ELECT

Curtis Johnson for Marshall County Trustee

I am Curtis Johnson and I want to be your next Marshall County Trustee. I am a lifelong Marshall Countian who attended elementary school in Chapel Hill and graduated from Marshall County High School. I graduated from UT Knoxville.

I am the founder and co-owner of our family business, All-Star Trophies. My wife, Melodia, has been an educator in Marshall County for the past 27 years. We are members of Second Ave. Church of Christ where we serve the community through our Feed the Children and Second Harvest Food Bank ministries.

For the past 32 years, I was responsible for balancing daily records along with the financial responsibilities of managing my own personal business. Good business starts with people who are not only experienced but are also reflective of our community. I consider myself to be a public servant with the characteristics of trustworthiness, honesty, and integrity. My job at UPS gave me the opportunity to not only know everyone in our community, but also to touch many lives. As I have been on this campaign, I have heard a lot of concerns of the community needs and feel that I can be an asset in helping this community thrive.

I was selected as Marshall County Citizen of the year in 2018, and also named the Lewisburg Home Town Hero in 2020. I feel that I was recognized by the way that I cared and respected people and contributed to my county.

If I am elected, my main goals will be to provide the citizens of Marshall County an efficient, accountable, transparent and customer-friendly trustee's office. In addition, I will provide professional, detailed service to each and every Marshall County citizen. I want to allow the taxpayers the convenience of paying their taxes with minimum hassle. As your Trustee, I will strive every day to provide convenient, professional, competent and courteous service to you and your family.

I want to ensure that all voices are heard and reflect our community. My leadership style is one of inclusiveness and committing 110% to this position. I am asking you for your vote to have the opportunity to serve you, Marshall County, as your Trustee.

My name is **Roger Russell** and I am asking to be your Register of Deeds for Marshall County. I grew up in Columbia, graduated from Columbia Central High School, earned a degree from Columbia State Community College, attended extra classes and became a licensed real estate agent. I then went on to earn a Bachelor's Degree from Southeastern University in Lakeland, Florida. While attending college full time and working full time, I was involved with different children's ministries at the church. In my last year of college, I became a full time licensed youth minister and held credentials for about 10 years.

Most people know the position I hold as "the FedEx guy" as I deliver for FedEx Express in Lewisburg. I have been a dangerous goods specialist for most of my 30+ years of service. I have delivered in every community in Marshall county and have enjoyed serving in the community in which I live.

I want to continue to serve the people of Marshall County by being elected the Register of Deeds. We are in a time that our country, state, and county need new faces, new ideas, and change for the betterment of Marshall County. Your voice is heard by voting in change! Your vote does make a difference! Thank you for your support and vote.
