Dear ELC CSD and Stakeholders;

milestones we have celebrated.

As we enter June, it is bittersweet that I write my final farewell to a community that has been a home to my family, the inspiration to my work, and an imprint on my career for the past 13 years. As my family and I prepare to embark on a new journey, I find myself reflecting on the memories we have shared, the challenges we have overcome, and the

The honor of serving as your district superintendent has been an honor of a lifetime. The staff and I have worked tirelessly together to ensure each student in our community received the quality education they deserved and one you expected. We did our best to create a nurturing and supportive environment where students could thrive academically, socially, and emotionally. Our goal was always to create students who maximized their learning potential in becoming confident, independent, productive citizens with good

I am proud of all that has been accomplished during my tenure at ELC. From implementation of innovative educational programs to the multitude of partnerships with local organizations, we have made a great impact for our students. Our students, your children, have had great growth academically, being recognized as High Achieving and Commendable by the State of Iowa, our schools are thriving, and our partnerships continue to be strong.

It does not escape me that none of this would have been possible without the unwavering support and dedication of each and every one of you, the community we serve. Whether you are a parent, a teacher, a student, or a member of the broader Estherville community, your passion and commitment to our shared vision has made us better and contributed to our success.

It is with my deepest gratitude to all of you that I say goodbye and thank you. Thank you for your trust, your support, your friendship over the years. It has been an honor to serve as your superintendent, and I will carry the memories and professional growth of our time together with me as I go forward.

I have no doubt that the spirit of determination that defines the Estherville Lincoln Central CSD community will continue to thrive in the years to come. Together, there is nothing that cannot be accomplished, and I have every confidence that the best days for ELC and the community lie ahead.

With warmest regards and for the final time,

Superintendent, Estherville Lincoln Central CSD
