CHELAN - Dress up your dogs, kids, yourself, you car or motorcycle, in green and try your hand at bringing home the "Top Dog" Award, in the Wayne Kelly Memorial Top Dog St. Patrick's Day Parade on Saturday, March 20.

Judging will be 11:30 a.m. and the parade line-up begins at 11 a.m. behind Wells Fargo Bank. The parade will start at Noon, says Pat Kelly and proceed through Historic Downtown Chelan on Woodin Avenue.

Stay socially distanced and wear your masks. The parade is sponsored by Lake Chelan Lions Club.

**Chelan students to attend school 5 days a week in Hybrid Model starting March 24**

By BARRY P. DEPAOLI,  
LAKE CHELAN SCHOOL DISTRICT SUPERINTENDENT

CHELAN - Thanks to all of you for your continued support during this time. Although hard to believe, it has been almost a full year since the start of the pandemic. Students, teachers, coaches, and our entire school district staff have done a remarkable job of working through the many challenges posed by the pandemic. Suffice to say there are brighter days ahead.

Recently, the Board of Directors directed me to explore the possibility of increasing instructional time. Specifically, they were interested in looking at this from two perspectives:

Short Term: Adding Wednesday in-person to our current A.M./P.M. Hybrid Model.

Long Term: Exploring the idea of phasing in Full-time In-person Learning.

Thanks to the support of our teachers, effective March 24, we will be adding Wednesdays to our current instruction model. Students will now be attending school five days a week in the current A.M./P.M. Model for the remainder of this school year.

As we continue to study and analyze the possibility of full-time in person learning your input is an integral part of this decision. Therefore, during parent conferences, you will have the opportunity to complete a survey on this important topic. Once we have gathered the data from our survey, we will determine our next steps in this process.

**Gov. Inslee announces statewide move to Phase 3 of recovery plan**

*Return to spectator events, Phase 1B, Tier 2 vaccine eligibility*

OLYMPIA - Gov. Jay Inslee on March 11 announced that Healthy Washington: Roadmap to Recovery will be transitioning from a regional approach to a county-by-county evaluation process. The governor also announced a new third phase of the Roadmap and a return for in-person spectators for professional and high school sports.

Effective March 22, the entire state will enter Phase 3.

"Because of the progress we've made by decreasing our case rates and hospitalizations, as well as our tremendous efforts to get more people vaccinated, our reopening plan is once again based on counties, not regions," Inslee said during a press conference Thursday. "We are excited to take this step and we will keep evaluating our progress, and the impacts of these changes, to determine how and when we reopen further."

Additionally, the governor announced that starting Wednesday

CHELAN - Former Chelan mayor and former owner of KOZI Radio, Jerry Isenhardt, will not run for the Lake Chelan Health (LCH) commissioner opening due to Phyllis Gleasman's resignation, according to Isenhardt himself. Nor will he throw his name in the ring to be appointed, Isenhardt said in an exclusive Lake Chelan Mirror interview.

He had previously competed against Gleasman in a prior Board race.

Whoever the Board chooses from among those interested, that person will serve only until the end of the year and then be replaced by the person who wins Gleasman's position in the November election.

now three of five board positions on the ballot this fall: Fred Miller, Mary Murphy and Phyllis Gleasman.

Murphy has been named as Gleasman's replacement as Chair of the board.

The Lake Chelan Mirror reached out to Murphy for comment. Murphy, in a late Friday email, responded, "Thank you for reaching out. As Acting Chair I have the (temporary) privilege to work with George and his team to prepare for the upcoming Board meetings on March 15 (Special Meeting) and March 23 (regular Board meeting)."

Murphy continued, "On March 23 the Board will conduct an election to fill the Board Chair position, according to our Governing Board Bylaws. And then the Board

*Blue Ribbon Campaign kicks off in Manson*

By Norm Manly, Community Volunteer

MANSON - March 3 marked the start of the Blue Ribbon Campaign (the blue represents the color of scrubs) in Manson, an opportunity for the community of Manson to say "Thank You" to all the men and women that have given so much during the current pandemic. This is part of a community wide effort to show support for health care workers in North Central Washington.

Debbie Conwell, Manson Chamber of Commerce Executive Director and Manson Apple Blossom royalty featuring Queen Bryanna Harris, Princess Allison Adame and Princess Madison Alejo used blue ribbon and bows to decorate downtown Manson.

"We are very happy to support the Blue Ribbon Campaign as we are so thankful for the efforts of these great men and women in the health care field," Debbie stated.

"We are truly blessed that doctors, nurses, EMT personnel and others in health care are so brave and willing to take risk during these dangerous times, they are our heroes," said Queen Harris speaking for the Manson royalty.

"We encourage everyone in our community to tie a blue ribbon around trees at your home, your mailbox, place of

work, your car antenna and more. We want to turn the town blue with a display of our thankfulness to these special men and women," Debbie concluded.

At 12:36 p.m. on March 10, crews from Chelan Fire & Rescue were dispatched to a reported structure fire with extension into the brush at 16005 South Lakeshore Road. Crews arrived on scene at 12:55 p.m. to find a 12' x 12' metal shed, housing a tractor and jeep, fully involved with fire spread into approximately 1 1/2 acres of brush on the north slope of the property. Crews from Chelan Fire & Rescue along with Chelan County Fire District #8 (Entiat) were able to quickly control the fire spread by 2 p.m. and had completed mop up of the fire by 3:20 p.m. Cause of the fire is undetermined, but is believed to have been started by one of the vehicles in the shed. There were no reported injuries or fire loss estimate. Chelan Fire & Rescue would like to remind the public that we are already seeing an early start for our wildfire season and encourage everyone to be proactive in making your property Firewise Safe. Johnson & Johnson  
COVID-19 vaccine: A  
moral concern

Presently there are three vaccines for Covid-19 that have been approved in the USA for use.

1. Pfizer vaccine, 2. Moderna vaccine, 3. Johnson & Johnson vaccine.

The Pfizer and Moderna vaccines used no aborted baby cells in the testing of production of their vaccine and require two shots.

Johnson & Johnson used aborted baby cells, both in testing and pro-

duction of their vaccine and requires only one shot.

The moral concerns and decisions are up to you.

Thank you,

Thank for P.U.D. for  
keeping the lights on

As the Texans shiver in darkness and angst over their state power grid leaving them in dire straits, I

know my Christian friend's thoughts and prayers go out to them. Some would say we're lucky to have our Chelan County P.U.D. and good firm power from our dams, but luck had nothing to do with it. The forefathers of our Chelan County P.U.D. did due diligence in planning for our future electrical needs. When outages happen, the line crews and staff at the Chelan County P.U.D. are on it.

You may thank a veteran for his or her service, or not talk about the American farmer with your mouth full, but a good word to our P.U.D.

people for keeping the lights on couldn't hurt.

## Snowmobilers a problem

We always enjoy the Echo and the opinion page of February 14, 2021 on problems with snowmobilers and the rules and rights of public property which we had to deal with.

We live west of Plain, Washington near 200 miles of snowmobile trails and had the engines cross

our property to get there. Another problem that needs to be addressed are neighbors who open throttle their snowmobile engines to blast out old oil from valves for 15 minutes while we have to stay in our home to avoid the intense emissions and noise. Another neighbor also allows their 8 year old grandchild to run up and down around their yard on a large ATV for hours. Again smell, noise, and dust. Their property rights go up our nose and into our ear drums.

revisit Committee assignments in a few months, after the Board appoints a new Commissioner.

Murphy also said all Board members are encouraged to serve on a Board Committee.

"I am very grateful to our Board, and George and his team for collaborating so capably to keep our Lake Chelan Health priority activities moving forward.

Especially in an extraordinarily challenging time for hospitals and health care workers," she concluded.

The Board will appoint someone to fill the seat for the remainder of this year.

Per statute, the term of a hospital district commissioner can start January 1 after the election. The term is for six

years. This is true except when a district is first established, at which time the initial commissioners serve staggered terms of two, four, and six years.

**However, when the election is to a position held by someone appointed to that position to fill a vacancy, the term begins as soon as the election results are certified and the oath of office is taken.**

A news release issued two weeks ago by Lake Chelan Health stated, "Lake Chelan Health Commissioner Phyllis Gleasman has resigned from her position. The Commissioners and Lake Chelan Health are deeply appreciative of her years of service, dedication, and leadership."

Gleasman was on the board for more than a decade.

The AWPMD manual also states, "a commissioner may, by written waiver filed with the district, forego any or all compensation as to any month, prior to the date on which the compensation would otherwise have been paid."

As of the writing of this report, persons interested in taking Gleasman's place have not been publicly identified.

day, March 17, everyone in Phase 1B, Tier 2 will be eligible for their COVID vaccine. This includes workers in agriculture, food processing, grocery stores, public transit, firefighters and law enforcement, among others. Phase 1B, Tier 2 also includes people over the age of 16 who are

pregnant or have a disability that puts them at high-risk.

## Metrics

Under the updated plan, counties will be individually evaluated every three weeks. The evaluations will occur on Mondays with any possible changes taking effect Friday, with the first evaluation scheduled for April 12.

In addition to being individually evaluated, large and small counties will have dif-

ferent sets of criteria. If any county fails one or more of the metrics below, that county will move down one Phase in the Healthy Washington plan.

For large counties to remain in Phase 3, defined as counties with more than 50,000 residents, they must keep a 14-day average of new COVID cases at or below 200 per 100,000 residents, and a seven-day average of new hospitalizations per 100,000 at five or fewer.

Smaller counties, those with populations of 50,000 or less, must maintain a 14-day average of new cases at 30 or fewer, and a new seven-day hospitalization average at three or fewer.

If at any point the statewide ICU capacity reaches greater than 90%, all counties will move down one Phase. The Department of Health always maintains the ability to move a county forward or backward at their discretion.

"We know there is enthusiasm around opening of schools and businesses and that advancing to Phase 3 is welcome news to many

Washingtonians," said Lacy Fehrenbach, Deputy Secretary for the Department of Health's COVID-19 response. "We want to keep going forward together out of the pandemic, and our success hinges upon wearing masks, washing our hands, watching our distance, keeping social circles small — and of course, getting vaccinated when it's our turn. These are the things that will help us suppress COVID-19, which is the key to our continued forward progress towards recovery."

## Phase 3

Sports guidance will change in Phase 3 to allow in-person

spectators at events for the first time in a year. Spectators will be allowed to attend outdoor venues with permanent seating with capacity capped at 25%. The change affects both professional and high school sports, as well as motorsports, rodeos, and other outdoor spectator events. Social distancing and facial covering are still required.

The new phase also allows for up to 400 people maximum to attend outdoor activities, as well as events in indoor facilities — so long as 400 people does not exceed 50% capacity for the location, and physical distancing and masking protocols are enforced. Larger venue events are capped at 25% occupancy, or up to 9,000 people, whichever is less, and must follow spectator guidelines.

Additionally, Phase 3 will allow up to 50% occupancy or 400 people maximum, whichever is lower, for all indoor spaces. This applies to all industries and indoor activities currently allowed; restaurants, gyms and fitness centers and movie theaters, among others, may all increase their capacity.

"Some of the hardest hit businesses in Washington will be able to return to 50% capacity as we continue on the road to recovery," Inslee said. "On March 22, we make one more step to beating this virus and rejuvenating our economy."

A full list of industry-level changes for the new phase will be released this week.

# Free chipping event, deadline to register April 15

CHELAN COUNTY - Firewise Communities in Chelan County can take advantage of a free chipping event, that is free to Chelan County residents. This event is co-sponsored by Cascadia Conservation District, Washington State Dept. of Natural Resources and Firewise Communities.

Stacking piles for Chipping:  
 • When stacking the debris, please place all the stems of trees and brush pointing in the same direction with the cut ends toward the road. This makes the

pile easier to pull apart to feed the chipper.

- Maximum pile height is 5 feet.
- Individual cut pieces must not be thicker than 8" in diameter.
- Stack similar sized items together in piles. Please pile items by hand.
- Debris should not be blocking any traffic.
- Chipping will occur in mid to late May.

Please track your hours pre-

paring for the chipping crew. Proof of landowner contribution is required for this program. Record your time raking, pruning, thinning trees, and other activities to make your home better prepared for wildfire.

# Chelan County projects get boost \$2.5M: 'Cascade Fund' grants rural growth money

STORY AND PHOTOS BY GARY BÉGIN, NCW MEDIA MANAGING EDITOR

WENATCHEE - The Board of Chelan County Commissioners last week approved the Cascade Public Infrastructure Fund (CPIF), a grant program for public facility projects serving economic development, unanimously.

Because these funds can only be spent for public facility projects, eligible applicants will be entities like city governments, the Chelan-Douglas Port Authority, water districts, and other junior taxing districts that can demonstrate a nexus between their proposed project and economic development.

"Public facilities" includes bridges, roads, water, sewer, and other utility systems, port facilities, and more, according to strict interpretation of the rural counties tax laws.

The grant program does not impose a new tax on Chelan County citizens, but instead will be funded by existing revenues from the sales and use tax for public facilities in rural counties (Rural Counties Tax) which is a .09 percent remittance on the state's sales tax.

Blake Baldwin

Over the next three years, the CPIF plans to invest nearly \$2.5 million into economic development projects in Chelan County.

"The CPIF grant program will be a critical resource in local economic development to grow the private sector in order to incentivize and attract new businesses to Chelan County, while at the same retain and expand current businesses," said Blake Baldwin, Director of Economic Development for Chelan County. "The county is eager to make investments that will strengthen our economy

Kevin Overbay

and create family wage jobs and opportunities available to county residents."

Baldwin spoke exclusively with NCW Media and added the following to his original news release:

"Public investment in these utilities is critical to economic development to help ensure a project site is equipped with infrastructure that will not only incentivize new industry to relocate to Chelan County, but will also help expand and grow existing businesses.

The CPIF Advisory Committee will be looking at several priorities to evaluate, score,

and rank projects, including: How many jobs the project will attract to Chelan County, he said.

Also included and highly prized as part of the incentive package are projects that significantly increase county revenues, such as sales tax, property tax, and personal property tax.

"The increase in revenue benefits local governments and junior taxing districts, which in turn helps ease the tax burden upon Chelan County citizens" will be a major criteria in the selection process, according to Baldwin.

How the project will improve the quality of life for Chelan County citizens as well as how projects can demonstrate a partnership between the applicant and another public entity and/or private sector business or organization

This often means the project has secured matching funds which helps stretch the CPIF grant program further allowing for more public investment in economic development.

The Chelan County Board of Commissioners will assemble the CPIF Advisory will also be a major consideration, according

to Baldwin.

A committee to help guide and inform the decision-making process for these public investments will be formed consisting of eleven members and the county, and will begin extending invitations to "desired participants."

Desired participants include representatives from city governments in Chelan County, community councils, the Hispanic Business Council, and the Chelan Douglas Regional Port Authority. These entities will be asked to send project details.

The committee will review, score, and rank all applications and submit their recommendations to the Chelan County Board of Commissioners for final decision making.

Chelan County will be accepting CPIF grant applications from March 29 to May 7 and awards will be announced in early June. Applications will be available at [co.chelan.wa.us](http://co.chelan.wa.us).

To receive a CPIF grant, the applicant must be a public entity and the public facility project must meet the definitions described in RCW 82.14.370. Furthermore, the project must be listed or referenced in the economic development element of

the Chelan County Comprehensive Plan, or the comprehensive plan of a city or town located within the county.

"We look forward to bringing our local government and community partners together to advise and inform the commission's CPIF investments in Chelan County," said Chelan County Commissioner Kevin Overbay.

"The county plans to work with our public sector partners to prioritize investments that will increase county revenues, in turn helping to ease the tax burden to county citizens," Overbay concluded.

NCW Media reached out to Baldwin for more details regarding specific projects that might be receiving consideration from the project-ranking committee. He said the list will be revealed after the application filing deadline.

Be sure to continue reading NCW Media publications for the latest on this important fiscal "shot in the arm" for county projects.

## OBITUARIES

Barbara  
"Barb" Jean  
Sutor

Barbara "Barb" Jean Sutor (nee Lewis) passed away with grace and peace the morning of Sunday, February 28, 2021 with her loving sons by her side.

Barb was born September 30, 1930 to Edna Muriel and Richard Mark Lewis in Libertyville, Illinois. Both of Barb's parents were pastors which required the family to relocate frequently throughout her childhood. She lived in Michigan until the age of 10 when the family moved to Washington state. In Washington, the family resided for a time in Electric City, Wenatchee, Brewster and Tonasket. As the second eldest child, and the only daughter among seven children in the family, Barb assumed much responsibility at a young age for the care of her six brothers. She steadfastly carried the role as "second mother" to

her brothers throughout her young life and well beyond.

On November 26, 1949, Barb married a young orchardist, Earl Freels, in Tonasket, Washington. Together Earl and Barb had three sons Edward (Ed), (Donald) Hugh and David. As a family, Earl, Barb and sons were actively involved in the Tonasket community. Barb not only taught Sunday school but held the position of treasurer for their community church. She also held several leadership roles for Town and Country Garden Club. Avid

skiers and outdoors people, the family ran a ski shop at Sitzmark Ski hill, were actively involved in leadership for the Boy Scouts of America and participated in countless potlucks with neighboring families.

Barb lived in Tonasket until 1966, when she moved with her sons briefly to Linden, Washington before building a home in Brewster, where her sons completed their elementary and high school education. She worked outside the home for the Okanogan County PUD during many of those years.

Following the high school graduation of her youngest son, Barb moved to Chelan in 1976, where she worked as a bookkeeper for several local businesses. While actively living a life of service, Barb was a member of the Chelan hospital guild and acted as president. A woman of faith, Barb was actively involved in St. Andrews Episcopal Church where she held the position as treasurer for over 15 years, served on the Diocese of Spokane in different offices for 14 years and was

a director for the Diocese of Spokane for 4 years.

To her family and friends, Barb served as the perpetual hostess, whether that be in her home for a holiday, holding luncheons for her numerous lady friends, spearheading a camping adventure for her grandchildren or initiating large family reunions. Open to all her friends, family or visiting relatives, her kitchen was a hub of activity and never closed. She could be seen at her happiest surrounded by friends and family satisfying each person with their favorite meal or dessert. Equally comfortable cooking in her kitchen or over a campfire, Grandma Barb crafted enduring memories for her grandchildren with her meals while camping, followed by stories around a campfire, then washing of each child's feet and rubbing with lotion before bedtime...as "no one should go to bed with dirty feet.. even when camping". She often said her greatest joys in life were her sons, grandchildren, great grandchildren,

nieces and nephews. She will forever be remembered as a loving mother, mother-in-law, grandmother, great grandmother, sister, aunt and friend.

She leaves us rich in memories and reminded us always per her "electronic secretary", Henrietta on her answering machine to live in "Laughter and Peace, Friends".

She will be missed by her sons, Ed Freels of Manson, Hugh (Shannon) Freels of Manson, David (Jinx) Freels of Brewster; grandchildren Jesse Freels, Eric Freels, Douglas Freels, Griffin Freels, Chauncy Freels, Colton Freels and Tommy Dundas and twelve great-grandchildren; brothers Daniel (Carolyn) Lewis, Decatur, Georgia, Darryl Lewis, Leeds, Utah and Douglas (Christi) Lewis, Bellingham, Washington; half-sister, Donna (George) Gleason, Shoreline, Washington and half-brother, Mark (Susan) Lewis, Sammamish, Washington. She also leaves behind many beloved nieces and nephews who she treasured.

Barb was predeceased by her parents, Edna Muriel and Richard; brothers, Donald, Dennis and David Lewis.

In lieu of flowers, the family believes Barb would wish you to contribute to St. Andrews Episcopal Church, which brought her much peace, fellowship and joy.

Viewing services for Barbara Sutor will be March 19, 2021 from 3-7 p.m. at Precht Rose Chapel in Chelan. Services for Barb will be held Saturday, March 20, 2021 at St. Andrews Episcopal Church at 10 a.m. Due to Covid restrictions, we regretfully are limited inside the church to primarily family and those who have been notified. Additional room will be available in the parish hall. Interment will follow the services at Tonasket Cemetery in Tonasket at 1:00 p.m. Anyone wishing to attend the service at the graveside are welcome.

The family would treasure any thoughts and memories you have of Barb at [www.prechtrose.com](http://www.prechtrose.com). Services are entrusted to Precht Rose Chapel of Chelan.

Nancy  
Harding

Nancy Finley Harding, the daughter of James and Ruth Finley, passed away on February 26, 2021 at the age of 83. She was born in Bend, Oregon on December 6, 1937. A resident of Manson since the 5th grade, Nan grew up among the apple trees that were grown by her father. These orchards would grow and later blossom in a booming apple business.

It was in Manson that Nan would meet and marry her husband of 47 years, William Harding in 1959. The Harding's became pillars in the Man-

son community. The Harding apple shed was in operation from 1925-1998. This building is what locals now know as Lake Chelan Winery. Nan

helped run the family business by managing the apple production line. She was very involved with the Church of Christian Science of Chelan.

Although Nan enjoyed her time at work, her priority first and foremost was being a homemaker. Aside from raising her children; Nancy's favorite things included snowmobiling with her family, boating in the summer, antique shopping, and a love for jewelry.

Nan is preceded in death by her parents and her two brothers James Finley and Gale Finley.

Nancy is survived by her children Lynda Cotter (Kyle) and Jim Harding (Kristen) as

well as her grandchildren, Kelsey, Tyler, Claire, Nate and two great-grandkids, Penelope and Izaiah.

After the death of her husband in 2006, Nan was loved and cared for by Bob McFadden. The Harding family is thankful to Bob and the many caregivers that brought peace to Nancy in her final years of life.

Graveside Services for Nancy Harding will be Monday, March 22, 2021 at 1 p.m. at Chelan Fraternal Cemetery.

Please leave any thoughts and memories for the family at [www.Prechtrose.com](http://www.Prechtrose.com). Services are entrusted to Precht Rose Chapel of Chelan.

## Obituary &amp; Memorial Policies

NCW Media, Inc.: Leavenworth Echo, Cashmere Valley Record, Lake Chelan Mirror, Quad City Herald

An Obituary is a way for family member(s) to commemorate a loved one's life and to notify the community of the passing of the loved one. Obituaries are also used for historical and ancestral data.

Memorials are another way to let the community know about the life and memories of the person who has passed. A Memorial is different from an Obituary. An Obituary is usually current, while a Memorial can be written later.

Obituaries and Memorials need to be typed and emailed as a Word Document. They can be placed in one or more papers - all publish weekly on Wednesday.

Obituaries are priced by the number of words and include one color photo and go online at no extra charge. Memorials are priced per column inch. Please call for cost. \*Payment is due at the time of placement. \*Exception: Chapels, funeral homes who have an account, can be billed. There is no charge for a Death Notice - information is limited.

Deadline is 4 p.m. on Friday - some exceptions may apply.

# Flaten named new CHS head softball coach

Softball season begins April 5

SUBMITTED BY SCOTT PAINE, LAKE CHELAN SCHOOL DISTRICT ATHLETIC DIRECTOR

CHELAN - Chelan High School (CHS) announced March 10 that Mrs. Allison Flaten has been hired as the new Head Softball Coach, pending school board approval. Coach Flaten was selected by a committee of administrators, head coaches, parents, and students. The 2021 Spring Softball season is set to begin on Monday April 5, as are the rest of the CHS Spring Sports.

Allison Flaten graduated from The University of Washington with a Bachelor's degree in Business and Finance. She was a high school graduate from Issaquah High School. Her and her husband Josh along with their two dogs Cash and Hank moved to Chelan a year ago. They are the owners of County Line Eat & Drink on Woodin Avenue.

Coach Flaten has played the sport of softball since a young age. She competed in the sport

throughout her high school career in Issaquah. Playing on the varsity team all four years. She also competed for four years on the USA Fastpitch team, Eastside Elite.

In her free time coach Flaten enjoys walking her dogs, cooking, outdoor recreation, and watching Seahawk and Husky games.

When asked what she is most excited about, Coach Flaten had this to say, "I am most excited about having an

opportunity to provide a positive impact and collaborative and team focused experience for the students. Softball was a sport I loved and committed a significant amount of my high school years focused on. I am excited to share my passion for the sport as well the skills I built over the years with my teammates. Overall, I want to provide an inclusive, positive, and energetic experience for everyone who participates. Go Goats!"

## CHELAN HIGH SCHOOL SPORTS

### Chelan Volleyball

Chelan vs Ephrata 25-17, 25-20, 25-8

SUBMITTED BY COACH JENIFER RAINVILLE

Saturday, March 13 report

CHELAN - Chelan dug themselves a hole with the first few points and were down 0-5 against Ephrata. Ephrata has a great offensive and defensive team. We slowly were able to find our groove and pushed ahead. Senior Katie Rainville had a

great match at the net with 10 kills out of 13 attempts and 6 blocks. Senior Elly Collins led us in digs with 15.

Elly Collins 7 kills, 2 blocks, 15 digs and 9/10 serving  
Katie Rainville 10 kills, 6 blocks, 4 digs, 8/9 serving with 1 ace  
AJ Gueller 3 kills, 4 blocks, 1 dig  
Olivia Strandberg 8 kills, 4 blocks, 6 digs, 12/13 serving with 1 ace  
Ally Williams 2 blocks, 34 assists, 1 dig, 14/15 serving with 4 aces  
Sasha Dandridge 10 kills, 6 digs, 9/11 serving with 2 aces  
Morgyn Harrison 11 digs, 12/14 serving with 2 aces

Chelan vs Cashmere 25-6, 25-12, 25-9

The second match for the Lady Goats was against Cashmere Bulldogs. The Lady Goats won in 3 straight sets. Freshman Sasha Dandridge led the team with 11 kills and Elly Collins led the defense with 14 digs.

Elly Collins 3 kills, 1 assist, 1 block, 14 digs, 12/12 serving with 1 ace  
Katie Rainville 6 kills, 6 blocks, 4/6 serving with 2 aces  
AJ Gueller 5 blocks  
Olivia Strandberg 5 kills, 3 blocks, 8 digs, 19/21 serving with 3 aces  
Ally Williams 1 kill, 23 assists, 5 blocks, 6/6 serving with 2 aces  
Sasha Dandridge 11 kills, 2 blocks, 6 digs, 13/16 serving with 4 aces  
Morgyn Harrison 12 digs, 8/9 serving with 1 ace

### Chelan Football

Chelan dominates Omak, 29-6

SUBMITTED BY COACH TRAVIS DOMSER

OMAK - Our kids played physical Friday (March 12) night against the back to back CTL champion Omak. Our defense played very well. The last two weeks our

varsity defense has created 9 turnovers and has given up zero points.

When you do things like that you have a good chance to win ball games. Offensively we are producing in the passing game and in the run game when we need it. This win is 100% our kids' effort and toughness.

We bounced back from a penalty filled game and I am super proud of the entire team for that.

One play at a time, one

game at a time. We are off to a good start but time to focus on a tough 2A Ephrata team.

#### Score 29-6 Goats Stats

Reed Stamps 11-22 197 Yards passing 2 TD's  
Dillon McCordle 8 catches 147 yards 2 tds 1 int on defense  
Julio Alatorre 1 rushing td  
Gunner Gleasman 1 receiving td  
AJ Martinez 27 yard field goal

#### Defensive stats

Nathan Alcalá - 6 tackles 3 sacks 3 tackles for loss  
JD Gonzalez 7 tackles  
Gunner Gleasman 1 interception

## MANSON HIGH SCHOOL SPORTS

Manson falls to Brewster 22-6

SUBMITTED BY ERIC SIVERTSON, MANSON SCHOOL DISTRICT AD

MANSON - The Manson football team started sloppy and could not recover Friday (March 5) falling to Brewster 22-6. Manson opened its season at home with 65 fans in attendance to watch a rare March high school football game. Manson turned the ball over twice on early possessions leading to a quick 8-0 deficit. The Trojans moved the ball well at times in the first half but threw a interception at the goal line that eliminated an early scoring opportunity. Brewster took commanding 22-0 lead into half-time.

Manson made good halftime adjustments to start the half that led to a quick score. In the second half the Trojans were led by freshman QB Angel Lopez who threw for 155 yards and a touchdown. His favorite target was freshman wide receiver Ben

Courtesy Mansons High School

Cullison who had 3 catches for 86 yard. On the ground the Trojans were led by Senior Caden Beazley with 142 yards rushing and a touchdown.

Manson shut out the Bears in the second half behind strong defense led by Cody Fitzpatrick and Caden Beazley. Beazley led the team with 9 tackles. The Trojans were close to narrowing the deficit as they had a 1st and goal on the 1 yard line with

15 minutes to play but a second red-zone turnover sealed their fate.

Manson traveled to Warden on Friday (March 12).

Manson XC wins Okanogan Invite

OKANOGAN - Both the girls and boys cross country teams won the Okanogan Invite this weekend (March 6). The girls

race was first and the team got strong performances from Ava Westphal (3rd), Valerie Hunt (5th), Ella England (7th), Cara Hutton (8th) and Lea Westphal (10th). This group worked hard during the Covid delay to stay in shape and their hard work is paying off.

The second race feature the Manson boys team and they picked up where the girls left off cruising to a team championship as well. Grant Torgesen led the charge winning the

individual title and was followed by Jon Sarmiento (4th), Conner Clausen (7th), and Johan Cruz finished 10th.

Both teams competed Saturday, March 13 in Wenatchee.

Manson volleyball continues hot start to season

MANSON - The Manson volleyball team continued it's hot start to the season with two 3-0 sweeps at home on Saturday (March 6). In the first game the Trojans cruised over league foe Tonasket winning 25-7, 25-13 and 25-15. Leading the team in the first game was Maycee Ward with 14 kills, Lauren Soliday with 4 digs and Josephine Thompson with 17 assists.

In the second game the Trojans continued there balanced attack beating 1A drop down Warden. Again the Trojans cruised to a 3 set victory winning 25-11, 25-13 and 25-11. Prior to the second game of the day the Trojans honored their senior volleyball players Amaya Hannah, Marylein Bernardo,

Bryanna Harris, Melanie Marin, Amy Marquez and Kendal Petre. It was senior Kendal Petre that shined in the game leading Manson with 8 kills.

The Trojans are off to a 4-0 start and are getting contributions from all 8 players suited on varsity.

Senior Kendal Petre Juniors Josephine Thompson, Maycee Ward and Lauren Soliday

Sophomores Barbie Espinoza and McKenzie Nartale

Freshman Nartalee Reyna and Teagan Byquist.

This is a young, tough group that is playing at a high level.

Girls soccer bounces back with a win

BRIDGEPORT - In this crazy COVID year teams need to be flexible. When the Trojans original opponent had to cancel Saturdays (March 6) game Manson was left looking for an opponent. They found one in Bridgeport, the only catch is that Bridgeport had just beat Manson early that week. So Manson was looking for revenge, and they got it. The Trojans traveled to Bridgeport on Saturday (March 6) and won a close game 3-2.

The Trojans were led by 8th grade standout Addie Richmond who scored the first two goals of her high school career. Senior Nataly Alejo added the 3rd goal for the Trojans.

The Trojans game on Tuesday March 9 was postponed and their next game wasa home event vs Pateros on March 13.

THE WASHINGTON OUTDOORS REPORT

State Parks to visit this Spring

By JOHN KRUSE, THE WASHINGTON OUTDOOR REPORT

**Curlew Lake State Park:** Located north of Republic in Ferry County, this 87-acre State Park with a campground sits on Curlew Lake, a 5-½ mile long body of water known for good fishing. You can catch everything from trout and bass to perch and tiger muskies here. There's also plenty of wildlife around. Deer are abundant and during the springtime you can enjoy the sights of a heron rookery on one of the islands on the lake. If you are looking for something unique to do head to the Stonerose Interpretive Center in Republic, rent some tools, and dig for fossils (mainly plants or insects) that are up to 49 million years old.

**Palouse Falls And Lyons Ferry State Parks:** There is no better time of year to visit Palouse Falls State Park in Southeast Washington than April and May. That's when the Palouse River is full of spring run-off and it makes for a spectacular sight as it drops and crashes 198 feet into a basalt basin. Better still, the area surrounding the falls is full of spring wildflowers and hawks and falcons frequent the area too. There is a small camping area at this park that is currently closed because of the COVID-19 pandemic.

Once you are done taking in the sight and sounds of Palouse Falls, drive a short distance

ABOVE: Bass fishing near Maryhill State Park.

down a hill and check out Lyon's Ferry State Park. This day park sits at the confluence of the Palouse and Snake Rivers. There is a swimming area and beach here and there are also opportunities in the spring for anglers to go after channel catfish, some of which are quite large. Other fish to catch include bass and walleye. The Lyons Ferry KOA across the bridge from this park usually has good information on what's biting.

**Daroga State Park:** This one is a sleeper. Located on the Columbia River north of Orondo,

this park boasts a great RV camping loop with views of the river as well as an expansive day use area featuring a swimming beach, playground, ballfield and even tennis courts. There is also a wide trail that takes you along a dike to a walk-in campground bordered by the Columbia River on one side and a lagoon on the other where you can fish for smallmouth bass, catfish and other species. If you go bring your golf clubs and reserve a

tee time at the nearby Desert Canyon Golf Resort, one of the nicest courses in the region.

**Maryhill State Park:** If you head south of U.S. Highway 97 make a left turn just before crossing the bridge over the Columbia River into Oregon. When you do, you'll find yourself at Maryhill State Park. This park has a campground and day use area and sits on 4,700 feet of prime, low-bank riverfront real estate. There's plenty to do here.

If you like to fish you can launch a boat (or drive) a few miles upstream and fish below John Day Dam for walleye, sturgeon, smallmouth bass and starting in May, American shad. A replica of Stonehenge, built as a memorial by Sam Hill in the 1920's to local soldiers killed in World War I, is just a couple of miles east of the park. Speaking of Sam Hill, this famous entrepreneur and builder of the Columbia River Highway also built the Maryhill Museum of Art, a must visit

destination just five miles away. Finally, not related to Sam Hill, but right by the museum above the Columbia River Gorge, is the Maryhill Winery.

Want to find out more about these parks or make a reservation? Go to the state parks website at <https://parks.state.wa.us/>.

Taking your thyroid medicine successfully

**Q:** On my thyroid medicine bottle, there's an additional label that says to take it in the morning on an empty stomach. Sometimes I forget to take it before breakfast. Is it okay to take it later?

You're not alone in asking about this. The synthetic thyroid hormone levothyroxine is the most prescribed medication in the United States. My mother was always worried about what might happen if she didn't take her thyroid medicine "correctly." Taking her first bite of breakfast, if she saw her yellow levothyroxine tablet still waiting on the counter, she'd skip her dose that day.

"Louise, what if it can't be safely mixed with food? Could it start a chain reaction in my stomach?"

"Mom, if you do forget to take your thyroid medicine before you eat breakfast, the worst that

could happen is your body won't get the full dose. That's because food can change how much of the levothyroxine your body can take in.

Taking it with breakfast gives you a lower dose, but skipping it guarantees you get none of your dose. Taking no thyroid medicine at all affects you more than accidentally taking it with food."

My mother wasn't the only one.

85-year old Ellen would set her alarm for 5 a.m. every day to take her levothyroxine in the morning an hour before having breakfast. That's because otherwise, she'd forget about it altogether.

Ellen took medicines four times daily. She'd start with levothyroxine at 5 a.m., take her morning pills with her breakfast, a blood thinner medicine at 5 p.m., and her cholesterol medicine at bedtime. She was taking her medication 4 times a day, which felt

overwhelming.

"I want to take my medicines correctly, but it's so hard to remember to take all of them the way I'm supposed to."

I suggested she take her usual morning medicines at breakfast, then take her thyroid medicine, the blood thinner, and cholesterol medicine together at bedtime. That way, she only had to remember to take pills twice a day.

Within 2 weeks of taking her thyroid medicine at night, her improved consistency was paying off. Ellen told me she felt less overwhelmed and more energetic. Just as importantly, she no longer worries about taking her medicine correctly.

"It's such a relief to have less to remember and wonderful to have more energy!"

Your body processes and metabolism are controlled by the level of active thyroid hormone in your body. Your thyroid gland secretes a form of thyroid hormone called T3 or liothyronine into your bloodstream.

Most of your T3 needs to be converted to active thyroid hormone, called T4, in your tissues by specialized proteins called enzymes. Levothyroxine

is a synthetic version of T4 that can be taken once daily.

Your doctor monitors your thyroid hormone level by checking the amount of TSH in your blood. If TSH is too high, your body needs MORE thyroid hormone, and if TSH is too low, you need less. This may seem backward, but TSH is just a messenger, NOT thyroid hormone itself. Your doctor may also check your T4 level.

If your TSH blood level is elevated or your T4 level is low, you need more levothyroxine (synthetic T4). Checking TSH 4-6 weeks later will confirm whether your thyroid hormones are back to normal.

**5 Ways To Getting the Most Out of Taking Levothyroxine:**

- 1. Be consistent.** Levothyroxine is absorbed better if you take it on an empty stomach (30 minutes to an hour before a meal or 4 hours afterward). If you take it the same way every time, however, you'll get a consistent dose, and your thyroid level will be more stable.
- 2. Avoid taking levothyroxine with coffee or tea.** Coffee and tea can decrease how much levothyroxine you absorb by nearly 30%. If possible, wait an hour after taking your thyroid supplement for your first cup of joe.
- 3. Don't skip your dose.** Even if you forget to take it at your usual time, absorbing some of your thyroid supplement every day is far better than getting none.
- 4. Space out any mineral supplements.** Some minerals interfere with levothyroxine absorption, including calcium, iron, aluminum, and multivitamin supplements containing those minerals.
- 5. Try taking levothyroxine at bedtime.** One solution is taking any multivitamin and mineral supplements later in the day, at least 4 hours before and after your levothyroxine. You can safely take multivitamins without any minerals with levothyroxine.

If you avoid eating for 4 hours after your evening meal, bedtime can be an ideal time to take levothyroxine.

**The Contract**  
A novel by local writer William E. Forhan.

Most mothers can tell you the moment their child was born. It's not the same for fathers. But I can tell you precisely the moment I met my daughters. It was 2:46 on a Sunday afternoon in October. I had rushed back from church and just sat down to watch the game of the week. My Denver Broncos were playing their most despised of opponents – the Oakland Raiders. My game was interrupted by a knock on my front door. My wife had taken our two sons to help her with grocery shopping. So I had to get up from my game to respond to that irritating knock. I opened the door to two attractive young women. They seemed surprised. "You're a priest?" one queried.

In my rush to watch the game I had not removed my clerical collar. "Well, yes I am," I responded. Fully expecting they were a couple of young evangelists looking to tell me about the gospel. There was a sudden and distinctly deafening pause. "Can I help you?" I finally said. They looked at each other. Then almost in unison burst out, "We think you're our father!" In an instant twenty-three years of guilt and remorse overcame me. I could not help it. Tears poured out like a river. My heart began to pound and I could not hear a sound. We looked at each other for what seemed like an eternity. None of us knowing what to say next, but I knew in my heart they were correct.

### Help Wanted

### Highly Capable Program March 15, 2021

Cascade School District is committed to identifying and providing for the unique educational needs of all of our students. At this time, the district is soliciting nominations from parents, school staff, and community members for students that are believed to have a high capacity to learn quickly, deeply, and/or broadly, so that we can better provide an individualized educational service to each of our students. Students nominated through this process will be considered for enrollment in the district's highly capable program based upon screening and assessment with the permission of their parent/ guardian. Definition of highly capable students means those students who:

- (1) Capacity to learn with unusual depth of understanding, to retain what has been learned, and to transfer learning to new situations;
- (2) Capacity and willingness to deal with increasing levels of abstraction and complexity earlier than their chronological peers;
- (3) Creative ability to make unusual connections among ideas and concepts;
- (4) Ability to learn quickly in their area(s) of intellectual strength; and
- (5) Capacity for intense concentration and/ or focus.

Nomination forms can be obtained from the Cascade School District website ([www.cascadesd.org](http://www.cascadesd.org) under Programs and Highly Capable) and in school offices. In order to be considered for identification for the coming school year, nomination forms should be returned to Mike Janski, Highly Capable Director, at Icicle River Middle School by **April 16, 2021 either by dropping them by the middle school, by email ([mjanski@cascadesd.org](mailto:mjanski@cascadesd.org)) or by mail; 10195 Titus Rd, Leavenworth, WA 98826.** (WAC 392-170-035, WAC 392-170-036).

### Highly Capable Program Programa de Alta capacidad 15 de marzo, 2021

El Distrito Escolar de Cascade está comprometido a identificar y proveer para las necesidades educacionales únicas de todos los estudiantes. En este momento, el distrito está solicitando nominaciones de padres, del personal escolar, y de los miembros de comunidad para estudiantes, que se creen tener una alta capacidad de aprendizaje rápido, intensivamente, y/o de manera amplia, para que podamos proveer un mejor servicio de educación individualizada para cada uno de nuestros estudiantes. Los estudiantes nominados para este proceso se van a considerar para la matriculación en el programa, *highly capable program*- (Programa de alta capacidad), será basado en exámenes y evaluaciones con el permiso de los padres/ tutores legales. La definición del estudiante de alta capacidad significa que: Trabajan o demuestran el potencial para funcionar a niveles académicos significativamente avanzados, cuando se le compara a otros de su misma edad, mismas experiencias o de los mismos ambientes.

- (1) La capacidad de aprender con la profundidad rara de entendimiento, retener lo que se ha aprendido, y transferir el aprendizaje a nuevas situaciones;
- (2) La capacidad y la voluntad de tratar con niveles cada vez mayor de abstracción y complejidad más temprano que sus compañeros de la misma edad cronológica;
- (3) La creativa de hacer conexiones inusuales con las ideas y conceptos;
- (4) La capacidad de aprender rápidamente en su(s) área(s) de fortaleza/destraza intelectual; y
- (5) La capacidad para la concentración y/o enfoque intenso.

Las formas para hacer una nominación se pueden obtener por la página de web del Distrito Escolar de Cascade ([www.Cascadesd.org](http://www.Cascadesd.org) se encuentran bajo la pestaña del Programs y Highly Capable) y en las oficinas escolares. Con el fin de ser considerado para la identificación del próximo año escolar, deben devolver las formas de nominación al Sr. Mike Janski, Director del Programa de Alta Capacidad en la Escuela Intermedia Icicle River para el **16 de abril, 2021, por correo electrónico ([mjanski@cascadesd.org](mailto:mjanski@cascadesd.org)) o por correo; 10195 Titus Rd, Leavenworth, WA 98826.** (WAC 392-170-035, WAC 392-170-036)
