Boddicker takes over as County Attorney

BY CHUCK
VANDENBERG
PCC EDITOR

MONTROSE - Clinton Boddicker took the oath of office as the new Lee County Attorney Tuesday at the Lee County Board of Supervisors' meeting after supervisors approved election results from the May 2 special election.

Boddicker, who has been an assistant in the office for about nine years, was sworn in by Judge John Wright of the 8th Judicial District (B), and then Wright immediately swore in Ross Braden as Boddicker's 1st Assistant.

BRADEN The two went up against each other in the May election with Boddicker winning by almost 800 votes.

"I met with Ross and Mio (Santiago) yesterday to talk about how we would divide up the work," Boddicker said. "There's gonna be some minor changes and some reorganization, but nothing major."

Boddicker said during the campaign there was a lot of respect between the two and they both indicated that they would like to be a part of the county attorney's office no matter the outcome of the election.

During the campaign, Boddicker and Braden indicated they thought the county attorney's office needed more staffing. Boddicker said Tuesday

that he won't be looking to add another full or part-time attorney, but may be coming to the supervisors in the near future to request additional support staff for the office.

He also indicated that there is currently a homicide investigation out of north Lee County, specifically the death investigation of James Nelson, whose body was found in Indian Path Park just off the Skunk River

earlier this year.

Boddicker said Assistant County Attorney Bruce McDonald is handling that case but he will be keeping an eye on the progress. Boddicker wouldn't discuss the case any further.

He also talked briefly about the current Lee County Health Department issue and said he hasn't seen the results of the air quality test that was ordered when Braden

recommended the staff temporarily move out of the current facility.

Boddicker said he thought the test results would be considered a public document unless there was the potential of litigation. Braden has indicated that the document will remain confidential due to several Iowa codes as well as potential litigation. The Pen City Current has requested the report.

New traffic law aims at waste hauler safety

PCC STAFF

DES MOINES - A new Iowa law goes into effect July 1 requiring motorists to slow down, safely change lanes if possible and operate with caution around waste and recycling trucks with safety lights flashing. Similar to cautions already in place for motorists passing a stopped public safety

vehicle, drivers could be cited by law enforcement for violating the new law.

Iowa is the 14th state to enact "Slow Down to Get Around" legislation, which is designed to protect waste and recycling workers. Data from the Bureau of Statistics has found that waste and recycling collection is the fifth most dangerous job in America in terms of

fatalities and injuries.

The Iowa Recycling Association (IRA) took the steps to achieve support for this legislation during the recent Iowa legislative session. The law was signed by Governor Terry Branstad on April 20.

"Collection workers are at risk every day," said IRA President Shannon Meister. "We hope this law increases awareness of

those dangers and encourages drivers to slow down and use caution

when encountering waste and recycling vehicles on the road."

Trustees oppose closure

BY CHUCK
VANDENBERG
PCC EDITOR

MONTROSE - The Green Bay Township trustees informed Lee County Supervisors of their displeasure with the current suggestion to close the 180th Street crossover at Hwy 61.

In a letter sent to the supervisors dated May 5, the trustees said all feedback they've received has been 100% against closing the crossover.

The letter signed by Brian Burk, Deb Ireland and JD Henshaw, all trustees on the township board and Charlie Rump, clerk of the trustees board, also said while the facility was being built thousands of truckloads of materials came in, per day, with minimal traffic complaints. In addition, the trustees indicated thousands of construction workers came onto the property daily, many using 180th Street, so traffic delays would be reduced even at full capacity.

The trustees also said the closure could result in southbound traffic going to the top of Jollyville Hill, making a U-turn on 185th Street and then going back down the hill to make a right onto 180th Street. In addition, the trustees were concerned limiting that access could cause delays in emergency services.

cy services because the Wever Fire and Rescue uses the fertilizer plant for filling their pumper trucks with water.

Iowa Department of Transportation and Iowa Fertilizer plant officials, along with Lee County

officials held a conference call April 27 to discuss the issue further.

The final decision rests with the state, but IDOT officials have said the IFC needs to address issues with an acceleration lane northbound on Hwy 61 off 180th Street and making improvements to 180th Street to handle the extra truck traffic before they would issue a permit to close the crossover.

“Let me make sure I understand this, we own 180th Street right. So we can do whatever we wish,” said Supervisor Don Hunold. “So we could say, ‘You can do whatever you want to but were not going to let you have 180th. And if we did that then this whole thing would just stop. They can’t get to the road.’”

Supervisor Ron Fedler said IFC will only control

truck drivers on their own property, so they couldn’t control where they exited because they didn’t own the property.

“They could recommend it, but they couldn’t enforce it,” Fedler said.

Rick Larkin said another tact would be to ask for a refund of the money used for the Rise Road because there was funding allotted for that.

“There’s a lot of money going to be put into that intersection. The state may come back and say ‘Hey, we gave you money for that other road’ and they may want that back because those were RISE Funds.” Supervisor Matt Pflug asked the question as to why these issues weren’t discussed in the preliminaries.

Supervisor Gary Folluo said they were part of initial conversations.

“That was the discussion and everyone agreed that for safety factors they needed a road to connect 190th to Hwy 61 north and south,” he said. “That was the discussion. And that’s why they proceeded with the Rise grid.”

Lee County Engineer Ernie Steffensemeier said IFC is estimating \$3.5 million for additional

right of way, as well as everything that IDOT is requesting before any permit was issued for the work.

“And that was on the high side,” he said.

Steffensmeier said trucking companies would spend about \$2.3 million annually running around the Rise Road, or J50, to get back on Hwy 61.

Several options put forth by the trustees included: a weight limit on 180th Street with an exception for local farmers; trying to get IFC’s shipping department to work with truckers using J50; and/or waiting until the plant is running at full capacity so truck traffic volume can be accurately evaluated.

With the issue in the hands of IFC and IDOT, the county is relegated to waiting to see what comes from future conversations as to what options are available.

HTC scores six in 2nd half to blow out Mid-Prairie

8-3 FMHS up next for Lady Crusaders

BY CHUCK VANDENBERG
PCC EDITOR

WEST POINT - The Lady Crusaders capitalized on some balanced scoring including three scores from senior Ali Randolph in an 8-2 win over Mid-Prairie Wellman in girls soccer action Tuesday night.

Elle Rashid got Holy Trinity on the board first with a goal at 31:07 in the first half. The two teams kept each other at bay for the next 19 minutes before Randolph booted one in at the 12:31 mark. Mid Prairie got on the board in the first half when HTC defenders skipped a pass back to Avery Malinski, that bounced up and snuck into the net. Both Mid-Prairie goals were scored that way.

The second half was mostly offense for HTC. Taylor Boeding started the onslaught with an 18-footer from the right side of the pitch going into the Mid-Prairie goal's left side. Maya Rashid got the assist from just past mid-field.

Nicole Pothitakis scored just 90 seconds later on a shot straight up the middle with an assist from Randolph in a tight grouping in front of the goal. Eight minutes later Randolph, who patrols the middle of the field on offense, snuck another ball past Mid Prairie's Kirsten Duwa on a break up the center off an assist by Pothitakis.

Then Elyse Pothitakis got in on the scoring action just about four minutes later and the rout was on. Pothitakis scored on an assist to the left side from Maya Rashid. Rashid then went down the field to the south and scored off an intercept in just 13 seconds to put HTC up 7-1.

Randolph iced the game with another goal up the center unassisted to put the Lady Crusaders up 8-2. Maya Rashid had three assists on the night to lead HTC. Malinski had seven saves and Boeding took four shots on the night to lead in that category.

The win moves HTC to 7-3 on the season and sets up a nice matchup with Fort Madison on Thursday at West Point. The Bloodhounds are coming off three consecutive shutouts, are 8-3 on the year and have won seven of their last eight games.

Great River Regional Waste Authority reminds you to use the 3 R's!

Here are some helpful tips:

REDUCE

***Reduce the amount of waste produced in society**

The best way to manage waste is to not produce it. This can be done by shopping carefully and being aware of a few guidelines.

- Buy durable goods & products in bulk
- Avoid over-packaged & disposable goods
- Use cloth napkins/towels instead of paper napkins/towels
- Make 2-sided copies whenever possible
- Maintain central files for multiple individuals
- Use electronic mail/communications or a central bulletin board

REUSE

*** Reuse products for the same purpose or for a different purpose**

It makes economic & environmental sense to reuse products. Sometimes it takes a creative mind to do so.

- Sell or Donate old clothes, appliances, toys & furniture
- Use resealable containers rather than plastic wrap
- Reuse grocery bags or bring your own cloth bags to the store

RECYCLE

*** Recycle/convert common waste into reusable material**

Recycling is a series of steps that takes a used material and processes, re-manufactures and sells it as a new product. Begin recycling at home and work.

- Recycle all acceptable products at our recycling bins, stations & trailers
(see www.grrwa.com for a complete list of locations)
- Check for curbside recycling acceptable items & schedules on your local city websites
- Purchase and use recycled materials for the home & office
- Implement a composting process for your lawn & garden

Household Hazardous Waste

We accept household hazardous waste and electronic waste at the Fort Madison location. Appointments are encouraged to ensure a proper procedure are in place for disposal. Please call 319-372-6140 to schedule your appointment. For a full list of acceptable items please call or visit us online.

Electronic Waste

Please place all electronic waste in their appropriate bins, some electronic items are free to dispose. Please call for fees on TV's, Monitors, Laptops & Tablets.

Hounds 5th at meet

PCC STAFF

MT. PLEASANT - Fort Madison got a 92 from Bill Young and a 93 from Tyler O'Tool enroute to a 380 score and a fifth place finish at Tuesday's Southeast Conference meet at Mt. Pleasant Country Club.

The tournament took the top four finishers on each team for combined scores. Fort Madison finished with a 380. Washington won the event with a 308, followed by Mt. Pleasant's 316, Keokuk's 351, and Fairfield shot a 376.

Washington's Dalton Myers shot a 1-under par 71 to take medalist honors at the tournament, while teammate Jacob Van Osdol shot a 75 for runner up honors.

For the Bloodhounds, Tommy Wade carded a 96, while CJ Richardson and Tristan Reida both finished with 99s and Brandon Keester shot a 102.

State district action is Thursday beginning at 10 a.m. at the Burlington Country Club.
