PACHS PALO ALTO COUNTY HEALTH SYSTEM An Affiliate of **MERCYONE**

Palo Alto County Health Care Foundation
Creating a brighter tomorrow

As the days grow shorter and the warmth of the holiday season approaches, we're reminded of the many blessings in our community—and the deep responsibility we share in taking care of one another. At Palo Alto County Health System, we're not just a healthcare facility; we're a place of compassion, healing, and hope. It is with this spirit that I reach out to you today.

Over the years, our hospital has been a lifeline for the families of Palo Alto County. Our doctors, nurses, and staff are dedicated to providing the very best care, but we know that our work cannot be done alone. It is with great gratitude that we turn to you—our most cherished supporters—to help ensure that the hospital can continue to provide the exceptional care that our neighbors, friends, and loved ones deserve.

This year we've purchased new medical equipment that saves lives, funded programs that support the mental health and well-being of our community and ensured that our facility remains a safe and nurturing place for healing. But there is so much more to be done.

Now, as we prepare for another year, we ask for your help again. Your generous gift to the Palo Alto County Health Care Foundation will make an immediate and lasting impact. Whether it's funding life-saving equipment, advancing patient care, or supporting our hospital's critical services, every dollar you give will be used to directly benefit our community.

Imagine the difference your donation will make in the life of a mother, a child, a neighbor, or a friend. Imagine knowing that, thanks to your kindness, someone will receive the care they desperately need in a time of crisis. You have the power to make that difference.

No gift is too small, and every contribution—whether large or small—is deeply appreciated. Together, we can ensure that Palo Alto County Health System remains a place of comfort, strength, and healing for generations to come.

Thank you for being a vital part of our hospital's story. Your generosity helps us continue to provide the best care possible, right here at home.

With heartfelt thanks,
Anna Merideth, PACHS Foundation Director

Why Public Notice Should Remain in Newspapers

Since the first U.S. Congress, public officials have understood that newspapers are the best medium to notify the public about official matters because they contain the **essential elements of public notice:**

- Accessibility
- Independence
- Verifiability
- Archivability

Publishing notices on the internet is neither cheap nor free
