# Khristian

We always knew this day would come but the time went too quickly. We watched you change and grow from a boy into a wonderful man. Sometimes we wish you were still small and not so tall and strong. We close our eyes and can still see you as our little boy. But as you start a new journey, we hope you never feel that you are alone no matter how near or far you are.

We will always be right there in your heart. Always believe in yourself and remember you only fail when you stop trying. Never forget that whatever you go through, no matter what we will always love and support you. Congratulations! We are so proud of you and we love you!

Dad, Mom & Gabriella

**HAPPY GRADUATION!**

We are so proud of you Chance! Since day one you have been on the go and now there's no stopping you. You are a bright young man that knows what you want and we know you will achieve your dreams. We have been blessed by you every single day and we will always be your biggest supporters.

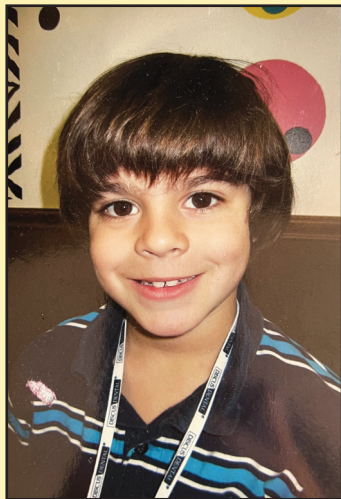

We love you Chance!

We have loved watching you grow into a wonderful young man! Your kindness & good heart radiate from you!! You have all our love & support!

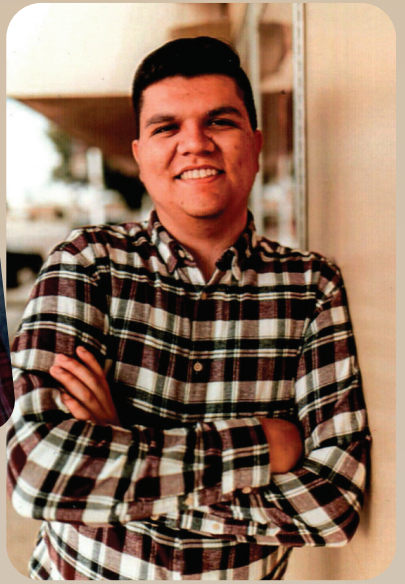

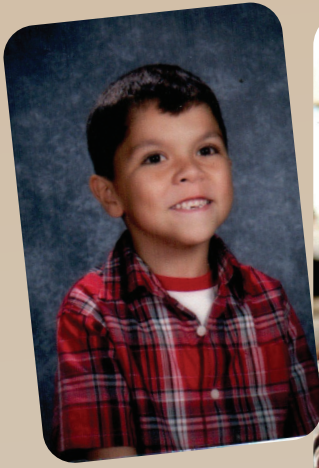

Uncle Adan & Aunt Shayla

Kilea Dawn, words cannot express how extremely proud of you I am. You were always the first at everything you did. You are my first born and the first love of my life. I remember in Kindergarten when your teacher informed me that you may need to go to primary due to maturity. By December, she contacted me and told me that I was right. It was just your personality and you just love to talk and be a part of everything and anything. You have matured into the most beautiful, smart, kind, stubborn, wonderful human being I imagined you would be. I am sad for myself as you leave me to go to college but I could not be more excited for you. FHSU is lucky to have you. I know you will always do amazing things in your life. Keep your head on straight, remember all that I have taught you, study hard but have fun, definitely don't do what I would/did do lol, and be your own person. You are my beautiful, big blue eyed (now green) little/big red head, a lefty, a Biddle, a Lowry, a Sams, and a Brown. You are a unicorn. You have ambition, an attitude, the drive and the passion to do anything you set your mind to. I love you so very much. PS....Austin will miss you too.

love you more,  
Mommy, Bubba, Miki and Bai

*To Our Nick*

We are so proud of you and the young man you have become. We know you will do well in whatever you choose to do. Never give up!

*Love ya Bunches!*

*Dad, Mom + Jordan*

*Congratulations

High School Graduation!

*Hayden,*

As one chapter closes another one opens. Today the most important chapters of your life begin. Be brave enough to take chances to live the life you have always dreamed of. We will continue to support, encourage, and guide you to reach those dreams. Always remember we are your biggest fans, and we are so proud of you. You are loved beyond measure.

*Love,  
Dad, Mom & Kaycee*

**Happy graduation day, Becca!**

Always remember that you are braver than you believe, stronger than you seem, smarter than you think, and

loved more than you will ever know.

Next stop...Oklahoma City University!

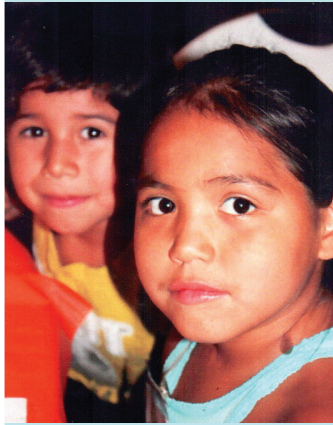

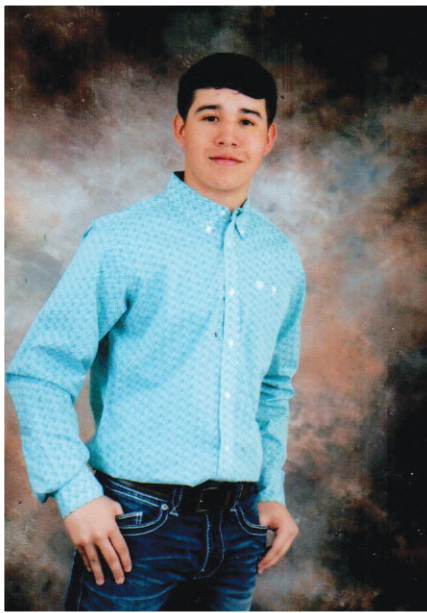

We love you! -Mom, Mia, and Peanut

*There are no words to explain how proud we are of you. You have transitioned into such a great, loving, caring, and handsome young man. Always keep God and your faith first in all you do. We can't wait to see where your new chapter in life takes you. Keep your head up and in the game and no one will be able to stop you, in anything you choose to do. These last 18 years you have brought so much joy and happiness to our lives. Now it is time for you to go and spread that joy to others around you. We will be proud no matter what you decide to do. Remember that every life has chapters and you are closing one to write the next. You are now in control. Stand proud, always respect, and be kind to yourself and to all you come in front of. We love you always, no matter what and forever. Congratulations miijo! Have fun, make good decisions, and know this will always be home.*

*Love you always  
Mom, Dad, your brothers and grandparents.*

## *Martin*

You did it! Graduation is a great achievement. We are so proud of you! Many more achievements in the future are flitting in front of you.

Aim high in life. Go out in the world trying thing, throw yourself in it. Don't wait for it.

Life is not easy. You know that, you have lived that. It's not about a life that is easy without pain or confusion. It's about living life fully, compassionately, and completely.

Always know that you can change any path you take once you set your mind and heart on it. Talk to your courage, ask it for clues to what your next step might be.

May God Bless you and keep you always. May you be the man He set you to be.

*Love you  
Dad, Mom, Monica, Cruz, Adrian, Karina, Devon, and*

# Dalia Magdalena

**We are so Proud of all your accomplishments... Congratulations!**

**We are blessed to have watched you grow into the beautiful daughter you are today. Remember with God, you can do whatever you put your mind to do. You have a bright future ahead of you. We pray that God will guide you in the right direction and that faith gives you courage to do great things.**

# Brennan,

The time is finally here!! It's been an absolute joy & honor to see you grow into the young man you are today. This chapter is closing but the next one will be even better. We pray that God blesses & guides the path before you.

Love you,  
Mom, Dad, & your sisters

*Matthew,  
I can't believe this is it, you are graduating ! We are so proud of you and love you so much!  
Mom, Dad and Aaliyah*

*Jaia,* from the moment I knew you were a girl, I promised I would do my best to raise a wonderful woman. You have far exceeded every expectation I've ever envisioned, from your beautiful smile to your caring demeanor and to your extreme humor. I'm so proud to call you my daughter and so excited to see what you do in the future. God has truly gifted you with many talents from singing to artistry to athleticism, intellect, and creativity! I know you are ready to conquer the world! We all love you deeply and always have believed in you! Don't forget to believe in yourself!

*Behind you  
all your memories  
Before you  
all your dreams  
Around you  
all who love you  
Within you  
all you need*

Love,

**Justin Allen Howard**

**U.H.S. Class of 2022**

Dear Justin (a.k.a. Bubba, Big Juice, Shorty) Where do we begin to tell you how proud we are of your accomplishments so far? We know you were placed by God in our hands for a reason, and we have accepted that challenge with honor. You came to us as a Roly-Poly little chunk, and grown into a handsome young man! We love to see your passion for people, for family, church, music, football, farming and animals. You used to be scared to death of animals. We know life isn't easy, we know you've had obstacles to overcome, but we pray that you continue to grow and learn and succeed at whatever you want to do and be in life. You are smart, you are handsome, you are kind! Never change to fit in with the world around you. Dream big, reach for the stars and enjoy this crazy little thing called life. We are here to support you now and always. We love you so much and can't wait to celebrate your graduation. Trust God, love one another and keep believing! *Jeremiah 29:11 For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future.* We're on your team, and we've got your back! Mom, Dad, Sissy and Hunter. We love you.

**HAPPY** graduation

Devin,

**You did it!!! Congratulations! We are so incredibly proud of you! It's hard to believe you're graduating when your first day of kindergarten feels like it was yesterday! As this chapter closes and a new exciting one is beginning we will be cheering you on every step of the way, Eager to see what Gods got planned for you! We know, without a doubt you were made for great things! Sky's the limit!**

**We love you to infinity and beyond!  
Dad, Mom, Taylee, Bentley, and Navy**

WOW, WOW, WOW. Where has the time gone? We always knew this day would come, but somehow thought it would take MUCH MUCH longer to get here. Now we stand here in disbelief that this time is here. Wanting to hold on so tight and not let go. As a mom, I find it SO RUDE!! Rude that from the day our children are born we care for every waking moment of your lives. Then in an abrupt moment we are supposed to just let go. SO RUDE!! Being a parent is definitely the hardest thing anyone will ever do but being your mom has been the most rewarding and what I will always be the proudest of. You were our BIG surprise son, everyone's "Little Drake". ALL your siblings have loved, watched, and care for their "Little Drake". Now we all watch, in awe, of the young man that you have become. Our "Little Drake" has grown into a smart, confident, strong, silly, a bit stubborn, young man, and we continue to love every side of you.

Now it is time to move on to the next journey of your life, to throw that hat into the air and go have a little fun. Time to experience life to its fullest. Know that you are capable of doing ANYTHING you want to do, (Popo always said that) there is no "I can't" just "I WILL". The game of life comes with many obstacles, sand traps, bunkers, and water holes. Just remember, you may not always win, but you can always learn. Live it, love it, and just dance.

We love you son,  
Mom, Justin

Kylie, you are our baby girl, watching you grow up has been such a privilege and blessing. You were born ready to set the world on fire and we can't wait to watch you fulfill all of your dreams in next chapter of your life. As you spread your wings and grow, we are also always here to support you.

We love you beautiful, Love Dad and Mom
