We know that understanding

Medicare is hard..... We can help!

Our next ABC's of Medicare class will be held on Wednesday, February 15, 2023. This free event will take place at the SCTDD Building at 101 Sam Watkins Blvd in Mt. Pleasant, TN. If you need your Medicare questions answered or you want to help a friend or a family member this is the

class for you. Some of the topics covered are: How do I pick a Part D Plan? When do I enroll in Medicare? Can I get help with Medicare costs? How do I know when I am being scammed? Are Medicare rules difference if I am under 65?

We are also looking for volunteers. If you

are looking for a way to help people in your community, this class could be your first step.

Advance registration is required because class size is limited.

Managing concerns about falls

Have you turned down a chance to go out with family or friends because you were concerned about falling? Have you cut down on a favorite activity because you might fall? If so, A Matter of Balance: Managing Concerns About Falls is a program for you.

Fear of falling can be just as dangerous as falling itself. People who develop this fear often limit their activities, which can result in severe physical weakness, making the risk of falling even greater. Many older adults also experience increased

isolation and depression when they limit their interactions with family and friends. A Matter of Balance can help people improve their quality of life and remain independent.

A Matter of Balance is designed to reduce the fear of falling and increase activity levels among older adults. Participants learn to set realistic goals to increase activity, change their environment to reduce fall risk factors, and learn simple exercises to increase strength and balance.

Led by trained instructors Terri Orr

(University of TN Extension) and Jennifer Witham (Marshall Co. Heath Department), Matter of Balance will be offered on Wednesdays, February 15th – April 5th from 9:30 a.m. – 11:30 a.m. at the Marshall County Senior Center in Lewisburg. This program is free. Advanced registration is required. A workbook and materials will be provided. To register or for more information, visit tiny.utk.edu/MOB or contact Terri Orr at 931-359-1929.
