursday to put the time-out cheer together. Sixteen members of the cheerleaders are chosen for the competition team along with two alternates. The ninth through twelfth graders will have fifteen practices to prepare.

This one-minute routine will include motions, jumps, and

simple stunts that would entertain a crowd for a real time-out in a game.

Gloede decided in September that it was time to compete again. "I think it's because of the effort of the squad. This squad is made up of go-getters. They're willing to try anything new you throw at them," she conveyed.

When competing, it is imperative to keep movements sharp, to showcase a variety of levels, and to maintain a clear understanding of the overall visuals of the performance. Referencing videos to critique in prac-

cess.

It can be easy to remain locked in to a particular role in a stunt group as base, back, or flier. However, the E-Hawk Cheer Team has proven that they are multifaceted as they adapt to fit the roles needed in any given moment. Being willing to try new things is this squad's specialty, and the "someone teach me" mentality is how the team manages to achieve new stunts with suc-

> they build upon their skills. Gloede also attributes the team's success to the help of her two daughters, Megan and Kianna. Both daughters have coached the All Star Cheer Squad, have cheered at Disney World, have received scholarships to cheer at their colleges, and know what it takes to impress the judges. The tips given by the two over

the course of summer practices have stuck with the cheerleaders here in Emmetsburg. The students eagerly retain what the

are able to advance even further because of their leadership.

Lastly, a big reason that JaDee Gloede decided to compete with this team is because of the immense support of the E-Hawk cheerleader parents. Gloede explained that parents are a huge key to the students' accomplishments as a team. "I really have a group of strong parents who want to support and be there for their child," said Gloede with gratitude. 2A time-out cheer perform-

23-25 & 15-7]. Iowa Lakes responded well in their final match of the tournament by defeating Grand View University JV 3-0 [25-21, 25-19 & 25-23] The Lakers are now winners of 9 of their last 10 matches and are 20 & 16 on the year with seven matches left in the regular season. Iowa Lakes volleyball has not seen a twenty win season since 2015 when the Lakers went 31 & 12. This year's Laker squad has now posted the second most wins in the programs last ten seasons. The Lakers will now prepare for this Wednesday's match-up at home with #7 Ranked Iowa Central, who is currently 23 & 5 overall and leading the ICCAC with a 6 & 0 record. The Lakers are 4 & 2 in the ICCAC and in a two-way tie with DMACC in second place.

# **Brashear Named Interim** Head Golf Coach at ILCC

(Estherville, Iowa) The Iowa Lakes Community College Athletics program welcomes Jack Brashear as he steps up to lead the Lakers Golf team. Brashear will be the Interim Head Men's and Women's Golf Coach for the upcoming season.

"We're excited to have Jack as our Interim Head Men's and Women's Golf Coach. Having played at Iowa Lakes, Jack understands Iowa Lakes and junior college golf. He has great knowledge of golf to share with our student-athletes. We have a strong returning group of stu-

dents while adding some great new golfers, and Jack already has a solid relationship with the group. I'm confident he will do a good job coaching them up," said Athletic Director Troy Larson.

An Estherville native, Brashear graduated from Estherville Lincoln Central (ELC) in 2016

and played junior college golf at Iowa Lakes. Currently, he sells insurance for Farm Bureau Financial Services in Emmet County and bartends part-time at his family's bar, Mac's Top Hat.

Brashear is an avid outdoorsman in his free time, who enjoys golfing, spending time outdoors, and watching the Iowa Hawkeyes play whenever possible.

"I'm thankful for the opportunity to come back to Iowa Lakes and help with the golf

playing competitively on the Lakers team and had a great experience. Thank you, Troy and the Iowa Lakes administration for the opportunity," shared Brashear. To learn more about Iowa Lakes Athletics, please visit iowalakesathletics.com.

### National M & M Day

EDUCATION LENDING

by Diane Weiland

Today, October 13 is National M & M Day. Who doesn't like this candy that has been around since 1941?

This iconic candy has been around for 81 years. It was started by Forrest Mars in a factory in New Jersey. He had seen World War II soldiers eating chocolate candy that had a hard cover and he thought it would be good to start a business making a similar candy in the United States. The Ms imprinted on the candy stand for the owners who began the enterprise. Forrest struck a deal with Bruce Murrie, son of Hershey president William Murrie to develop a hard-shelled candy with a chocolate center. It was a successful venture from the start. In 1949 the message "Melts in your mouth not in cookies. Or just freeze a bag of your hand." was released. It is M&Ms for later.

scribes the small chocolate. In 1950 a black M was stamped on each candy. It provided a unique look for the confection. Four years later in 1954 the company changed the lettering to white. By 1980 M&Ms were not only sold in the United States but also in Canada, Europe, Australia Japan, Malaysia, the United Kingdom and Hong Kong. In 1921 M&Ms were named the most popular Halloween candy Of the top three candies M&Ms in number 3. gemstone that has a holographic sheen. When light is flashed onto it, the opal sparkles with the colors of the rainbow. This unique reflection is due to tiny cracks within the stone that cause light to break into various colors when hit. Even the black opal is known for reflecting bright colors of red and green. The opal gets its name from the Latin word opalus, which means "precious stone." The opal is a symbol of love and hope. The tourmaline is a mysterious gemstone that exhibits a wide variety of colors. In fact, many rubies and emeralds have been misidentified, and are actually tourmaline. Other tourmaline colors include: yellow, blue, green, pink brown and black. Tourmaline gets its name from the Sanskrit word toramalli, which means "something little out of the earth."

**Emmetsburg Democrat – 1972** 

Oct. 19

Bob Batton opened Batton's D-X, two blocks east of the traffic signals in Emmetsburg last Saturday. For the past 20 years Batton has been employed by Donahue Tire Shop, working in all phases of the business. He is a past commander of the Veterans of Foreign Wars and is also a Legionnaire.

For the first time in the history of Ayrshire Consolidated School an all-school musical will be presented. The school is preparing for the presentation of the fractured fairy tale, "Once Upon a Mattress," Oct. 27 and 28.

Dick Clark, the Democratic candidate for the U.S. Senate, said here Tuesday that tax reform should be the first priority of Congress during the next session. Speaking at Iowa Lakes Community College, Clark said that numerous tax preferences, or "loopholes," are allowing many special interests to escape paying their fain share.

This Saturday the G.R.A. girls from the Emmetsburg High School will sponsor the annual Sadie Hawkins dance. The girls have been working for six weeks on their booths in the girl's 4-H building in preparation for the event.

Next Tuesday an intensive "one day campaign" will be conducted by the Emmetsburg Unifund organization in an effort to raise funds for the coming year. A total of \$8,160 is needed. **Birthday Tidbits:**

At 8:23 PM, the Palo Alto County Sheriff's Office conducted a traffic stop on a 2012 Nissan Rogue, in the 4600 block of 460th a venue. Following an investigation, Joseph Jimmy Lee Welch (21) of Sergeant Bluff, IA was cited and released on the charge of Driving While License Suspended, a Simple Misdemeanor.

Welch was given a court date to appear at a later date.

#### Friday, September 23

At 9:30 PM, the Palo Alto County Sheriff's Office arrested Anthony Heiman (46) of Ayrshire, on a valid Palo Alto County arrest warrant for O.W.I. 1st Offense, a Serious Misdemeanor. The warrant was issued, stemming from a motor vehicle accident on August 19, 2022. Following his arrest, Heiman was unable to post the \$1500.00 cash only bond and was booked into jail until he was seen by a judge.

At 6:33 AM, the Palo Alto County Sheriff's Office investigated a motor vehicle accident at the intersection of 300th street and 530th avenue. Gustavo Cardoso-Sanchez (37) of Humboldt, was driving a 2011 International semi westbound in the 5300 block of 300th street. Due to inattentiveness, Cardoso-Sanchez failed to obey the stop sign at 530th avenue and 300th street. Cardoso-Sanchez ran the stop sign and slid into the northwest ditch,

where the vehicle came to rest after striking a box culvert. There was an estimated \$10,000 damage done to Cardoso-Sanchez's semi. No injuries were reported in the accident. Gustavo Cardoso-Sanchez was issued a citation for Failure to Obey Stop

Sign, which is a Simple Misdemeanor.

Answers

1. "Tonight's the Night (Gonna Be Alright)," 1976. The spoken lyrics were done by Swedish model and actress Britt Ekland, who was Stewart's girlfriend.

2. There were five: "A Hard Day's Night" (1964), "Help" (1965) "Magical Mystery Tour" (1967), "Yellow Submarine" (1968) and "Let It Be" (1970). Of the list, "Magical Mystery Tour" was the least well received, likely because it didn't even have a script, it was shown on BBC in black and white, and worse, it came out the day after Christmas

I then started Praluent injections twice a month to control my cholesterol, which has been incredibly effective -- maybe even too effective -- and is the purpose of my writing to you. With Praluent injections, my LDL level is about 26, and my HDL is 100. DEAR DR. ROACH: Can Dupuytren's contracture be transmitted from one person to another via plasma donation? Is the theory a consensus in the medical field? -- H.H.

ANSWER: Dupuytren's contracture is a condition of fibrosis in the connective tissue of the hand, which leads to decreased hand flexibility and, ultimately (without treatment), to contractures, where fingers curl into the palm.

There is no known person-toperson transmissibility of Dupuytren's contracture. It's not an infectious disease. The risk factors include previous family history, being over 50, repetitive trauma, diabetes, smoking and alcohol. Some other related medical illnesses can also predispose a person to Dupuytren's contracture. Potential treatments include surgery and enzyme injection.

The word "theory" means a well-thought-out explanation based on the scientific method that helps explain why certain observed phenomena occur Your question about Dupuytren's contracture being transmissible by plasma donation is a hypothesis for which l could find no support.

Dr. Roach regrets that he is unable to answer individual questions, but will incorporate them in the column whenever possible. Readers may email questions to ToYourGood-Health@med.cornell.edu.
