Veterans to be honored throughoutthe week in Chelan, Manson and Entiat

MOE Veteran's Day Assembly Friday, Nov. 9, 2-2:45 p.m. **Community Gym**

CHELAN - Morgan Owings Elementary has invited members of the Veterans of Foreign Wars (VFW) to be recognized during the assembly. The little ones will sing songs to honor those Veterans present, while the fourth and fifth graders will be doing some readings regarding the celebration. Two Chelan high schoolers will join and play the trumpets as guests offer a moment of silence in memory of all who served our country.

Entiat School District Veteran's Day Assembly Nov. 9, 1:15- 2:30 p.m.

Veteran's Day Assembly will be held in the Main Gym and open to all Veterans and community members.

Manson High School's Veterans Breakfast Friday, Nov. 9 beginning at 8:30 a.m.

MANSON - All local veterans are cordially invited to attend a breakfast in their honor at Manson High School. Students will be preparing and serving pancakes, eggs, bacon and coffee. Please join them as they honor those who have served

Veteran's Day Parade and **Barbecue Lunch** Sunday, Nov. 11, 11 a.m., Downtown Chelan

CHELAN - Join the VFW at Chelan's annual Veteran's Day Parade honoring all who served. Bring your flag, be proud, show your patriotism. Parade route: Columbia Street to Woodin Avenue to Sanders Street, ends at Wapato Avenue. Immediately following the

LCCHC celebrates 70th anniversary

By Diana Piñon Staff Writer

CHELAN - Lake Chelan Hospital and Clinics celebrated their 70th anniversary on Saturday, Nov. 3 at the Lake Chelan Chamber of Commerce along with employees, commissioners and locals.

"We are very fortunate to have an incredible community hospital ... I am very excited for the future and what that looks like," said Mike Steele, MC for the event.

Steele thanked the Chamber for helping set up the event, as well as commissioners present, the Health and Wellness Foundation and the Guilds for their commitment to the hospital.

As promised updates on the new hospital project were given by the project manager.

"It's thrilling to me that we actually have some funding in place to go forward, " said Barry Leahy Project Manager of the new hospital building.

However, there are two things that need to be completed in order to move on. "We have to finish design of the hospital and we have to get it permitted by the City of Chel-

team would like to start construction on Oct. 1 of next year and complete the project by

special recognition during the celebration for all her work in both hospitals, she is pictured with Mike Steele and Celeste Thomas Hankins; Board of Commissioners Chair Mary Signorelli and Commissioner Phyllis Gleasman embrace in a hug during the hospital's 70th celebration; Project Manager Barry Leahy had updates regarding the new hospital.

Chelan's Vicki Carr receives Racial Justice Award

By Diana Piñon Staff Writer

CHELAN - After graduating Chelan High School in 1961 and obtaining her major as a PE teacher with an English minor, Vicki Carr headed to Alaska with her son to continue her teaching adventure.

Without a teaching contract Carr and her son arrived to Anchorage, Alaska. Soon after school started Carr was able to land a contract due to the "oil boom time."

Carr is now a retired Alaska teacher, however during her teaching career she taught English as a Second Language (ESL), to mainly Eskimo students coming out of the Artic villages.

She also taught ESL in Hawaii to Tongans and Samoans. For a period of five years, Carr was able to teach Japanese students "English conversations" through satellite.

She recalls her Japanese students being hungry for Western culture. Here in Chelan, Carr was also able to teach ESL for several years.

"In the meantime my other very serious effort is U.S. Citizenship, three of my four grandparents came from Europe so I know what it means to be of an immigrant family," said Carr.

To her undocumented residents in the country are out there doing some of the toughest work. "They are standing on the sidewalk outside the candy store, looking in the window but they can't go in the candy store and buy what they want and get what they want and until they can get their U.S. Citizenship they're not allow to come in and use and have all the riches of the United States," she said.

Since this is very dear to her heart, Carr was a lead teacher in a Citizenship class here in Chelan. In her roster, she remembers having about 70 names.

Spanish speaking attorneys were brought to Chelan by Carr in order to answer general questions and also to help with the application process. In order to receive Citizen-

ship, one must pass an American History and Civics test. People who take this test study 100 questions and they are asked 10 of them at random. To pass they need to get six of them correctly.

Carr has helped many individuals in Chelan prepare for the Citizenship test by spending time one-on-one studying. "The road to Citizenship is so problematic and it is long," she said.

Carr got involved in all this through the North West Immi-

School threat at Chelan High School investigated

How was the incident handled?

COMPILED BY DIANA PIÑON STAFF WRITER

CHELAN - School officials, Principal Brad Wilson and Superintendent Barry DePaoli were informed of the incident at 5:45 p.m. on the evening of Tuesday, Oct. 30.

The information was submitted to an administrator, it unveiled the title of the chat room "School Shooting Tomorrow."

Law enforcement was contacted immediately, they met at the high school and together they began the investigation. Several names were uncovered from the screen shot; students and parents were called and in some cases interviewed.

Based on the interviews they were able to determined where the message originated.

Lake Chelan

School District

Super. Barry

DePaoli

It was determined there were alarming statements made, however the threat was not credible. A high school staff meeting was held the morning

helan **High School Principal Brad** Wilson

dent Barry DePaoli said he notified the community via a local radio station that "we were safe" concerning what turned out to

be a "false threat." "I was encouraged by the quick response by law enforcement and the fact that students

of Oct. 31, to and parents were quickly to report the incident to school inform and administrators," added Dereassure them that Paoli. they were

The school resource officer was notified of the incident soon after and worked with the district to resolve the situation. The school district did an emergency expulsion of one of the students involved and they worked with the Sheriff's office to expel another student the next morning.

The Chelan County Sheriff's office had extra presence at the school Wednesday morning, Oct. 31 including a detective if needed for follow-up on the incident.

'We all take potentially

threating statements very seriously, and we are very grateful for the collaboration of the Chelan County Sheriff's department in helping to determine if threats are credible and/or criminal," stated Chelan High School Principal

Brad Wilson. The admiration is confident they made the appropriate disciplinary actions and that Chelan High School and Chelan Middle School are a safe place for students, staff and the community.

"The incident is a reminder to everyone that if you "see something – say something" as we all responsible for safety," added DePaoli.

Ghosts, Goblins and Zombies invade Chelan

By Diana Piñon STAFF WRITER

CHELAN - Halloween night in Downtown Chelan was magical. Kiddos and adults a like were able to have safe trick-or-treating. Historic Downtown Chelan Association hosted the event, filled with ghostly melodies and a fun costume competition at the Woodin/Emerson intersection.

Afterwards everyone enjoyed the moves from Chelan and Manson locals, as they performed Michael Jackson's Thriller. The night couldn't be complete without hot chocolate provided at the Chelan Fire Station.

The Halloween festivities have officially kicked-off Fall and Winter Events in town.

Photos by Diana Piñon

CLOCKWISE FROM ABOVE: Nova, Dash and Maki Lopez enjoying the candy they received during trickor-treating in Downtown Chelan. This year's costume competition was spot on, everyone who participated seemed to have a lot creativity dressing up. Anita Rutter and her fellow zombie companion Jean Kulakowski were spotted in the distance as they made their way into town. The zombies scared more than one but with their Thriller moves they were able to hype up the crowd.

VETERAN PROFILE

20 years of **Military Service**

Submitted by Brian Strausbaugh

I entered the Navy right after my 21st Birthday on the 26th of April 1956, and I retired on June 25, 1975. All of my Service time was on the West Coast spending 12 years out of the 20 at the Naval Air Station, Whidbey Island at Oak Harbor, Wash.

After Boot Camp in San Diego, Calif., I was sent to Norman, Okla. for basic introduction to Naval Aviation Program. There was a specific name to the school or training, however that escapes me at the moment. After Norman, Okla. I was sent to Memphis, Tenn. for Aircraft Structures Maintenance, and Repair.

In January of 1957 after Graduation from school at Memphis. I was sent to Whidbey Island where I was assigned to a Heavy Mining Squadron VAHM-10 which was flying the Lockheed P2V6M, a Twin

Radial Engine Aircraft with a Small Jet Engine mounted under each wing used mainly to assist in take- off's.

In the first year with the Squadron their mission changed from Mining to Anti-Submarine Warfare (VP-17), and a model of the P2 changed from the P2V6M to the P2V5F. Same basic aircraft just different mission. I performed maintenance on both aircraft, and also had the opportunity to become a Flight Crew Member which required General Mechanical knowledge of the Aircraft. I assisted the pilot, and co-pilot in monitoring engine related instruments, and other systems such as fuel, and hydraulic's, and pointing out malfunction's or problems should one occur.

I made yearly deployments to various places. The deployment's were six month's in duration usually to Japan, and to Kodiak, Alaska. Prior to leaving VP-17 they upgraded to the P2V-7s, the newest Model of the P2 Aircraft made by Lockheed Corp.

Veteran's Day Celebration American Legion **Post 108** Sunday, Nov. 11, 11 a.m.

MANSON - Take a few minutes out of your day and join members of American Legion Post 108 as they honor those

In 1960 after nearly four years with the P2 Aircraft, I rotated to my 1st Shore Duty Tour. I just moved from one hangar to another, and began duty with Support to the various Squadron's with different Aircraft that were Stationed at

NAS Whidbey. My next rotation back to Sea Duty I was transferred to North Island, San Diego Calif. assigned to VP-40 a Sea Plane Squadron flying the Martin Marlin P5M-2. Same exact Mission as my first tour with VP-17, only with a very large Sea Plane! I spent a little over three years with VP-40 having the same duties as with VP-17. The Deployments with VP 40 were to the Philippine Islands, Sangley Point.

From San Diego I returned back to Whidbey Island for another Shore Duty Tour this time with a Training Squadron flying the A3D-2 Sky Warrior, a Twin Jet which flew on, and off Air Craft Carrier's. Perhaps the largest Aircraft ever to do so. If not the largest certainly one of the largest. While with VAH-

that have served the country. American Legion Post Commander Clyde McClullough will lead a formal ceremony honoring our veterans. The event will take place at the American Legion Park across from the Manson Business Center. The Manson High School band will be there to play some patriotic songs. Treats will available after the ceremony.

123 I experienced my first visit aboard an Aircraft Carrier. The mission of the Squadron was to train pilot's to land, and take-off from a carrier. Needless to say it was very different from land

take-off's, and landing's! I had advanced in rank by this time to pay grade E-6, and I supervised as well as performed maintenance on the A-3 Aircraft. Just prior the going back to Sea Duty at Moffitt Field in the San Francisco Bay Area of Calif. I was Advanced to pay grade E-7 Chief Petty Officer. At San Jose, Calif. NAS Moffitt Field I was assigned to my third duty with yet another VP Squadron Flying the P-3 Orion a four Engine Turbo Prop

This was the "Cadillac" of flying with the Navy. This aircraft was originally introduced into the Commercial Aircraft Industry as the the "Lockheed Electra", and later was adopted by the Navy as a replacement aircraft for the very old, and tired P2V's. Here again I was involved with the VP- ASW entity of the Naval Air Force. Having advanced to the Rating of CPO I now was pretty much involved as a Supervisor of Maintenance.

I did however have the opportunity to become a Flight Engineer in the P-3 Aircraft. This designation was way more advanced than my previous duties as a "Plane Captain" while in the P2V's or P5M's. Flight Engineer designation in the P-3 Air Craft was a whole new "Ball Game"! I under went three month's of extensive schooling learning the P-3 Engine, Hydraulic, Electrical System, and Propeller Systems operation, and I personally dealt with any, and all malfunctions involving the afore mentioned systems while operating on the ground or in flight.

Deployment's with the P-3 Squadron, VP-19 again we made deployment's to the Philippine Islands this time to Subic Bay, Cubi Point Naval Air Station. With VP-19 we pretty much flew all over the world. In the three years I was in the P-3 program I saw more of the U.S., and Pacific Theater than all the rest of my time in the Navy. Thailand, Japan, Hong Kong, China as well as many Military Bases across the U.S.

Vancouver, Wash. ... I wrote a newspaper column about why I support immigration efforts and the President of the Pacific North West Conference of UMW quoted from my piece why I am involved in Citizenship," Carr described.

Carr stood on stage with tears rolling down her eyes as she heard her words being quoted

"It is encouraging to know that people understand that what we do to help others is worthy of being recognized," she said.

TIME TO TALK RYPTOCURRENCY

Chelan PUD staff has proposed rates for cryptocurrency and similar operations.

- Nov. 7 is your chance to get answers on what the proposed rates would mean for you. Staff will have sample bills to share and time to talk examples.
- **Nov. 19**, PUD Commissioners will review proposed rates, take public comment and consider the current moratorium.

Visit **chelanpud.org** and click on the cryptocurrency image for details on the proposed rates and to leave comments if you can't attend the meetings.

Building bridges: Chelan celebrates Dia de los Muertos

BY DIANA PIÑON STAFF WRITER

CHELAN - Historic Downtown Chelan Association launched the first annual Dia de los Muertos (Day of the Dead) celebration on Saturday, Nov. 3 at Riverwalk

Dia de los Muertos is a Mexican tradition that celebrates and honors deceased loved ones. Typically celebrated on Nov. 2, by putting together beautiful altars decorated with candles, flowers and

During this day, it is believed that adult spirits come down to enjoy the festivities that have been prepared for

Locals were able to get a taste of this tradition by checking out the ofrendas (altars) that were created by several teams of students from Manson and Chelan schools. The ofrendas were on display in local downtown businesses from Oct. 31 to Nov. 4.

Saturday had a little bit of everything for everyone to enjoy. Throughout the afternoon kids had the chance to hit the piñata, get their faces painted while also participating in kids activities and story-telling.

Families at Riverwalk Park got to witness the dancing horses perform, delight-

ing more than more. HDCA wrapped up Dia de los Muertos with a parade through downtown.

CLOCKWISE FROM TOP: This particular of renda was displayed

inside Chelan High School, there was bread, fruit, candles and flowers to honor deceased loved ones. One of the six sugar skull themed piñatas Chelan High School's sophomore and senior Art classes created. Chelan Mayor Mike Cooney also joined the celebration. Erin McCardle Historic Downtown Chelan Director dressed as a Catrina, an icon of the Mexican Dia de los Muertos. Dozens of people waited patiently in line to get their faces painted throughout Saturday's afternoon celebration.

Manson Trojans defeated at home

By Joey Johanson, Manson FOOTBALL HEAD COACH

Game Recap 11/2/2018 vs. **Liberty Christian** Final score: Manson 7 **Liberty Christian 16**

MANSON - Manson hosted Liberty Christian (Richland) in a crossover playoff game with a trip to State on the line. Manson got on the board first with a 36 yard touchdown pass from QB Avery Thompson to Wide Receiver Alex Zaragosa. Thompson kicked the extra point and the Trojans hung onto the 7-0 lead all the way to halftime. The defense of the Trojans was absolutely lights out. Liberty Christian is a high octane passing team, but could not get anything against the tight man coverage of the Trojans. "We knew we would need the defense tonight. We were already dinged up coming into this game and we lost one of our best offensive threats in the beginning of the 2nd quarter in running back Marco Sanchez," said Coach Joey Johanson. "The defense absolutely showed up! They couldn't move the ball on us." Linebackers Bailey Cameron and Cole Beazley along with defensive end Parker Schoenwald combined for 37

tackles Running back Marco Sanchez started off the game hot with 3 carries of 10+ yards each including a crucial 1st down catch on a 3rd down. Unfortunately, early in the 2nd quarter Sanchez went down with a collarbone injury. "You could tell they had no answer for Marco Sanchez tonight. It was very unfortunate to lose him because he was the spark we needed. I am very proud

Photo by Diana Piñon

Avery Thompson (1) celebrates the only touchdown of the night along with his teammates Tucker Flowers (23) and Alex Zaragosa (7).

of how hard Marco battled. He did not want to even leave the game," said Coach Johanson. After Marco left the game Bailey Cameron took on the work load and ended up rushing for 86 yards.

Overall the Trojans played a great game. Their effort was evident all over the field tonight. The Trojans had lost to this same team earlier in the year 32-14 with a full and healthy roster, "To bounce back against this team like we did was pretty impressive. I asked the players to be very physical tonight and they took my request to heart. The hardest part of tonight was saying goodbye to another

large Senior class and to many who have given and provided a lot to this program. I am very proud I had the opportunity to coach this team alongside my assistant coaches.

Passing: Avery Thompson, 6 for 25, 63 yards, 1 TD, 3 INT Rushing: Bailey Cameron 17 carries fo

Marco Sanchez 3 carries for 37 Receiving: Cole Beazley, 1 reception 3 yards

1 TD

Marco Sanchez 2 receptions for 16

Defense:

Lady Trojans will be playing in the State Tournament at the Sun Dome on Thursday Nov. 8.

By Hayli Thompson Manson Volleyball Head Coach

MANSON - The Trojans extended their 2018 season and punched their ticket to State after a nail biting win against Lake Roosevelt in Round 2 of District Playoffs on Thursday Nov. 1.

The teams battled 5 sets with scores of 25-13, 17-25, 25-17, 17-25 and 15-7.

It was a true team effort for

the Trojans.

Josephine Thompson had 11 kills, Maycee Ward added 10 and Megan Clausen had 7.

Josephine led the team with 16 digs and Megan added 10. Megan also had 5 solo

blocks on the night. Behind the service line, Megan served 22/24 with 6 aces, Lauren Soliday served 18/19, Josephine served 18/20 and Maycee served 14/16 with 4 aces.

Devyn Smith was the only 100% server with 9/9.

The Trojans will travel to Yakima next week to compete in the 2018 State Championship Tournament at the Sun Dome. Games will take place Thursday, Nov. 8 and, if we win one, we play Friday,

I am so proud of this teamthey play with such contagious energy and effort- it's hard not to root for them.

You've Got It! Somebody Wants It!

Chelan Football wraps up the season with a win

Chelan 49 -Medical Lake 6

By Travis Domser Chelan FOOTBALL HEAD COACH

Our kids played with great effort and enthusiasm

2). This great group of kids went out with a bang. Defensively we held Medical Lake to 9 yards rushing on 20 carries. That capped a season of improvement on defense. This was the

on the road on Friday (Nov. second game this season only giving up one score. We also had 2 shutouts on defense this year. Offensively we explored for 4 quarters and racked up 515 yards of offense and scored over 28 points for

the fifth time this season. These seniors will truly be missed. A lot of them were dedicated for 4 years and put a lot into our program. We wish the seniors well and look forward to our next years team. Back to work.

Five year review complete at Holden Mine; open house Nov. 8

SUBMITTED BY OKANOGAN-Wenatchee National Forest

CHELAN - The USDA Forest Service recently completed a five year review at the Holden Mine remediation site to evaluate if the construction of the past five years is performing as it should. This review studied water quality, soil contamination, and other aspects of protecting human health and the environment.

"We're in this for as long as it takes to get it right," said Chelan District Ranger, Kari Grover-Wier. "While the first five years have seen massive progress, we want to make sure this watershed will be on track for recovery for decades to come."

An open house is scheduled for Nov. 8, 2018 at the Lake Chelan Chamber of Commerce from 6-7 p.m. to share more information on the project. Partners and stakeholders in this project include Rio Tinto, Holden Village, the Yakama Nation, Washington Department of Ecology and the Environmental Protection Agency.

Abandoned in 1957, the Mine contaminated groundwater and surface water with toxic metals that washed downstream along Railroad Creek before polluting water in Lake Chelan. Unstable waste rock and tailings piles leftover from more than 10 million tons of mined ore further compounded the problem.

Key Review Findings for Phase 1:

- · Construction is occurring in accordance with the requirements of the Record of Decision, the Unilateral Administrative Order and the approved remedial design.
 - · Water quality standards
