Who will win 'The Bronze Shoe' Trophy? Chelan High School football fans will have to travel this Friday, October 21 to the Cashmere High School Football Stadium at 7 p.m. to find out who will keep The Shoe for the next year. In the 68th Battle of the Bronze Shoe in 2021 the Bulldogs came out on top, 22-12, over the Chelan Mountain Goats on their home field.

Coach Travis Domser leads the Chelan High Mountain Goats Football team in his 9th season of coaching at Chelan High School and has a combined total of 25 years coaching. With six defensive, five offensive and no new players returning this year the team is well rounded in talent.

The Chelan High School Football team has eight returning players on defense and six on offense. There are 12 seniors on this year's team.

Supporting Coach Domser are assistant coaches Robin Weathersby, Derek Todd, Christopher Alexander, Quinn Courtney, Rob Rain-

ville, Terry Sanders, Dave Huewe and Jerry Lopez.

When asked at the beginning of the season who will be the teams to beat, Coach Domser said all of the games are equally important.

"This is a really fun group to coach. They work hard in practice and fly around on Friday nights," said Coach Domser.

The Mountain Goats are 4-2 for the season, beating Colfax on October 7, 48-34. They played the Quincy Jackrabbits on October 14 in their Homecoming Game.

The Cashmere Bulldogs were 6-0 for the season after beating the Cascade Kodiaks, 35-20 on October 7 in the annual Pear Bowl matchup between the two teams. Sixteen of Cashmere's 44-man roster graduate this year.

"We are excited for another Bronze Shoe matchup on October 21. Both teams are looking very strong this year. It should be a great game and an amazing atmosphere in the Cashmere Football Stadium for the Bronze Shoe. I know the Cashmere Bulldogs will be ready to defend the Shoe," said Bryan Bremer, coach of the Cashmere Bulldogs.

Shoe History

Bill Lippincott, a former Cashmere High School football coach, was the one who originally started up the hype about the coveted Bronze Shoe trophy.

Lippincott coached Cashmere into a winning team beginning in 1949. The Bronze Shoe trophy was molded from Lippincott's old football shoe.

Lippincott moved to Chelan in 1953 and began coaching the Chelan Goats into a winning team. That is when the rivalry between the two teams officially began.

Now, the two teams compete each year to see who will be the champions and take home the ultimate prize of the Bronze Shoe.

Ryan Allen - Averaging 8 yards a carry on offense and is so good at creating big plays at the second level

Grant Gogal is scoring on offense and had an early pic on defense for another all around great game.

Jacob Allen added to his stack of interceptions

Isaac Wilson managed the game well throwing 3 TD's and completing almost 70% of his passes.

Ryan Rainville turned it up in the second half with 5 tackles in the third quarter alone.

Our O-line played their best game of the year taking over the game with consistent blocking and physical play.

Excited for our third Caribout Trail League game this week.

SUBMITTED BY COACH TRAVIS DOMSER, CHELAN HIGH SCHOOL FOOTBALL

CHELAN - Starting off we are very thankful for all the people that made this week a great week for our students.

As a school and community we won all week long. There are so many people that made this week possible and we should really be thankful to our school employees, parents, Booster members, coaches, and community members. Thanks for coming together for our kids.

As for the game I am really proud of our team and coaches.

We put together an entire game and we are getting better each week. I still think we have not played our best yet so we are excited to continue to build. We made adjustments on defense and created some turnovers when needed and had a three quarter shut out.

Special teams wise we were very solid and made the correct

adjustments. Offensively our Oline took the game over. We ran the ball very well again and executed on some big downs. We are really starting to believe in our jobs, and schemes and it is showing. This week is all about us and getting 5% better. We are not worried about who the opponent is, just ourselves and getting better!
