## County's Community Development director Jim Brown resigns

By JILL M. FITZSIMMONS, PIO FOR CHELAN COUNTY

WENATCHEE - Community Development Director Jim Brown handed in his resignation Monday, December 27 to Chelan County Commissioners.

Brown, who was hired to lead the county's planning department in April 2020, gave commissioners notice that his last day will be Jan. 31. He is leaving the county for a new position with the Washington Department of Fish and Wildlife.

Bob Bugert, chairman of the Chelan County Board of Commissioners, thanks Brown for

his time with the county and for leaving the department in a better place.

"Jim's resignation is very unfortunate. Under his leadership, the county has made great progress in restructuring the department," Bugert said. "This past year, there have been challenges that have led to a difficult work environment for Jim and his staff. I am hoping the building community partners with us in our continuing work toward building a healthy planning department."

In his letter of resignation, Brown wrote that among his accomplishments as director was the recruitment of highly

Jim Brown

competent and talented staff, the establishment of a new

short-term rental code and division, the adoption of a new Critical Areas Ordinance and assisting with the creation of a new Code Enforcement Division that is now within the Chelan County Sheriff's Office.

"This position has afforded me personal and professional growth and an opportunity to have built new relationships that would have never happened had I not accepted this position," he wrote.

Commissioners have not yet determined a process for replacing Brown; they are expected to have that discussion next week when they are back in session.

## Single-use utensils no longer automatically given out

Next change prohibits selling packaging peanuts

MEGAN SOKOL, STAFF WRITER

NCW - Hospitality sectors all over Washington State will automatically stop serving customers single-use

utensils after Jan. 1, 2022.

This law is part of a series of changes published in SB 5022 on July 25, 2021. This law is centered on reducing waste and littering for the foreseeable future.

Single-use utensils that will be limited include straws, cold beverage cup lids (not including drive-thru beverages), forks, spoons, knives, and condiment pack-

aging.

12th District Representative Keith Goehner (R) explains how this change is not a total ban on single-use utensils, and will still be provided upon customer request. "It will obviously be more of a responsibility on the patron to make the requests for the utensils."

This change will focus on restaurants, food trucks, or

any other commercial food venue. Hospitality sectors within healthcare or long-term medical facilities are not affected by this new change.

The next change will be enacted on June 1, 2023, prohibiting the selling and distributing of polystyrene void filling packaging products, or what is better known as packing peanuts.

## Manger Mall 2021 - It's a wrap

SUBMITTED BY SHANNON LEAHY, MANGER MALL

MANSON - Saturday, December 11 brought smiles to the faces of 278 families and 729 children as they picked up their Chamber Bucks gift certificates at the 13th annual Chelan Manger Mall. Santa and Mrs. Claus arrived from the North Pole to greet the children and take a picture in front of the Christmas tree.

Manger Mall partnered with Thrive Chelan Valley's new "Operation Heroes" by giving registering families the option to request that they be "adopted" for the season. Local businesses, churches and individual donors signed up to "adopt" these families with the goal of making the holidays a little brighter. It was a resounding success as every family who

requested this service was adopted.

The Manger Mall team would like to thank ALL of our financial donors - without you, this heartwarming event could not happen. Thanks, also, to the Lake Chelan Chamber of Commerce, KOZI Radio, Thrive, the Lake Chelan Mirror, Santa and Mrs. (aka Dan & Pam), Chelan Valley Hope, and of course, the Northshore Bible Church for sharing their facility.

And finally, a special thank you to the Mill Bay Casino for choosing Manger Mall to be a recipient of their "Change for Charities" program. Their donation wasn't just mailed, but delivered by a musical van and a team of hard working elves while they took a little break from delivering holiday gifts to 150 local

## Lake Chelan Health & Wellness Giving Campaign raising funds for Panda Infant Warmers, Infusion Treatment Recliners

SUBMITTED BY LAKE CHELAN HEALTH & WELLNESS

CHELAN - Lake Chelan Health is making great headway on the new hospital site and the Lake Chelan Health & Wellness Foundation continues its commitment to quality healthcare and wellness initiatives in the Lake Chelan Valley by raising funds to support the project. For this fundraising campaign, the Foundation will be matching each donation, dollar-for-dollar, up to \$300,000 for purchase

of new equipment.

Since 2017, the Foundation has raised over \$2 million to partner with and support Lake Chelan Health, purchasing desperately needed new medical equipment. This year, we are looking to raise enough funds to purchase two Panda Infant Warmers, valued at \$24,275 each, as well as four Infusion Treatment Recliners, valued at \$2,500 each.

In addition to a financial donation, community members can gift appreciated stock

and receive full tax benefits with no penalty. We rely up on the support of our community to give generously during our annual campaign to support the important work involved in making our valley a healthier place. With these donations, the Foundation can continue to be advocates for the best healthcare and wellness initiatives to the valley.

## Chelan-Douglas Health District calls for applications for new board members

Local health board will add more at-large member seats in 2022

BY JILL FITZSIMMONS, CHELAN COUNTY PUBLIC INFORMATION OFFICER

EAST WENATCHEE - The Chelan-Douglas Health District, in anticipation of the restructuring of its governing board in the new year, is accepting new board member applications from the public.

The Health Board seeks at least six new members - community members living in Douglas and Chelan counties - to meet new regulations passed by the state Legislature earlier this year. The application is now available on the health district's website: [www.cdhd.wa.gov/board-of-health](http://www.cdhd.wa.gov/board-of-health)

Applications will be accepted by the health district until 5 p.m. on Jan. 10. The current Board of Health is expected to determine the selection process, including whether a subcommittee will first review the applications and if an interview process is necessary, at an upcoming meeting. The new board could be in place as early as the first quarter of 2022.

The health district sees the expansion of its governing board, which currently has eight members, as an opportunity for growth, said Luke Davies, administrator of the Chelan-Douglas Health Dis-

trict.

"We are excited to open up the process to recruit community members to join our Board of Health," Davies said. "With the changes the state Legislature has made, we look forward to bringing on non-elected board members who will bring individual expertise and new perspectives that will help guide the health district in providing evidence-based services for our community."

In May, the state Legislature passed House Bill 1152, which modifies the composition of local health boards throughout the state. The bill creates comprehensive guidelines for health districts to follow and requires them to balance their governing boards with non-elected officials.

While the Health Board has made no final decisions as to the future makeup of the local board, including how many people will serve, the new law requires the following:

A dual county health district such as the Chelan-Douglas Health District must have an equal number of elected and non-elected people on its board, with two commissioners from both counties.

Non-elected members must include people in all of the following categories:

Health care providers  
Consumers of public health who have faced significant health inequities

Community stakeholders, such as local nonprofits working with underrepresented

people and the business community.

Because the health district's coverage area contains some Native American trust lands, one of the non-elected member positions must be a tribal representative selected by the American Indian Health Commission for Washington State.

Final selection of the new at-large board members will be decided by a majority vote of the two boards of county commissioners.

The new board must be in place by July 1.

"This is a unique opportunity for segments of our community who aren't historically represented on a local health jurisdiction board to have a voice in the direction of our community public health services," said Douglas County Commissioner Dan Sutton, who serves as president of the Health Board. "I look forward to the positive impact and unique perspectives these new members will bring to our communities."

"We have many people in our community whose expertise or experiences in public health would have a positive impact on the Health Board," Overbay added. "If you are committed to promoting public health for everyone in Chelan and Douglas counties, I encourage you to apply."

The application can be found in English and Spanish on the Chelan-Douglas Health District website at [www.cdhd.wa.gov/board-of-health](http://www.cdhd.wa.gov/board-of-health). To request an application be mailed to you, call the health district at 886-6400 and ask for the Human Resources Department.

By NORM MANLY  
MANSON COMMUNITY VOLUNTEER

MANSON - Recently I enjoyed a visit to Silver Bell Winery, Manson Chamber of Commerce’s newest member. They have a great story, like most of the family owned wineries in the Lake Chelan Valley. Located at 21 Veroske Road in Manson, at an elevation of 1,470 feet, the view of Lake Chelan and surrounding area is extraordinary.

Owners Alan and Diane Holtzheimer grew up on Whidbey Island and raised their family in Skagit County. They are blessed with two adult children, Zach and Katie. Zach serves as “Tasting Room Manager” and heads up the Marketing Depart-

ment. Zach attended Eastern Washington University and graduated Spring 2020 with a bachelor’s degree in marketing, a good fit. Zach’s girlfriend, Savanna, works in the tasting room.

When asked how the idea of owning and operating a winery started Alan said, “From 1995 to 2012 we owned an automotive towing company, a tough business with long hours and zero days off. I started making wine in our garage, it was going to be a hobby. This new hobby soon turned into a passion that could not be ignored. Diane and I made the decision to make wine as an exit strategy from the towing business and a move towards a more rewarding career.”

Silver Bell Winery currently has three red Bordeaux blends, a white Bordeaux, and a rosé. RIGHT: Silver Bell Winery is located at 21 Veroske Road.

The Holtzheimer’s opened a tasting room in La Conner in 2012. “We still had kids in school at the time and La Conner was the best choice for our tasting room and close to home. From as early as 2008 we knew we would eventually move our winery to ‘wine country’ but were not sure where that would be until we came to visit our friends, Charlie and Lacey Lybecker (owners Cairdeas

Winery). After a few visits we knew this was by far the best choice to fulfill our winery dreams”, Alan went on.

I asked Diane to give me three reasons why they like living in Manson. “The people – We have never felt more welcomed and more part of a community; The geography – Is there a more beautiful place with four distinct seasons? The winery climate - This already is and

will continue to expand as one of the greatest places to come and enjoy the best of Washington wines.”

Ground was broken for Silver Bell Winery the summer of 2018 and opened the tasting room June 25, 2021. Silver Bell wines are made on site in their production facility. Currently they have three red Bordeaux blends, a white Bordeaux, and a rosé. They set their target goal of producing 2000 cases a year, but they are already seeing that will not be enough, a good problem.

As a new winery they have earned several “Double Gold’s” from the Seattle Wine Awards. Currently, they offer

a charcuterie plate and plan on expanding the food menu next year. Silver Bell offers two levels for their wine club members with releases in the spring and fall.

Be sure to add Silver Bell Winery to your next wine tasting adventure. Stop in and say hello to Alan, Diane, Zach and Savanna. Sit back, enjoy the awe-inspiring view and amazing wines. Winter hours for Silver Bell Winery are 12:00 to 5 p.m., Friday, Saturday and Sunday and coming this spring, they will be open Thursday - Monday 12:00 to 5 p.m. Contact Silver Bell Winery at 509-508-1015 or visit their website [www.silverbellwinery.com](http://www.silverbellwinery.com)

## The Contract

Unveiling the healing power of forgiveness

A novel by local writer William E. Forhan.

Nobel Prize winning author Gabriel García Márquez was quoted as saying, “All human beings have three lives, public, private and secret.” In our modern world of the Internet search engines and DNA testing, keeping our private and secret lives separate is increasingly difficult. Sometimes they can come crashing in on our public lives when we least expect it.

Father Robert McCarthy is a middle-aged priest who is suddenly and unexpectedly confronted with his secret past. How he deals with the revelation of that past with his family, his congregation and the impacts of that secret life is inspirational. How McCarthy discloses the news of his college indiscretion requires him to take every involved on a journey of confession. That journey forces him to deal with issues of homosexuality, judgementalism, divorce and pride.

His pastoring skills and the depth of support from his wife help him bring forgiveness and restoration to many broken relationships.

The bonds of three families are ultimately restored through celebrations of life experiences including fishing, holiday gatherings, the discovery of unknown family connections and a wedding.

CHELAN - The Napavine Tigers traveled over the mountains to face the Chelan Mountain Goats in the first of two games of the 2021 Annual Holiday Tournament. Napavine, a 2B school just North of Centralia in Western Washington is a well coached team with disciplined athletes.

The Chelan Goats got off to a good start with an early 13-4 lead at the end of the first quarter. The Goats were outscored by 1 in the 2nd quarter however as the Tigers seemed to hang with the Goats throughout the rest of the game. At halftime the Goats led by a score of 21-13.

The Tigers outscored the Goats again by 2 in the third quarter as they began to figure out how to navigate the backcourt pressure of the Goats finishing a third quarter score of 32-26.

By the time the 4th quarter arrived the Goats and Tigers were giving it all they had to outscore one another but the early 1st quarter lead the Goats built proved to be enough as the final score ended at 44-38 in favor of the Goats.

Aliyah Finch led all scores with 18. Kira Sandoval had 12, Arabelle Finch added 6, Joslynn Simmons chipped in with 5 and Morgyn Harrison had 3.

This puts the Goats at an overall record of 6-3 and 2-2 in league.

**Deer Park at  
Chelan**

December 29

The Deer Park Stags and the Chelan Mountain Goats met up for the 2nd and final game of the holiday tournament. Chelan came out in one of the flattest performances of the season and were dominated by Deer Park's 1-3-1 half court defense.

"I was embarrassed for our team, our school and our com-

munity with how we started the first quarter of tonight's game. As a coach you believe in your players and their potential and we just didn't show up at all to start off this game," explained Chelan's Coach Longmire.

The score after one quarter was 14-0 in favor of the Stags. The second quarter was slightly better for the Goats offensively but still allowed 12 points sending both teams into the locker rooms at half with a score of 26-8, again in favor of the Stags.

"I challenged the team to dig deep at halftime and reminded them that we needed to forget about the score and go out and win each individual play whether it be offense or defense. Slowly we need to chip away and let the score take care of itself." Coach Longmire told his team. The Goats stepped up to the challenge and put up as many points in the first 4 minutes of the 3rd quarter as they did the entire first half. At the end of the 3rd quarter the score was 36-21 in favor of the Stags. The Goats continued to chip away in the 4th quarter and found themselves down by 5 with about 3 minutes to go in the game but couldn't quite overcome the deficit from the first half. The final score of the game was Deer Park 46, Chelan 39.

Aliyah Finch led all scores with 14, Joslynn Simmons had 12, Beau Nordby with 6, Kira Sandoval with 5 and Arabelle Finch added 2.

The Goats resume C'TL play in the new year facing 1st place Cashmere on the road.

In a close non-league game, the Goats battled the second place team from the Northeast A League the entire game. Dylan Jay made two free throws to tie the game with a minute left. Deer Park then got a bas-

ket on their next possession and Chelan missed a game winning three point shot with five seconds to go.

"Pleased that in the last huddle the guys knew what play to run and who should shoot the last shot. We got the look we wanted. It is really impressive execution in the clutch considering we were without our starting point guard and leading scorer (Nate Harding)"

Harding has an injured shoulder and is questionable for today's game.

The Goats hosted Okanogan on Thursday, December 30.

Okanogan is still undefeated and ranked #1 in the state as a 2B school. The Goats lost at Okanogan 60-56 on December 18

Chelan remains in second place in the Caribou Trail League at 3-1 and will resume league play January 4 at Cashmere.

The Mountain Goats avenged an earlier 4 point loss at Okanogan by jumping on the Bulldogs early and building a commanding 40 to 23 lead at half. Chelan built up a 26 point lead during the third quarter and cruised to a victory over the number one ranked 2B team and previously undefeated Okanogan Bulldogs.

Okanogan was lead by the 20 points of Chase Wilson and 21 points of Jaden Radke,

Chelan improves to 5-5 overall and remains 3-1 and in second place in the Caribou Trail League.

Chelan was scheduled to play at Cashmere Tuesday, January 3.

"The boys really locked in and were very focussed on the defensive game plan. We got a huge emotional burst when Reed Stamps set the tone by diving on a loose ball and then nailing a three point shot on the same play to start our first possession."

Cascade Holiday  
Tournament**

The Lady Trojans travelled to Cascade High School's Holiday Tournament for a non-league game Tuesday, Dec. 28 afternoon against the 1A Cascade Kodiaks. Manson's switching defense anchored by Natalee Reyna and Camille Hutton was one big difference in the game as the Lady Trojans held Cascade to a single point in the 1st quarter. On offense, steady play from freshman point guard Lydia Petersen helped Manson solve the Kodiak 2-3 zone as Manson prevailed 39-18.

"Our communication has vastly improved and led to great defense. We were patient and had better execution on offense," said Manson Head Coach Steve Nygreen.

The Lady Trojans travelled to Cascade High School's Holiday Tournament for the championship game Wednesday afternoon versus Wapato, a state challenger from SCAC. The Lady Trojans found the going tough as Wapato's speed and pressing defense put the Trojans in an early deficit they could not recover from. Wapato canned eight 3-pointers enroute to a 72-21 victory.

"We were shell shocked by their speed and shooting early. We adjusted and got more aggressive in the 2nd half. This was a great test we can grow from," said Manson Head Coach Steve Nygreen.

Manson returns to league action the second weekend of January with games vs. Oroville and Lake Roosevelt.

Scoring:
