The Cornersville Bulldogs will open the Shelby Waddell era on the road in the Battle of Buford Station at Richland on Thursday, August 18.

Circle Your Calendar: Sept. 30 Cornersville at Fayetteville

In the three years since Cornersville last beat Fayetteville City, the Tigers have won a Class A state championship and made a return appearance to the state quarterfinals. Last season, only Fayetteville beat Cornersville in Region 5-A play. The region championship could once again come down to the Sept. 30 meeting in Fayetteville.

Coach Speak

"I think one of our strengths is our overall toughness. We have tough kids that come to work every day to get better, plus I think it's a group that really just likes being around each other and playing for each other and that goes a long way as well."
