## We can stop HIV, Iowa—by protecting our sexual health through talk, test, treat.

talk

Talk with your partner before having sex. Talk about when you were last tested and suggest getting tested together.

Talk to your healthcare provider about your sex life and ask what STI tests you should be getting and how often.

test

Get tested! It's the only way to know for sure if you have an STI or HIV.

Many STIs don't cause any symptoms, so you could have one and not know.

If you're not comfortable asking your regular provider for an STI or HIV test, find a clinic that provides free or low cost confidential testing.

treat

All STIs, including HIV, are treatable. If you test positive for an STI, work with your healthcare provider to get the right treatment.

Ask about partner services to get your partner tested and treated.

If you test positive for HIV, your healthcare provider or testing location will help connect you to treatment and resources!

Find testing near you:

**NOTICE TO LANDOWNERS AND OPERATORS**

Each person in possession or control of any lands in Emmet County infested with noxious weeds shall immediately, or at the proper time, destroy and keep under control such noxious weeds according to the following tables:

**Group 1** - by June 5 - Leafy spurge, Hoary cress, Smooth dock, Red sorrel, Musk thistle, Buckhorn.

**Group 2** - by June 16 - Canada thistle, Russian knapweed, Buckhorn plantain, Wild mustard.

**Group 3** - by July 15 - Field bindweed, Wild carrot, Poison hemlock, Multiflora rose, Horsesettle, Sowthistle, Quackgrass, Velvetleaf, Puncturevine, Cocklebur, Bull thistle, Tall thistle, Wild sunflower, Teasel, Peppergrass, Shattercane, and all other thistles of the Cirsium or Carduus genus, Purple loosestrife.

You are hereby notified to destroy or cause to be destroyed, and as often as necessary to control the growth, all noxious weeds growing upon your property located within Emmet County, Iowa, on or before the dates fixed for the destruction of each group of noxious weeds as stated herein, and that unless you do destroy or cause the same to be destroyed, the Board of Supervisors of Emmet County, Iowa, will cause said weeds growing upon said lands to be destroyed and the cost thereof to be taxed against said land as provided in Chapter 317.21 of the Code of Iowa and amendments thereto.

BY ORDER OF THE BOARD OF SUPERVISORS

**PUBLIC NOTICE**

Emmet County will have a contractor start spraying noxious weeds along the county road right-of-way sometime around May 13, 2024.

Residents who do not want their roadside sprayed must complete the No Spray Permit. Signs must conform to the "DO NOT SPRAY" signs available at the Emmet County Engineer's Office (at a cost of \$3) and erect them on their property where spraying should be omitted.

The contractor does not spray directly in front of any rural residence that is being maintained, so signs are not needed at these locations; however, the contractor does spray the ROW directly across from rural residences unless notified otherwise. If you are concerned about spray drift carrying across the road to your residence, you need to post signs on the ROW opposite your residence.

To obtain the signs, the resident must fill out an application which states that they will control the noxious weeds at the sign locations. Applications should be completed annually. Sign-up must be done by May 3, 2024 in the Emmet County Engineer's Office. Email [afisher@emmetcountyia.gov](mailto:afisher@emmetcountyia.gov) with questions or for an application.
