My Favorite Holiday Festivity
 Holidays are great, they make you happy have some time with your family and friends any time.
 Reason one is Holidays are special and decorative. Example is you can decorate with your relatives and decorate the house.
 Reason two is you go with your cousins. Example two is you can go to your cousins house to see what movies on a wive game.
 Reason three is giving people presents in the neighborhood.
 Example three is you can go to peoples houses and deliver presents or gifts. Its nice to see the joy in the peoples faces. Holidays are a great time to be with family and to give to others.

My Favorite Holiday Festivity.
 The thing I like to do with snow comes and its cold, our neighborhood snowball fights. We all play from December 9 to January 5.
 One reason I like to do snowball fights is because its fun we get cold and often we all get hot cocoa and marshmallows.
 Another reason I like playing snowball fights is because its harmful. Yes, I like it like that because I can get more cold and when I come inside my house I can relax more. And also it gets me stronger for some reason...
 The last reason is because its a good thing if your bored.
 If you want to exercise and have fun, do a snowball fight

My favorite holiday experience
 My favorite holiday experience is a walk up Mt. St. Helens with the kids. We all go to collect snowman balls. I love cinnamon rolls because they are yummy, warm and soft. The other thing about having cinnamon rolls during the holidays is I got to spend time with my family. Making them with my mom. This what makes the holidays so exciting by my mom & peebles

My Favorite Holiday Experience
 As I reflected back on all my holiday experiences, I came to the conclusion that Sledding is my favorite holiday festivity and here are my reasons:
 1. When I am going downhill it gets the adrenaline going.
 2. I do it with my family because we race for fun.
 3. I enjoy being outside because I use the fresh air.
 And that would be my Conclusion of My reasons

My favorite holiday festivity
 that I really love is the family reunion.
 One reason I love the family reunion is because I get to see family members and I to spend time with them and a lot of fun.
 The second reason I like the family reunion is that we eat Enchiladas! Yummmmmmm!! I love Enchiladas, that's one of the foods my mom cooks really good and everybody loves in my family.
 Last but not least is that we open presents at midnight. Don't tell my parents!!
 All the reasons above make the family reunion the best!

Christmas Eve Sermon
 At The Library
 This Christmas Eve, I hope you celebrate in the light of Jesus, it is a wonderful and Love is!
 Late night Christmas Eve you might see a plane get off the ground. I love you for that. I love you because over 150 people came to celebrate 4000.
 Late we get lights that resemble Jesus light of the world.
 As we leave with Christmas joy, talking about and then going to bed as the greatest hold my begins.
 So I hope to see you here, on the top floor.
 At The Library, even though we have a lot of people, I hope you will have a great time.
