### The Family of Larry Joyce

is deeply grateful for the outpouring of love and support from our community during this difficult time. We wish to express our heartfelt gratitude to Lentz Funeral Home, Gentiva Staff, Kirby's Cafe, Clergy and Musicians, Church Circle, and all of our friends and family who have been pillars of strength during this difficult period.

Lentz Funeral Home, we are truly grateful for the unwavering support and guidance you provided throughout this difficult process. Your commitment to excellence, from your thoughtful planning to your compassionate approach, ensured that Larry's memory was honored in the most beautiful way. To the Gentiva Staff and Doctor Nathaniel Meyer, we extend our deepest appreciation for your dedicated and compassionate care. Your support and attentiveness to Larry's needs during his final days were remarkable, above and beyond service, and brought great peace to our family. Dr. Meyer, we don't know what we would have done without you over the course of the past thirteen years — thank you so much for being there and guiding us through every difficult medical moment, and especially your final visit. Kirby's Cafe and Church Circle, thank you for providing the delicious meal after the service. The meal made the gathering a comforting and memorable time for all who attended. Father Kelly and Father Bill, we are deeply grateful for your spiritual guidance and presence in Larry's final moments and as we celebrated his life. And, Sue and Erin, the music was absolutely beautiful. To our friends and family, words cannot express how grateful we are for your love and support. Your kind words, comforting presence, meals and gift cards, floral arrangements, donations, and countless acts of kindness have been a beacon of light in our time of grief. You have truly honored Larry's memory with your unwavering support.

The thoughtfulness we experienced is such a reminder of the strength of our community and the support we have in times of grief. We are profoundly thankful to each and every one of you.

*With heartfelt thanks,  
The Joyce Family*

**Why Public Notice Should Remain in Newspapers**

Newsprint is inherently superior to the internet for public notice because reading a newspaper is a serendipitous process.

We find things in newspapers we weren't expecting to see. On the internet, we search for specific information and ignore everything else.

Governments aren't very good at publishing information on the internet. Unlike newspaper publishers, public officials aren't compelled by the free market to operate effective websites.

**IOWA UTILITIES BOARD APPROVES EMINENT DOMAIN USE FOR HAZARDOUS AND INEFFECTIVE CO2 PIPELINES**

Randy Feenstra, my opponent, has yet to denounce this decision. He has been a vocal supporter of the pipeline projects, the federal tax credits that in their current form are funding them, and takes tens of thousands in campaign donations from Summit and their founder Bruce Rastetter. Where do you think his loyalties lie?

I was the first major candidate to run against the pipelines back in 2022. The pipelines put landowners and public health at risk, would use billions of gallons of our water per year, and—considering the data showing minimal impact on carbon emission reduction—would be a massive waste of taxpayer money. My campaign refuses corporate PAC money, so you know my words are my own and I would legislate for you.
