## Jury finds Lilly guilty of aiding bank robber

Photo by Chuck Vandenberg/PCC

Fort Madison resident Kenneth Lilly, 52, is handcuffed by a Lee County Sheriff's deputy and taken into custody Friday at the North Lee County Courthouse while standing by his attorney Jonathan Stensvaag of Burlington.

FORT MADISON - 52-year-old Kenneth Lee Lilly of Fort Madison was taken into custody Friday morning after a North Lee County jury returned a guilty verdict that Lilly aided the 2016 robbery of a Fort Madison bank.

With Lilly's girlfriend in attendance three rows behind the bar, Judge Mary Ann Brown polled the jury of six women and six men individually as Lilly sat emotionless in his chair in a red polo and khaki pants watching the polling. After all had confirmed the unanimous verdict, Brown excused them and asked sheriff deputies to take Lilly into custody.

Brown tentatively set sentencing for Nov. 22. Lilly faces up to 25 years in prison for aiding and abet-

ting first-degree robbery, a Class B felony.

Lilly's attorney, Jonathan Stensvaag, a public defender out of Burlington said Lilly maintains his innocence.

"This is one of those cases where Kenneth always said he was innocent. Juries are unpredictable and you don't know how they are going to decide, but he maintains his innocence and we'll appeal," Stensvaag said after the ruling.

He said Lilly will have to wait until after sentencing to file for the appeal.

"After he gets sentenced he has the right to appeal and we plan to do that. We'll go through that process and he'll get appellate counsel and they can appeal it and either bring it back down or look for a remedy that way."

Assistant Iowa Attorney General Andy Prosser didn't want to comment on the specifics of the case after the verdict.

"The evidence was sufficient to satisfy the jury. I wouldn't say it was

one piece," Prosser said after the trial. "But I don't want to comment about the specifics of the evidence."

The state focused its case on Lilly dropping Lafayette Antonio "Tony" Evans off at the parking lot entrance to the Fort Madison Bank & Trust's west end location near 48th Street and Avenue L. Evans then went into the bank, fired his weapon to get the attention of everyone in the bank, and then spent approximately six minutes gathering cash before running out.

According to evidence presented at the trial, Evans tried to go out one door, but saw law enforcement and ran out a different door into an adjacent field behind the Dollar General Store. Evans fired at a Lee County Sheriff's deputy, striking the vehicle several times before being shot and killed by Fort Madison Police who had also responded to the scene. Evans was also connected to several other burglaries in Illinois and Alabama.

## Solon lives up to state's top ranking

BY CHUCK VANDENBERG  
PCC EDITOR

SOLON - The Fort Madison Bloodhounds were just flat outmanned Friday at top-ranked Solon.

Solon had Fort Madison scrambling from the get-go and, aside from a Hound stop on Solon's second possession, the Spartans were able to score quick and often and held Fort Madison's vaunted running game in check the whole night.

Senior Alex Gully who had been leading District 5, Class 3A in rushing was held to 55 yards on 18 carries and that included a 40-yard run in the 2nd half.

Gully also had a 59-yard kick-off return

in the first quarter after the Spartans had scored on a 14-yard pass play from Cam Miller to Payton Bandy to open the scoring at 7-0.

Gully mishandled the kick and picked it up on the second bounce and then found an opening down the Hound sideline but was caught from behind at the Spartan 38. Hounds Quarterback Lennon Barker hit Tyler O'Tool for a 4-yard gain on 1st and 10, but on the next snap, the Bloodhounds coughed it up and the Spartans took over.

The Hounds did get a stop on the

# Community foundation gives \$9,100 to local organizations

*P.O.R.T., Elliott Test Kitchen, and Baxter Rec Plex get funds*

BY PCC STAFF

FORT MADISON - The Community Foundation of North Lee County, based in Fort Madison, recently awarded money to 3 organizations in Fort Madison as part of their annual grant program.

PORT, or Promoting Outdoor Recreational Trails, received \$5,000. The money will be used in the group's second phase of its hiking/biking trail located on the west end of Fort Madison.

The Elliott Test Kitchen of Fort Madison, was granted \$2,050. The organization tutors high school students and prepares them for college entry testing, all while in-

structing them on kitchen recipes.

The Fort Madison Rec Plex received \$2,050. The money will be used to purchase tables and chairs for the patio viewing area.

The Community Foundation of North Lee County was formed in 2005 by Steve Koellner, and then Mayor of Fort Madison, Joe Kowzan.

The Foundation is comprised of over 85 endowment funds and has awarded \$2,769,903 in grants since its founding. Its mission is to improve

the quality of life in North Lee County and surrounding areas by providing an avenue for local citizens to support local charities through endowments.

Giving to a Community Foundation in Iowa lets donors receive a 25% Iowa Tax Credit in addition to normal State and Federal tax deductions.

The Community Foundation of North Lee County presently has \$16 million in total assets and is the largest affiliate of The Community Founda-

tion of Great River Bend, based in Bettendorf.

Its board represents all areas of North Lee County and is comprised currently of 13 members.

Steve Koellner and Dennis Osipowicz serve as President and Vice President. Jan Woodruffe and Jane Krebill are Secretaries. Board members are, Joe Kowzan, Dick Fehseke, Merlin Hellman, Dianne Hope, Dr. Charles Holmes, Dan Steffensmeier, Josh Denning, Laurie Breen, and Dr. Larry Smith.

## FM eyeing winning record with favorable schedule

**HOUNDS** - Continued from Page 1

Spartans and forced Solon to punt, but a 57-yard kick pinned the Hounds at their own 6. Fort Madison went four and out and punted just 25 yards giving Solon the ball at the FM 31. Solon's Kendrick Harris carried five times in the next series scoring from 5-yards out to make it 14-0.

The Hounds went four and out again after the kickoff to the 31. Barker had three straight incompletions and then punted to the Solon 29 yard line. Miller threw an errant pass and Harris ran for 12 on 2nd and 10 before Miller hooked up with Bandy on a 54-yard touchdown and the Spartans were up 21-0 before the end of the 1st quarter.

The Hounds had all kinds of trouble on the next series with some bad snaps and a false start on 4th and 6 forcing a penalty and then another punt. The Spartans mishandled the punt and Fort Madison recovered, but went backwards on the next four plays and faced 4th and 40 before getting a punt away to Solon's 41-yard line. Miller threw an incomplete pass and then Harris broke free for a 41-yard scamper into the endzone to make it 28-0.

On the next set, the Hounds had two incomplete passes and a two-yard carry by Gully forcing a punt which sailed over Barker's head and the Spartans recovered at the

8. Three plays later the Spartans' Hunter Kula plunged in from a yard out and the rout was on 34-0. Miller would find AJ Coons down the left side and Solon was up 41-0.

The Spartans would score on an interception before the half to set the score 48-0 at the half and activate the running clock for the entire second half.

The Hounds were also without senior Shance Redd-Donald who didn't dress for the game due to a back ailment.

Barker gave way to freshman Will Larson in the second half after hurting his throwing hand on a sack in the first half. Barker went back in for a couple of series and then

FMHS senior Lorenzo Riles II looks for an opening against Solon on Friday night in the Hounds' 62-0 loss.

Larson took over.

"Shance was hurt all week and we knew he wasn't going to be playing today," Shiffman said. "We had to move forward without him. That's a good football team. I don't know if Shance even helps us against these guys. That's a loaded, stacked football team. I don't know who really challenges them. I don't know who scores on them the rest of the year. It was just a buzzsaw."

Diego Lozano had six carries for 20 yards and Larson had five carries for -11 yards.

Danen Settles led the Hounds on defense with 8 tackles and two assists.

Shiffman said the Hounds just aren't at the level of Solon just yet, but it's a program that he wants his squad to take notice of.

"We're just not there yet,"

he said. "That's a program we strive to be at where our kids are walkin' and talkin' the game and eating it up."

He said the Hounds did some good things in the first quarter but just couldn't keep up with the athleticism of the Spartans.

"The first quarter we stopped them. They didn't just come right down and score, we had a couple of big plays in there defensively and got some turn-

overs late. But this is what makes Mt. Pleasant such an important game for us to have won," Shiffman said.

"At this point we're looking for 6-3 and we're working for a winning season. That's what we're gonna work our butts off for and that's what we're striving for."

The Hounds are now 3-3 and return home next week for homecoming against Fairfield.

Diego Lozano gets some rare running room on Friday night for the Hounds. Lozano finished with 20 yards on six carries on the night.

The Hounds' Nick Carter gets in the way of an early pass to the Spartans' Payton Bandy Friday night.

# FMHS downs MEPO in four games

*Bloodhounds go 92-95 serving with 15 aces in win.*

**BY CHUCK VANDENBERG**  
PCC EDITOR

FORT MADISON - The Fort Madison Bloodhounds downed Mediapolis in four games Thursday night in girls high school volleyball action.

Mediapolis took the second game 25-21 after dropping a close first game to the Hounds 25-23. Fort Madison went on to easier wins in games three and four 25-14, 25-17.

Leigh Johnson set the Hounds front court all night with 34 assists on the night. She also went 10 of 11 serving with two aces and had five kills of her own.

Kamryn Bailey went 21 of 21 serving with five aces and had 20 digs from the back row. Josie Pumphrey was 19 of 19 serving with 23 digs. Amber Dilsaver was 30-37 hitting with 16 kills and was

13 of 13 from the service line with 2 aces. She also had six blocks for the Lady Hounds.

"Mediapolis did a good job the first two games of keeping us off balance and making us earn points," said head coach Kent Bailey.

"In the third game we got on track by Josie and Kamryn getting us on two good serving runs to put us up 10-2, along with a couple of blocks by Amber. We continued that in the 4th game with Olivia going on a 7 point serving run to put us up 13-3. Our serving was on tonight as we went 92-95 and served 15 aces."

Kaeli Hutson was 23-28 hitting with eight kills, 13 digs and was 7 of 7 serving with two aces. Shyla Farmer was 17-of-18 hitting with six kills. McKenna Fehseke was 14 of 17 hitting five kills. Olivia Williams was 21 of 23 serving with one ace and she had 14 digs.

The Hounds are 17-5 on the season and undefeated in the Southeast Conference. They travel Tuesday to Fairfield.

**IOWA DNR Southeast Iowa Fishing Report**

Big Hollow Lake  
Water temperature is still holding on to the low 70's. Not many anglers have been out this week. Black Crappie - Slow: Anglers are still finding the crappies in deeper water. Bluegill - Slow: Still look in deeper water, but the hungry ones are harder to find.

Lake Belva Deer  
Water temperature dropped a couple of degrees last night, but is still pretty warm; the water needs to cool off so the fish will come in shallow. Bluegill - Slow: Warm weather has slowed the bluegill bite again. Anglers have to work for them. Channel Catfish - Excellent: Use chicken liver and cut bait along the dam and at the upper end

of the lake around the mounds. Black Crappie - Slow: Crappie fishing went from pretty good, to hard to find.

Lake Darling  
Water temperature has fallen to 73 degrees. Need some more cool nights to get it down into the low 60's to bring the fish in shallow. Largemouth Bass - Fair: A few smaller fish are being caught in shallow. The bigger bass are out around the deeper habitat. Black Crappie - Slow: Most anglers were still catching them out in deeper water (10-12 feet). The water needs to cool off before they come in shallow. Bluegill - Slow: Anglers are picking up some nice eating sized bluegills, but they have to work the deeper habitat fair-

ly hard to find them. A few bluegills are starting to move in shallow.

Lake Geode  
Contractors are starting work on the drain pipe to get it ready to drain the lake. It will be a while yet before we start to drain the lake. Bluegill - Slow: Most have moved back to the deeper side of the drop-offs. Black Crappie - Slow.

Lost Grove Lake  
Black Crappie - Slow: Still out around the trees in deeper water. Largemouth Bass - Fair: Most are caught around the deeper habitat, a few are in shallow later in the evening.  
*For more information on the above lakes and rivers, contact the Lake Darling Fisheries Office at 319-694-2430.*

# Shottenkirk partners with FMCH on breast cancer fundraiser

FORT MADISON - Early detection is the key to cancer survival, and during the month of October, Shottenkirk, the GM Giant is partnering with the Fort Madison Community Hospital to raise awareness and raise money for the FMCH Foundation's Breast Health Fund.

The two organizations hope to raise several thousand dollars this year during national Breast Cancer Awareness Month which will be used to provide free or reduced cost mammograms or necessary follow-up tests to women who are uninsured or who otherwise could not afford them. Fundraising activities will be conducted in both the sales and service departments of Shottenkirk in Fort Madison all month long.

"Nationally, Chevrolet and GM Certified Service will be promoting Breast Cancer Awareness Month and dealers are encouraged to join in the effort with localized events," said Lonnie Schulyer, General Manager. "Since most families, including my own have been touched in some way by Breast Cancer, we jumped on board right away and got in touch with our friends at FMCH to see how we might partner to focus on defeat-

ing the disease," Schulyer said.

Since early detection figures so prominently in cancer survival rates, the two organizations agreed that making mammograms more widely available would be one way to have an immediate and lasting impact in the local area. The charitable FMCH Foundation will receive and disburse the funds raised during this month. Individuals who are interested in learning more about the Breast Health Fund can contact Kevin Rink with FMCH at 376-2110

The GM Giant will spearhead the fundraising effort in several ways. Shottenkirk Fort Madison will make cash donations for every test drive taken and all service work performed, and a larger donation for each vehicle sold in October. Those who take the test drive will also receive a commemorative pink bracelet to show their support and increase awareness.

Additionally, patrons may make voluntary cash donations. One of the unique activities is "Cover the Cruze for a Cure" where visitors who donate a dollar or more can sign a miniature pink t-shirt card and place them on a Chevy Cruze until it is completely covered.

For customers who do not take a test drive, for another donation of a dollar or more they can get the pink bracelet. For a donation of \$5 or more donors will receive a commemorative Chevy/Pink Ribbon lapel pin. And for \$10 or more they will receive the official hot pink event t-shirt.

As part of the national campaign, GM Certified Service is giving customers the option to donate all or part of their mail in rebates to Making Strides against Breast Cancer which will be matched by GM. And Shottenkirk will make an additional cash donation to the local fund for all service visits in October.

# Lilly's attorney say verdict will be appealed

**CONVICTION** - Continued from Page 1

Lilly was accused of dropping Evans off in a maroon GMC Suburban. Evidence showed he then left the immediate area, traveling down Avenue L and stopping at McDonald's for a pop. Lilly then gathered his kids and headed to Rockford where he stayed until July 6.

Lilly maintains that he was running errands in Fort Madison for most of the morning with his children in the Suburban, filled up with gas at Casey's and then headed to Illinois. He maintained throughout the trial that he didn't drop off Evans at the bank, had little knowledge of his past trouble, and was trying to help Evans while he stayed at his home.

# OSA plans 2nd Halloween evening

BY PCC STAFF

FORT MADISON - Families are invited to Old Settlers Park in Fort Madison on Beggar's Night, October 31st from 5-7 p.m. In its 2nd year, Old Settlers Association members, businesses

and neighbors will be handing out treats. Fraise Real Estate is furnishing a light supper for families participating. Any individual who no longer gets "beggars" but loves Halloween is invited to join in the fun.

To set up a table, regis-

tration is required by Oct. 15 and can be done by calling Sheryl Decker at 372-7813. There is no fee to participate, but you will be given a table you can decorate as you wish.

You can wear a costume if you wish or you can come as yourself. Those registered should report to Fahey Shelter and set up by 4:30 pm. In 2016

over 500 children participated. You will have time to go downtown for safe trick or treating as well as Old Settlers Park in the two hours allotted for the city trick or treating.

OSA is offering good lighting, an open restroom, flat sidewalks for strollers or wheel chairs, and a fun night of fellowship.

# FMCH offering Saturday clinics during Breast Cancer Awareness Month

BY PCC STAFF

FORT MADISON - October is National Breast Cancer Awareness Month and Fort Madison Community Hospital would like to remind all women to take charge of their health and help win the fight against breast cancer.

The greatest weapons in the fight against breast cancer are prevention and early detection, which includes having an annual exam; getting the recommended screenings including a mammogram for women over forty; and adopting healthy habits when it comes to making smart food choices, taking time to exercise, managing stress and getting enough sleep.

The earliest sign of breast cancer is often an abnormality detected on a mammogram before it can be felt by the woman or a health care professional. In an effort to encourage more women

to get a mammogram, FMCH is offering Saturday morning appointments October 14th, 21st and 28th. Women will have an opportunity to hang an ornament on the Breast Cancer Awareness tree, located in the Main Lobby, in honor or memory of a loved one.

According to the American College of Radiology, women age 40 and older should have a screening mammogram every year and should continue to do so for as long as they are in good health.

Current evidence supporting mammograms is even stronger than in the past. In particular, recent evidence has confirmed that mammograms offer substantial benefit for women in their 40s. Women can feel confident about the benefits associated with regular mammograms for finding cancer early. Mammograms for older women should be based on the

individual, her health, and other serious illnesses. Age alone should not be the reason to stop having regular mammograms. As long as a woman is in

good health and would be a candidate for treatment, she should continue to be screened with a mammogram.

Women in their 20s and 30s should have a clinical breast exam (CBE) as part of a periodic (regular) health exam by a health professional, at least every 3 years. After age 40, women should have a breast exam by a health professional every year.

With breast cancer being the leading new cancer in females in the

state of Iowa, according to the 2017 Cancer in Iowa Report, all women need to take their breast health very seriously. An estimated 2,300 new cases

of breast cancer will be detected in Iowa in 2017 with 370 deaths resulting from breast cancer, second only to lung cancer for women.

Fort Madison Community Hospital offers the latest in breast cancer screening advances, Genius™ 3D Mammography™ exams, developed by Hologic, Inc., a worldwide leader in Women's Health. Utilizing advanced breast tomosynthesis technology, Genius exams are clinically proven to significantly

increase the detection of breast cancers, while simultaneously decreasing the number of women asked to return for additional testing.

A Genius exam includes both 2D images and tomosynthesis scans. During the tomosynthesis-DIMENSIONAL portion of the exam, an X-ray arm sweeps in a slight arc over the breast, taking multiple images. A computer then converts the images into a stack of thin layers, allowing the radiologist to review the breast tissue one layer at a time. A Genius exam requires no additional compression and takes just a few seconds longer than a conventional 2D breast cancer screening exam.

"Fort Madison Community Hospital is leading the way in breast cancer detection by investing in the latest screening technology - 3D Mammography. As a Radiologist, this

allows me to provide my patients with the highest quality of care that leads to better results, while reducing unnecessary stress that false positives or additional tests raise," said Dr. Pil Kang, Radiologists, Davis Radiology.

The team of Radiology professionals at FMCH partner with the Doctors of Radiology from Davis Radiology to provide compassionate, competent care.

Through the FMCH Foundation, Breast Health Fund, paying for a mammogram or associated tests should not be a barrier from getting this important screening. If a patient is in need of financial assistance, they can contact Kevin Rink in the Patient Financial Services department at 319-376-2110.

To schedule your mammogram appointment, please contact FMCH Radiology, 319-376-2745.
