It's Christmas time you'll get the cookies and the milk so go to sleep have sweet dreams. All the sudden you hear stomping feet. So you go out and check. It's Santa and his elves.

Christmas trees stand tall. Houses covered in lights. Bright and left people sing carols. In the little town all is jolly. Santa is coming. The children hop in bed. Milk and cookies set on the table. All is silent and in the night sky. Santa and his reindeer with present oh my.
