Manson Community Council swears in two new members at May 21 meeting

BY DIANA PIÑON STAFF WRITER

MANSON - The Manson Community Council is back to having five council members after swearing in Gordon Lester and Cindy Smith on May 21.

Smith takes over the vacant spot left by Sarah Cushing who resigned from her position last month. During her introduction Smith mentioned she has been living in Manson since 2001. Smith explained she moved away from North Seattle "to get away from traffic, shootings and school things." She wants Manson to

have a controlled change as it continues to grow. Smith's term will end next December.

Talks between the council about opening up a Facebook page on behalf of the organization took place. The idea behind opening up a Facebook page is to have more community engagement at the public monthly meetings. "The Facebook page will be for us to be able to post our meetings and the agenda. So anybody who is on Facebook can see that information," explained Kari Sorensen, council chairwoman. Sorensen made it clear that

she would disable the commenting option to avoid any controversies. Agenda meetings will not be shared on the Facebook page, instead they will continue to be posted on the council's website. Council members voted and agreed to set up the Facebook. Sorensen will be in charge of managing the page.

Manson resident Carl Blum took time during the public comment portion of the meeting to acknowledge Sorensen's personal efforts to help with an issue at the dog park. "I understand that Kari, as an example of our types of

citizens we have here, you witness or heard about somebody's lovely pet that died because they wanted go into the swimming hole for dogs and there was no fence," said Blum. He explained that he is aware that Sorensen asked them to do something about the issue, however the Parks Department said the didn't have the money to do so.

"She with her money, paid to have that whole thing fenced down there, so nobody else would lose their beloved pet," added Blum. He also thanked Sorensen for her kind donation to the community park.

HDCA inaugurates new part of history, Woodin Avenue Landing Park

Charm Program kicks off
 BY DIANA PIÑON STAFF WRITER

CHELAN - Between the old bridge and Campbell's Resort, the newest park in Chelan has been inaugurated for everyone to create new memories looking uplake. On May 19, Historic Downtown Chelan Association was joined by community members for a ribbon cutting ceremony and grand revealing of the park. HDCA Executive Director, Erin McCardle, first and foremost thanked all donors for their contributions to the project and all those who were involved in the project one way or another. McCardle was then recognized by Chelan Mayor Mike Cooney. "Erin on council and as director of HDCA really pulled this together," said Cooney. Mayor Cooney also took the time to thank the Chelan County PUD for its donation to help fund the project. "This is a really cool place for our town. It is one more access point to the lake," said Cooney. Chelan Public Works Director Jake Youngren also had special recognition for working with HDCA, the City and the project's contractor. The landing park is not yet in its final form, as landscaping will be going in early June. Vice-president of HDCA, Steve Clark was excited to share with the attendees the launch of the Charm Program. The purpose of the program is to fundraise money in order to continue "mixing history and the future of downtown Chelan together" with a series of projects. Charms will line the railings leading down to the water with commemorative messages created by who those purchase them. The public will have four different sections to choose from that range from \$100 up to \$500 depending on where their charm will be placed. Section 1 - railing along the north side of Woodin Avenue; Section 2 - middle section of the ramp; Section 3 - lower ramp and west edge; Section 4 - railing along south side of Woodin avenue. Charms are currently on sale and availability is limited. To learn more about the Charm Program visit <https://historicchelan.org/projects/woodin-avenue-landing-charm-program/>

Community members enjoyed a glass of champagne and cupcakes as they celebrated the new Landing Park.

Thrive Chelan Valley hires Kayla Helleson as executive director

SUBMITTED BY
THRIVE CHELAN VALLEY

Kayla Helleson, new Executive Director, Thrive Chelan Valley

CHELAN - The maturing of an organization can be exciting, challenging, and very rewarding. Thrive Chelan Valley has experienced all three and will be looking to Chelan native and Manson resident, Kayla Helleson to help guide the organization's next phase of development and growth.

Chelan girls team 2nd at state tourney

BY MARTY ROTHLSBERGER
CHELAN TENNIS HEAD COACH

YAKIMA - The Chelan tennis team took five players to the WIAA 1A/B State Tournament this past weekend, and all five left with hardware! In addition, the girls team placed 2nd overall behind Seattle Academy (Chelan is "public school state champs") and the boys team placed 5th behind Charles Wright Academy, Seattle Academy, University Prep, and local district champion Tonasket.

Here are the paths that each player took this weekend-

Junior Emma McLaren opened the tournament early Friday, May 24 by topping Makilie Hernandez of Zillah 6-2, 6-0. That win pitted Emma against a rival from the 2018 state tournament: Bailee Wallace of Three Rivers Christian. Emma avenged a narrow 2018 defeat to Wallace by earning an exciting, hard fought and emotional 7-5, 6-3 victory over Wallace here in 2019, and punching her ticket into the Saturday semifinals. In the semifinals, Emma gave eventual runner-up Penelope Owen of Seattle Academy all she could handle and played some of the best tennis of her career, but fell short 4-6, 3-6. The same can be said of Emma's subsequent 3rd place/6th place match-up vs a talented Zoe Rose of Charles Wright Academy. Nonetheless, it was an outstanding two days of tennis for Emma, finishing in 6th place in girls singles.

Senior Abby Martin and sophomore Bella Gatzemeier got off to a slow start on Friday vs University Prep, but eventually caught fire... coming up a hair short in the 2nd set, and dropping the match 2-6, 6-7. That loss forced Abby and Bella to win two consecutive matches on Friday to stay in medal contention, and they did just that. It was a bad day to be a Naches Valley doubles team facing elimination vs Martin and Gatzemeier, as the Chelan duo ended the season for two different Naches Valley teams on Friday in back-to-back pairings: 6-0, 6-4 and then 6-2, 6-4. On

Saturday, May 25 Abby and Bella faced La Salle, and also handled them soundly 6-3, 6-1 to earn a 5th place medal in girls doubles.

There are very few teams that send multiple entries to the state tournament, and even fewer that earn multiple medals, so Chelan's 6th place and 5th place girls finishes were enough to earn our girls 2nd place in the team rankings.

That 2nd place finish is the second self-proclaimed "public school state champs" title for Chelan in the past three years (the Chelan boys placed 2nd behind University Prep in 2017).

Speaking of the boys team, due to their #3 and #4 seed rankings entering the tournament, senior Wyatt Habich and junior Tobin Wier faced very tough #1 seeds from other districts in the opening round on Friday. Wyatt opened by facing 2018 singles tourney runner-up Andy Simmerman of Freeman, and played well, but lost 3-6, 1-6. Like our girls doubles team, that forced Wyatt to win two straight matches on Friday to earn a medal. In his second match of the day, Habich picked off Jesus Vazquez of Royal 6-3, 6-2. In his 3rd match on Friday, Wyatt earned revenge for a district tourney semifinal loss by defeating rival Kane Andrus of Cashmere 7-5, 6-2. That win earned Wyatt a trip to the medal round.

In the meantime, teammate Tobin also faced a tough opening draw, falling to eventual 2019 state champion Raghav Agrawal of Charles Wright. By now you understand the gravity of an opening round loss:

fight through the consolation bracket by winning two before losing two. In match #2, Tobin dispatched of Fernando Godoy of Zillah 6-0, 6-3. In do-or-die match #3, Tobin used two impressive momentum shifts to get past Cameron Whittle of Newport. First, Wier overcame a 1-4 deficit in a first set tiebreaker to win that breaker 7-5. Then, in the 2nd set tied 2-2 but down 0-40 in the 5th game, Tobin rattled off 5 straight points, and then won the next three games to win the match 7-6, 6-2.

Those four Chelan boys singles wins meant that Tobin and Wyatt would face each other on Saturday for a rare Chelan vs Chelan match-up to determine 5th and 8th place (possibly the first Chelan vs Chelan match-up at the state tournament in school history?). In set #1, Wier opened up strong and won the decisively 6-2. The middle set was dead even, with Habich eventually winning a tiebreaker. The final set was won by veteran Habich 6-2. So, Wyatt finished 5th and Tobin finished 8th in boys singles.

Similar to the girls team, those two placings earned Chelan high honors for the tournament, finishing 5th overall and just one slot out of a team trophy.

It was truly an exciting and memorable tournament for the Goats. Much thanks to the assistant coaches that were busy all day long due to such a great showing from our players: Jordan Lehman, Alan Grossberg and Leslie Blair. Thank you to the parents for helping make it such a smooth, fun and memorable trip.

The Chelan High School baseball team traveled to Yakima to participate in the State semifinal game against University Prep on Friday, May 24. The Goats ran out of luck and lost 5-0. On May 25, the Goats faced Colville for a chance to place at state. Chelan defeated Colville with a final score of 7-2, giving the Goats the 3rd place title at State.

CHELAN HIGH SCHOOL GOLF

SUBMITTED BY KIRK EINSPAHR
CHELAN GOLF HEAD COACH

State Golf Day 1 - May 21

OLYMPIA - The boys and Kaylin were thankfully spared another wet day today for their first tournament round after a soggy first half of their practice rounds yesterday (May 20). On the boys side of things, Miles Grossberg had a couple rough holes with some out-of-bounds issues on a tough course (Olympia Country & Golf Club), and came away with an 84 (his highest score all season), but was able to make it to the second day of competition by being in the top half of the field (actually sitting tied for 19th, with the top 40 continuing on to the 2nd day). Joey Gasper started out his round with a bit of nerves affecting him, but settled down as the round progressed; he finished the day with a 92, just 2 shots from the "cut" score. Parker Brown, Chelan's third qualifying boy had a rough day, but wowed the assembled crowd as he chipped in for a birdie on the final hole in front of the clubhouse. Last year's "cut" was 85, so that speaks a bit to the difficulty of the course this year. Though it's not too long of a course, it has some narrow fairways, some difficult doglegs and greens, and a lot of very large trees--a course that requires a lot of good course management and calm nerves.

For Kaylin Boykin, playing at the Tumwater Valley GC, it was a Jekyll & Hyde day, coming in with probably her best 9-hole score ever (40), but then finding trouble at #10 and following, coming in with a 56 on the back. But it was a "cut" line of 96, so she survived to play tomorrow as well, and is hoping to repeat her front 9 score from today (May 21) for both nines tomorrow. Last year the "cut" was 100, so for the girls, perhaps a bit of an easier course this year compared to last.

For the two that made it to the second day, both participated in the State Championships last year, so maybe the extra experience helped...

Note: Miles was the only boy of the 7 from our district who made it to the second day of competition, and Kaylin was the only girl from the CTL who made it to the second day.

State Golf Day 2 - May 22

After cutting the field in half for the second day of competition, Chelan's two golfers who made the cut played some inspired golf today (May 22). Miles Grossberg had a great day and was one of only a very few who actually improved on their scores from the day before, coming in with a 79 for today, making it a 163 for the tournament and finishing in 12th place for the Championships. With the exception of two holes where he struggled a bit with his putting, Miles played very consistently for the second day and finished with

the 5th best score of the day. He improved on his results from last year when he came in at 31st place and an overall score of 170, to 12th and a score of 163 on a much tougher course this year. Our other two boys came in tied for 43rd (Joey Gasper) and tied for 75th (Parker Brown).

Kaylin Boykin was surprised with a special award as she was called to the tee for her second round today--the officials give out special Sportsmanship Awards to golfers who made an impact on them as being "positive and friendly with the competition, and smiling." It was a special and unexpected treat for her (and I would add, very appropriate and earned!). Kaylin went on to have a similar round today as she had in the first round...a great first nine and a not-so-great second nine, finishing with an identical 96 score as she had yesterday and a 192 for the tournament. She finished tied for 37th. Last year in her first trip to state she was not able to make it to the second day of competition and finished tied for 60th, so it was a marked improvement for her this year!

It was very special

experience for our golfers who made it to state, and I hope an inspiration for each of them to put in some extra time on it (golf) this summer and make it back to the State Championships next year and improve on their results from this year.

I just want to acknowledge the support of the parents who were able to make it to the competition for one or both days--what great encouragement you were to your student athletes, and to the coaches too. Thank you.

Finally, I will sign off for another season of golf, and I hope these little summary reports have been helpful to you in keep up with some of our athletes. I know we can't make it to everything that is happening, especially in the spring, and I hope these reports have allowed you to acknowledge the results of some of our golf athletes and give them a verbal or physical "high-five" in the hallway, classroom, or wherever you might interact with one of them. We had a successful season, with the boys winning the District/League title again for the second year in a row, and taking 3 boys and 1 girl to the State Championships.

CHS hosts 1st Annual Recognition of Collegiate Athletes

By DIANA PINON, STAFF WRITER

CHELAN - Chelan Athletic Booster Club and The Chelan Coaches Association recognized four Chelan High School athletes who will be continuing their athletic journey in college. The presentation was held on Tuesday, May 21 in the High School Commons. Evan Reister, CHS graduate and former collegiate athlete, was the Master of Ceremonies. He introduced each athlete and shared their accomplishments with family, friends and community members present. Continuing their journey in college sports are; Maritza Blanco (soccer), Quinn Stamps (football), Colt Corrigan (baseball) and Lexie Gleasman (volleyball). The four excelled academically as well, they will be graduating with honors, high honors and Corrigan will be giving the Salutatorian speech this upcoming June.

Quinn Stamps - College of the Canyons - Football
Quinn will be attending College of the Canyons in Santa Clarita, CA., playing football and baseball. Quinn started playing tackle football in second grade for the Chelan Youth Football Program where he claims they won a lot of games, possibly undefeated over the years. Not only has he

Quinn Stamps

played football most of his life but also basketball and baseball. Quinn has been on multiple club teams across the state and one of his most memorable moments included attending the Manning Passing Academy in Louisiana this past summer. While there, he met the entire Manning family.

Quinn is a three sport athlete, receiving honorable mention awards, 1st and 2nd team All-League awards in basketball and football, three 1st team All-League awards

Lexie Gleasman

for baseball, a League Championship and two District Championships.

Lexie Gleasman - University of Montana - Volleyball

Lexie will be attending University of Montana and playing volleyball. Lexie played volleyball at a very young age, but started organized sports in seventh grade and during this time she was a manager for the high school volleyball team. She started indoor club playing for NCWVBC out of

Maritza Blanco

Wenatchee. Lexie then went on to play indoor and sand volleyball for local Kahiau club team and ended Club last year in Spokane with College Prep Academy Extreme under the coaching of Wade Benson. Lexie is a three sport four year Varsity athlete. Over the last four years she has earned three 2nd team All-League awards, five 1st team All-league Awards, a 2nd team All-State tournament team award, League MVP award for volleyball, 1st team All-State and 1st team 1A

Colt Corrigan

All State tournament team recognition.

Maritza Blanco - Wenatchee Valley College - Soccer

Maritza will be attending Wenatchee Valley College to play soccer. Maritza started her soccer days very early running around her yard at the age of three with a basketball. Then around six or seven years old she started watching YouTube videos on soccer to learn how to juggle and beat out defenders. She remembers getting to play on

an AAU team in fifth grade, but was on her own again in middle school and would play with the boys because she knew it would make her a better/stronger player. Maritza always knew soccer would be an important part of her life but her love for the game grew after reading a book about Mia Hamm and watching Carli Lloyd.

Maritza has received two All-League 2nd team awards, Chelan Athlete of the Week, team MVP and 1st team All-League this year.

Colt Corrigan - Whitworth University - Baseball

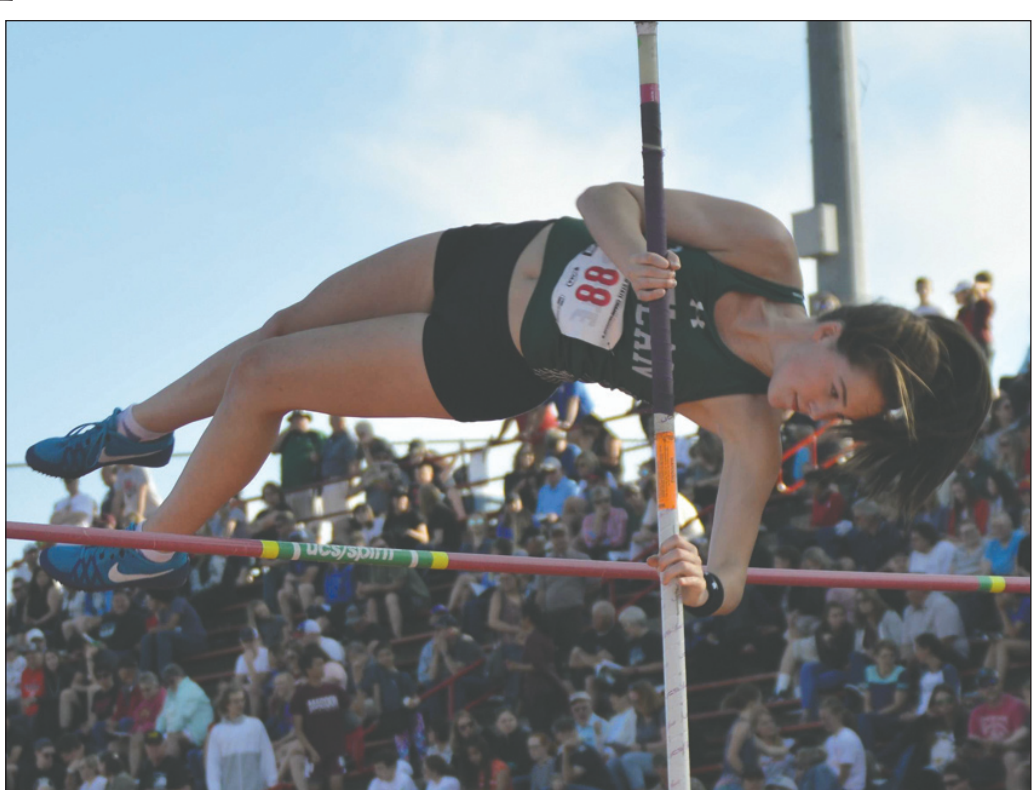

Colt will be attending Whitworth University to play baseball. Colt began playing baseball around the age of five. After many years in Chelan, he went on to play with kids from all over our area on a team in Brewster. Colt also played in Moses Lake for the River Dogs, and then played for the CREW based out of Spokane where they won multiple regional tournaments. One of his proudest moments over the years was in baseball when they swept Cashmere. Colt's awards include an Honorable Mention for Football, 2nd team All-League baseball his freshman year and the last three years he earned 1st team All-League.
