Parents need to register their children by Nov. 30

SUBMITTED BY MANGER MALL

CHELAN/MANSON - The 12th Annual Manger Mall - is a little different this year due to COVID-19 but still an event that will provide a special gift for a child who might not otherwise find something under their tree at Christmas. Manger Mall will be held on Saturday, Dec. 12 at the North Shore Bible Church in Manson, as a drive-through event. Santa and Mrs. Claus will be there to wave and say hi to the children, Christmas music will be playing and we will even have a lighted Christmas tree.

Thanks to the generous donations made by so many local organizations and individuals, the Manger Mall Team will be purchasing Lake Chelan Chamber Bucks Gift Certificates for all registered children. We anticipate that between 600-1,000 children will register this year. These gift certificates can be used at any store or business that is a member of the Lake Chelan Chamber of Commerce.

### Register children by Nov. 30

Parents must register their children by Nov. 30. We will not be able to accommodate walk-ins this year. Above, Susan Fisher of Chelan, along with two other volunteers 'fluffed' the Christmas tree in downtown Chelan on Nov. 20, before the ornaments (inset photo) were put on. Volunteers also put up the starbursts and garland on lampposts in the downtown core.

## Fire District 7: Positive news in a negative era

BY GARY BÉGIN  
MANAGING EDITOR

CHELAN - Chief Mark Donnell reassured Chelan Fire and Rescue District 7 board members (and the non-attending public) that the budget carryover amount of \$515,000 would be "considerably higher going into 2021." Donnell made the assessment at the Wednesday, Nov. 18 board meeting, held via Zoom.

"It will be better than anticipated," he said, noting that the projected revenues and expenses have not yet been fully tallied.

The Chief also announced that of the 77 calls to the

department in October, 66 of them were for the EMS/Rescue division and that, thus far, November has seen only 21 calls.

He reported that zero dollars were lost due to firefighting actions in the month of October. To add to the good news, Donnell stated District 7 would soon be partnering with the Chelan-Douglas Health District to deliver flu shots and COVID-19 test-

## 1% levy approved 'internally' for Chelan Fire District 7

BY GARY BÉGIN  
MANAGING EDITOR

CHELAN - At the Wednesday, Nov. 18 Chelan Fire and Rescue District 7 board meeting, the District Board of Commissioners unanimously voted to raise the levy on assessed property values in its operational area

by 1 percent.

This levy is within the legal limits allowed for fire districts to raise money without having to bring the issue to a public vote, according to Fire Chief Mark Donnell.

"The 1 percent levy increase is the only means that fire districts have to increase their revenue without voter

approval," Donnell said.

"Prior to a voter approved initiative in 2007, fire districts (and other assessment dependent agencies) were permitted to increase their annual revenues by 6 percent without voter approval," he continued.

"The Board of Commissioners has elected to take

the annual 1 percent increase every year since 2007 and this increase does not go before the voters."

That 1 percent figure adds less than \$22,000 to the forecasted 2021 expected revenues.

"The 1 percent increase

ing. He lamented that the COVID-19 antibody tests were available, but they had a four-day turnaround to get results.

Donnell also praised a front page article in last week's Lake Chelan Mirror written about the previous Fire District 7 meeting, saying it was informative, accurate and well written.

Assistant Fire Chief of Volunteer Services Brandon Asher spoke about recruiting efforts remarking that "it

was nice just to get out and meet the public" during the recent Veterans Day parade in downtown Chelan.

Asher announced both recent recruit applicants had, for various reasons, pulled out of consideration for positions at the district.

On a positive note, Asher said Janet Guerrero has stepped forward to volunteer for the Entiat station. Asher stated two Chelan fire recruits were anticipating attending the EMT training in Wenatchee at a cost of \$1,000 each. He also said two recruits may be attending the

structural fire-fighting class, also in Wenatchee, when they resume availability.

Asher said one Chelan firefighter has also volunteered to attend the Hazmat at a cost of \$590, noting that this class was difficult mainly because of the written test.

Chief Donnell spoke highly of Fleet Manager John Goyne for his expert fabrication and adjustment of the water tank in a new piece of firefighting apparatus and hoped that the department can get another matching grant of \$12,500 to purchase another chassis

that can also be converted into a usable firefighting apparatus.

Asher spoke about a recent "all chiefs" luncheon where recruitment grants were discussed, which would ultimately benefit all district firehouses. He also said he placed a recruitment banner near the bridge in Chelan that mysteriously disappeared two days later. A board member suggested it may have been removed by Chelan PUD because it was on their property, but they have usually cooperated in the past regarding

such signs.

In regards to completed required training, Asher said he was hoping the development of a new format showing a matrix of completed/uncompleted courses might encourage more training completions because of "peer pressure." He said it is often difficult to get personnel into the station to complete such training, but added the 20/21 training calendar is complete and firefighters can see what it is they need to accomplish to get into full compliance.

Other issues were dis-

cussed, but many, such as the new fire services contract with the city of Chelan, were not yet ready for a board vote and will be discussed at a future meeting.

Approximately 10 "attendees" were listed on the Zoom screen, but most of them were fire officials and board members as well as two members of local media.

Lake Chelan Mirror Managing Editor Gary Bégin can be reached at: Gary@ncwmedia.net. Comments may be published as Letters to the Editor in a future LCM edition.

only adds \$21,367 to our annual operating budget, which the Chelan County Assessor's Office has estimated will be \$2,204,971 for 2021," said Donnell.

"This amount includes any new construction, which has been estimated at \$44,924."

Because of inflation, the minute increase doesn't even keep up with actual needs, according to Chief Donnell.

"This 1 percent has not

covered the annual inflationary cost of 3 percent that the Fire District has been experiencing since 2007. To be more specific, this 1 percent barely allows us to maintain the current level of service delivery under our current operating budget," stated Donnell.

"The Chelan Fire & Rescue Board of Commissioners will have to strongly consider putting forth a Maintenance & Operations (M&O) Levy Renewal to the public if we are to maintain our current

level of service in 2022 and beyond," concluded Donnell.

The levy will be assessed with the next Chelan County Assessor's Office county-wide property assessment, usually done in late winter, prior to property tax bills being mailed out in March.

Keep reading the Lake Chelan Mirror for future reports concerning the possible Fire District levy issue.

In other meetings news:

The District will partici-

pate in "holiday boat parades" starting the Friday after Thanksgiving from 4-6 p.m. at the Lady of the Lake dock area. The parade will go up the shoreline of Lake Chelan until it reaches Manson and then turn around and come back to Chelan.

A vote will take place in December to elect officers for the Fire District Association.

The Association will be donating \$500 to the Chelan Food Bank and an additional \$1,000 to the food bank to en-

sure there are holiday meals for those in need.

The Association\* will also be donating \$500 to local veterans to have a luncheon.

\*According to the District website, the mission of the Chelan District 7 Firefighters Association is to promote, protect, and preserve the image and welfare of the Chelan District 7 Fire Service through communication, camaraderie, team spirit, social fellowship, charitable donations, and public education; to help

with relief from the tragedy of fire and other emergencies through sponsorship and support of education programs and donations to other charitable groups; to provide beneficial programs for the welfare and safety of fire service personnel and the general public.

## Darlene Gaile Haskins Smith

Darlene Gaile Smith (Haskins), was born on April 10, 1934 to Walter and Bessie Elliott in Sterling Kansas. Sadly she passed away in her home in Wenatchee on Nov. 6, 2020 surrounded by her loving family after a battle with cancer, that she fought so courageously.

She was a strong woman who always put her family and friends first. Which was evident by all the family and friends that were by her side in the final days.

Our Mom was a loving Mother who treasured her family.

by all the lives she has touched over the years, but we are all comforted that she will no longer be in pain.

We would like to thank the Confluence Hospice, and Visiting Angels for caring and making our mother comfortable during her last days.

She will be greeted in Heaven by her parents, sisters Ruth and Erma, previous husband Gene Haskins, and her granddaughter Tami.

She is survived by her husband Lee Smith and his children, Dawn, Randy, Mike, Rebecca, Chris, and Matt. Also by her children Chris, Don, Robert (Corky), and Boris, her sister Peggy, and numerous grand, and great-grandchildren.

Mom will be deeply missed, but we all know that God's Rose bushes will be in good hands.

Due to Covid-19 there will be a Celebration of Life at a later date.

She also lived for garage sales, camping in her motor home, dinners with family and friends. But most of all sitting in her swing looking at her garden and drinking a cup of coffee.

She will be deeply missed

## Barbara Elizabeth Schmidt

November 5, 1937 -  
November 16, 2020  
Wenatchee, Washington

Barbara E. Schmidt was born on November 5, 1937 to Myrtle and Gordon Schmidt in Wenatchee. Her brother Richard followed 15 months later. She attended schools in Sunnyslope and Wenatchee and attended Central Christian Church.

At the age of 15, Barbara was diagnosed with Paranoid Schizophrenia, an illness she struggled with until her death. Graduating from Wenatchee High School in 1957 was quite an accomplishment. Barbara was an accomplished embroiderer, making pillowcases, quilt blocks and dish towels. When she could no longer live with her family or in assisted living, she moved to Regency Manor in Chelan, now Regency Pacific in Wenatchee and lived there until her death. She developed close friendships with the staff and enjoyed activities and games. She was very

competitive, winning nearly every Bingo or Checkers game she played. She enjoyed parties, hamburgers, pizza, the occasional soda and of course chocolate! Although Barbara had many dark days, her thoughtfulness, willingness to share, big smile, and firm hugs will be deeply missed.

Barbara's family extends our deepest thanks and appreciation to her Regency family for always loving and caring for her unconditionally. We are grateful beyond words and hope you realize how much she loved each of you.

On November 16, 2020 Bar-

bara joined her parents and stepfather John Goforth in heaven, as well as her brother Richard and two step-sisters Alberta and Louise. She is survived by her sister Melody (Arnold) Baker, stepsister Blanche, sister-in-law Deleine, 1 niece and 4 nephews. Due to Covid restrictions, there will be a private family memorial at a later date.

You are invited to visit Barbara's Online Tribute at [www.HeritageMemorialChapel.com](http://www.HeritageMemorialChapel.com) to write a memory/condolence. Arrangements are in the care of Heritage Memorial Chapel, East Wenatchee.

## Howard Huston Asmussen

Howard Huston Asmussen, 86 years old, peacefully passed away Nov. 13, 2020 at his home in Pateros, Washington, with family and friends by his side.

Howard was born June 14, 1934 at the family ranch in Mansfield, Washington to Roy and Ida (Gallaher) Asmussen. He was the youngest of 4 children. He was a 12-year senior of Mansfield high school, graduating in 1952. Active in sports, he graduated with a full ride scholarship to Texas A&M to play football. As life often does, plans changed with the loss of his father and brother in a plane crash, the same year, and he took over the family ranch to build it to a successful multi-generational ranch.

On November 15, 1953 he married the love of his life Marilyn Lee Schneider, in Omak, Washington. They started their life at the family ranch in Mansfield, Washington. They welcomed three children to their lives; Jeanette, Lana and Arnold.

Over the years, Howard had many business ventures, from driving a truck to make ends meet to many success-

ful ranches throughout the Pacific Northwest. One of his business ventures included building a Convenience Store and Restaurant with Marilyn and Arnold. Later a Hotel would be built that was the dream of his late son Arnold. In all his business enterprises, Howard was known as a man of his word.

Howard appreciated a hard day's work from himself and those around him. He was the first one up in the morning and the last to go to bed. You could find him first thing in the morning in his office conducting business. He would ride or work cattle all day and then in the evenings he would attend meetings necessary to champion the cattle industry.

Howard was a respected and discerning cattleman, and he produced some of the finest quality Black Angus cattle in the West. He prided himself in his annual Bull Sale where

people would come from all over to be entertained and purchase high quality breeding stock.

As much as Howard appreciated cattle, he had a love for horses that stemmed from a young age. As a child he would play with his ponies teaching them tricks and spending hours riding them up and down the hill behind the house. Howard and Marilyn both had a love for racehorses and they ran horses all over the northwest. Their horses were forces to be reckoned with from the county fair tracks in Ferry, Okanogan and Douglas counties, to larger tracks like Playfair, Yakima Meadows, The Interior British Columbia Circuit and Longacres.

Never one to let moss grow under his feet, Howard traveled all over the world. In the beginning it was to keep the business growing. In his later years he traveled for fun and leisure always in his own Howard style.

Howard is survived by daughter Jeanette (Skip) Palmer of Pateros, daughter-in-law Judy Asmussen-Brown of Bridgeport, grandsons, Ryan Palmer of Bellingham, Levi (Christy) Asmussen at the family ranch in Mansfield, J.J. (Terry) Palmer of Pateros. Granddaughters Dione (Brad) Asmussen of Brewster,

Rashel Asmussen of Bellingham, Debby (Mike) Moore of Las Vegas, Nevada. Great-grandchildren, Jackson, Taya, and Stetson Asmussen of Mansfield, Levi Zabreznik of Brewster, Edward Palmer of Bellingham and lifelong friends too numerous to count all over the world.

Howard is preceded in death by his parents Roy and Ida Asmussen; brothers David and Arnold; sister Genevieve Diksen, daughter Lana Lee Arthurs, son Arnold Howard Asmussen, grandson Matthew Roy Asmussen, His beloved wife of 62 years Marilyn Asmussen, close friend Sharon Kelm and many good friends.

Funeral Services were Saturday, November 21, 2020 at 1 p.m. at the Mansfield United Protestant Church in Mansfield, Washington with Pastor Ric Bayless officiating. The services were live-streamed on the church Facebook page and YouTube Channel for those that can't attend in person. Burial in Mansfield Cemetery followed the service. Visitation was Friday, Nov. 20, 2020 from 4-8 p.m.s at Barnes Funeral home in Brewster, Washington.

Please leave any thoughts and memories for the family at [www.barneschapel.com](http://www.barneschapel.com). Services are entrusted to Barnes Chapel of Brewster.

## Obituary &amp; Memorial Policies

An Obituary is a way for family member(s) to commemorate a loved one's life and to notify the community of the passing of the loved one. Obituaries are also used for historical and ancestral data.

Memorials are another way to let the community know about the life and memories of the person who has passed. A Memorial is different from an Obituary. An Obituary is usually current, while a Memorial can be written later.

Obituaries and Memorials need to be typed and emailed to be placed in the next available issue. They can be placed in one or more of our NCW Media papers: Lake Chelan Mirror, Quad City Herald, Cashmere Valley Record and Leavenworth Echo. All publish on Wednesday.

Obituaries are priced by the number of words and include one color photo. Memorials are priced per column inch. Please call for cost. Payment is due at the time of placement. Deadline is 4 p.m. on Friday.

# Community Center at Lake Chelan adds major non-profit group

*Special Olympics Washington becomes latest partner*

SUBMITTED BY COMMUNITY CENTER AT LAKE CHELAN

CHELAN – The Seven Acres Foundation says it has signed a formal agreement with Special Olympics Washington to become its newest partner at the Community Center at Lake Chelan (CCLC). In making the recent announcement, Raye Evans, Executive Director of Seven Acres, said “the name of this organization pretty much says it all. We are extremely proud to add such a wonderful non-profit group to our growing list of partners for the Community Center.”

Founded in 1968 by Eunice Kennedy Shriver, the Special Olympics movement has grown from a few hundred athletes to over 5.7 million participants and more than one million volunteers in 200 countries in all regions of the world, providing year-round sports training, athletic competition and other related programs. Special Olympics empowers athletes with intellectual disabilities to be leaders in society by providing them opportunities to learn skills that transcend the playing field. Special Olympics Washington serves more than 19,500 participants, offering 26 sports to a wide range of age groups.

Luke Wall, Senior Manager of Area Services for Special Olympics Washington, says providing a new central location is of prime importance

for volunteers and athletes in North Central Washington.

“We currently have awesome programming in Wenatchee

through their Parks and Recreation Department, and we

are now working to grow programming north of Wenatchee to include Chelan, Manson, Methow Valley, Omak, Okanogan and other localities. The partnership with the Community Center at Lake Chelan will be an instrumental piece in doing just that. This agreement represents a very big step forward and will allow us to serve even more individuals with intellectual disabilities.”

# Hawkins’ fourth annual ‘listening tour’ to be held virtually Dec. 10

*Tour includes separate Zoom group meetings and virtual ‘community meetings’*

SUBMITTED BY OFFICE OF SEN. BRAD HAWKINS

OLYMPIA - Sen. Brad Hawkins will hold his fourth annual 12th District “listening tour” on Thursday, Dec. 10. It will be conducted virtually due to the COVID-19 pandemic.

Meetings with Hawkins during this year’s virtual tour will take place through Zoom video conferencing or tradi-

Sen. Brad Hawkins

tional conference phone calls, each lasting up to 20 minutes. Individuals or groups inter-

ested in meeting with Hawkins should contact his office at [brad.hawkins@leg.wa.gov](mailto:brad.hawkins@leg.wa.gov) or 360-688-8951 to schedule an appointment and receive information about the technology details. In addition to the individual or group appointments, Hawkins will host two virtual “community meetings” via Zoom at 3 p.m. and 7 p.m. Dec. 10, each lasting about one hour, and everyone is invited.

“As the state senator for the 12th District, it is very helpful for me to hear directly from constituents, which is why I started conducting annual listening tours,” said Hawkins. “Due to the ongoing challenges associated with the COVID-19 pandemic, I’ve

decided to make this year’s listening tour a virtual tour so I can meet safely with my constituents and hear their ideas, thoughts, and concerns. It’s very helpful for me to hear directly from the people I serve.”

During past listening tours, Hawkins has met with individuals, employers, local government officials, and community groups. In the two virtual community meetings, Hawkins will provide an overview of the upcoming 2021 legislative session, discuss the state’s budget challenges, and answer questions. Hawkins plans to dedicate much of the community meeting time to hearing directly from constituents or groups. To

accommodate as many community members as possible, participants will have a couple minutes each, depending on the total number of people interested in speaking.

Hawkins said a listening tour, which has been held in past years, allows him to hear ideas and concerns that can be turned into successful legislative action.

“During the 2017 listening tour, Leavenworth officials told me an issue about disposing of brush and yard clippings and worked with me to enact a new law in 2018 to address it,” said Hawkins. “A funding request related to the Saddle Rock trail in Wenatchee became reality when it was included in the state capital budget two years

ago, and a road paving project to a popular fishing location in Okanogan County was recently funded. All of them were ideas presented by constituents during past listening tours.”

As in the past three years, Hawkins has invited legislative staff to join him on this year’s tour, including his office staff, communications staff and issue specialists. “People appreciated us making these resources available to their communities, and it’s good for our staff to hear directly from people about the issues of interest in our region,” said Hawkins. “If we need to research concerns or begin developing ideas, we are ready to do that.”

# Hawkins encouraged by improved state revenue forecast

*12th District senator believes state budget could balance with use of rainy day fund and modest adjustments*

SUBMITTED BY OFFICE OF SEN. BRAD HAWKINS

OLYMPIA - State Sen. Brad Hawkins is encouraged by the state’s updated revenue projection released Nov. 18

by the Washington State Economic and Revenue Forecast Council.

The council’s November revenue forecast estimates revenue for the upcoming state budget cycle. The outlook was adjusted up with an increase of \$634 million for the current 2019-2021 biennium and an increase of \$328 million for the 2021-2023 biennium. “This continues to be encouraging news,” Hawkins

said. “While the forecast doesn’t take into account any potential economic impacts from Governor Inslee’s most recent COVID restrictions, it does demonstrate to lawmakers that balancing the upcoming budget without tax increases is certainly possible.”

State economists are forecasting a projected budget deficit of nearly \$3 billion over the next four years. Hawkins

points out that the current balance of the state’s Budget Stabilization Account, often referred to as the “rainy day fund,” is healthy \$2 billion.

“As bad as the COVID pandemic has been, this forecast shows that our state can achieve a balanced budget for the next two years without tax increases by utilizing our rainy day fund and making some modest and measured reductions in programs,”

Hawkins said.

“This needs to be said so that if and when new taxes are proposed, people don’t mistakenly think they are necessary to balance our budget,” Hawkins added. “I personally think – after all that people and businesses have endured – that tax increases are the last thing lawmakers should be considering in the coming years.”

The next state revenue forecast will be issued in March 2021. Visit us online at [src.wastateleg.org](http://src.wastateleg.org) and follow on Twitter @WashingtonSRC.

# THE WASHINGTON OUTDOORS REPORT

## A real turkey shoot

By JOHN KRUSE

Call it a slice of normalcy in this otherwise surreal year dominated by the Covid-19 pandemic, politics and innumerable sad and stressful events that have plagued 2020. This event is a fun one. It's the annual Turkey Shoot put on by the Cashmere Sportsman's Association and this year, it took place Nov. 15.

The small range, located on Turkey Shoot Road outside of Cashmere, boasts two trap houses and is open the bulk of the year. The general public is always invited to shoot clay pigeons for just \$4 a round on Thursday evenings starting at 7 p.m. During normal years, there are also school shooting nights where youth between the 5th and 12th grade come out and shoot too. Brian James, secretary for the club, said 10 to 15 kids will participate in these shoots and the association itself has some 60 members.

Trap is a deceptively simple game. A squad of up to five shooters occupy five different designated stations located 16

Shooting trap at the Cashmere Sportsmen's Association Range during the annual November Turkey Shoot. Courtesy John Kruse

yards behind the concrete trap house. Inside the trap house is a machine that throws clay pigeons at different angles at a speed of 42 miles per hour. Each shooter fires five times from each designated position, and each position gives you a

slightly different angle when it comes to shooting at the launched bird. Whoever hits the most pigeons out of the 25 shots fired wins the round.

Serious trap shooters invest in over and under 12-gauge shotguns with long 30-inch

barrels. More casual shooters will show up with their 12 or 20-gauge hunting firearm whether it be an over and under, semi-auto or pump shotgun.

This year's Turkey Shoot drew participants from as

far away as Yakima and the Tri-Cities. The 110 attendees, socially distanced and coming and going over a several hour time span, each paid \$30 for a punch card ticket that guarantees the shooter their choice of a slab of bacon or a hefty frozen turkey which by itself is worth the price of admission. You get to shoot five abbreviated rounds of trap with this \$30 punch card. Each round consists of just 10 shots, with two fired from each of the five stations behind the trap house. There are often ties which are settled by a tie-breaking shoot-off and if you win more than one round you can win additional turkeys or bacon!

In addition to this there is a raffle with prizes which raises money for the youth shoots that occur here. There was a diverse crowd of men and women at this year's event. I'd like to tell you I shot well but the fact of the matter is a 70+ year old longtime shooter named Steve from Yakima made me look like the rank amateur trap shooter I am, as did several high-school aged young men and women who had no problem breaking clay pigeons on a regular basis.

Whether you're a good shot-gunner or not though you'll find this low stress shooting event is a lot of fun and better still, literally everyone who buys a \$30 ticket ends up as a winner!

A similar event, the Steak Shoot, is scheduled to occur at the Othello Gun Club on Sunday, Dec. 20. Shooting starts at 9 a.m. and for \$35 you are guaranteed to win at least a two-pack of ribeye steaks. The games rules will be similar, 5 rounds per punch card with 10 birds thrown for each shooter per round. Breakfast and lunch will also be available for purchase. It is unclear at this time, given the current Covid-19 restrictions, whether this event will take place.

In addition to the gun clubs found in Cashmere and Othello there are also ranges with trap shooting available throughout Washington State. Some of them, like the Fort Colville Gun Club near Colville and the Ephrata Sportsmen's Association Gun Range, offer not only trap shooting but also skeet, rifle and pistol shooting too. A detailed list of where other ranges and gun clubs are located can be found is at <http://shooting.org/ranges>

# Options to relieve arthritis pain and stiffness

Last month, Richard got a prescription for the new Voltaren® gel for his left knee pain. At 89 years young, his activity level has dropped significantly for the past 6 months, ever since the COVID pandemic restricted access to gyms and exercise classes. The arthritis in his knee is now so bad that he can barely walk on it. Unfortunately, COVID restrictions will prevent him from having knee replacement surgery any time soon.

The Voltaren® gel really helped Richard, but if it hadn't given him enough relief, there are several other non-prescription products he could use in addition to it. Methyl salicylate, camphor, menthol, eucalyptus, capsaicin and arnica are derived from natural sources and have been used for decades to treat aching muscles and stiff joints. Because you apply them to your skin instead of taking them as pills, they work locally instead of affecting your entire system and causing side effects.

Methyl salicylate, camphor, menthol, and eucalyptus work as counterirritants. Instead of calming or blocking nerves to relieve pain, counterirritants give you relief by triggering the sensory nerves located in your skin. This gives you a sensation of intense warmth or soothing coolness while it keeps your nerves too busy to recognize any painful sensations.

Capsaicin is derived from hot chili peppers and works by triggering the release of a nerve messenger called Substance P in the skin where you apply it. Substance P's job is to transmit messages to your brain that there's pain. Applying capsaicin to your knee flushes out all the Substance P in the tissue it touches, keeping your nerves from sending messages to your brain about your pain-

ful knee until your body can build it back up.

Lidocaine has been available as a patch for pain, but is now available without a prescription in a roll-on formulation. Aspercreme® Maximum Strength has 4% lidocaine, and can be used in between applications of Voltaren® gel or other topical roll-on products for additional relief of pain and stiffness from arthritis.

There are also several supplements and medicines that may help relieve arthritis pain. Tylenol® comes in short and long-acting formulations, and there are 2 anti-inflammatory non-prescription medicines available: ibuprofen (Motrin®) and naproxen (Aleve®).

There's new evidence that you don't have to choose between taking Tylenol® over an anti-inflammatory medicine. There's evidence that combining Tylenol® with an anti-inflammatory agent like naproxen or ibuprofen is more effective than either by itself. They actu-

ally work better together in some people. If you can take ibuprofen or naproxen safely, you can also take Tylenol® at the same time.

Supplements that may give you some relief of arthritis include glucosamine sulfate, powdered gelatin, fish oil, and CBD from hemp oil.

Here Are 5 Tips for Relieving Joint Pain from Arthritis:

1. Increase your activity level.

The Centers for Disease Control and Prevention (CDC) found that nearly 26% of adults sat for more than 8 hours every day. And this was BEFORE the COVID pandemic and the stay-at-home directives that closed restaurants, gyms, health clubs and exercises classes. Sitting too much increases inflammation and encourages weight gain, both which can aggravate knee and hip pain. Getting up every hour to walk around and stretch, and walking 5-10 minutes several times a day can significantly improve joint pain

and stiffness from osteoarthritis.

2. Use topical analgesics on joints first.

Topical pain relievers are best for joints like knees, hands, elbows, and wrists. There are many options available today in various formulations like patches, gels, and roll-on lotions. You can choose from the local anesthetic lidocaine, the anti-inflammatory Voltaren®, counterirritants like menthol, methyl salicylate, camphor, eucalyptus, and capsaicin. Some people use CBD oil or lotion from hemp with good results. Convenient roll-on formulas reduce mess and waste.

3. Use a combined approach.

It's unusual to have one medicine or supplement give complete relief of arthritis pain and stiffness. Using a combination of topicals and pills can allow each to contribute additional relief of stiffness and discomfort with fewer side effects.

4. Use a symptom diary.

No medicine or supplement works for everyone. Tracking your response BEFORE and AFTER trying different medicines and supplements will help you keep what is working and discard what isn't.

5. Try long acting options at bedtime.

Tylenol Arthritis® or Tylenol 8-Hour® work for at least 8-10 hours compared with 5-6 hours of the regular and extra-strength forms. Aleve (naproxen) lasts for 8-10 hours compared to 6-8 hours with Motrin (ibuprofen). Taking them at bedtime can help relieve morning pain and stiffness.

## Tumwater fishway maintenance work will result in one-lane closure

SUBMITTED BY RACHEL HANSEN, CHELAN PUD

WENATCHEE – A maintenance project to the fishway at Tumwater Dam will require intermittent, one-lane closures of eastbound Highway 2 starting in late November.

The PUD is also planning an 8-hour, one-lane closure of eastbound Highway 2 in mid-December, depending on weather conditions and river flows.

Chelan PUD will temporarily divert the river to allow crews to reinforce and stabilize the entrance of the fishway with concrete. Fish passage will be maintained during most of the \$370,000 project. The viewing platform will be closed to the public.

The work is expected to continue through January 2021. If weather or river flows delay the project this fall, the work may last into February or March 2021.

Tumwater Dam was originally constructed at the turn of the century to provide clean energy for trains travel-

ling through the long tunnel at Stevens Pass. Chelan PUD acquired the dam in the 1950s and rebuilt the fishway in its current configuration in the late 1980s.

The fishway at Tumwater Dam is instrumental in helping Chelan PUD to collect adult fish to meet its hatchery obligations under its Habitat Conservation Plans for Rocky Reach and Rock Island hydro projects. It is also an important site for fish study for several agencies, including Yakama Nation Fisheries, state Fish and Wildlife and Grant PUD.

# Celebrate the holidays grill-side with these tips

STATEPOINT - Health experts recommend taking festivities outdoors this holiday season, which means your grill may take center stage.

"You can master some impressive culinary feats on your grill, especially with hardwood pellets that add rich, wood-fired flavor to winter dishes," says Ben Madden, product manager at Bear Mountain BBQ Woods, crafter of gourmet, hardwood pellets.

To celebrate grill-side, Madden offers these recommendations: Smooth and Smoky It's the ideal season to indulge in smooth, smoky flavoring. Achieve this robust flavor profile with the new Bourbon Pineapple Glazed Ham, created by James Brown of GrillNation. Total Cook Time: ~6 hours

**Ingredients:**

- 20-pound ham
- 1 cup pineapple juice
- 2-3 tablespoons mustard.
- 4-5 tablespoons Java House Seasoning

 6. When internal temperature is 165 degrees, remove from smoker. Let rest for 20-30 minutes. More recipes can be found at grillnationofficial.com.

Not only is this a good way to simplify your shopping list during a busy time of year, it will unify your meal with complementary flavors. Need some inspiration? Consider sweet tea. Not just a hot or cold beverage, sweet tea can be used in cooking and baking to deepen the flavor profile of mains, sides, desserts and more. For holiday ease, purchase a ready-to-drink version like Milo's Famous Sweet Tea—it's available nationwide and is fresh brewed daily without any added colors or preservatives.

Get started on your holiday meal prep by wowing your family with this simple recipe for a Sweet Tea

**Turkey Brine:**

**Ingredients:**

- 1 gallon Milo's Famous Sweet Tea
- 1 cup kosher salt
- 3 large sweet onions, quartered
- 4 lemons, sliced
- 8 garlic cloves, peeled
- 5 sprigs rosemary
- 10 cups ice
- Whole turkey

**Directions:**

1. In large stockpot over medium-high heat, combine sweet tea and kosher salt; stir frequently until salt is dissolved. Add onions, lemons, garlic and rosemary. Remove from heat; let cool to room temperature.
2. When broth mixture cools, pour into clean 5-gallon bucket. Stir in ice.
3. Wash and dry turkey. Remove innards. Place turkey, cavity-side up, into brine to fill cavity. Cover and place bucket in refrigerator overnight.
4. Remove turkey, carefully draining excess brine; pat dry. Discard excess brine.
5. Cook turkey, as desired, reserving drippings for gravy.
