# SCHRA opens neighborhood service center

By Scott Pearson

Associate Editor

The South Central Human Resources Agency celebrated the official opening of its new neighborhood service center for Marshall County last Thursday.

The new location in the Marshall County Plaza on Mooresville Highway consolidates several agencies under one roof, increasing visibility and easing access to services.

SCHRA serves a 13 county region with a wide range of programs, ranging from nutrition for the elderly to Head Start programs for pre-school education to assistance programs for home energy

The neighborhood service center houses the county office for the agency, as well as the American Job Center, which provides a clearinghouse for available employment opportunities along with training, education, and support for job seekers.

Also included is the South Central Area Transportation Service, or SCATS, which offers a wide

# Halloween all weekend

By **Scott Pearson** Associate Editor

Halloween is a favorite holiday for children and adults, and this year, due to the official holiday falling on Sunday, there will be plenty of chances

to celebrate. Based on the number of new events that seem to be popping up this year, there will be plenty of opportunities for candy and fun over the week-

Keep your eyes and ears open for events, while we'll hit some of the high points.

The Young Professionals of Marshall County Pumpkin Trail kicks off the weekend on Friday from 3 until 6 p.m.

As always for this county-wide event, dozens of businesses on the trail--look for the orange balloons--will be participating.

Expect the square in Lewisburg to be filled with trick-or-treaters stopping off at local businesses and other groups that will be setting up on the square.

## It's back....Cornersville's Halloween in the Park

Fingers are crossed and hopes are high for the return of Cornersville's Halloween in the Park.

After a year of less than favorable weather and then the Covid pandemic last year, trick-ortreaters will be sporting their latest costumes to once again join the "monster mash"!

## Trailer fire Tuesday

The Lewisburg Fire Department responded to a blaze in a trailer on Brents Road Tuesday around lunchtime. The fire, which produced a dirty grey pall of smoke that smelled of burning plastic and was visible from the square, was quickly isolated and brought under control by firefighters.

## Cornersville

#### (Continued from Page 1)

The Cornersville Lions Club will again be hosting this year's festivities on Saturday, October 30.

A variety of contests and games begin at 5 p.m. in the town park, along with communitywide trick-or-treating. There is something for every member of the family including costume contests for the kiddos and pets starting at 5 p.m.

What kid doesn't enjoy jumping in a hav stack, better yet, a hay stack with money and prizes hidden in it! The Hay Stack search for children under tenyears-old will begin at 5:30 p.m.

Stick around after-

wards for the Mummy Wrap contest and cake walk. Hayrides will run

from 6 until 8 p.m., so wear something warm for the ride.

A bubbling caldron of homemade chili will be available from the ghouls in the concession stand, along with chili dogs, hot dogs, drinks and desserts, so put on your favorite mask (really, wearing a mask is recommended) and join the fun in Cornersville's park on the Saturday before Halloween.

## Halloween

#### (Continued from Page 1)

Saturday has several trunk or treats scheduled around the county but the big celebration is in Cornersville at the Cornersville Lions Halloween in the Park.

See the seperate Cornersville article for more details.

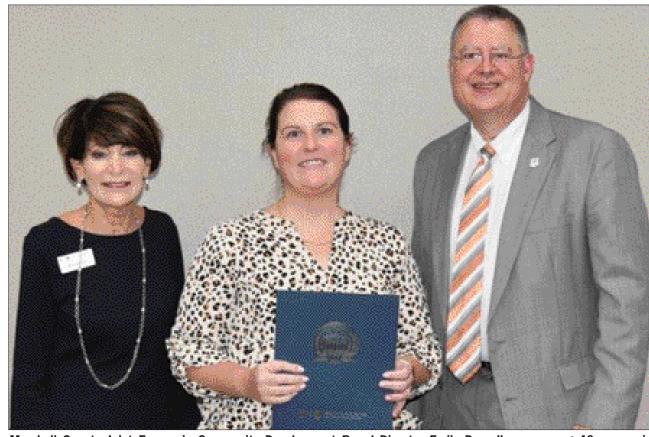

Lewisburg and Cha-

pel Hill will both be observing trick-or-treating on Sunday.

The Chapel Hill Police and Fire Departments will host s drive through trunk or treat on Sunday from 5 to 7

As always have a safe and happy Halloween weekend. This year yopu get a full three day weekend of spooktacular events.

## JECDB Director completes UT CIS week-long basic course

Marshall County Joint Economic Community Development Board Director Emily Darnell was among 46 economic development professionals from Tennessee and 8 other states to recently completed the Tennessee Basic Economic Development Course (TBEDC) hosted by the University of Tennessee Center for Industrial Services (CIS). This week long course is considered the cornerstone of the Tennessee Certified Economic Developer (TCED) professional certification program. The course also is accredited by the International Economic Development Council. Attendees learned best practices in economic and community development, new methods and programs to promote job growth and investment, and discussed emerging trends and factors that shape local and regional economies. This year's diverse class had a range of participants that included chamber of commerce and economic and community development organization professionals, elected and appointed officials, state government agency staff and community planners. "After going virtual with TBEDC last year, everyone was excited to be back in person and that showed by the interac tion seen throughout the class," said CIS and TCED Program Manager Kim Denton. "They were all engaged, leading to such in-depth and beneficial discussions throughout the week." Over the course of the week, the class heard presentations from more than 25 expert practitioners in many disciplines of economic development. The course closed with the TBEDC graduation ceremony. After speaking about the importance of Servant Leadership, UT Institute for Public Service Vice President Dr. Herb Byrd III presented completion certificates to each class member. Participants commented that one of the biggest benefits of the experience, beyond the knowledge gained, was the relationships built throughout the week.

"These (Bereans) were more fairminded than those in Thessalonica, in that they received the word with all readiness, and searched the scriptures daily to find out whether these things were so." **Acts 17:11** 

The "fair-minded" people of Berea had the testimony that they listened to the gospel of Jesus Christ with a ready mind and a willing heart. Their ready mind and willing heart led these people to search the scriptures to find out if what they were taught by the apostles were so. What is so interesting is that, not only did they search the scriptures but it says that they did so "daily." The Bereans did not wait for the Sabbath Day in the synagogue to search the scriptures, or some holy day. There was a desire

in them to know the truth of God and not someone's opinion. Therefore day after day these people were looking in the Old Testament scriptures on their own to see if what they were told about Jesus being the Messiah was true.

These devout Bereans teach us that there are two kinds of listeners when it comes to the gospel of Jesus Christ - Passive or Aggressive. A passive listener hears what the preachers says and can take it or leave it. The passive listener may have some short term interest or may not. On the other hand, an aggressive listener does not hear but actually listens with a "fair-mind." Then they diligently seek to know what God has said on the matter. The aggressive listener is one who sits under the

## Fair-minded

preaching of God's word with their Bible open. The aggressive listener is the one who compare scripture with scripture. The aggressive listener is the one who digs into the word of God searching out truth as if it was hid treasure. The aggressive listener is the one who makes notes and asks questions. The aggressive listener is the one who desires to hear from God and not men. So let me ask you, "Do you pas-

sively take what you hear from a pastor, preacher, or priest as truth, or do you investigate what he says to make sure that their Bible teaching is what God's word actually teaches?" What kind of listener are you - Passive or Aggressive? My friend, your answer actually uncovers your attitude to the value of your soul. If you are a

passive listener then you value this decaying world more than your eternal soul. Yet, if you are an aggressive listener and search the word of God to know the truth then you understand what eternity is all about.

Dear friend are you "fair-minded" like the people of Berea in listening to the gospel of Jesus Christ? Do you have a ready mind and a willing heart to search the scriptures by precept upon precept, line upon line, a little here and a little there (Isaiah 28:9,10)? We not only have that liberty to search out God's word for truth, but we are commanded to do so.

#### Westhills Citizen of the Week

Jayden is always helpful and kind to his class-

mates. This week he led a small group in class to help other students who needed extra practice on a skill. Jayden is also a great writer. His work is currently on display and is used to model exceptional writing skills. He is always lifting up and congratulating his classmates. For example, when his classmate was the winner of a game he was sure to give them a handshake and to congratulate them with a "good job." Thank you Jayden for being a model student and showing us all what being a good citizen looks like.

# Do you hate intersections too?

By Danny Tyree

When my high school classmates obtained a driver's license, it was not uncommon to hear a teacher opine, "Oh, they must be having a sale at

Judging by the deplorable examples of road

etiquette I've witnessed, maybe the teachers weren't so far off about the low bar

set by testers.

I have pontificated about slow drivers, speed demons and motorists who think turn signals are the Mark of the Beast; but this time I'd like to vent about

intersections.

Instructions about right-of-way are readily available, but most drivers treat them as if they're as obscure as silverware protocol for hosting the Duke of Wellington. I suspect that regardless of whether motorists are listening to Adele, Garth Brooks, Dave Brubeck, Led Zeppelin or Jay-Z, they have a dash of Frank Sinatra's "I Did It My Way" careening between their neurons.

When approaching an intersection with no traffic light, I tend to slow down, so there is no question who arrived first. But circumstances are not always so clear-

One website suggest-

ed that when multiple vehicles arrive at an intersection simultaneously - and you can't depend on everyone obeying the rules -- eye contact can be a useful indicator of driver intent. Sadly, what I usually see is befuddled drivers reciting, "Lefty loosey, righty tighty... er, leaves of three leave it be...spring forward... um, 'i' before 'e' except after 'c'..."

The same website indicated that it is also okay for one driver to motion another to proceed through the intersection, but I am leery of deference contests. I am reminded of the vintage comic strip "Alphonse and Gaston" (1901-1937). The two Frenchmen were sickeningly polite, and hijinks ensued as the pair invariably got into an infuriating "No, after you" exchange. I fear that if the other driver changes his mind or an unexpected motorist gets involved, the phrase "See ya in the funny papers" would be replaced with "See ya in

the obituaries." Road rage can overflow when there's an impasse, but tried-andtrue gestures don't work with some of these mental giants. ("That fellow needs...a splint. Mildred, I'll leave the car parked in front of this firetruck and take him one...")

It's almost enough to make you ban perpendicular streets and resign yourself to a lifetime of wistfully wondering what's going on with all those unreachable parallel roadways. ("Maybe...maybe those neighborhoods have possums that actually know how to cross the road.")

Intersections with traffic lights are equally nerve-wracking. I keep getting stuck behind people who are mesmerized with their cellphone long after the light turns green. Cellphone lost its charge? No problem! Get out the Ouija Board and have a long chat with Alexander Graham Bell!

If I have rolled to a complete stop at a red light, with aspirations of making a left turn, the oncoming driver waits me out like I'm going to snap and go demolition derby on him. I've tried my best to appear less intimidating. I've spent a fortune on moisturizer and Fred Rogers sweaters. Maybe I should switch my "I brake for flying insects" bumper sticker to the

front of the car. Yes, I can think of worse things than more frequent re-certification of drivers.

"I got my license renewed and they threw in a Kenmore washer! Dang! I forgot to strap it into the back of the pickup truck! See ya in the State Farm "Hall of Shame."

# Franklin's big night secures 2nd place for Bulldogs

By **Dennis Holley** For the Tribune

CORNERSVILLE -With the moon glowing in the eastern sky, on a cool October evening just

meant for "Football Friday," the Moore County Raiders (3-5, 2-2) came to Cornersville to face the hometown Bulldogs (6-2, 3-1).

The Bulldogs, needing a win to wrap up second place in Region 5-1A and in the process gain a home game for the opening round of the TSSAA playoffs, used a mammoth night by running back Ben Franklin, who rushed for 295 yards on 20 carries, scored five touchdowns and converted a two-point conversion, turning a close game into a 35-14 rout of the Raiders.

"The guys came out physical, we came out hot on offense and defense. We ran into adversity early on with their passing game, but we settled down and made some adjustments. Super proud of the guys, excellent job they did," Coach Gerard Randolph

Franklin's big night was reminiscent of the days when Eli Woodard and Cam Whitaker dazzled the crowds at "Frog Bottom," and the hometown crowd fell in love with the soft-spoken young man with the lightning speed as he ran through, ran over, and ran by the Moore County defenders.

When asked about Franklin's night Randolph said, "Ben showed up and showed out. I told him this week we are going to need you and he said, "I got you Coach." He had a great game." Big Ben's lineman

Blake Jones added excitedly, "Big Ben is probably the most willing person, especially when he wants to be like he did tonight. He really had a great night. He grew up tonight. I'm excited to see him in the

receive the kick-off. Cornersville's Welch booted the ball to the Raider 15-yard line where Moore County's Dawson White gathered it in and ran to the 30-yard line, where Hunter Fitzgerald for

began a 10-play drive utilizing the short pass to gobble up 10 to 15 yards at a time, moving the ball to the Bulldog eight-yard line as Moore County quarterback Connor Partin found Keller Morey open on the right side and the sophomore wide receiver ran into the end zone.

Blake Bradford then split the uprights with the PAT and Moore County led 7-0 with

6:27 left to go in the first quarter.

The Bulldogs began their initial drive of the game at their own 34-yard line with a 13-play drive featuring the running back arsenal of Riley Qualls, Wesley Pigg, Ben Franklin, Mason Calahan, and Caden quarterback White.

Eating up the yardage and imposing their will on the Raider defensive line, the Bulldogs faced a third and two at the Moore County two-yard line, and there White handed the ball off to Franklin who burst through to score the first of his five TD's.

Logan Springer booted the PAT and the score was tied 7-7 with 2:25 left in the first quarter.

The Bulldog defense then began to apply pressure on the Raider offense as they still were throwing short passes, but because of the pressure the drive bogged down at the Bulldog 45-yard line where Moore County punted the ball to the Cornersville 31-yard line.

The next Cornersville drive was stopped by a fumble on second down that gave the ball right back to the Raiders at the Bulldog 40-yard

The Raiders then, af-

ter two false start penalties, faced a fourth and 15 from the Bulldog 30-yard line but they were denied when Cornersville's defensive end Eli Welch stopped the Raider runner after a gain of three yards and the Bulldogs took over.

The first play was a hand-off to Franklin, sweeping around the left side, who made the corner and was gone, easily outrunning the Raider secondary for a 73-yard touchdown run, and when Springer booted the PAT the Bulldogs led 14-7 with 7:52 left until halftime.

After the kickoff, the Bulldogs forced a punt as the Raiders went three-and-out, but after receiving the punt Cornersville was stymied by a Moore County interception.

Cornersville's Tyler Brockman returned the favor on the next Raider possession, intercepting a pass with 3:09 left in the half, but the Bulldogs could not move the ball and Brockman punted the ball back to the Raiders.

Brockman then snared his second interception to stop the Raider drive and the Bulldogs were content to run out the clock to halftime leading 14-7.

The third quarter began with Cornersville pounding the Moore County defense with their running game.

Cornersville running back Mason Calahan along with teammates Qualls, White and Pigg pounded the ball but a fumble at mid-field gave the ball to the Raiders.

The Raiders promptly took advantage moving the ball downfield where on <sup>2nd</sup> and 17 at the Bulldog 17-yard line MC's Partin found Copeland in the endzone for the score and once again Bradford split the uprights to tie the game at 14-14.

The Bulldogs took the out-of-bounds kick-off at their own 35-yard line and Calahan burst through the Raider defensive line weaving his way for a 29-yard rush, but a holding penalty negated the run placing the ball back at the Bulldog 44-yard line.

Franklin then got loose for a 13-yard gain and then on the next play, Franklin shook loose would-be Moore County tacklers, found the open field, and out-

# Tigers fall 1-yard short at Montgomery Central

sports@t-g.com

CUNNINGHAM With the game on the line and trailing by five points in a key Region 5-4A matchup at Montgomery Central on Friday night, the Marshall County Tigers sat in prime position to score the game winning touchdown with a late fourth-quarter drive into the red zone.

But as the fates would have it, Marshall County (6-3, 4-3) fumbled on the one-yard line and Montgomery Central (8-1, 6-1) was able to cling to the 22-17 victory.

Even with the lategame fumble, the Tigers got off to a hot start and moved the ball seemingly at will against the

"In the first half, I feel like we started well. They're so good with the grind it out offense they run. In the second half, our defense played well enough for us to win. Offensively, three times we got it inside the 25-yard line and didn't capitalize. Hat's off to them," Tiger coach Thomas Osteen said. Marshall County put

the home team on its heels on the game's opening drive, marching 41 yards over 3:20 before quarterback Devonte Davis capped the drive with a nine-yard touchdown score.

Wyatt Joyce connected on his first of two kicks after to put the Tigers up 7-0 early in the first.

# Rockets fall to East Robertson in non-region tilt

By Anthony S. Puca Sports Writer

The Forrest Rockets scratched and clawed for eight weeks to secure the Region 5-2A crown last week at Richland before finally returning home after a long threegame road trip and a bye.

On the docket Friday night was a non-region contest versus a talented East Robertson squad that came to the Murrey E. Holton Memorial Field in Chapel Hill with a 3-5 record and five-game losing streak against the Rockets, dating back to 2006.

The Eagles enough to win 21-17 as the Rockets turned in an average performance, gaining just 174 yards on offense while surrendering 296 yards on defense. "East Robertson came

down here ready to play.

They had a great plan and took it to us," Forrest coach Eli Stephenson said. "That loss is on me. I didn't have the boys ready to play."

The Forrest defense did an excellent job containing nationally ranked four-star prospect and Ole Miss commit Taylor Groves to -9 rushing yards and five catches for 55 yards, but they could not stop Isiah Groves, who toted the rock 22 times for 153 yards and two touchdowns.

The Rockets won the coin toss and elected to receive the opening kickoff and managed to get one first down before having to punt the ball away and the Indians went to work, driving 74 yards in just six plays, capped off by an Isiah Groves 8-yard touchdown run.

The Rockets went three-and-out on their next possession, but the defense stepped up, stopping East Robertson on a fourth down

The defensive battle continued for the remainder of the first quarter as both teams exchanged three-andouts before Forrest got the ball back with 10:54 remaining in the second quarter.

The Rockets picked up a pair of first downs on a McCalister Wilson 13-yard run and a Tayton Swift first down scamper inside East Robertson territory at the 42-yard line.

Two snaps later, a pass interference penalty gave the Rockets the ball at the Indians' 23-yard line and five plays later, Forrest quarterback Hunter Bennett scored from the one-yard line.

## Doud's game-winner sends Rockets to World Tournament final

By **Anthony S. Puca** Sports Writer

The FMS Rockets took on the Cascade Champions in the semifinals of the World Tournament Thursday night at Chapel Hill and it was an old-fashioned burn burner between the two longtime rivals.

It went down to the wire and it looked like the Champions would send the game to overtime when Braxton Burris nailed two free throws with 4.5 seconds left in the contest, but the Rockets had other ideas as Josh Doud wore the hero's cape when he knocked down a short jumper off the glass as time expired to seal the 36-34 win for FMS.

The biggest lead either team had was at six points with the Rockets leading 12-6 in the first period and the Champions held the same sixpoint lead after putting together a third quarter comeback, leading 22-

Forrest trailed 6-4 early in the game before Paxton Mealer drilled back-to-back 3-pointers and a steal and score by Eli Bell on the next Cascade possession finished off an 8-0 run that turned into a 12-8 lead at the end of the first period for the Rockets.

from the foul line as he made 3-of-4 to cut the Cascade lead to one point and the Rockets had a chance to go ahead but a couple of missed free throws kept them behind.

After an unsuccessful offensive possession by Cascade, the Rockets scored on an offensive rebound by Doud to put FMS in front 33-32 and one Houston Matlock free throw made it a two-point game with less than 20 seconds left in the contest.

On Cascade's next possession, a scramble for a loose ball on the floor led to a Forrest foul and Burris stepped up and calmly nailed both charity shots, but the Rockets got the ball in fast and it ended up in Doud's hands near the goal where he kissed it off the glass for the game-winner as the buzzer sounded.

The FMS bench emptied on the floor to mob Doud as the Chapel Hill faithful were in a joyous mood in the stands, setting up Saturday night's 58th World Tournament championship game versus longtime rival Eagleville.

Davis connected on two key passes on the drive of 31 and 14 yards to Jayden Hart. After setting up inside

the Indians' 10-yard line, the Tigers made a push for the goal line, but a fumble on the oneyard line with 2:43 gave the ball back to Montgomery Central.

With the quick shift in momentum, the Tiger defense forced a three and out that only bled 1:06 off the clock.

The Tigers took over possession in plus-territory and with less than 40 seconds left, Davis connected with Braden downfield that would have set the Tigers up inside the 10-yard line once again, but a penalty negated the gain, backing up Marshall County to its own 45-yard line.

With time becoming more of a factor, it was Montgomery Central who came up with a game-ending intercep-

"We have a bunch of kids that care. We work football year round to

win games like this. Anytime you're a 15 to 18-year-old and you're in the fishbowl of the arena and you put your heart on the line and it doesn't go your way, it stings pretty bad," Osteen said.

"But there's no greater teacher for life than putting it all on the line, getting your heart broken and it not going your way. Our final chapters haven't been written yet and I think we have a lot of fight left in our guys, no doubt."

The loss certainly dings the Tigers' desired strong finish to the regular season, but by no means was the final chapter of the 2021 campaign for Marshall County.

"Hats off to Montgomery Central. They're a senior heavy football team that plays really hard. It was a game where one side was going to make a play to win the game and they made one more play than us," Osteen said.

The Tigers totaled 324 yards of total offense against Montgomery Central, with Davis connecting on 13-of-30 attempts for 198 yards.

Marshall County totaled 126 yards on the ground, with Davis and Braden each totaling 53 yards and a touchdown.

The Tigers will once again be on the road and following Friday night's loss, Osteen says the playoffs have come to his team a week early.

"We're going to treat it like a playoff game. I think mathematically we might have gotten in because Tullahoma won tonight, but that being said, we're going to treat it like a playoff game. We have to get some good momentum going into those play-

# Eagleville cruises to World Tournament title

By **Anthony S. Puca** Sports Writer

After a fourth-place finish last season, the FMS Rockets had a chance to win the 58th World Tournament crown at Chapel Hill Saturday night, but the Eagleville Eagles flew away with the title in an easy 42-10 win.

Owen McClaran started the game with a 3-pointer for Eagleville and moments later, Fletcher Fields scored on a layup for the Rockets.

From there it was all Eagleville as they scored the next 29 points.

The Eagles led 14-2 at the end of the first quarter and posted a 15-0 shutout in the second period to lead 29-2 at halftime.

Eagleville's Camden Cole, who led all scorers in the contest with 12 points, scored the first basket of the second half before Forrest finally broke its scoring drought on a Cohen Grissom bucket.

Grissom scored once more in the third period and Eli Bell had a pair of buckets for the Rockets, who trailed 39-10, entering the fourth quarter.

In the fourth quarter, FMS was blanked again and the Eagles scored three points in the 32-point win.

James Bega scored eight points for Eagleville, McClaran and Jackson Nichols finished with six points apiece, Drake Goens scored five, Benjamin Cannon netted two points, and Adrian Sever had a

ing the ball and moved to the Raider six-yard line when the third quarter ended as the Bulldogs maintained their sixpoint lead, 20-14.

The first play of the fourth quarter was a hand-off to Franklin who burst through a hole supplied by his offensive linemen and scored his fourth TD, then ran in the two-point conversion to push the lead to two touchdowns, 28-14.

"We hang our hat on being a physical football team from the first to the fourth quarter. We strive to have our players in shape. They do an excellent job," Randolph

After a three-and-out, Moore County punted the ball to the Cornersville 33-yard line where the Bulldogs called on Franklin for three successive runs, for 11 yards, for four yards and then to top it off, a 52-yard run leaving behind the sprawled-out Raider defenders.

Springer nailed the PAT and the score bal-

looned to 21 points, 35-14 with 8:58 left in the game. The rest of the game

saw the Raiders game-

ly trying to get things

going but the Bulldog defense with Rhett Woodard, Pigg, Powers and Estes denying any momentum change.

With this win the Bulldogs gained second place in Region-5-1A and a home playoff game in two weeks.

Randolph told his team after the game, "I'm proud of all of you and I love you. The playoffs are back in Cornersville, back in black. You seniors were here when we made our deep run in '18. It is time to do it again. Let's go get it. I'm excited for the playoffs.

# Tips to keep little ones moving and active

(StatePoint) Children needs lots of physical activity to develop their motor skills and grow up healthy and strong, and you can foster your toddler or preschooler's love of movement by making playtime active. To get started, consider these indoor and outdoor playtime toys, games and ideas:

• Ball toss: For little ones, beach balls are a fun, easy and gentle way to play catch and other simple games. Raise the stakes with "Beach Ball Lava," where the object of the collaborative game is to keep bouncing the ball upwards so that it never touches the

• Get riding: Ride-on toys are a great way to get your child comfortable with the idea of a tricycle or bicycle. Look for one with pizazz, such as the Sort & Recycle Ride-On Truck. This lean, green recycling machine will not only get kids active, but also encourage them

to recycle. Made from 90% reclaimed plastic, the truck includes play pieces that represent plastic, metal and paper. Kids can drive around, and at the same time, learn about recycling and reusing everyday objects.

• Bounce around: Give little muscles and minds a mini workout with the Bounce & Discover Llama, which promotes gross motor skills, strength and balance. With a sturdy, stable base and an easy-grasp handle, kids can safely bounce and turn side-to-side while activating buttons that teach colors, shapes and numbers.

• Move to the beat:

Whether you're just having fun simply dancing around the room. using musical instruments like egg shakers and handbells, or you're playing a game like "Freeze Dance," one of the best ways to get people of all ages moving is with music! To play Freeze Dance, turn on the music and instruct everyone to dance. When the music is turned off, everyone must freeze until the music is turned on again.

• All aboard: The best toys are those that grow with your child's physical and cognitive abilities. For example, the 4-in-1 Learning Letters Train from VTech takes kids from floor play to walker push toy to ride-on to pull cart. Featuring 16 activities that help build motor skills while teaching about letters, numbers, places and more, kids can visit new locations in the travel book, explore the 13 doublesided alphabet blocks, and even build a tower on the pull cart.

Different kinds of movement are important, so be sure to introduce a range of toys and games into the mix to ensure your child gets a variety of physical activity at playtime.

#### **Delicate Décor**

Creating the right ambiance in your space is key to holiday decorating success. Begin by decluttering the areas of your home where you plan to entertain. Fill the extra spaces with seasonal decorations. Remember, elaborate, expensive items aren't always needed to make a home look amazing. Decorations like small figurines, bowls filled with holiday candy or simple wreaths and garlands can do the trick of transforming your home into a winter wonderland!

## **Fruitful Food**

With more guests comes more food,

but it doesn't have to mean spending more money. Shopping at discount retailers for essentials such as milk, eggs, bread and cheese can help stretch your budget. You can also make the switch to private brand items and save even more when buying foods for overnight guests, such as granola bars, cereal and snacks. Consider purchasing these household basics from a local Dollar General store, which also provides digital coupons to help you save even more.

#### **Supplies Stock-Up**

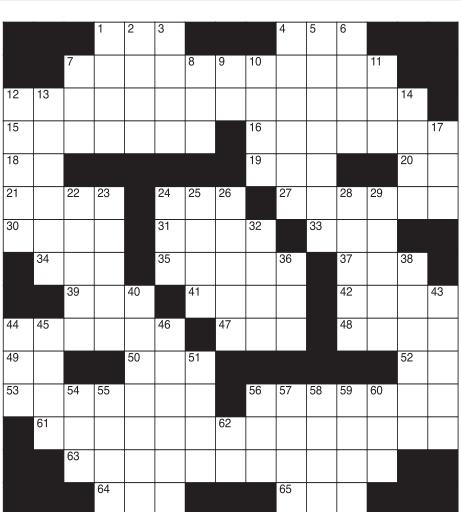

Of course, to entertain, you will need supplies. Stocking up on cleaning essentials, everyday cooking ingredients and entertaining basics early in the season is a great way to have everything needed before the party begins. Consider adding items such as trash bags, cutlery, paper products, other decorations and even small gifts.

By using smart shopping strategies, you can entertain during the holidays with ease instead of stress.

HOW TO PLAY: Each row, column and set of 3-by-3 boxes must contain the number 1 through 9 without repetition.
