## Manger Mall seeks monetary donations for Holiday Season

Donations appreciated by November 30

BY KAREN PEMBROKE, MANGER MALL COMMITTEE

MANSON - Manger Mall has provided gifts to hundreds of children each Christmas since 2009, thanks to the generous support of donors. Last year more than 700 children from nearly 300 families living within the Chelan and Manson school districts were served by this program. This year they will again provide a Lake Chelan Chamber Bucks gift certificate for each registered child, which can be used for toys, electronics, or clothing at any Lake Chelan Chamber of Commerce member. This season's event will take place at the North Shore Bible Church in Manson on December 10, where families can visit Mr.

and Mrs. Santa Claus and enjoy a festive atmosphere.

Due to continued economic struggles and higher prices for necessities, it is anticipated that many families will need help this year to provide gifts for their children. Please consider adding Manger Mall to your list of gift recipients in this season of giving. Our community becomes stronger through your gift, benefiting both our local children in need and our local businesses.

Manger Mall continues to collaborate as a program with Chelan Valley Hope. Please note that they are unable to accept any toy donations or gift cards. Donations may be mailed to P. O. Box 477, Chelan, WA 98816 or made online at ChelanValleyHope.org/donate, then clicking on the Manger Mall button at the bottom of the page. Your donations will be appreciated by November 30.

# Working together to support NCW housing solutions

BY SENATOR BRAD HAWKINS, 12TH DISTRICT

NCW - Many areas in our region and throughout the state have been experiencing affordable housing challenges. Some communities in Chelan County, such as Leavenworth and Chelan, have seen home prices more than triple since 2012. This is a massive challenge because stable housing is fundamental to successful careers, communities, and families.

Our state has a number of programs focused on homelessness and very low-income housing, some of which have only been marginally successful. While our local communities have seen an unfortunate uptick in homelessness in recent years, most state programs do not address the bulk of our challenges because our region mostly struggles with "workforce" housing issues.

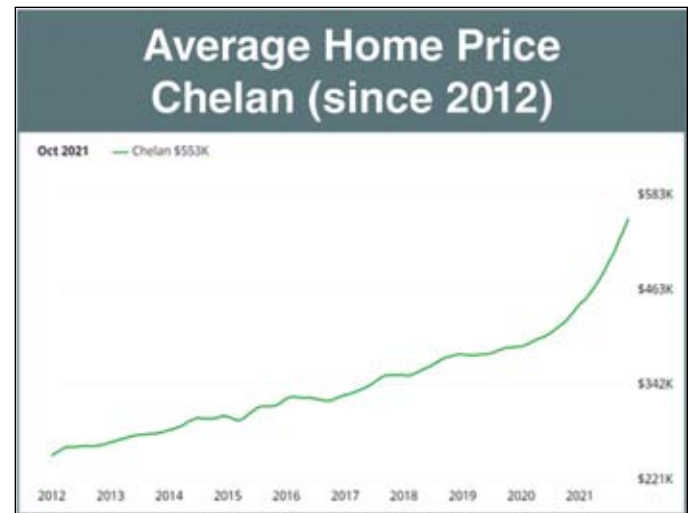

Due to the service nature of our local economy - including many health care, agricultural, education, and hospitality workers - people who earn 60 to 120 percent of the area's average income

Senator Brad Hawkins, 12th District

struggle to live in the communities where they work. This leads to a whole host of other issues, including longer commutes, traffic congestion, and quality-of-life impacts.

To compound matters, we live in a beautiful place with year-round recreation and high-speed broadband connectivity. The frequent purchases of second homes along with the COVID trend of converting second homes to primary homes has greatly increased housing prices, pushing out essential workers. With every

passing month communities like Leavenworth and Chelan (and even Wenatchee) are gradually losing their sense of community due to high-cost housing.

I'm grateful to many local leaders who stepped up alongside me last legislative session to enact a bipartisan solution to improve workforce housing options. With their help, we successfully passed my Senate Bill 5868 to provide counties

with more flexibility to utilize an existing tax stream (known as the ".09 dollars") for housing infrastructure. This bill didn't authorize a new tax but broadened the permissible uses of an existing revenue source, providing county commissioners more options.

Just weeks after the bill was signed by the Governor and enacted into law, the

# School is in session at North Shore Christian School

BY NORM MANLY, COMMUNITY VOLUNTEER

MANSON - North Shore Christian School (NSCS) was founded with the goal, to educate and empower students, to reach their fullest potential. To encourage compassionate, creative, and responsible, Christ-following children and future leaders of our community. NSCS opened its doors to students on September 6, offering education from kindergarten to first grade.

"It has been a long time coming, said NSCS Board Vice-president Kelsey Chavez. The NSCS board has worked tirelessly towards the goal of offering education for the children of our community, where Christ is centered. We have an amazing first year cohort of 12 students. Our class size is small and manageable, allowing us to incorporate many varied learning experiences. Aside from the necessary and needed core subjects, we have also added chapel, cooking classes, walking outings to the Manson Library, field trips to local businesses, Spanish class, quarterly plays, musicals and concerts. By providing our students with all of these opportunities in a loving and caring environment, children will be able to cultivate characteristics of confidence, gumption and a strong moral compass. We anticipate these skills to grow within our students, bringing great value to our community and its members."

North Shore Christian School is located at 123 Wapato Point Parkway in Manson, on the North Shore Bible Church's campus. NSCS operates as a Washington State Nonprofit Organization with

six board members who oversee all aspects of the school. Current members of the board are: Hillary Belton, president; Kelsey Chavez, vice-president; Brooke Marshlain, secretary; Allie Hoyt, Josh Saunders and Laura King.

"We will be expanding our school next year. Our goal is to expand by one grade level every year until sixth grade. We are thrilled to be able to grow within the North Shore Bible Church facility. They are equally as excited to watch the growth and help expand this needed realm of education within our community," Kelsey went on.

"One of the most important tasks for the NSCS Board was securing a teacher that would

not only meet Washington State requirements but also NSCS's standards. "We feel blessed to report Kiley Dixon fits both those requirements and much more. She is a graduate of Central Washington University where she obtained a bachelor's degree in education and a minor in special education," Kelsey stated.

I met with Kiley to learn more about her and check out the classroom. "I grew up in the country in Quincy, with my mom, dad, one sister and lots of animals. As a family, we enjoyed camping and boating. We attended church each Sunday at the Christian Reformed Church, where I was involved in a girls group called Girls Educational &

Mentoring Services (GEMS). I attended Quincy schools my entire school career. Even as a high school student, I enjoyed working with kids. As one of my high school electives, I volunteered in elementary classrooms and helped students with their assignments.

Soon after graduation, I married my husband Whit and we decided to start a family. After our first daughter, Paisley (now 13) was born, I started substitute teaching at schools around the Quincy area. I found elementary kids were definitely my favorite age to teach. In 2011, my husband secured a job at Chief Joseph Dam in Bridgeport, and

we moved to Chelan. Between then and 2017, I was busy being a mom, taking some time away from teaching. Whit and I added two boys to our family, Heston (now 7) and Lane (now 10). Once the kids were in school, I was offered a job helping at my kids' preschool, "The Learning Corner", with Tammy Hunter. I worked for Tammy for four years and had the opportunity to learn so many amazing things from her 20 plus years of experience.

After the pandemic, The Learning Corner was asked to add a kindergarten class to their program. I was thrilled to fill that position. This year, I decided it was time for me to try something new by taking

a teaching position at North Shore Christian School. As a teacher and mom of three, I find passion in helping children learn and navigate their daily lives. I am excited to be a part of this amazing new school," Kiley concluded.

Kelsey Chavez passed along, "We have wonderful scholarship opportunities for those in our valley who qualify. If you are feeling called to have your child attend North Shore Christian School but need some financial assistance, our scholarship program is perfect for you. Have your child attend North Shore Christian School on both partial and full coverage scholarships. We have multiple scholarship positions available for this coming school year and hope to increase the number offered every year."

North Shore Christian School was established so students, from all backgrounds would have a Christian education that would transform their lives and positively contribute to society. In order for NSCS to grow, and offer our children and staff wonderful opportunities, we need the generosity of countless community members and businesses. NSCS is operating as a Nonprofit Organization, which allows their generous donors to claim a tax deduction. All donations remain anonymous.

For more information on how to enroll your student, visit the NSCS website at [www.northshorechristian-school.com](http://www.northshorechristian-school.com). You can also contact NSCS via email [nsesman@gmail.com](mailto:nsesman@gmail.com) or phone, 509-670-4822.

Chelan County Commissioners awarded over \$823,000 in local grants through their Cascade Public Infrastructure Fund, to housing authorities throughout Chelan County. This action is perhaps just the first step among many the commissioners will advance under this new authority.

Passing any bill through the Legislature is a difficult

process. Less than 10 percent of the bills introduced each session actually become law, and housing proposals have struggled more than most. I'd like to especially thank Leavenworth Mayor Carl Florea, Chelan County Commissioner Kevin Overbay, and Chelan County Housing Program Coordinator Sasha Sleiman for their helpful ideas, beneficial suggestions, and active participation throughout the intense and stressful legislative process.

I'd also like to thank the Chel-

an Valley Housing Trust, Upper Valley MEND, Wenatchee Valley Chamber, Confluence Health, Cascade Medical Center, Washington Hospitality Association, Serve Wenatchee Valley and others who assisted in our collective efforts. It is gratifying to see the combination of everyone's hard work result in tangible benefits distributed to worthy organizations who will leverage those funds for greater good. We can be proud of what we accomplished together.

**Chelan County Jail responds to recent drug trends by training K9 Kait to detect fentanyl**

By JILL FITZSIMMONS, CHELAN COUNTY PIO

WENATCHEE- With the rise of fentanyl use in the Wenatchee Valley, the Chelan County Regional Justice Center has responded by training its narcotics-detecting canine to identify the powerful synthetic opioid.

"Fentanyl is the current drug of choice in our community," said Chris Sharp, director of the regional justice center. "It's not meth, it's not heroin. This is scary because not only is fentanyl easier to score, but the detox from it is so horrendous that it can make someone become suicidal."

The jail relies on a three-prong approach to keeping drugs out of its facility. Two of those tools are the jail's mail scanner and body scanner. The third is an easy-going and friendly 7-year-old border collie named Kait. Kait, who is one of only two narcotics-detecting dogs working in a municipal jail in the state, marks her second anniversary with the jail in early November.

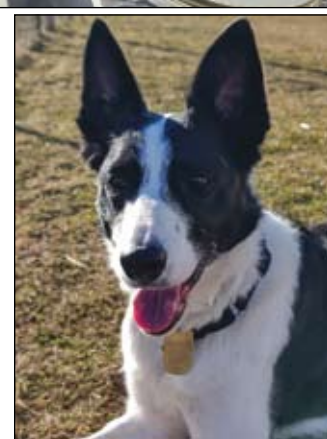

"We have to keep this dangerous drug out of our jail as best we can," Sharp said. "And one of the top tools that we have is K9 Kait."

Corrections Deputy Jacob Lewis, who is Kait's handler, started training Kait on detecting the new odor in August. She was initially trained on five odors; fentanyl makes it six. The training process, called imprinting, relied on the use of training aids that ranged from 1 gram to 75 grams and were soaked in fentanyl to absorb the odor. The training aids, compared to actual fentanyl, are a safer way of imprinting the odor on a

narcotics-detecting dog.

Still, the new work comes with some potential new dangers for both Kait and Lewis.

Fentanyl in its powder form is unstable and can cause overdoses, or even death. For Kait's and his safety, Lewis carries Narcan on his safety vest. Narcan, a life-saving medicine that can revive someone who has overdosed on opioids, is available in several locations throughout the jail. Lewis also wears personal protection equipment, such as a mask and gloves.

"Prior to Kait being trained on the fentanyl, our drug searches in the jail were beginning to feel like they were in vain, that's how dominate fentanyl is among drug users," Lewis said. "Now that Kait is trained, we're better able to respond to these drug

trends in our community."

Sharp stressed that the jail is dealing with the consequences of fentanyl every day. Most recently, fentanyl powder was found in a mail scan by jail personnel. Corrections officers also found 50 fentanyl pills, or about 10 grams, on a man booked into the jail prior to Kait's training. The finds do not include the countless number of people who suffer from the symptoms of detoxing when booked into the jail.

"Fifty pills in our jail could have had catastrophic outcomes," Sharp said. "Kait is a vital tool in helping create an environment that is not only drug free but also safer for both the people we care for and the jail personnel who want to go home to their families every day."

*Local woman makes car racing history*

By VICKI OLSON CARR

Gillian Leppado, age 19 of Manson, entered another Outlaw Figure-8 race on Saturday Sept. 4 with her one ton, big block 454 Chevy K5 Blazer.

It was a featured race during the Evergreen State Fair's auto races in Monroe over Labor Day weekend. Ten cars entered the race.

Leppado started the 30-lap, figure-eight race in fifth position, and was soon able to maneuver her way into fourth position. About lap nine, one of the drivers in front of her spun out of control--and all three cars slid off the course out of danger to the other racers.

Local residents who were on hand to support Gillian and her racing team couldn't believe their eyes. With determination and grit, Leppado drove a hard race and held her position in first place for the last 20 laps.

win an Outlaw Figure-8 race.

"And it's going down in the books," she said. "I was shocked and in total disbelief.

I was so proud of what my team was able to do."

Quite an accomplishment for a driver whose racing number posted on the vehicle is

a huge "0".

The huge first-place trophy and generous cash prize was another bonus for the young racing champion.

Jeffrey Christopher Miller passed through the veil to be with his father Edison, his mother Lindsay, his brother Pat and many friends on October 8, 2022. He passed just two days before what would have been his 68th birthday. His infectious humor and lively character is sorely missed by his family and friends. Always there to help, he taught us many lessons, both large and small.

He is survived by his daughter Michelle, and four grandchildren, his brothers Craig, Matthew, Dana, Blair, and Eddie, and his sister Britany.

Jeff lived for over 30 years in the Lake Chelan area, working in the construction trade and as an accomplished carpenter.

All our love Jeff, as you move ahead on this next step of life's journey.

**A Life of Service**  
Alice Killian passed away peacefully at the age of 89, of heart failure at home. She was born and raised in Manson, Washington, graduated Manson High School as Valedictorian in 1951, and attended Washington State College her freshman year. She married Paul Killian with whom she had 4 children. She resumed her education at Eastern Washington College in 1966 earning an Education degree with a Minor in Library Science.

Her career was spent as a school librarian beginning in Ephrata, Washington, and finishing back in Manson where she was Educator of the Year in 1993. Besides participation in numerous family activities, she was an avid reader, had a passion for travel, and loved baseball. She will be remembered for her devotion to community service, including: AFS Exchange Student coordinator, Manson Methodist Church Board, Habitat for Humanity Homes & Yard Sales, Manson Apple Blossom Chair (Grand Marshal 2002), Kiwanis (Citizen of the Year 1995), Grange (Volunteer of the Year 2009), Manson Library Board, General Federation of Women / Fortnightly Club, and The "Comforters" who made and donated thousands of comforters for local newborns and others in need.

Alice is survived by her children: Marilyn (Steve) Gilchrist, Donna Killian, and Hal Killian; grandchildren: Deana Gilchrist, Forrest Gilchrist, Erin Killian, and Ally Killian; great-grandchild Cooper Killian-Thorsnes, daughter-in-law Amy Killian, and many nieces and nephews. She was preceded in death by son Steve Killian, parents Harold and Opal Fort, sisters Helen Louise England, Nila Koenig, Barbara Hise, and Corinne Cockburn.

A Memorial Service will be held at Manson Methodist Church on November 12 at 1 p.m. In lieu of flowers the family suggests a donation to the Manson Public Library or the Manson Methodist Church.

**Obituary & Memorial Policies**

NCW Media, Inc.: Leavenworth Echo, Cashmere Valley Record, Lake Chelan Mirror, Quad City Herald

An Obituary is a way for family member(s) to commemorate a loved one's life and to notify the community of the passing of the loved one. Obituaries are also used for historical and ancestral data.

Memorials are another way to let the community know about the life and memories of the person who has passed. A Memorial is different from an Obituary. An Obituary is usually current, while a Memorial can be written later.

Obituaries and Memorials need to be typed and emailed as a Word Document. They can be placed in one or more papers - all publish weekly on Wednesday.

Obituaries are priced by the number of words and include one color photo and go online at no extra charge. Memorials are priced per column inch. Please call for cost. \*Payment is due at the time of placement. \*Exception: Chapels, funeral homes who have an account, can be billed. There is no charge for a Death Notice - information is limited.

Deadline is 4 p.m. on Friday - some exceptions may apply.

Goats win over Cascade 21-12

SUBMITTED BY COACH TRAVIS DOMSER, CHELAN HIGH SCHOOL FOOTBALL

**Oct. 28**  
CHELAN - It was a great football game on senior night this Friday. Our Goats flew around and won a back and forth tough nosed CTL game against Cascade. Hats off to Cascade and Coach Coffin. Their kids played really hard. Our defense forced five turnovers and flew around all night.

Ryan Allen (Sr. RB/LB) took over the game on both offense with a huge 70 yard highlight film run and then a kickoff return for a touchdown in the second half. Our team made a choice to be as physical as we could be in the second half and we did it.

We finished 4-0 at home, four in a row against Cascade, and secured a tough fought winning season on senior night. I'm proud of our guys for all their efforts.

We confirmed to play our final game Friday night (Nov. 4) at Newport High School, with a 6 p.m. kickoff. Go Goats.

Goats lose to Jackrabbits in district matchup

SUBMITTED BY COACH AMARIS LONGMIRE, CHELAN HIGH SCHOOL SOCCER

**Oct. 29**  
WENATCHEE - Saturday, the Goats battled in the district game vs. the Quincy Jackrabbits. The game was played at the Apple Bowl in Wenatchee. The sun was shining and the weather was perfect for a fall soccer game. Unfortunately for the Goats the game would not go as planned.

The Jackrabbits would take an early lead off of a set piece free kick. This would give them the lead going into the second half. However, the Goats would control the game and would have numerous opportunities to put the ball in the back of the net.

Such a chance would come for Senior Arden Paglia who would gather a ball off a rebound from a corner kick. She would place the ball into the back of the net. This would create a 1-1 tie. The jackrabbits were able to get one final goal with 10 minutes to play off a corner kick.

The Goats would continue

to battle, sending nearly every player forward on the attack to try and score. In the end and with many chances the Goats were unable to prevail to move on in their season. The Goats ended the year with a 9-7-1 record. The Goats will be graduating eight seniors this year. However, with the loss of some key players the Goats are optimistic about what next year has in store for them. They are already planning and working on how they can better their games for the next season.

All eight seniors will be greatly missed. They will be leaving behind a legacy of winning that the underclassmen are looking forward to continuing. This group of seniors was able to not only once but twice beat the Cascade Kodiaks. This had not been done since 2005. They also finished in 2nd place in the CTL last year. Joslynn, Kenia, Macie, Arden, Kyleigh, Irene, Diana, and Olga Congratulations on a great season and a job well done.

Thanks to all who have supported the Goats this year. Go Goats.

Goats finish strong on senior night with a 6-2 victory over the Omak Pioneers

**Oct. 25**  
CHELAN - Tonight, the Goats were hosting the Omak Pioneers for their final regular season match of the year. With the weather changing it

was going to be a cold night for soccer. The Goats would be honoring their eight seniors at the conclusion of the match. Prior to the match beginning the Goats would honor their foreign exchange student Senior Olga Filipovic with the playing of her national anthem. Filipovic joined the team this season as she is here in Chelan on exchange from Sweden.

All eight seniors would get the start for their final home match on Mt. Goat Field. The Goats would come out strong and would move the ball effortlessly around the field. With multiple chances to open up scoring it wouldn't be till the 10th minute of play when Junior Maya Cowan would find the back of the net with a shot from outside the 18 off an attempted clearance from the Pioneers. Eight minutes later Junior Jaielyn Reinhart would take a ball down the left side of the field, with space she sent a ball across the face of the goal and into the back of the net. This would give the Goats a 2-0 lead going into half.

With a 2-0 lead being the most dangerous lead to have, the Goats knew they would need to keep attacking to gain a more comfortable lead. In the 53rd minute of play, a foul would occur outside the box. Senior Arden Paglia would step up and take the shot sending the ball past the Goalkeeper extending the Goats league.

Unfortunately, the Pioneers would be awarded 2 different free kick situations and would place two well struck balls in the back of the net. However,

**Mountain Goats schedule**  
**Football - Nov. 4**  
The Goats will play their final game Friday, Nov. 4 at Newport High School, with a 6 p.m. kickoff  
**Volleyball - Nov. 5**  
Lady Goats will host the regional crossover match on Saturday, Nov. 5, and will play Colville High School at 1 p.m. at the CHS Gym. Winner to State, loser out.  
**Cross Country - Nov. 5**  
The Cross Country team will travel to Sun Willows Golf Course for the State 1A Championships, with a 10:30 a.m. start. There will be a state send off on Friday, Nov. 4.

once this occurred it sparked the Goats to gain back control and get the goals back. Junior Maya Cowan would receive a ball from Senior Kenia Sanchez and would again find the back of the net. A few minutes later Cowan would again score, giving her a hat trick for the day. Her second of the year. The assist for the fifth goal was awarded to Senior Joslynn Simmons. The final goal of the match would come from Senior Kyleigh Keifer who would receive a through ball from Maya Cowan. Kiefer would get her first goal of the season on Senior night.

With the conclusion of the match the eight Goat seniors would be honored for their achievements over the last four years in Chelan Soccer. This senior class will be missed as they will be leaving a legacy of what Chelan Soccer is made of. The senior class has contributed to the best overall finish and record for Chelan Soccer to date.

The Goats regular season ended with a record of 9-6-1, the season continued on Saturday, Oct. 29, at the Apple Bowl (Wenatchee).

**Elect Shon Smith**  
Chelan County Commissioner (R)

Promoting Chelan County as "We are open for Business!" without sacrificing our rights or our Eastern Washington identity!

What do you want for the place you call home?

I want:

- Jobs by supporting small business development. I have one myself!
- Public safety-support the Fire, Sheriff, EMS and First Responders
- Responsible taxation
- Exceptional education
- Reasonable housing for our children
- Limited government - No nanny state!
- Personal property rights protection
- Healthy forests, waters, agriculture and tourism
- Safe and reliable roads and bridges

Sound good to you? Let's do this together!

I'm ready to serve as your new Commissioner!

Meet Shon Smith

Shon Smith (51) was raised in Cashmere with conservative values, and has become an integral part of the Wenatchee River Valley with businesses in Wenatchee and Leavenworth. Shon, his wife Janeen, and their four children worship at Mid-Valley Baptist Church, and are actively involved with the Cashmere schools.

Shon has a great concern for the ongoing health of the Valley, its resources, its people, and our private property rights. He also has a passion for the success of small businesses because of their great impact on Chelan County.

He graduated from Cashmere High School in 1989, and in 1993 from Northwest Nazarene University with a degree in Business Administration with an emphasis on finance. After college, Shon worked at Idaho Timber in Boise for two years. In 1995, missing the Valley, Shon returned with Janeen and worked for two years at Dovex Fruit Company in Wenatchee. Both work experiences gave Shon a feel for the timber and fruit industries and the impacts they have on our region. Shon then put his personal business plan into action by opening the Wok-About-Grill in Wenatchee (1997) and another in Leavenworth (2014).

Generations of Shon's family have farmed Eastern Washington, hunted and fished the lands and waters of Chelan County, and have treated the land and the environment with respect. So great is their appreciation for our rivers and lakes that Shon hopes these natural resources will be preserved as gifts to be esteemed by all. Some changes are inevitable, but solutions to issues need to ensure that we make an effort to maintain our identity for the future, especially for our families!
