Public Information Meeting

Thur, Feb 29, 2024 | 6:30 - 8:00 PM
The Shores at Five Island

February 29th | 6:30 - 8:00 PM
The Shores at Five Island
14 N Lawler Street in Emmetsburg, IA

Our staff will be available to answer questions about the project, including capacity, location, and other construction-related activities.

RSVPs are not required to attend.

Direct questions to Patrick Brown at
info@lostislandwind.com or (712) 207-4241

This meeting will serve as the official public notice of the Lost Island Wind Energy Project's intent to submit a Conditional Use Permit Application for a Wind Energy Conversion System in Palo Alto County, Iowa.

The Lost Island Wind Energy Project ("Lost Island Wind" or "Project") is proposed as a 200-megawatt electrical generating facility comprised of up to 50 Wind Energy Devices and other associated infrastructure, designed to convert wind energy into useable electricity. Other activities of the Project will include road improvements, surface grading, collection line trenching, concrete foundation forming, and turbine erections. The Project will cover portions of an area between 300th Street and 460th Street between Emmetsburg and Ruthven, Iowa.

Now Offering Low-Dose CT Lung Cancer Screenings!

If you are a long-term heavy or former smoker aged 50 or older, or have other high-risk factors that may contribute to the development of lung cancer, then a low-dose computed tomography (LDCT) lung cancer screening may be right for you! This simple, non-invasive scan is our newest tool to help detect lung cancer at its earliest, most treatable stage. It is also the only test that has been proven to detect lung cancer at early onset and improve survival rates. If you're at a higher risk, talk to your doctor today about a screening referral!

A physician referral is required for a CT scan. For more information, please call at 712-852-5500.
