Open house Aug. 14 on plans for future work on US 97A/SR 971

SUBMITTED BY WASHINGTON STATE DEPT OF TRANSPORTATION

CHELAN - Public input sought in person and online to help develop traffic control plans during rock slope scaling work in 2020.

Travelers who regularly use US 97A can help choose the best times for rock slope scaling work during the 2020 construction season.

The Washington State Department of Transportation is seeking public comment regarding the best time for closures during the much needed work. Specialized contractors will remove loose rock and debris from the slopes adjacent to US 97A to reduce the risk of it falling onto the highway.

All of this work takes time, during which traffic cannot travel through the work zone. At the upcoming in person

and the online open houses, the public can comment on whether all day or short closures of approximately 30 minutes make more sense for the area. Longer closures mean more work can be accomplished but with more affect to travel times, and vice versa for shorter duration choices.

US 97A/SR 971 rock slope scaling work in person open houses: 4 - 7 p.m., Wednesday, Aug. 14 at Chelan City Hall, 135 E. Johnson Ave. and 4 - 7 p.m., Tuesday, Aug. 20 at Entiat Grange, 14108 Kinzel St.

During both of the in-person open houses, learn more about the options of closure times when WSDOT crews start working on the rock slope scaling in 2020. Responses re-

SUBMITTED BY OKANOGAN-WENATCHEE NATIONAL FOREST

STEHEKIN - As of August 11, 2019 - 9 a.m. Acres: 450. Location: 3 air miles southwest of Stehekin, Wash. Completion: Season-ending weather event. Cause: Lightning. Estimated Cost: \$1,118,473 (as of Aug. 11). Report Date: July 26, 2019 (ignited by the lightning storms that came through on July 23 and 24). Personnel: 18

Current Activity: About a quarter of an inch of rain fell over the fire area on Satur-

day and minimal fire activity was observed. While not a "season ending" event that would put the fire out, the rain, cooler temperatures and higher humidity have combined to slow fire activity significantly.

The Phoenix National Incident Management Organization (NIMO) Team that has been working on the Devore Creek Fire for the past 13 days will transfer command to a local, Type 3 organization tomorrow morning (August 12). The NIMO team leaves behind a detailed plan of actions that can be used if the fire comes back to life in a way that threatens people or property. The fire is expected to burn until sus-

Sen. Hawkins announces annual 'Listening Tour'

SUBMITTED BY
SEN. BRAD HAWKINS

As your state senator, it's very helpful for me to hear directly from you, but I know it can be difficult to come to Olympia during the legislative session. Our 12th District is so large, there is also no convenient central meeting location in district. That's why I look forward to hosting my third annual "listening tour" in a few weeks. It provides me an opportunity to hear directly from you as I begin to look ahead to the next legislative session in January 2020. My listening tour for this year begins Sept. 3 and ends Sept. 7.

Like my past listening tours, this fall will bring me to all four counties in our district - Chelan, Douglas, Grant, and Okanogan. I'll be returning to several communities, such as Leavenworth, Cashmere, Quincy, Wenatchee, Pateros, Twisp, and Chelan, and am looking forward to several new locations, including Rock Island, Mansfield, and Mazama.

What has worked well in the past is meeting directly with constituents or stakeholder groups in separate appointments, so that tradition will continue - these are not town hall meetings. During past lis-

tening tours, meetings included individuals, employers, local governments, and community groups. If you are interested in scheduling an individual or group appointment, please send an email to brad.hawkins@leg.wa.gov or phone my legislative office in Olympia at 360-786-7622. The appointment calendar can fill up and drop-in visits aren't always possible, so please contact us in advance so we can get you on the schedule - we'd welcome the opportunity to hear from you.

Hosting a listening tour allows me to hear ideas that can be turned into successful legislative action. As examples, a suggestion by Leavenworth officials to dispose of brush and yard clippings resulted

in a bill that became law in 2018. A funding request related to the Saddle Rock trail in Wenatchee became reality when it was included in the state capital budget two years ago, and a road paving project to a popular fishing location in Okanogan County was recently funded and will be completed in the coming months. All were ideas presented by constituents during past listening tours. In addition to legislative ideas, I also collect helpful insight and comments that prepare me to make better decisions to represent you in Olympia.

As we have done the previous two years, I have invited my legislative staff, communications staff and issue specialists to join me on the tour. It's

helpful to have these resources available when visiting your communities. Sometimes we have the answers you are seeking but if we don't, we'll track them down and follow up with you. It's a great opportunity for the staff to hear directly from you about issues of interest in our district, so I hope you'll consider visiting with us.

The Chelan Butte community hike will provide beautiful views of Lake Chelan.

One of the highlights of our district listening tours is the community hike at the conclusion of the week. In 2017, we hiked up Saddle Rock overlooking Wenatchee; the 2018 tour wrapped up with a trek on Patterson Mountain near Winthrop. This year's community hike will take us to the top of Chelan Butte. The hike will be Saturday, Sept. 7, starting at 9 a.m. If you've never hiked Chelan Butte, the trailhead is on the edge of the city of Chelan. The trail offers stunning views of Lake Chelan and the surrounding area. Chelan Mayor Mike Cooney, representatives of the Lake Chelan Trails Alliance, and other local officials will join us. Everyone is invited! No appointments or RSVPs are needed. Please remember to bring sunscreen and water.

1. To qualify for the advertised APY, you must enroll your new or existing Platinum Savings account in this offer between 07/08/2019 and 08/30/2019 by speaking to a banker and requesting the special rate. Offer is subject to change at any time, without notice, and is available only to Platinum Savings customers in the following states: OR and WA. In order to earn the Special Interest Rate of 1.98% (Special Rate), you must deposit \$25,000 in new money to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the promotional interest rate period. "New money" is money from sources outside of the customer's current relationship with Wells Fargo Bank, N.A. or its affiliates (which includes all deposit, brokerage and loan/credit accounts). The corresponding Annual Percentage Yield (APY) for this offer is 2.00%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000, the enrolled account will not be eligible for the Special Rate and will instead earn the applicable Standard Interest Rate for a Platinum Savings account. As of 05/31/2019, the Standard Interest Rate and APY for a Platinum Savings account in OR and WA with an account balance of \$0.01 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, then-current Standard Interest Rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. 2. Available in-branch only; you must speak with a banker to request the special rate. Annual Percentage Yield (APY) is effective for accounts opened between 07/08/2019 and 08/30/2019 and requires a minimum of \$25,000 in new money brought to Wells Fargo. "New money" is money from sources outside of the customer's current relationship with Wells Fargo Bank, N.A. or its affiliates (which includes deposit, brokerage and loan/credit accounts). Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A penalty for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the special rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. 3. Due to the new money requirement, new accounts may only be opened at your local branch and you must speak to a banker to request the special rate offers for both new and existing accounts. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Minimum new money deposit requirement of at least \$25,000 is for this offer only and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be: • Combined with any other consumer deposit offer. • Reproduced, purchased, sold, transferred, or traded. 3. The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable standard interest rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed. © 2019 Wells Fargo Bank, N.A. LAKE CHELAN LADIES
GOLF CLUB TEE TIME

CHELAN - It was a very hot Thursday in Chelan for the Ladies Club golf. It was very slow play which is a great sign that lots of tourists are here playing our beautiful course.

Thursday was the first round of the Ladies Club Championship which is a total of 54 holes of stroke play. It will continue for two more rounds next Tuesday and Thursday.

Meanwhile, we had our regular weekly competition going on. The competition was Even and Odd: (gross scores of even numbered holes on front nine plus odd numbered holes on back nine less ½ handicap). A total of 21 players battled it out.

The weekly competition winners were:

Division 1: First place: Barb Rayburn, 27.5. Second place: Linda Reister, 29.5.

Division 2: First place: Joan Pierce, 26.5. Second Place: Toni Berry, 27.5.

Division 3: First place: Nancy Parker, 23.

The most exciting "play of the day" was a hole-in-one, Eagle made by Jan Artim on hole 18. She is experienced in this as we heard this is the fourth one in her golf career. She also had a chip-in birdie on hole 9.

Two other birdie girls were April Talley on hole 3 and Gail Peterson had a chip-in birdie on hole 11. The chip-in pot was divided between Jan Artim for hole 18 and Gail Peterson on hole 11.

This week's competition (August 15) is Criss Cross (gross score of 9 consecutive holes, less ½ your handicap). Our ladies' tee time remains at 8 a.m. for the month of August. Please check in by 7:30 a.m.

Lake Chelan School District athletes urged to register early for sports

School starts soon ... be aware of kids

It may be a tired old cliché, but it is always a word to the wise - school starts soon so watch out for kids. That includes watching out for school buses, traffic monitors and safety patrols as well as speed limits in school zones.

While school gun violence dominates the news, the quiet statistics of student deaths due to car accidents should always be top of mind. Our rush-about society has always been wary of pedestrians, but this time of the year it is even more important to be cautious of the little kids who aren't necessarily used to walking in high traffic areas.

It is unfortunate so many parents choose to drive their kids to school, causing much more congestion than needed. Taxpayers pay for school buses, not exactly a cheap purchase, so more parents ought to let their future Einsteins ride them.

Riding the bus is another way of "socializing" your children. Call it tough love or whatever you want, the more children are insulated from their fellow students, the easier it is to become alienated from them which could eventually lead to anti-social behaviors such as violent acting out.

I am not a "shrink", but I play one in this column. Think about this, Little Johnny spends his entire life being "protected" from other Little Johnnies until one day they

APPLES TO APPLES
Gary Bégin

are forced to actually meet each other. This interaction should not look like a man among Martians, but simply as one child to another sharing interests and ideas, heroes and villains.

Constantly protecting your child will only lead to that child having an unwarranted fear of the rest of the world even if only from lack of interaction. Lack of familiarity with anything is an easy way to breed fear due to simple ignorance. We all want Little Johnny to grow up one day to be Einstein-like, then let them explore the world and discover things for themselves. The good, bad and ugly. Eventually this will lead to an ability to make sound judgments as to right and wrong. At least that's the theory.

To make matters worse, many teens and adult drivers are habitually texting and/or talking on their cell phones, thus not paying full attention to pedestrians, especially the smallest among us. Perhaps these drivers too, were over-protected as youngsters? Ignoring the reality of driving a car because of the false reality of a "must have" conversation is inherently dangerous.

Washington state passed a law against "distracted driving" and the citizenry best pay attention. Just as in the old days when seat belts were first introduced, many drivers ignored the need for them. Finally laws were passed and tickets were handed out to violators.

The same thing will start happening to those addicted to texting and/or talking while driving. No parent, sibling or grand parent wants to attend a funeral this coming school year. It should be a time of celebration and achievement for all our students, not hospital visits.

Drivers who speed through school zones are committing "attempted murder" via vehicular homicide, but these are unnecessary crimes against the most innocent.

Just as in Smokey Bear advertisements, "only you" can prevent student/car incidents by paying attention to what you're doing behind the wheel. The future of America is literally in your hands when you take the wheel and drive in a school zone. Govern yourself accordingly.
