Chelan County Fair Virtual Livestock auction Sept. 14-17

FFA and 4-H students who raised lambs, goats, cattle, or pigs are able to sell through the fair this year as either an FFA (generally 9-12 graders) or 4-H member (students generally in grades 3-8, or 9-12 if not showing as an FFA member). The Lake Chelan and Manson School Districts have students who will be selling animals through the virtual livestock auctions.

If you would like to help out any or all of these Chelan and Manson students,

there are two main options to help support kids:

Option A) Buying: Since this year is all virtual, students will be selling their animals for a set price, rather than per pound as is the norm at a fair. This means if you buy a student's pig for \$800, that is what you are paying, whether the pig weighs 235 or 285 pounds. Upon purchase, you will choose what happens to the

animal (turn, take home, processor, etc.). Feel free to ask any questions you might have,

since this process is a bit more complicated.

Option B) Add-ons. For those new to fairs and their auctions, an add-on is like a tip you would give to a waiter at a restaurant. The nice thing is you can add-on as much as you would like to as many students as you would like.
