\$1,000 Grants Available for New Students

Holy Trinity Catholic Schools is pleased to announce that beginning with the 2017-2018 school year, \$1,000 grants will be available to incoming students transferring from another school. These are one-time grants, which will be awarded to students for the first year that they attend HTC. A new student discount is already built into HTC's kindergarten tuition costs so these grants do not apply to them.

There are a limited number of spots available in each grade for next year so acceptance will be based on a first come first served basis.

The New Student Grant is a stackable award that can be used in conjunction with all other forms of tuition assistance including STO Grants, Foundation Grants and scholarships.

For more information contact Shelley Sheerin at 319-372-2486, ext. 7

REDUCE

REUSE

RECYCLE

FOR A HAPPIER EARTH!

Here are some helpful tips:

REDUCE

*Reduce the amount of waste produced in society

The best way to manage waste is to not produce it. This can be done by shopping carefully and being aware of a few guidelines.

- Buy durable goods & products in bulk
- Avoid over-packaged & disposable goods
- Use cloth napkins/towels instead of paper napkins/towels
- Make 2-sided copies whenever possible
- Maintain central files for multiple individuals
- Use electronic mail/communications or a central bulletin board

REUSE

* Reuse products for the same purpose or for a different purpose

It makes economic & environmental sense to reuse products. Sometimes it takes a creative mind to do so.

- Sell or Donate old clothes, appliances, toys & furniture
- Use resealable containers rather than plastic wrap
- Reuse grocery bags or bring your own cloth bags to the store

RECYCLE

* Recycle/convert common waste into reusable material

Recycling is a series of steps that takes a used material and processes, re-manufactures and sells it as a new product. Begin recycling at home and work.

- Recycle all acceptable products at our recycling bins, stations & trailers (see www.grrwa.com for a complete list of locations)
- Check for curbside recycling acceptable items & schedules on your local city websites
- Purchase and use recycled materials for the home & office
- Implement a composting process for your lawn & garden

Household Hazardous Waste

We accept household hazardous waste and electronic waste at the Fort Madison location. Appointments are encouraged to ensure a proper procedures are in place for disposal. Please call 319-372-6140 to schedule your appointment. For a full list of acceptable items please call or visit us online.

Electronic Waste

Please place all electronic waste in their appropriate bins, some electronic items are free to dispose. Please call for fees on TV's, Monitors, Laptops & Tablets.
