Time to shake out the winter cobwebs, exercise the brain, and have an evening of fun while raising money for a great cause.

The Marshall County High School Alumni Association is holding its second annual Trivia Night fundraiser on Saturday, March 11.

Reservations should be made by Tuesday, Feb. 28, in order to guarantee a table and with only 30 tables available, don't wait.

Tables of six are available for \$72. Walk-ups will be accommodated the night of for \$15 a head.

The event, following the long-run-

ning trivia night at Forrest, was very successful last year and organizers expect more of the same this year.

Clint Posey of Belly Flop BBQ is catering the evening and there will be a silent auction and door prizes so everyone has a chance to leave a winner.

Everyone is welcome; you do not have to be a graduate of MCHS to participate.

Proceeds benefit the Alumni Association's scholarship fund for graduating seniors.

To reserve a table or for questions, contact Nancy Lynn Greene at nancy-lynn.vfl@icloud.com.

Checks can be mailed to the MCHS Alumni Association, Box 1074, Lewisburg, 37091.

The employees at International Comfort Products (ICP) in Lewisburg, TN, a Carrier Company, showed up with love this Valentine's Day. Their Community Involvement Team, which focuses on engaging with the people and organizations in town and surrounding areas, led an effort to provide love to residents and care givers at various assisted living homes.

The team, comprised of 15 employees, met with schools and churches in town about their idea. And thanks to the efforts, led by Kimberly Brodeur, Kendra Hobby (both in Customer Service) and Norwood

"Butch" Carter (Warehouse Operator) they accomplished the mission!

Thanks to the children at Oak Grove Elementary School, Barnyard Kids Daycare, and church-goers at First Baptist Church, the team delivered nearly 200 Valentine's Cards and care packages to residents at NHC and Village Manor – just in time for Valentine's Day!

The newly formed Community Involvement Team at ICP is bringing new ideas & energy to the culture where they work, and they are interested in continuing to be an important part of the community in Lewisburg!
