FAIRFIELD - Holy Trinity's Matt Hellige was the lone runner from Fort Madison to qualify Thursday for the state cross country meet at Lakeside Golf Course Oct. 27 in Fort Dodge.

The Class 1A boys run starts at 2:30 p.m. and is the last run of the day. The Iowa High School Athletic Association announced today that no public parking will be allowed inside the park, but shuttles are running from four different locations in town. Visit the IAHSAA

website here for more information: <http://www.iahsaa.org/cross-country/2017-state-cross-country-meet-information/>.

Hellige finished the 5K run at the Class 1A Iowa City Regina qualifier with a time of 18:03.96.

HTC Head Coach Matt Mohrfeld said Hellige had a solid run but the times were deceiving because the course was a little long.

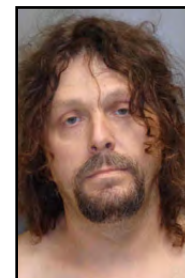

"The numbers are a bit deceiving because the course was long, but Matt had a great run. Competition was

Hound freshman Dennis takes 25th in girls run

CROSS COUNTRY - Continued from Page 1

Photo by Chuck Vandenberg/PCC

The Hounds' Katie Dennis tries to catch up to an unidentified runner Thursday at the Class 3A girls cross-country qualifier at Fairfield's Waterworks Park. Dennis earned 25th at the run and miss qualifying as the top 15 runners go to the state meet in Fort Dodge on Oct. 27.

tough up there. Every school had a horse in the barn," Mohrfeld said. "Matt put it out there real good. He went in with the right frame of mind."

He said Hellige will continue training this week to prepare for the Fort Dodge run in 10 days.

"We'll be training. He looks pretty solid and, track over track, he's consistently 30 seconds faster than last year and his performance has come up about 5%," Mohrfeld said. "He's a machine and races like one."

Dayne Cordray fin-

ished 24th at the Class 3A run at Fairfield's Waterworks Park with a time of 17:58.74, the highest finish for the Hounds, 29 seconds away from the top 15 and qualifying on the 5K run.

Freshman Katelyn Dennis took 25th in the girls' run. The Iowa High School Girls Athletic Union website did not post the times with the runners, only the place finishes. A marshall at the race was overheard indicating cards had gotten out of line after several girls collapsed at the finish line.

Dennis said she felt she ran her best race today and was excited.

"I was just trying to do my best and, I guess, whatever happened happened. This is my favorite course, I love the scenery and I like running in the woods," she said.

"I think I did pretty good for a freshman and my goal this season was to try and get in the 20s and I think I got pretty close. When I was going across the line I saw 20:58 so I think I'm in the low 21s."

She said her goal is to have one of the pictures in the Multi-Purpose Room at FMHS be of her finishing in the top 10 at the state cross-country meet.

Maddie McVey took 48th overall in the girls' run followed by Ashlynn Haas who finished in 56th overall followed by senior Josie Pumphrey at 59th, who was running in only her second meet of the year as she's also the libero for the Bloodhound volleyball team. Claire Hellman finished in 75th place for Fort Madison.

McVey said she had her best run of the year and said her time was about 22:40.

"They changed the course from the last time and they added a big hill but I think that helped because I was able to pass a couple kids on that hill," McVey said.

Pumphrey said her time was close to 23:16.

"I felt like if I had run in more meets, I would obviously had done better. I went out to just give it my all and be a multi-sport athlete." I get this wierd thing where it's hard for me at first but then you get to this point and then you

just go."

Hounds sophomore Anthony Barnes finished 45th overall but moved up four places in the final 70 yards with an all out sprint to the finish line.

"I always have a little bit saved in the tank," Barnes said after the run.

Barnes was joined by senior Miguel Trejo at 47th place and freshman Hayden Wolfe at 49th in some good pack-running for Fort Madison.

Trejo said this was his favorite course. "I set my personal best here and I haven't touched it yet."

He said he likes to run where the trail goes through the woods on the north side of the lake where there were no spectators.

"This was my last race, I really got better as the season progressed. My goal was to finish all-conference which I got last week."

Trejo said he was just reminiscing as he ran and tried to help the team

because he knew wouldn't finish in the top 15.

Freshman Austin Miller, sophomore Owen Kruse, and freshman Will Gager finished in order at 66-68 to finish out for Fort Madison.

Scoring is figured on the top 5 place finishers so Fort Madison finished in 9th place overall out of 13 teams with 231 points.

Clear Creek Amana took first place with a mere 37 points. Clear Creek had five of the top 11 runners at the meet.

Mt. Pleasant's Cody Mertens won the meet with a time of 16:10.09.

Head Coach Brian Mendez said the Hounds knew it would be a tough district to qualify in.

"This was a tough district. I haven't looked things over yet, but we knew coming in we had to run our best races today. The district is tough and they do their best to separate the best teams," he said. "We'd seen some of these teams before, but we had some kids runs some PRs and that's what we want, to run our best races on our last race."

He said it was unfortunate Dayne, who had finished in the top five in most events in this, his senior year, didn't qualify for state.

"They take the top 15 and nobody works any harder than Dayne and nobody deserves it more than Dayne. He's laid it down all these years and works very hard," Mendez said.

"We've got some great seniors and we've got some great kids coming up. I

think Katie had a personal best today and that's just great for her. And Claire Hellman has just been a treat to have out. This race is about my seniors. I always try to take care of my seniors."

For Holy Trinity in Iowa City, freshman Phillip Goldie finished in 40th place at the meet with a time of 19:37.90. Jacob Mohrfeld was 63rd at 20:31.35. Brant Holtkamp and Adam Rauenbuehler rounded out the the scoring runners for Holy Trinity finishing 99th and 100th at 21:37.03 and 21:38.98.

Mohrfeld said the other runners performed up to standard as well. Freshman Phillip Goldie came off an injury that had him sidelined for the past two weeks, but was just cleared to run and finished 40th.

"Jacob had a good solid run like he has all season and my seniors came in real well, it was a very positive finish for the regular season."

Goldie finished with a time of 19:37.90. Mohrfeld was 63rd at 20:31.35. Brant Holtkamp and Adam Rauenbuehler rounded out the the scoring runners for Holy Trinity finishing 99th and 100th at 21:37.03 and 21:38.98.

Sam Avery finished in 102nd place with a time of 21:52.63. Mitchell Pothitakis finished at 22:49.20 good for 114th.

The Crusaders finished 9th as a team with 289 points. Calamus Wheatland took first place as a team with 46 points and had the top two place winners.

Hounds want to keep county "seat" at FMHS

HOUNDS PREVIEW

BY CHUCK VANDENBERG
PCC EDITOR

FORT MADISON - Despite a lackluster season from both Keokuk and Fort Madison on the gridiron, the Hounds are highly motivated to keep the one trophy of the year in Fort Madison.

The two teams battle each year for the county seat, which is literally a chair that goes back and forth to the winner of the annual matchup.

The Hounds won the chair back last year for the first time in seven years with the last win over Keokuk coming in 2010.

Shiffman said, despite the rivalry, the seniors should hold the game dear to them.

"Obviously the game is important and the implications are important," said head coach Tony Shiffman Wednesday. "But I don't know if any of those guys are going to play football in college so this could be the last time for them. It should be important to them and fun to them and they should enjoy the experience."

The two teams are on similar tracks for the year with the Hounds at 2-6 on the year and the Chiefs at 1-7 with their lone win over West Burlington in week 3.

Sophomore Cory Skinner calls the plays for the Chiefs run-first offense. Keokuk's running game accounts for about 65% of the offense. Skinner is just 47 of 128 for 462 yards and four touchdowns. He's been intercepted 13 times on the year.

He also leads the team in carries with right at 100, but junior Braylon Martinez is the most prolific runner with 479 yards and four touchdowns. He's also had multiple scores called back due to penalties.

"He's a little jitterbug, so we gotta make sure we contain him," Shiffman said. "I've seen him pop a run against everybody. A couple of touchdowns have gotten called back, which is unfortunate for him. He can take it to the house for sure. He's a good football player. He's not very big, but he's quick."

Junior Dylan Jeffers has 41.5 tackles on the season but 25% of those tackles have been for a loss. Shiffman said the Hounds will have to pay attention to him.

"He's a kid we know about. We just have to make sure we have a body on him at all times. Keep him out of our backfield and off his game."

Shiffman said he's preparing his team for anything, considering the rivalry on the line and it being the last game of the season for both squads.

Photo by Chuck Vandenberg/PCC

The 2017 Fort Madison Bloodhounds hold up the "County Seat" which will be on the line Friday night as the 1-7 Chiefs host the 2-6 Bloodhounds in both teams' final game of the season.

"I think so, I think if they're smart they'll be expecting the same thing from us," he said.

Several seniors at the skill positions have yet to score on the season including wideouts Trey Kuntz and Sheymouhr Redd-Donald. Shiffman said there's no specific effort underway to get them the ball in the endzone, but nothing's off the table.

"We're gonna try to get whoever we can get in the endzone," he said. "The seniors would like to score, but at the end of the day, they'll be happy with a win."

Fort Madison senior quarterback Lennon Barker has more than 1,300 yards through the air this year, but only four touchdowns to go against six picks. Kali Maestro has handled the lion's share of carries with 77 for 319 yards and one touchdown. Junior Diego Lozano has just 23 carries for 201 yards and three touchdowns, but is averaging close to eight yards per carry.

Lozano also leads the team in tackles with 58.5 including a dozen for losses and is tied with junior Romeo Maestro with four sacks on the year.

Dom Frantz leads a group of about five receivers with close to 20 catches each. The senior has 329 and three touchdowns. Junior Mike Mosena leads the team with 30

receptions on the year.

Shiffman said the Chiefs will be ready in their last home game of the year. The two teams played in Keokuk last year with the Hounds coming out on top 48-24 and sending the Chiefs to a winless season.

"They're gonna be ready for us, just like we'll be ready for them. Matchup-wise it could go either way. We just have to go out and play to our potential."

Despite the Keokuk-Fort Madison competitive rivalry, Shiffman said the proximity and similar size makes the game interesting, but he said the kids playing for the Hounds know the kids from all the schools in the district and any of the games can be considered a rivalry.

"I think the chair is more important to the people outside the football team, than it is to the players. I think the communities care about that win."

Despite his frustration with the season, he said this is the game for the kids to be loose and have fun.

"It's frustrating as a coach, you want to have success for everybody, but we just gotta go out and have fun and play," Shiffman said.

The game kicks off at 7 p.m. at Calvert Stadium on the Keokuk High School campus.
