Lake Chelan Health Board
invites letters of interest for
open board position

By AGUSTIN BENEGAS,
LAKE CHELAN HEALTH

CHELAN - Lake Chelan Health Commissioner Jeremy Jaech has announced his resignation from his position effective April 1, 2023. The Commissioners and Lake Chelan Health are deeply appreciative of his years of service, dedication, and leadership.

Lake Chelan Health Board of Commissioners is accepting letters of interest from candidates that have a passion and interest for community involvement, leadership and a desire to grow and advance healthcare offerings in the Lake Chelan Valley.

The selected candidate will

fill the board seat vacated by Jeremy Jaech.

Chelan County Public Hospital District No. 2 Board of Commissioners directly oversees hospital policy and governance and will appoint the new commissioner to fulfill the remainder of the term ending on December 31 of this year. The appointed member will serve until the next election.

Persons wishing to be elected to serve after the term ends would need to file for the general election in May. The candidate must be a resident and registered voter in the hospital district.

Letters of interest should

Manson School District
places replacement EO & P
Levy on Feb. 14 Ballot

MANSION - The Manson School Board has placed a levy proposition on the Feb. 14 Chelan County Special Election Ballot. If approved, the levy would replace an expiring Educational Programs and Operation Levy (EO & P Levy) passed by voters in February 2021.

The proposed levy is for two years 2024-25 (Manson has historically run 2-year levies).

The current voter approved amount scheduled to be collected this year (2023) is \$1,738,474. The tax rate is \$1.10 per \$1,000 of assessed value.

The proposed amounts are: 2024 \$1,884,500 (\$1.11 per \$1,000) 2025 \$1,955,326 (\$1.04 per \$1,000)

Manson's EP & O levy funding is approximately 14% of the district's total funding and either fully or partially supports:

Staffing and Student Support, Athletics, Extracurriculars, Activities and Clubs, Instructional Supplies and Curriculum

Technology Equipment and Services, Maintenance and Operations.

More information is available on the district website at www.manson.org including an individual tax calculator where taxpayers can determine their estimated local school tax using their property assessed value amounts.

Wine event raises \$111,000 for Chelan Valley Housing Trust

Tipsy Canyon Winery, Navarre Coulee Vineyard's new release benefits attainable homes

SUBMITTED BY CHELAN VALLEY HOUSING TRUST

CHELAN- Chelan Valley Housing Trust's plan to build eight attainable homes this year was given a big boost at a recent fundraiser hosted by The Landing in Chelan.

The sold out, black-tie event celebrated the first release of Navarre Coulee Vineyards and Tipsy Canyon Winery's 2020 Neighbors Blend. This varietal blend from the two vineyards benefits the Chelan Valley Housing Trust (CVHT) while underscoring the importance of being part of something larger than ourselves. The 60 attendees en-

joyed a four-course paired dinner hosted by The Landing, a silent auction and live music.

"We're over the moon at this kind of community support," gushed Rachael Goldie, Executive Director for the Chelan Valley Housing Trust. "The money raised here will go a long way in advancing our plans this year to bring eight more attainable homes to essential community members."

Goldie reports the two projects in the works for CVHT in 2023 are a two, single-home development on Iowa Street in south Chelan and a six-unit townhome project at the corner of East Nixon Avenue and North Emerson Street for a total of eight homes in 2023.

With development costs high, this jumpstart was certainly welcomed. Iowa Street homes will require an additional \$85,000 by year-end 2023 and Nixon Street Homes will require \$600,000 to

complete and sell homes at rates attainable to buyers. With a total of \$685,000 to be raised in 2023, the Trust is very grateful for opportunities such as these to make these homes a reality.

Goldie credited much of the evening's fundraising success to Charlie and Debbie Guildner, and Karen Feek for their extraordinary philanthropy. She also expressed gratitude to the supporters who donated the auction items and those who won. "As a first-ever fundraising auction for the Housing Trust, we are so grateful to everyone that came together to make this such a success." She added, "Each \$100,000 raised makes the purchase price of at least one home attainable to current buyers as well as future generations of homeowners."

Lake Chelan Building Supply promotes two Lake Chelan natives to leadership positions

SUBMITTED BY LAKE CHELAN BUILDING SUPPLY

MANSON - Lake Chelan Building Supply (LCBS) has announced the promotions of Bart (Jose) Morfin to branch manager of its Chelan location and CJ (Francisco) Orozco to branch manager of its Manson location.

A Lake Chelan native, Bart has been a fixture at LCBS since 2004. Most recently, Bart worked as an inside sales representative in the Manson branch. Bart brings a wealth of building industry knowledge and a constant smile to the Chelan location. An avid outdoorsman, Bart enjoys fishing and camping. He is also passionate about BBQ and has developed his own

Brett La Mar

Bart (Jose) Morfin

CJ (Francisco) Orozco

both locations throughout high school and college. After earning a degree from Eastern Washington University, CJ started a full-time position and worked in various roles: yard

load building, sales, stocking, and inventory. Through his hard work and dedication, CJ became branch manager at Lake Chelan Building Supply –Chelan in November 2020,

and he continues to excel in his leadership responsibilities.

In addition, former LCBS co-owner and branch manager, Brett La Mar, was promoted to marketing manager at TAL Holdings (Lake Chelan Building Supply's parent company). In this role, Brett will oversee marketing activities for TAL's 12 retail locations in Washington State.

Brett's parents Edd and Sharon La Mar started LCBS in 1979, and LCBS joined the TAL family of brands in 2020. "I am excited that the La Mar family legacy is being managed by a community-oriented company like TAL Holdings and two great local managers," said Brett.

About TAL Holdings: Based in Vancouver, TAL Holdings is a family-owned company helping to build better communities. At its 29 home improvement stores located throughout the Pacific Northwest, TAL creates a positive experience for its customers—pros and homeowners alike—by providing guidance for innovative, smart building solutions. TAL's family of brands include Badger Building Center, Bayview Building Supply of Elma, Best Built Builders Supply, Broune's Home Center, Gerretsen Building Supply, Lake Chelan Building Supply, Marson and Marson Lumber, Midway Building Supply, Mount Vernon Building Center, and Tum-A-Lum Lumber.

COMMUNITY VOLUNTEER

MANSON - The second week of Winterfest featured Manson, Washington on beautiful Lake Chelan. The weather was perfect for the celebration put on by the Lake Chelan Chamber of Commerce and the Manson Chamber of Commerce. On Saturday, visitors at the event were delighted to see falling snow, adding to the ambience of Winterfest.

Wapato Way, the main street through town was blocked off Friday afternoon so crews could prepare for the event. Ice carvers were busy making amazing ice sculptures that were displayed throughout town. Tents were setup to house the "Ice Bar", sponsored by North Cascades Bank and the "Main Stage", sponsored by Wapato Point Resort. Firepits and seating was setup at several locations on main street. Music was featured on the Main Stage with several wineries in the area, even karaoke at Buddy's Place.

The Lake Chelan Chamber of Commerce kicked off Saturday with a Bubble Brunch at 11 a.m., held at their satellite office on Wapato Way in Manson. The Bubble Brunch is a celebration of the world-class bubbles pro-

duced in the Lake Chelan Valley. Attendees enjoy unlimited bubbles, a catered brunch from Even Keel Roadhouse, and folks learn a little about the sparkling wine produced here in Lake Chelan.

The Manson Chamber of Commerce's Visitors Center opened its doors at 12 p.m. on Saturday with several fun events. "Face Painting" was a huge success with hundreds of beautiful faces painted. We thank our amazing face painters, Heather Jacobson, Ebony Valle and Kim Ustaniak. Kids picked up a bag with everything they needed for the popular "Mitten Walk" and Elsa and Olaf were available for photos.

Rootwood Cider Company offered a "Guided Snowshoe Orchard Trek" at 11 a.m. at their Orchard Tasting Room, located at 1731 Totem Pole Road. People enjoyed the "Cocoa & S'more Crawl" at Lake Chelan Winery, Rio Vista Wines, Skagit Cellars, Wapato Point Cellars and Wine-Girl Wines.

The Ice Bar opened at 12 p.m. to 10 p.m. featuring many local wines and Bloody Mary's from the Bloody Good Company 12 p.m. to 2 p.m. Live Music on the Main Stage featured The Skiffs, Jacob Simms and Joel Gibson Jr.

Establishments downtown

were filled with people enjoying this special weekend. Main street was buzzing with folks getting warm by the firepits. The crowds gathered for the "Fireworks Display" that went off at 6:30 p.m. Later the "Flaming Tower" was lit to the crowd's approval, an awesome site.

On Sunday, January 22, Man-

son held the 5th Annual Viki Downey "Polar Bear Plunge" at Manson Bay. We thank Jim Harding for supplying a couple truck loads of firewood for the bonfire. Several students from Manson High School helped unload and stack the wood on Saturday.

This event raises money for "Lake Chelan Swim", a local non-profit that provides free swim lessons to anyone in the Chelan Valley during the summer months. People began arriving at 12 p.m., some not

quite sure why they made this crazy decision. Others had secured sponsors, raising money with their plunge. The crowd grew as the 1 p.m. start neared. People were dressed in all kinds of attire, from a penguin suit to bikinis.

Todd Link, owner WineGirl Wines and MC for the day led the countdown from ten and then they were off. An estimated 180 souls ran into the 38-degree water and screams could be heard for blocks away. Soon everyone was out of the water and standing around the bonfires, drying off and getting warm.

This year the Viki Downey Polar Bear Plunge raised \$13,975 which will provide water safety and swim lessons for a multitude of people. Donate to Lake Chelan Swim by visiting their website at www.lakechelan-swim.com or mail your check to PO Box 159 – Chelan, WA 98816 -attention Judy Phelps.

Winterfest 2023 in Manson was a huge success thanks to the Lake Chelan Chamber of Commerce, the Manson Chamber of Commerce and the many sponsors and volunteers that gave of their time and resources.

Public Notices

Notice of Application and SEPA Referral

The City of Chelan has received a permit application for the following project.

Application Date: October 19, 2022
Determination of Complete: January 13, 2023
Notice Date: February 1, 2023
Comment Due Date: February 15, 2023
Agency Contact: Devyn Walter, Associate Planner, dwalter@cityofchelan.us, (509) 682-8037

Agency File Number: SUB2022-01 / SEPA2022-06
Proposal: This project proposes to convert approximately 23.32 acres into new mixed use commercial buildings, 35 residential lots, roadways, and open spaces within the existing Lookout Planned Development District.

Project Location: The project is located within the portion of the NE ¼ and the SE ¼ Section 11, Township 27 N., Range 22 E. W.M Chelan County, Washington. The site includes Tax lot # 272211597750, 272211597800, 27221130300, 272211597650 and 272211420250.

Project Applicant: Chelan Lookout, LLLP, 101 Jackrabbit Lane, Chelan, WA 98816
SEPA Environmental Review: The City of Chelan has reviewed the proposed project for probable adverse environmental impacts and expects to issue a Determination of Nonsignificance (DNS). This determination is based on the following findings and conclusions: Preliminary review of the application materials and SEPA checklist for compliance with applicable regulations of the Chelan City Code and Lookout Planned Development Agreement. The optional DNS process in WAC 197-11-355 is being used. This may be your only opportunity to comment on the environmental impacts of the proposed project. The proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared. A copy of the subsequent threshold determination for the specific proposal may be obtained upon request.

Agencies, tribes, and the public are encouraged to review and comment on the proposed project and its probable environmental impacts. Comments must be submitted by the date noted above to Devyn Walter, P.O. Box 1669, Chelan, WA 98816 or dwalter@cityofchelan.us

The application and any related materials may be reviewed at City Hall, Community Development Department at 135 E. Johnson Avenue, Chelan WA, during regular business hours.

Required Permits: Construction Stormwater, Future Building Permits. Existing Environmental Documents: SEPA Checklist, Cultural Resources Report Geotechnical Report, Stormwater Memo.

Preliminary determination of the development regulations that will be used for project mitigation and consistency: Lookout Planned Development Agreement, City of Chelan Comprehensive Plan, City of Chelan Municipal Code, City of Chelan Development Standards, International Building Code (IBC), International Fire Code (IFC), Applicable State and Federal regulations.

Public Hearing: To Be Determined, future public notice will be provided in accordance with the Chelan City Code.

The Contract
Unveiling the healing power of forgiveness
A novel by local writer William E. Forhan.

Nobel Prize winning author Gabriel García Márquez was quoted as saying, "All human beings have three lives, public, private and secret."

In our modern world of the Internet search engines and DNA testing, keeping our private and secret lives separate is increasingly difficult. Sometimes they can come crashing in on our public lives when we least expect it.

Father Robert McCarthy is a middle-aged priest who is suddenly and unexpectedly confronted with his secret past. How he deals with the revelation of that past with his family, his congregation and the impacts of that secret life is inspirational. How McCarthy discloses the news of his college indiscretion requires him to take everyone involved on a journey of confession. That journey forces him to deal with issues of homosexuality, judgementalism, divorce and pride.

His pastoring skills and the depth of support from his wife help him bring forgiveness and restoration to many broken relationships.

The bonds of three families are ultimately restored through celebrations of life experiences including fishing, holiday gatherings, the discovery of unknown family connections and a wedding.

Bill's Book is available online through Amazon.com, Barnesandnoble.com and Apple iBook. The paperback is \$16.99 and the ebook is \$8.99. Leavenworth Summer Theater announces auditions for their 2023 season

SUBMITTED BY LEAVENWORTH SUMMER THEATER

LEAVENWORTH - Leavenworth Summer Theater (LST) is pleased to announce February auditions for their 2023 summer season - The Sound of Music, Rodgers and Hammerstein's Cinderella, and The Drowsy Chaperone. Last summer, LST welcomed more than 70 local and traveling performers to create theater magic under the stars, including 20 local children.

This will be Leavenworth Summer Theater's 29th season offering family-friendly outdoor

music theater in the foothills surrounding Leavenworth. They welcome more than 20,000 locals and visitors annually to performances at Ski Hill and the Hatchery Stage.

Audition information will be posted at www.leavenworthsummertheater.org/auditions on Feb. 1, and auditions will take place in Leavenworth Feb. 18-26. See website for detailed dates, times, and locations. www.leavenworthsummertheater.org (509) 548-2000. Contact: Christy Shearer, Executive Director christy@leavenworthsummertheater.org (509) 421-4258.

Science in Our Valley Spring Seminar Series announced

SUBMITTED BY SUE KANE, CO-DIRECTOR APPLE STEM NETWORK

WENATCHEE - The Apple STEM Network is proud to announce the full line-up for the Science in Our Valley Spring Seminar Series. The seminar series is open to the public and will kick off in February at WSU Tree Fruit Research & Extension Center located at 1100 N. Western Ave., Wenatchee.

The seminar series is cross-disciplinary and provides the community an opportunity to gather insight about local research and innovation in a variety of topics including agriculture practices, anthropology, ecology and forest health, impacts of climate change, material science, and hydrogen hubs.

Don't miss this spring's Science in Our Valley line-up:

Feb. 8 - Antimicrobial peptides: novel products for plant

disease control? Researcher: Dr. Aina Baró Sabé, Post-Doctoral Research Associate, Washington State University

Feb. 15 - Forests at the Fringes: Detecting shifts in tree species habitat. Researcher: Dr. Tara Barrett, Research Scientist, USDA Forest Service

Feb. 22 - Family Poultry Systems on the Southern Pacific Coast of Guatemala: Gender, Livelihoods, and Food Security. Researcher: Dr. Amy Snively-Martinez, Anthropology Professor, Wenatchee Valley College

March 1 - Something to Wine About: Spittlebugs and Pierce's Disease in the California North Coast. Researcher: Dr. Dylan Beal, Entomologist, Washington State University

All Science in Our Valley events are free and open to the public at the WSU Tree Fruit Research & Extension Center from 4 to 5 p.m. Prior

registration is not required to attend these events.

The seminar presentations are intended for a 'science-based' audience, including researchers, postdoctoral scientists, teachers, graduate students, undergraduate scientists, and science enthusiasts.

K-12 educators are also encouraged to attend the seminar series to learn about local career connections and research efforts that they can bring back to their students. Clock hours are available through the North Central

Educational Service District for attending the series. Details for each event can be found online at: www.applestemnetwork.org/science-in-our-valley/.

About Science in Our Valley: The Science in Our Valley seminar series began in October 2017 as a way for local scientists and science educators to bring their research to the community and as a way to engage and connect with one another. The series features presentations by local scientists and science educators as well as guests from

outside the region. Science in Our Valley is a collaborative effort with support from Apple STEM Network, Washington State University Tree Fruit Research & Extension Center, U.S. Department of Agriculture Research Station, Wenatchee Valley College, the North Central Educational Service District and the Our Valley Our Future Bridge Research and Innovation District.

About Apple STEM Network: The Apple STEM Network is a regional alliance of K-12, Higher Ed, and community partners in North Central Washington. We represent a diverse region with tremendous potential for STEM industry in agriculture, energy, and innovation. With our collective effort, we intend to: provide a constructive support system for educators who aim to meet the rising challenge for all students to develop 21st-century skills and STEM

literacy, integrate community mentorship, and promote authentic project-based learning and field experiences for all levels of education, and engage students in exploring the world of opportunities on the horizon through STEM. For more information visit www.applestemnetwork.org. About North Central Educational Service District: The North Central Educational Service District provides a wide array of programs, services and support to the 29 public school districts in the North Central Washington region of Chelan, Douglas, Grant and Okanogan counties. The service district provides professional and timely service to meet the needs of individual schools and districts, and a reliable point of education-related information for the communities served. The NCESD is one of nine respected educational service districts in Washington state.

Help change a student's life - become a Scholarship Volunteer

SUBMITTED BY JENNIFER DODGE, COMMUNITY FOUNDATION OF NCW

NCW - Are you looking for a rewarding volunteer opportunity that will change the lives of students in our region? Become a Scholarship Review Volunteer.

The Community Foundation of NCW has over 130 scholarships, each with its unique set of criteria, to financially support students entering college, university, and trade schools.

Each scholarship has a review committee that reads each application and together determines the final recipient. Some scholarship committees include the donor and/or their family, but by law they may not make up more than half of the committee.

We are always in need of volunteers who are willing to spend the time and thoughtful care on determining award recipients.

The commitment:

- Must be available between March 5 - April 5, or June 5 - June 25 to review and score scholarship applications (anywhere from 10-150, depending on the scholarship) as part of a committee.
- Must be willing to read and score applications through our online system (there will be training). This will allow you to review the scholarships from the comfort of your own home at your own pace.

- Must sign Confidentiality and Conflict of Interest Forms.

For questions, contact Julie Mott at julie@cfncw.org or 509-663-7716.
