Retired Donnellson teacher Ernie Schiller is seen here in a photo from Nepal this week giving materials to a student at one of the makeshift classrooms in the villages of the Nepalese mountains. Schiller is trying to raise an additional \$1,200 to help finish off his projects on this trek.

A 2015 massive earthquake hit the mountainous villages of the thin country demolishing homes and classrooms. Schiller established the

FMPD adds to charges in vehicle thefts case

BY CHUCK VANDENBERG

FORT MADISON - An 18-year-old Fort Madison man is facing additional charges after being arrested Monday in Missouri after allegedly stealing at least four vehicles in the past week in Iowa and Missouri.

GUZMAN

Christopher E. Guzman was apprehended by police in Palmyra, Mo., on Monday after allegedly stealing a Ford F150 from a camper sales lot in La Grange. Authorities also discovered a 2014 Jeep Compass near the sales lot that had been reported stolen from Donnellson, and have tied that theft to Guzman as well. Authorities found reportedly stolen items in the vehicles as well.

Lee County Sheriff's detectives then added burglary and unauthorized use of a vehicle to Guzman's charges on Wednesday. They also filed a warrant for extradition back to Lee County.

This morning, the Fort Madison Police Department added additional charges stemming from investigations and interviews after Guzman's arrest.

According to a release from Fort Madison Police Chief Tim Sittig, on Sunday a report was made to Fort

DES MOINES - Iowa streams are swollen and swift with consistent rainfall the past several days. Some rivers are already dangerously high, and more rivers could rise fast with chances of rain forecast through next week.

“We encourage all paddlers, especially new and inexperienced paddlers, to stay on lakes and flat-water while the rivers are high due to heavy rain”, said Todd Robertson, paddling instructor and Outreach Coordinator for Rivers Programs at the Iowa DNR.

DONNELSON - Former Donnellson teacher, turned Nepalese missionary, Ernie Schiller is back in Nepal and is hoping to get a message back home that he's close to funding the repairs for the earthquake ravaged villages, but needs just a bit more help.

Schiller, who did a video call with Pen City Current late Wednesday evening, said he needs to raise \$1,200 in the next eight or nine days to complete some vital projects.

“We are still in Nepal for about 10 more days....but of all the funding I raised, we are still in need of \$1,200 to complete the needed plans for the students in this earthquake devastated region,” he said.

Thursday mishap sends family to hospital

Honda SUV crossed median southbound and struck northbound overpass bridge

BY CHUCK VANDENBERG
PCC EDITOR

FORT MADISON - A two-vehicle accident on the Hwy. 61 bypass late Thursday afternoon has sent a Keokuk family to area hospitals.

According to Lee County Sheriff Stacy Weber, a family of four from Keokuk in a Honda SUV was traveling southbound on Hwy. 61 when the vehicle entered the median and crossed into the northbound lane striking a bridge barrier and going airborne before coming to rest in the northbound lane facing north. The vehicle was torn in half by the impact. Another vehicle, a white pickup truck carrying another adult and four children, was also damaged in the accident. No injuries were reported to the occupants of the second vehicle.

Weber said two of the occupants in the Honda were being transported at about 6:30 p.m. to University of Iowa Hospitals and Clinics by ambulance due to weather conditions preventing an airlift. A third occupant was sent to Iowa City at about 7:45 p.m.

The accident occurred about 4:30 p.m. with rescue crews from Lee County EMS, Montrose Fire and Rescue, and the Lee County Sheriff's Dept. and Fort Madison Police on the scene.

DNR warns paddlers to stay off rivers

RIVERS - Continued from Page 1

paddlers on the Des Moines River who tipped over their boats in the strong current and were rescued by other boaters.

"We've rescued five paddlers since May 1st on the Des Moines River during high water conditions", said Terry Nittler of the Des Moines Power Boat Club. Nittler estimates that about 90% of the paddlers he sees on high water have little to no experience and many are not wearing life jackets.

"Swollen rivers are super powerful and have unpredictable current along with tons of wood debris coming downstream to form deadly "strainers", said Robertson. He said that even experienced paddlers should stay off of rain swollen rivers. "If you get into a situation where you are struggling and fighting the current, the river will win", said Robertson.

Great River Regional Waste Authority now has a new sharps disposal bin at the Fort Madison facility. Making disposal easy for our customers and allowing safer handling for our employees. A similar sharps disposal bin will soon be available at our Keokuk Transfer Station.

The health and safety of our staff and our community members is of the utmost importance and we urge

our residents to use regulated containers specifically made for sharps. Empty Sharps containers can be obtained in the at both the Fort Madison and Keokuk facilities.

For the safety of everyone involved, please do not place plastic jugs or bottles containing sharps in your recycling tote or in any non-designated bin at our drop off sites.

Guzman will face charges in both states

THEFTS - Continued from Page 1

Madison police regarding a stolen vehicle. Officers investigating this case had the vehicle entered into the national data base. The vehicle was a tan colored 2004 Ford Crown Victoria taken from the 1500 block of 38th St in Fort Madison.

In the early morning hours of Monday, June 18, that vehicle was recovered in the 600 block of 35th Street in Fort Madison. Shortly after this vehicle was recovered, a report of a stolen 2003 gray Dodge Ram was made. This vehicle had been in the 3400 block of Ave. E and was later recovered in rural Lee County where a third vehicle was reported stolen. That vehicle was the Jeep Compass that was reported stolen near Donnellson and was recovered in Lewis County, Mo., where Guzman had been apprehended.

"As a result of the active investigation in this case between the Fort Madison Police Department, Lee County Sheriff's Office and Lewis County Mo. Sheriff's Office, Fort Madison Police have

sought arrest warrants for Guzman," Sittig wrote in the press release.

The warrants include: 2nd-degree theft, a Class D felony punishable of up to five years in prison for the theft of the Ford Crown Victoria; 1st-degree theft, a Class C felony punishable by up to 10 years in prison for the theft of the Dodge Ram pick-up; operating a motor vehicle without the owner's consent - an aggravated misdemeanor punishable by up to two years in prison for operating the Ford Crown Victoria; and operating a motor vehicle without the owner's consent - punishable by up to two years in prison for operating the Dodge Ram.

Lee County Attorney Ross Braden said Guzman will face charges in Iowa.

"He is in jail in Missouri and he'll have to come back to face his charges in Lee County once Missouri is done with him."

Guzman is currently being held in the Lewis County Jail. All suspects are presumed innocent until proven guilty in a court of law.

PUBLIC NOTICES

**PUBLIC NOTICE
CITY OF FORT
MADISON SIDEWALK
REPLACEMENT
PROGRAM RULES**

1. The purpose of this program is to furnish an opportunity for residential property owners to replace existing deteriorated sidewalks and/or to install new sidewalks in front of existing buildings where no sidewalk now exists. This does not include driveway

approaches or sidewalks going to the residential unit. It does include sidewalk, which is located within the street right-of-way.

2. The property owner's responsibility will be to remove and dispose of the deteriorated sidewalk or excavate where new sidewalk would go, form the sidewalk to be poured, and place the concrete. This work can be done either by the property owner, renter, or your

contractor. The City will not pay for Saturday delivery charges. Work cannot begin before July 1st.

3. The City of Fort Madison will inspect the sidewalk prior to approval of your application, prior to removal and prior to placement of the new sidewalk. The Fort Madison Ready Mixed Concrete Co. will bill the City for the concrete used and the City of Fort Madison will pay for the concrete directly

to the supplier. The City will not pay for the additional Saturday delivery charge. If the property owner wishes to have the delivery on Saturday the bill for the delivery will be sent to the property owner. No payments will be made directly to the property owner. The concrete can be ordered by the property owner or your contractor from:

Fort Madison Ready Mixed Concrete Co.
1204 14th Street
Fort Madison, Iowa 52627
319-372-4183

4. The sidewalk shall be constructed according to the sidewalk design specifica-

tions which can be acquired at the Fort Madison Public Works Department.

5. Each application will be evaluated based on its condition and how it improves the area for pedestrian traffic. Extra consideration will be given for connection to an existing sidewalk.

6. Applications for this program will be available on May 1st at 8:00 A.M. and will be accepted through June 22nd at 4:30 P.M. Each proposal will be evaluated and you will be notified by July 2nd. The City will fund projects as funding is available. The replacement work cannot take place

before July 1st and must be approved by the City prior to the commencement of the work.

Schiller's Facebook page is full of pictures and a video of the trek into the villages at <https://youtu.be/KW-mGkJAL2XE>

The Nepalese live off three crop seasons,

rice, potatoes, and corn or barley. Schiller said they eat what they grow and grow what they eat. They don't have grocery stores, but they do have markets, but their diet is comprised solely of what can be raised on the land. "When they grow crops they have these terraced hills and they don't lose an ounce of top soil. No erosion

takes place. You're living like our people did 150 years ago yet you're so ecologically sound that you don't lose an ounce. The earthquakes, which they have about every 75 years, damages the fields but they immediately go to rebuild them." He said they are starting to use more durable materials with the adobe, including mesh and
