## Cooney announces he will run for re-election for mayor

By DIANA PIÑON STAFF WRITER

CHELAN - Last week, Chelan Mayor Mike Cooney announced his intent to run for re-election later on this year as his term comes to an end.

"Iran determined I was only going to do it one term and now I am on my fourth year," Cooney told the Lake Chelan Mirror in a May 1 interview. Cooney mentioned that he had a couple of opportunities presented to him, however

"neither of them rose to the level I enjoy being Mayor," he said.

His passion for serving and getting things done in Chelan motivated him to run once

## Recruit program graduates 21 volunteer firefighters

By DIANA PIÑON STAFF WRITER

CHELAN - "This is only the beginning," said Chelan Fire and Rescue Fire Chief Tim Lemon during his speech to the graduating 2019-01 Recruit Class on May 2.

After three and a half months of training, 21 volunteer recruits from Chelan, Entiat and Orondo received their badges and certificates as volunteer firefighters and are now ready to serve the three communities.

Serving Chelan will be: Tim Cote, Laura Cross, Michael Doyle, Marco Garcia, Kelcie Keys, Megan Kosel, Spencer Oberfelder, Billy Poppie, Jasmine Shattuck, Atticus Sheffield, Greg Simpson, Kammi Spence, Guillermo Venegas, Muel Vierra and Carlos Venegas. The recruits will be

spending their time as volunteer firefighters at the Chelan airport, South Lakeshore and City of Chelan fire stations.

Nereida Cardenas, Misty Marcyes, Josh Peerson, Blake Pipkin and Mark Ward will be joining Chelan County Fire District 8 personnel in Entiat. Meanwhile, Wyatt District will be serving as volunteer firefighter for the Douglas County Fire District 4 in Orondo.

Last year, the recruit program graduated 27 volunteers. "We are 13 months in and we have 48 new faces joining the volunteer fire service ... we are being very successful in that aspect," said Assistant Fire Chief Brandon Asher. He thanked the graduates for their commitment to the program and their hard work. "To have these 21 faces and 27 from the last class is huge

to see showing up to these wild land fires. It allows us to protect more houses at once and get all of our apparatus out the door in a timely fashion," Asher added during his speech.

of the community such as Chelan Mayor Mike Cooney, Fire Chief Mike Asher and Fire Commissioner Stacy Barker of Entiat, along with Chelan Fire Commissioner Russ Jones

# Did you hear the Fiesta?

## Chelan celebrates Cinco de Mayo

By DIANA PIÑON STAFF WRITER

CHELAN - Araceli Mejia was crowned Cinco de Mayo Queen after reciting a poem and dancing the famous song “Pavino Navido” with her escort during the Cinco de

Mayo celebrations in Chelan on Sunday, May 5.

Fifteen-year old Mejia will be representing the Latino community in next week’s Manson Apple Blossom parade along with Adilene Mendoza and Litzy Valdovinos-Sanchez, who were crowned 1st and 2nd Princesses.

During the celebration held at Riverwalk Park, every-

one received a history lesson on Cinco de Mayo. As Jorge Valencia, one of the event’s organizer said, “the date commemorates the Mexican Army’s victory over the French Empire at the Battle of Puebla, on May 5, 1862, under the leadership of General Ignacio Zaragoza.”

Chelan Mayor Mike Cooney was among the attendees.

During a short speech he said, “I am here to build bridges, not walls,” as he emphasized the importance of the Latino community in Chelan.

The warm weather didn’t stop anyone from having fun Sunday afternoon. Kids enjoyed decorating cookies and getting their faces painted by members of the Chelan High

School Todos United Club. The older folks, enjoyed the music from DJ Cruz and musical group Poder Sin Limites. Raffles and prizes were given throughout the day by different event sponsors.

A great number of people and businesses also walked down the main streets of downtown in the 3rd annual Cinco de Mayo Parade.

## Chelan celebra el Cinco de Mayo

CHELAN - Araceli Mejia se corono Reina del Cinco de Mayo después de recitar una poesía y de bailar la popular canción del “Pavino Navido” con su acompañante durante las celebraciones en Chelan del Cinco de Mayo el

domingo.

Mejia de 15 años representara a la comunidad Lation en el desfile del Apple Blossom en Manson la semana que viene junto con Adilene Mendoza y Litzy Valdovinos-Sanchez, quien fueron coronadas como 1ra y 2da Princesas.

Durante la celebracion en el Parque Riverwalk, todos recibieron una lección

de historia. Jorge Valencia, uno de los organizadores del evento dijo, “esta fecha es para conmemorar la victoria del Ejercito Mexicano sobre el Imperio Francés en la Batalla de Puebla, el 5 de mayo de 1862, bajo el mando del General Ignacio Zaragoza.”

El Alcalde de la ciudad, Mike Conney, estuvo presente. Durante un discurso

sobre la importancia de la comunidad Latina en Chelan, él dijo, “estoy aquí para construir puentes, no muros.”

El caluroso domingo no fue ningún impedimento para que la gente se divirtiera. Los niños decoraron galletas y dejaron que miembros del Club Todos United de la preparatoria de Chelan les pintaran la cara. Los adultos

se divirtieron escuchando y bailando música del DJ Cruz y del grupo musical Poder Sin Limites. Rifas y premios se llevaron acabo durante el día gracias a los patrocinadores del evento.

Un gran numero de gente y negocios desfilaron sobre las calles principales de la ciudad durante el 3er Desfile Anual del Cinco de Mayo.

more. On top of that the people he works with make the job more enjoyable. “They are responsive, they’re customer oriented, they’re team oriented and they help each other out tremendously,” he added. In his term as Mayor, Cooney mentioned that “you never hear whispers of people working against each other” at City Hall.

“In a small town you can have projects, a vision of how things get done and what’s important for the city and the best thing I like about my job as Mayor is seeing results,” answered Cooney. Cooney emphasized that “no one person can get it done.” The Mayor just sets the vision while working hand-on-hand

with “a dedicated council and a dedicated staff.” From his perspective, Cooney sees that council meetings run well and business get done.

If re-elected, Cooney mentioned that he will continue his work on the following:

- Build a network of bike passes and trails
- Acquire lower levels of the Chelan Butte
- Affordable homes in the valley
- Employee dedication to customer service
- Improve downtown area

Some of the items on the list are tangible and others intangible, however community members tend to receive those items well.

During the interview, Cooney told the Mirror that he will not pursue a third term as Mayor if he were to be re-elected.

# Jedwabny followed her parents in healthcare

By Diana Piñon Staff Writer

CHELAN - With the idea of taking the best from both worlds, Jane Jedwabny followed her parents' footsteps in healthcare as she became a Psychiatrist and Chemical Dependency Nurse.

"My father was a psychiatrist and my mom was a nurse, it was sort of marrying those two together it made perfect sense," explained Jedwabny on her career in nursing school.

Before she began her journey in nursing, Jedwabny received her B.A. in communications in Pennsylvania. She then went back and study nursing. After graduation in 1982, the Ohio native, moved to Philadelphia where she began her first nursing job in a 25 bed psychiatric hospital. Jedwabny worked there for 13 years before moving to North Central Washington.

could smell the orchards and it was wonderful," she said. She made it up to Chelan, where she was interviewed for an open position as Pro-

gram Director of the Sanctuary Department of the Lake Chelan Community Hospital & Clinics. "A couple weeks later, they offered me the job ... we decided to relocate and moved officially in 1995," said Jedwabny.

It has been 22 years since she joined the team at LCCH, and she loves it. "I love the treatment team I work with. By far, this group surpasses any team I've worked with in terms of their compassion and willingness to put out 150 percent for the patients ... it's a close group," she mentioned.

Jedwabny describes the field she is in as "misunderstood," the stigma psychiatric patients receive doesn't seem to change. "A lot of people seem to view it as a choice ...

it's a brain disease, they just don't decide to be an addict," Jedwabny explained.

In the next couple of years, Jedwabny will be looking into retirement. However, she mentioned she wants to remain involved with the dual-diagnosis chemical de-

pendency unit, "in any way, shape or form ... I can't imagine my day without it."

She was recently named 2018 Caregiver of the Year at Lake Chelan Community Hospital & Clinics. To her that recognition was overwhelming, "I wasn't expecting it, that was huge honor," she said.

## May 6 - 12 is National Nurses Week

COURTESY OF THE AMERICAN NURSES ASSOCIATION WEBSITE

National Nurses Week begins each year on May 6th and ends on May 12th, Florence Nightingale's birthday. These permanent dates enhance planning and position National Nurses Week as an established recognition event. As of 1998, May 8 was designated as National Student Nurses Day, to be celebrated annually. And as of 2003, National School Nurse Day is celebrated on the Wednesday within National Nurses Week (May 6-12) each year.

The nursing profession has been supported and promoted by the American Nurses Association (ANA) since 1896. Each of ANA's state and territorial nurses associations promotes the nursing profession at the state and regional levels. Each conducts celebrations on these dates to recognize the contributions that nurses and nursing make to the community.

The ANA supports and encourages National Nurses Week recognition programs through the state and district nurses associations, other specialty nursing organizations, educational facilities, and independent health care companies and institutions.

A Brief History of National Nurses Week

1953 Dorothy Sutherland of the U.S. Department of Health, Education, and Welfare sent a proposal to President Eisenhower to proclaim a "Nurse Day" in October of the following year. The proclamation was never made.

1954 National Nurse Week was observed from October 11 - 16. The year of the observance marked the 100th anniversary of Florence Nightingale's mission to Crimea. Representative Frances P. Bolton sponsored the bill for a nurse week. Apparently, a bill for a National Nurse Week was introduced

in the 1955 Congress, but no action was taken. Congress discontinued its practice of joint resolutions for national weeks of various kinds.

1972 Again a resolution was presented by the House of Representatives for the President to proclaim "National Registered Nurse Day." It did not occur. 1974 In January of that year, the International Council of Nurses (ICN) proclaimed that May 12 would be "International Nurse Day." (May 12 is the birthday of Florence Nightingale.) Since 1965, the ICN has celebrated "International Nurse Day."

1974 In February of that year, a week was designated by the White House as National Nurse Week, and President Nixon issued a proclamation.

1978 New Jersey Governor Brendon Byrne declared May 6 as "Nurses Day." Edward Scanlan, of Red Bank, N.J., took up the cause to perpetuate the recognition of nurses in his state. Mr. Scanlan had this date listed in Chase's Calendar of Annual Events. He promoted the celebration on his own.

1981 ANA, along with various nursing organizations, rallied to support a resolution initiated by nurses in New Mexico, through their Congressman, Manuel Lujan, to have May 6, 1982, established as "National Recognition Day for Nurses."

1982 In February, the ANA Board of Directors formally acknowledged May 6, 1982 as "National Nurses Day." The action affirmed a joint resolution of the United States Congress designating May 6 as "National Recognition Day for Nurses."

1982 President Ronald Reagan signed a proclamation on March 25, proclaiming "National Recognition Day for Nurses" to be May 6, 1982.

1990 The ANA Board of Directors expanded the recognition of nurses to a week-long celebration, declaring May 6 - 12, 1991,

as National Nurses Week.

1993 The ANA Board of Directors designated May 6 - 12 as permanent dates to observe National Nurses Week in 1994 and in all subsequent years.

1996 The ANA initiated "National RN Recognition Day" on May 6, 1996, to honor the nation's indispensable registered nurses for their tireless commitment 365 days a year. The ANA encourages its state and territorial nurses associations and other organizations to acknowledge May 6, 1996 as "National RN Recognition Day."

1997 The ANA Board of Directors, at the request of the National Student Nurses Association, designated May 8 as National Student Nurses Day.

LIBERTY BELL - The Goats baseball team traveled to Liberty Bell on Tuesday, April 30 for a non-league game, and came away with their 14th win of the season by a score of 5 -0 . Connor Wilson tossed a gem on the mound, allowing 3 hits, while striking out 11. The offense was in an uncharacteristic slumber,

but accomplished enough to muster the victory.  
**Two lopsided victories for Goats baseball team**  
CHELAN - The Goats finished their regular season Friday vs the visiting Connell Eagles for senior night, and came away with two lopsided victories. On the mound, game one winner was Cade Christopherson, and Game two featured Sophomore Dillon McCardle earning his first win of the

season. The entire team added contributions on offense, pounding out 31 hits in the double header. We would like to acknowledge the contributions of the seven seniors, and their parents, in making 2019 such a memorable season. The seniors are: Gage Estes, Colt Corrigan, Jaxon Ayling, Kenny Reeves, Sam Austin, Bryson Darlington, and Quinn Stamps.

## MANSON HIGH SCHOOL BASEBALL

### Trojans win baseball game on the road

By MANSON TROJAN BASEBALL

**Manson 12 - Pateros 6**  
PATEROS - The Trojans traveled to Pateros for a non-league single-header on April 29.

Jose Pascasio climbed the hill for the Trojans and Avery Thompson was the starting catcher. Pascasio gave up 0 runs, 0 hits and had 5 strikeouts.

Pitching in relief was Caden Beazley and Parker Schoenwald.

Defensively the Trojans played very well. Turning in great plays was short stop Caleb Russell, Caden Beazley while at 3rd base made a great catch on a hard hit

line drive, and the catcher Avery Thompson picked off a runner at 2nd base with a throw from his knees.

Offensively the Trojans ran the bases with confidence and scored in bunches. Avery Thompson had a hot bat with 4 hits-two being doubles. Parker Schoenwald added a nice double in the 4th inning.

Caleb Russell was also on fire and had three hits and an intentional walk. With Russell's last trip to the plate in the 6th inning, he sent a fastball deep into the Pateros' evening skyline, and with a thunderous clang of the bleachers in center field, hit his first home run of the season.

Trojans with hits: Avery Thompson (4), Caleb Russell (3) HR, Parker Schoenwald.

The Trojans have an overall record of 8-5 going

into the final three games of the season.

The Trojans' next scheduled game is a league double-header at Lake Roosevelt on Thursday, May 2 starting at 3:30 p.m.

### Trojans punch ticket to the playoffs

The Trojans took the long trip to Lake Roosevelt for a weekday (May 2) league double-header with the pressure on as a playoff spot was on the line for the Trojans.

**Game 1 - Manson 8 Lake Roosevelt 6 - (9 innings)**

As the Trojans have done all season long, they sent the staff ace Avery Thompson to the hill for the most important game of the season.

Thompson came into the

game in impressive fashion tallying 49 strikeouts in 32 1/3 innings pitched so far. Jose Pascasio was the catcher.

Thompson pitched tough against a very solid hitting Raider team and kept the Trojans in the game going 5 innings giving up 3 runs scattering 4 hits, striking out 8 and walking 6 using 100 pitches. Thompson turned it over to Caleb Russell with a 3 to 3 tie in the 6th inning.

Caleb Russell was outstanding in relief throwing 4 innings giving up 3 runs on 3 hits, striking out 6 and walking 4 using 93 pitches and earning the win in the 9th inning.

The defense played well committing only 3 errors, and outstanding plays were turned in by 3rd baseman Parker Schoenwald and 1st baseman Jake Ludwig. A game saving web gem with an acrobatic

over the shoulder catch was turned in by second baseman Caden Beazley.

Offensively the Trojans were out hit by the Raiders 7-6, but the Trojans made better use of bunts and stolen bases. Avery Thompson had a big game with 3 hits and 4 RBF's, his first hit was an opposite field blast for a two run home run. Parker Schoenwald had 2 hits and 3 RBF's.

Trojans with hits were: Avery Thompson (3) HR, Parker Schoenwald (2), Jose Pascasio.

**Game 2 - Manson 3 Lake Roosevelt 0**

The Trojans sent senior Jose Pascasio to the hill in game 2 and he pitched a gem.

Pascasio had a knee buckling

curve ball going and threw a complete game shut out. Pascasio's line-7 innings, 0 runs on 3 hits, striking out 10 and walking 1 using 82 pitches.

Offensively in game 2 it was an all around team effort with 6 different Trojans getting hits.

Trojans with hits were: Avery Thompson, Jose Pascasio, Parker Schoenwald, Jake Ludwig, Conner Clausen, Victor Calderon.

The two wins punch the Trojan's ticket to the playoffs.

The Trojans next scheduled game is their final game of the regular season and Senior Night on Tuesday, May 7 against Waterville. The Trojans will celebrate 7 seniors at a pregame ceremony.

### Crown making, a family tradition since 1948

BY DIANA PIÑON STAFF WRITER

MANSON – It was 1948 when Edna Bennett started making crowns for the Manson Apple Blossom royalties – ever since the tradition was kept in the family.

That year Queen Marjorie Bennett wore the first crown ever made by Edna. Before then there was no crown given to the Queen nor Princesses. The hand-made crowns are made from shells that are formed into apple blossoms, decorated with nail polish and unique rhinestones. “Grandma Bennett worked with shells down at Wapato Point and she was allowed by the Indians

### Manson Apple Blossom Festival Grand Marshal Dean Morehead

Photo courtesy of Manson Apple Blossom Committee

**Left to right: Princess Perla Viviana Villaseñor, Princess Marisol Mendoza, Dean Morehead, and Queen Megan Clausen.**

BY MANSON APPLE BLOSSOM COMMITTEE

Dean was very surprised and humbled to be asked to be Grand Marshal of the Manson Apple Blossom Parade. It, frankly, shocked him but he is honored to act in that capacity.

Dean's early years were spent in Manson where both of his parents were educators. He later moved with his parents to Lester, a stop on the railroad line between Snoqualmie Pass and Cle Elum, in the Tacoma watershed.

There were two students in his grade level. He lived there two years before going to live with a family in Manson. He attended four high schools in four years. In spite of living several different places, Manson has always been “home.”

Following his high school graduation, Dean attended Washington State University and was involved in ROTC. Upon graduation in 1969, he served in the U.S. Army, attending Armor and Aviation schools. He served in Vietnam as a Cobra helicopter

pilot.

He taught Spanish, English, and Social Studies in Brewster for six years and in Manson for 27 years. In addition, for several years, he taught English to parents in the evenings. In 1994-95, he spent eight months teaching English to Spanish speaking students in Cali, Colombia. To enrich the cultural experience for his students, Dean led several groups of Manson students to Mexico and Spain during the summer months.

In 1996, he married Kaki

and now has three children and eight grandchildren.

Dean enjoys golfing, travel, and spending time at his cabin at Canoe Creek. He served as president of Habitat for Humanity and Kiwanis. Dean was a Scout Master for Boy Scouts of America, having earned his Eagle Scout Award in his youth. He also volunteered with Lake Chelan Marine patrol. For many years, he tabulated the Apple Blossom Royalty selection ballots.

### Manson Apple Blossom Festival

### Featured Quilter Karen Jeffries

I was born and raised in Manson and attended Manson Elementary, Junior High and High School, graduating in 1969. After graduation, I attended Eastern Washington University for two years. In 1971, I married Marvin Jeffries and we have been married for over 47 years. Marv went on active duty in the Navy, and we were stationed in Northern California and Pearl Harbor, Hawaii. We returned to Manson to raise our family. We have two children Heather Coe, who is married to John Coe and teaches with John in Lake Stevens. They have a daughter Madelynn and a son Coren. Our son Sean lives and teaches in McCall, Idaho. I retired from Manson School District in 2014 after working 30 years as a paraeducator.

Besides quilting, I enjoy gardening and taking care of our yard. I love spending time with my grandchildren and watching them grow.

I took my first quilting class from “Little Sister Quilts” in 1999. My first quilt was called a sampler quilt and will be on display at the quilt show. I have come a long way since that quilt was made. Learning how to hand appliqué has been one I enjoyed because I enjoy working on them during football, basketball and baseball games. Now that I’ve made a quilt using machine appliqué, I think I enjoy doing hand appliqué better.

In the early 2000’s, I joined the quilting guild. Since then, I have enjoyed the Leavenworth retreat and all the help from the fellow quilters. For about 15 years, I’ve belonged to Round Robin with eight other ladies. We have fun quilting, eating, and just sharing about our families.

This is such an honor to represent our guild and show what I’ve been quilting over the years.

cesses. “I try not to do the same thing twice, so they are different and it is something special,” explained Susi. The crown-making process starts

once the Apple Blossom committee discloses the theme and color of the year's float.

Thirty-three years after making her first crown, Susi hands down the crown-making responsibilities to her cousin Mona Ferguson for the 2020 festivities.

Throughout the years, Susi enjoyed going up to the school and fixing the

royalty's crowns. “I take my little box. In my little box I have all the leftover pieces with my glue and that's a really fun part because I get to talk to them,” said Susi. Memorable crowns she made include the ones from 1987, 1988 and 1986.

Mona will be in charge of creating the crowns for the 100th annual Manson Apple Blossom Royalty. Mona was a Manson Apple Blossom Queen herself back in 1982, during her senior year which she said was a life-changing experience.

Three years ago, Mona recalls Susi asking her if she was interested in taking over the crown-making. Now the time has come and as she prepares to take over, her mind is already filled with creative designs. At the moment she has been playing around and has already created one crown that has lots of glitter and sparkles. “To me it's all about the community ... I want to keep that tradition alive and well,” Mona said.

As she handed the baton to the next member of the Bennett family Susi said, “we love to do this, it's our donation to the community.”

Manson Apple Blossom Festival History

By MANSON APPLE  
BLOSSOM COMMITTEE

The first Manson Apple Blossom Festival was held on Wednesday, May 11, 1921. The first royalty queen of the festival was Ruby Phelps Brown in 1928. 1947's Manson Apple Blossom Festival was special for two main reasons. The Festival was moved to Saturday and the first parade was held that year. The parade route was uphill, from west to east.

The first Manson Apple Blossom Festival button was added in 1949. Many buttons were ordered and the extra buttons were used the following year. The date 1950 was printed over the previous year's date with fingernail polish.

There were three Bennett women (Edna Bennett, Nita Bennett, Susi Bennett) who created the first crowns for the

royalties starting in 1948.

The only outdoor coronation was held in 1949. The coronation robe was added in 1960 for Queen Jeanine Ferree.

Picnic and Basket lunches were served until 1938 when the chicken noodle dinner was added, yet in 1969 and 1970 fried chicken box lunches were served.

The Lake Chelan Fortnightly Club began honoring the Royalty in 1970. In 1973, Edna Bennett made a permanent crown and scepter, with personal tiaras for the Queen and Princesses which the Apple Blossom Committee kept.

The Edible Apple Contest began in 1980 in which Jama England was the first chairperson.

In 1985, the Royal Court had a Queen and seven Princesses.

Two queens were ill during

their reigns. Barbara Fort had the mumps in 1943 and Pam Blessin had the measles in 1973.

Chelan golf travels to Leavenworth, hosts Quincy

By KIRK EINSPAHR CHELAN GOLF HEAD COACH

LEAVENWORTH - Chelan traveled to Leavenworth for a league matchup with Cascade today under beautiful skies and calm weather. Chelan was able to take team honors on the boys side with a score of 362 to Cascade's 417. Taking the top two individual spots were Chelan's Miles Grossberg (soph) with a 7-over par 78, and Joey Gasper with an 81, his best of the season. Chelan had a number of players getting PRs today, and that's great to see some scores coming down as we near the end of the season.  
For the girls, Chelan was not able to field enough players for a team score, but Chelan's Kaylin Boykin (jr) took individual honors shooting a 96, just one off of her best of the season. Andrea Villa (sr) also came in with a great day for her, shooting a PR 105,  
Chelan turns right around and hosts Quincy on Wednesday for a non-league home match, and then the boys varsity will be at the Jack Barnes Invitational on Saturday at Three Lakes Golf Course in Malaga (a tournament that had to be rescheduled due to the unusual weather this spring). The boys varsity will also be traveling to Suncadia for an invitational tournament next week Tuesday, followed by our last regular-season match and senior recognition on Thursday, May 9.

Chelan Golf hosts Quincy

CHELAN - Chelan HS golf team hosted the team from Quincy this afternoon, May 1 at the Lake Chelan GC. The day started off looking ominous, but the clouds cleared and the temperature stayed quite moderate. The Quincy boys team took honors today, besting Chelan by just 6 strokes, 387 to Chelan's 393. Individual medalist was Quincy's Nate Gonzalez with an 88, followed by Chelan's Joey Gasper (fr) with a 92 and David Chavez (jr) with a 95.  
For the girls, there was no team score as neither team had enough varsity players; individual medalist was Chelan's Kaylin Boykin (jr) with another good day and good score of 96.

Morel mushroom harvesting permits now on sale

SUBMITTED BY OKANOGAN-WENATCHEE NATIONAL FOREST

WENATCHEE - As snow melts off along lower elevations in the Entiat valley, Acting Entiat District Ranger Kari Grover Wier is ramping up for what could be a bumper mushroom season in areas burned by the Cougar Creek Fire last year. By the first weekend in May, her staff will have designated locations along Tyee Ridge, and five other locations on the Okanogan-Wenatchee National Forest, selected as commercial harvester camps to help meet the demand for folks coming to collect this beloved fungi from public lands. It's all part of the commitment to excellent customer service.  
"Mushrooms are just one of the many benefits public lands provide," said Grover Wier. "Depending upon how prolific the mushroom crop is, we could see a

large number of mushroom harvesters coming to pick in areas that burned in 2018. Which, in turn, can benefit local businesses and communities."  
Commercial mushroom harvesting permits went go on sale April 29, at USDA Forest Service offices in Wenatchee, Entiat, and Chelan. Permits went on sale May 6 in the Methow Valley where snow still covers more of the wildfire areas. Permits and maps are available for harvest areas in the McLeod, Cougar Creek, and Crescent Mountain fire areas on the Forest.  
People must have a commercial permit if they plan to collect or possess more than five gallons of mushrooms per day or if they intend to sell mushrooms. A two-day permit costs \$30, a 30-day permit is \$80 and a season permit is \$100; the season runs from April 29 through July 31. Permits must be in the harvester's possession when collecting mushrooms.  
Commercial harvesters camping overnight are encouraged to utilize designated camps, where garbage dumpsters and toilets will be placed to minimize impacts. Camps will be up and running the first weekend in May in the Entiat area including Tyee Ridge, Potato, McKenzie Ridge, Mud Creek, and Mad View. In the Methow Valley, camps will be up and running the second weekend in May including Goat Creek Sno-Park, a

dispersed campsite on Road 5130430, Twisp River Sno-Park, and the Gravel Pit. Commercial harvesters are prohibited from camping in developed campgrounds.  
"While there are thousands of acres open to mushroom harvesting, folks need to be aware of prohibited areas too like Wilderness," Grover Wier added. "By respecting the rules and minimizing impacts, mushroom harvesting can continue to be a sustainable forest product."  
Harvesting mushrooms for personal use, up to five gallons per person per day, is free but collectors must carry a copy of the Free Incidental Use Mushroom Information Sheet with them while harvesting. This information sheet can be printed off the forest website at https://go.usa.gov/xQ3YJ and is also available at local national forest offices.
