## Great gear to help you check-off your summer bucket list

**(StatePoint)**  
Ticking off your summer bucket list but want to pack light? Check out this round-up of hybrid gear that will take you everywhere, from mountain trails to lakeside picnics and to beach barbecues, with ease.

### Hike and Water Shoe

Your feet do a ton of work during summer adventures and deserve to be happy in all kinds of terrain. With toe protection, traction and a footbed that conforms to the shape of your foot, the classic Newport Sandals from KEEN are not just rugged sandals you can wear while trekking on land, but also are built for activities in and around the water (and are machine washable to boot). So don't be afraid to wear

them paddleboarding, when wading in the ocean, or on any other amphibious adventure. Going hiking? They make it easy to splash through the creek, plunge into the pool of a waterfall and trudge through the mud. This original design is available in men's, women's and children's sizes and in a range of colors and patterns.
