Fourth annual appreciation BBQ to be held in Manson

Veteran's, First Responders/EMT, Law Enforcement Officer and their families are welcome to attend

BY DIANA PIÑON STAFF WRITER

MANSON – The Veterans of Foreign Wars and Auxiliary – Post 6853 present the fourth annual Veteran's, First Responders/EMT & Law Enforcement Officer barbecue on Saturday, Sept. 22.

Starting at 3 p.m. service men and women along with their families will have the chance to enjoy the event at Champion Orchards, 2470 Totem Pole Road in Manson, all free of charge.

Those who attend will be able to win door prizes and savor ribs, chicken and all other great fixings contributors and volunteers will put together.

Robert Serafini member of the Veterans of Foreign Wars and Auxiliary – Post 6853, stated that this event was something that crossed his mind four years ago as an effort to “say thanks” to all service men and women for all the great amounts of work they do for our community.

Each year the event grows more and more and this year approximate 130 people are expected to attend.

Serafini appreciates all the help from the community the event has received. Donations are still being accepted, for questions call Serafini at (509)679-4949.

Five new firefighters and one promoted at the Chelan Fire and Rescue meeting

BY DIANA PIÑON STAFF WRITER

CHELAN – The staffing plan for the remainder of the year and the 2019 staffing plan were addressed at the Chelan Fire and Rescue Commissioner meeting on Wednesday, September 12.

Deputy Fire Chief Mark Donnell introduced the new firefighters that will be joining Chelan Fire and Rescue for the rest of 2018.

The following individuals were pinned as new temporary firefighters at the meeting;

Jonathan Mendoza, Hunter Newmiller, Sam Belsky, Samantha Rains and Austin Yancey.

The five will fulfill the temporary position of the SAFER Grant until the end of the year. Donnell announced that all five will be working through a program to get them ready for the Firefighter 1 position.

“We are glad to have them on board,” said Donnell.

Chief Tim Lemon explained that some articles were waived for the duration of the SAFER Grant and that’s how they were able to hire the new employees, “this covers 2018 staff moving forward,” he said.

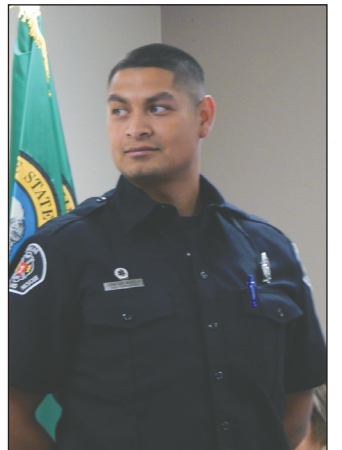

Tyee Zacher was promoted to Lieutenant, and his daughters were in charge of pinning him. “Congratulations,” said

City council approves first change to the Woodin Avenue Bridge construction

BY DIANA PIÑON STAFF WRITER

CHELAN – With only two agenda items, the Chelan City Council held its first meeting for the month on Tuesday, Sept. 11.

Before officially starting the

meeting, Mayor Mike Cooney asked the attendees for a moment of reflection for “9-11 people who were affected by the loss and the tragedy, lets take a moment for them.”

With no public comment and with no special presenta-

tions, Cooney rapidly moved on to new business.

The first item that was addressed was a Woodin Avenue project change. Public Works Director Jake Youngren reported to the Council that Selland Construction has pro-

posed a different pipe system for the domestic waterline being suspended under the bridge. This change would result in a credit of \$16,458, “the chance doesn’t affect the lifetime of the waterline, it’s

Sen. Hawkins second annual Listening Tour visits Chelan

BY DIANA PIÑON STAFF WRITER

CHELAN – Visiting Chelan for his second annual listening tour was Sen. Brad Hawkins

On the morning of Wednesday, Sept. 12. Hawkins met with Chelan Mayor Mike Cooney, Lake Chelan School District officials, Chelan Fire District officials, the Seven Acres Group and citizens of Chelan.

“It has been really good just to hear from everybody. We talked about school funding, we talked about wildfires, affordable housing and other important issues to the community here,” said Sen. Hawkins.

This year was a great turnout for the Listening Tour, “we came a little early and extended the time and stayed a little bit later.”

According to Hawkins, “it has been a very positive re-

sponse, pretty much everywhere we have gone. This idea of the Listening Tour was one that I started last year, it was just an effort to try to reach out and connect with different people in a unique and different way.”

In Chelan, one of the concerns brought to Sen. Hawkins was education funding. “The State of Washington recently implemented some education reforms at the state level, for increase funding to schools and local levy reforms,” he explained. Due to such reforms a discussion between Lake Chelan School District board members and Hawkins took place.

Hawkins also had a “good discussion” with Mayor Cooney and Rachel Goldie on affordable housing. In the talks were, making sure housing in Chelan and Manson area is affordable for people to

live here. “By keeping houses affordable here, we’ll help provide that steady stream of employment opportunities for younger families,” said Hawkins.

The Seven Acres group spoke about “the idea of a community center ...that was something I first heard of today,” clarified Hawkins.

Some of the issues the community addressed to Sen. Hawkins he was aware of, however he is always learning more about them.

Locals that meet with Hawkins also have questions for him and he is always there to clarify anything.

“People have been able to utilize these stops for multiple resources,” Hawkins said.

Two things always in mind for Hawkins are being accessible to people he serves and being a good listener.

“Having the opportunity to

Photo by Diana Piñon

Sen. Brad Hawkins and Chelan mayor Mike Cooney had a discussion about affordable housing in Chelan and Manson areas.

travel throughout the District and connect with people, hear their thoughts and concerns is really important to me. It helps me do my job better,” said Hawkins.

By being a good listener, Hawkins is able to be a good policy maker. “I have a better sense of what the thoughts are, and the issues and the needs of the different commu-

nities are,” the Senator said.

On his Listening Tour, Hawkins brings staff from Olympia, “we take the staff

CHELAN FIRE

CONTINUED FROM PAGE A1

option will keep the current
six career firefighters, main-
tains all staff and adds one
floating shift.

Chief explained to the Com-
missioners that all he wants
from them is some direction
and that they shouldn't drop
below having two career staff
at all times.

The Commissioners thanked
Lemon for the elaborated
work he has done and they
also think that they should
have a long range planning for
the future in order to have all
fine details addressed.

In other business:

- Lisa Garvich and a group of volunteers have helped out with Chelan Fire and Rescue's website to keep it updated and also have taken their time to help out during the busy fire season to answer phone calls from those calling the station asking for information.

- Chief Lemon informed the Commissioners that \$12,000 out of the estimated \$65,400 for the nearby wildland fires has been received by CFR, \$23,000

is on wages and \$41,000 in ap-
paratus. The rest of the money
should be received in the next
six to 12 weeks.

- For the month of August 118 emergency responses were received, that's 12 percent above last year during the same time of year. This anticipates that CFR will close out the year eight percent above 2017. Some of those responses involved the Cougar Creek Fire in Entiat, brush fires, a residential house fire in Manson, McNeil semitruck accident and one boat accident.

- Chief Lemon also informed the Commissioners he met with Senator Brad Hawkins during his listening tour in Chelan and exchanged some words regarding legislature concerns.

- Deputy Fire Chief Donnell reported that four staff firefighters were lost and they that they landed new jobs.

- Assistant Fire Chief Brandon Asher mentioned that volunteers have not been lost, however most of them have night jobs which makes it

difficult for them to come out.
Asher is still having trouble
with volunteers covering stip-
end shifts especially during
the weekends. So far, he has
nine recruits for the next
academy, four from Chelan,
four from Orondo and one
from Entiat.

- Asher is also working on a Cadet Program, he will visit-
ing and giving a presentation
for Chelan High School in the
next upcoming weeks.

- Firefighter Association Report:

The association ended the
month of August with a total
of \$27,822, during that month
there was six withdraws from
the funds. One of those was
to purchase a banner for the
parade truck.

The association also con-

tributed with two donations
to fire victims, six additional
Walmart gift cards were pur-
chased for the future. They
also acquired gifts, cake and
donuts to say farewell to the
career firefighters who left
about CFR responding to
emergency calls. At the end
it was agreed that CFR will
keep responding to those
calls and things will remain
as they are now.

the December auction.

- Commissioner Russ Jones informed the rest of the board that along with Chief Lemon they met with Lake Chelan Community Hospital and Clinics Hospital CEO to talk about CFR responding to emergency calls. At the end it was agreed that CFR will keep responding to those calls and things will remain as they are now.

COUNCIL

CONTINUED FROM PAGE A1

just a different piping system,"
explained Youngren.

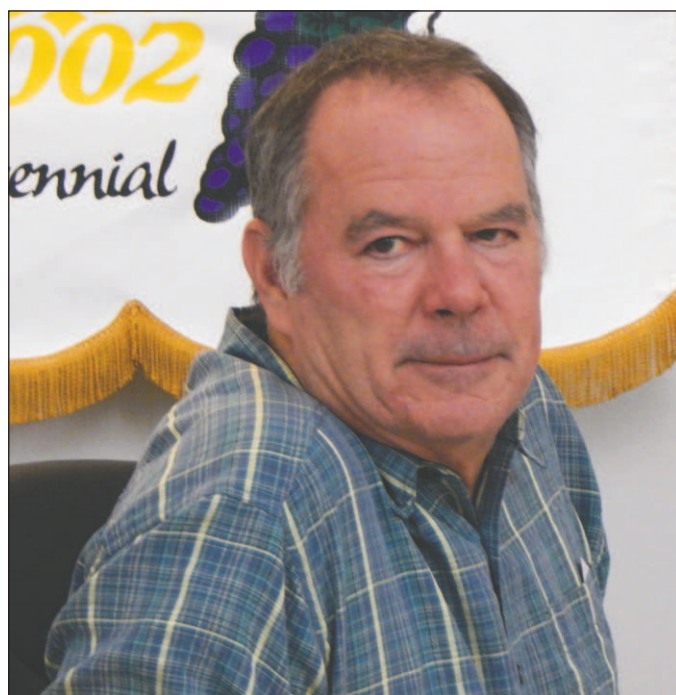

Youngren then reported on
the second agenda item, an
utility extension agreement
with Dan and Vicki Selin.
The Selins have requested
the extension of water and
sewer utilities to service their
property.

According to the City's pol-
icy, utility services will be
extended to properties located
outside the City limits, how-
ever properties must remain
inside the City's urban growth
area. Since such proposed
property follows the guide-
lines, it is included in the City's
utility planning efforts.

Dan Selin was present at
the meeting and was able to
expand on his request and
also answered questions the
Council had.

"My wife and I are inter-
ested in developing this prop-
erty. We bought three pieces of
property totaling 93 acres, we
are maximizing our orchards
which is 50 acres. So far we
have planted 25 acres, we are
doing irrigation lines right
now and planting the other 25
acres in this coming April,"
said Selin.

He added, "we are hoping
to have our home in one of the
parcels, we have a home site
for our orchard manager, we
have some couple pieces that
are right at the entry of off
Crystal Drive which the land
is not irrigable ... we have two
lots and we want to create an
entry."

Photos by Diana Piñon

ABOVE: Mayor Mike Cooney. TOP RIGHT: Dan Selin. BOTTOM RIGHT: Council member Ray Dobbs.

His proposal is then to add
utilities to the two lots right
on the Crystal Drive entry, the
Selins will also add 600 feet of
road. "Those are the types of
things my wife and I want to
do," Selin said.

Councilwoman Wendy Isen-
hart had a question regarding
cost sharing. "Is the City pay-
ing for it?" she asked. Which
Younger clarified that Selin
will be covering all costs, "we
are going to make it look like a
nice entry," said Selin.

Cooney made the rest of the
Council aware on the fact that
there was been a lot of discus-
sion regarding fixing intersec-
tions which have been affected
by the reconstruction of the
Woodin Avenue Bridge.

"It seem like it's flowing well,
but when it is opened and it
has one lane the bridge has a
whole different feel to it," said
Cooney.

Pedestrian signage near the
high schools will eventually
be repainted by Public Works
and Youngern also stated that
the State is working on adding
flashing cross walks at each
school.

The Mayor also pointed out
how confusing some of the
flashing signage was near the
Dan Gordon Bridge for some
people. Due to this they will
get that fixed and they will
also add "caution school ahead
or some kind of wordage to
that."

Councilmember Ray Dobbs
also mentioned that some sig-
nage should be added near the
Chelan IGA Market for those
coming from Manson.

Youngren clarified that he
will be working with the con-
tactor and fixing all those
issues for the duration of the
project.

Also addressed in the meet-
ing:

- Registration Drive in Chelan is scheduled for September 25, the drive is part of the National Vote of Registration Day, this event helps all those who

are eligible to vote register.

There are three major loca-
tions in which this event will
be held;

- 1. Chelan IGA Market 2. Manson Red Apple 3. Chelan Food Bank

The group will be also visit-
ing the high school and help
students who are eligible to
pre-register. Posters for the
event will be hung around
downtown for more infor-
mation in both Spanish and
English. Spanish speaking
volunteers will be at the differ-
ent locations helping Spanish
speaking locals. The group
is also partnering up with
Chelan Valley Hope and local
churches to help those who
can't get out on the 25 and
register.

- Councilmember Ray Dobbs

thanked the Council for sign-
ing a letter of support for a
Link Transit Grant for local
service in town. In summary,
Link will provide a three part
service program which could
change. One will be a shuttle
service in Chelan operating
between Lakeside and Wal-
mart, possible free of cost, it
will run from May to October.
The second service is a Dial-
Ride, the user will give Link a
phone call the day before, they
will get picked up and drop off
anywhere in the Chelan Valley
for one dollar, this service will
be up and running in July and
will run year round. The third
piece is Bus Route 21, the ser-
vice will remain the same. The
services will be determined
based on the approval of the
grant which was submitted
last Friday.

- Mayor Cooney wants to re-
mind everyone about the City
of Chelan Town Hall meeting
on September 27, at the Chelan
Senior Center, 534 E. Trow
Avenue. The items that will
be addressed include; Public
interest in purchasing recre-
ation land/ waterfront access,
affordable housing update,
Woodin Avenue Bridge Update
and there will be also time to
ask Mayor questions.

PUD Commission gets staff report on importance of coho program to Habitat Conservation Plan

SUBMITTED BY
CHELAN COUNTY PUD

WENATCHEE – The Chelan County PUD Board of Commissioners received a staff report at the Tuesday, Sept. 4, Commission meeting, outlining a proposal to enter into a long-term, 15-year contract with the Yakama Nation. Chelan PUD and the Yakama Nation have had an agreement for the past ten years to conduct a pilot program for the reintroduction of coho salmon into the Rock Island and Rocky Reach reservoirs.

“We have learned a lot during the past 10 years,” Alene Underwood, PUD Fish & Wildlife manager told the Commission. “This contract would fully implement the pilot project we have had with the Yakamas and would give the PUD Habitat Conservation Plans (HCP) long-term certainty for protecting coho salmon. Our hatchery programs are a key element to our commitment of No Net Impact for salmon and steelhead migrating past Rock Island and Rocky Reach.”

Under the agreement, the Yakama Nation will continue its work to reestablish naturally spawning coho populations in the mid-Columbia tributaries to biologically sustainable levels and to provide significant harvest in most years. The 15-year cost of the program is \$9.7 million.

“Resource stewardship is a fundamental value for the PUD,” added General Manager Steve Wright. “This agreement is the most cost effective option that that we considered and it guarantees our coho compliance for the full 15 years.”

The proposed contract provides for the PUD to join the

Bonneville Power Administration (BPA), along with Grant and Douglas PUDs to provide for the reintroduction of coho. It’s important to note that all of the signatories to the PUD’s HCP have endorsed this proposal.

The HCPs are an obligation Chelan PUD has to satisfy salmon and steelhead protection under its Federal Energy Regulatory Commission (FERC) licenses for Rocky Reach and Rock Island Dams.

Staff will be back on Sept. 17, to seek Commission approval.

In other business, commissioners:

- Continued deliberations on a new Blockchain/Cryptocurrency rate and charges. In today’s discussion, the staff presented options for a residential cryptocurrency mining rate in response to concerns expressed at previous public meetings from small-operation crypto-miners. (Start 43:30)

- Heard a staff report on continued conversations with the five cities and Chelan County on cryptocurrency zoning and planning. The PUD, cities and the county met in June to discuss concerns, especially safety concerns around cryptocurrency mining that could overload power equipment in residential neighborhoods. Meetings are continuing this fall to discuss PUD electrical capacity and the ability to serve organic growth that the County is experiencing; (Start 44:00 in the meet audio)

- Received an update on setting new rates for businesses seeking to put equipment on PUD power poles. Changes in state law led to a review of the rates in place since 1999. Staff recommended setting an interim rate of \$23.14 until two issues on a pending court ap-

peal are resolved. Approval for the pole attachment rate will be part of the boards’ annual review of fees and charges in November; (Start 1:04:00)

- Approved an increase in the capital project budget for improvements at the Peshastin Wastewater Plant to meet new state requirements. Earlier bids exceeded the engineer’s estimate by more than 15 percent and were rejected. The budget is now, \$4.86 million, up from \$4.1 million due to the project taking more labor hours than originally estimated.

- Updated on Leavenworth PUD office hours. The office will be open Monday and Wednesday, 1 – 5 p.m., for customer service and bill paying. Due to the limited customer traffic, the PUD decided to reduce office hours. Customers still can drop off payments any time – or sign up for PowerPay online. Service crews will continue to work from the Leavenworth office.

- Announced that the Wenatchee Mayor and City Council would be joining the Commission Study Session on Monday, Sept. 17, at 10 a.m. to talk about parking issues in the quickly developing area along the riverfront and to seek solutions.

Upcoming events:

- Sept. 29 – County & PUD auction, 201 Easy Street, Wenatchee
- Oct. 1-6 – Public Power Week
- Oct. 1 – Commission meeting, 10 a.m., boardroom
- Oct. 5 – Public Power Week customer THANK YOU!, 10-2 p.m., treats at Chelan & Wenatchee offices
- Oct. 6 – Hydropower Celebration, 10 a.m.-1 p.m., Pybus Public Market, Wenatchee

Photo submitted by Roots Community School

Thirty-five students entered the school year on Sept. 4, 2018 at Roots Community School.

Enrollment nearly triples at Roots Community School

SUBMITTED BY
ROOTS COMMUNITY SCHOOL

CHELAN - Enrollment has nearly tripled at Roots Community School (RCS) since the new school opened its doors in 2017. Thirty-five students entered the school year on Sept. 4, 2018 – nearly a three-fold increase from the twelve students in 2017. “We are excited to welcome so many new families to the Roots educational community,” says Aura Sanderson, Roots board president.

“We have increased our teaching staff and are well on our way to our goal of 45 students.”

Enrollment has been capped for grades 4 and 5, but the school is still accepting students for grades K-3. Tuition

for the 2018/19 school year is \$5,500 and two \$2,500 scholarships are available from a private foundation to supplement tuition.

“The teaching staff is looking forward to building on the successes of our first year,” reports Rachel Robison, Director of Education. “We took great strides in establishing our culture and rhythms last year. This year we will build on this strong foundation.”

The school offers a multi-age and thematically-focused learning environment for students. The structure allows students to learn at a pace calibrated to individual gifts and temperaments.

“We loved our first year at Roots,” says parent Krista Frahm. “Rachel was able to

identify my son’s learning style and adjust teaching accordingly. He thrived at Roots.”

The multi-age environment also bolsters deeper learning as older students explain concepts to younger students. This solidifies concepts for the older students and allows them to serve as role models for younger students. “We call ourselves a community of learners,” says Robison.

“Societies thrive when their members learn together and this habit starts early at Roots.”

“This all started as just a seed of an idea and a lot of hard work from everyone involved,” says Board President Sanderson. “We are blessed and amazed to see how far we’ve come.”

Photo by Diana Piñon

Sen. Brad Hawkins (middle), talks with Ty Witt and another member of the Seven Acres group. They shared their idea for a community center on property they own.

HAWKINS

CONTINUED FROM PAGE A1

resources from Olympia to the different communities and we are ready to answer questions, research issues, develop budget requests and things like that.”

Since the area Sen. Hawkins is responsible for is so large, he wants to make sure all communities are represented and he wants them to have a voice. “I do not want someone

who is in a community in the outer areas to feel under represented.”

Now with all the information and all notes in hand, Sen. Hawkins will go back to Olympia and get ready for the Legislature in January. “Having time in the fall, gives us an opportunity to be successful in the legislative arena ... because it is a very competitive arena and there’s a finite amount of resources,” said Hawkins.

The Listening Tour kicked

off in Leavenworth, followed by Cashmere, Wenatchee, Chelan, Coulee City, Soap Lake, Waterville, Bridgeport and Twisp. “It is a lot of ground to cover, but it is great way to be efficient and make ourselves available,” said Hawkins.

The tour concluded with a community hike Friday morning at the Patterson Mountain trail near Winthrop.

Sen. Hawkins hopes to continue with the Listening Tour every year.

Visit a Washington state park for free Sept. 22

OLYMPIA - Saturday, Sept. 22, marks the 25th anniversary of National Public Lands Day. Washington State Parks invites the public to visit a state park for free on this day. No Discover Pass will be required for day visits.

National Public Lands Day (NPLD) is coordinated by the National Environmental Education Foundation.

State Parks free days are in keeping with 2011 legislation that created the Discover Pass, which costs \$30 annually or \$10 for a one-day visit. The pass is required for vehicle access to state recreation lands managed by Washington State Parks, the Washington Department of Fish and Wildlife (WDFW) and the Department of Natural Resources (DNR). The Discover Pass legislation directed State Parks to designate up to 12 free days when the pass would not be required to visit state parks. The free days apply only at state parks; the Discover Pass is still required on WDFW and DNR lands.

Two more State Parks free days are available in 2018:

- Sunday, Nov. 11 — Veterans Day
- Friday, Nov. 23 — Autumn free day

For more information about NPLD, visit neefusa.org/npld. The public is encouraged to

follow and participate in the environmental stewardship conversation on social media using the hashtag #NPLD.

About Washington State Parks

The Washington State Parks and Recreation Commission manages more than 100 state parks and properties totaling approximately 120,000 acres. The Commission provides a variety of recreation opportunities for citizens and provides stewardship protection for a diverse array of natural, cultural and historic resources. State Parks’ statewide programs include long-distance trails, boating safety and winter recreation.

This announcement is neither an offer to sell nor a solicitation of an offer to buy these bonds. The offer is made only by the Official Statement.

Join us for cider & doughnuts at the Chelan & Wenatchee offices on Friday, Oct. 5

Leavenworth will have treats on Oct. 3.

Manson community welcomes Rev. Mike O'Neal

BY DIANA PINON STAFF WRITER

MANSON – Reverend Mike O'Neal joins the Manson United Methodist Community Church.

In 1988, Rev. O'Neal earned his Masters of Divinity from Duke University.

He began his Vocational Ministry at Duke where he was a Duke Intern serving at Fairgrove United Methodist

Church in Thomasville.

Rev. O'Neal also served at Patton United Methodist Church in North Carolina, there he met the love of his life Tricia. They married at First United Methodist Church Wenatchee in 1989.

A year later Rev. O'Neal and his family moved to Waterville and served the Federated Church. Six years later they moved once again

as Rev. O'Neal was appointed to serve the Cashmere and Monitor United Methodist Church's.

Currently his family in the process of moving out of Cashmere. They currently live in their Lake Chelan home.

Recently he was asked to serve the Chelan and/or Manson United Methodist Church. However he "opted

for Manson at 10 hours a weeks knowing that anything greater would spread me too thin," he said.

Rev. O'Neal hopes to have a few extra hours available for those weeks when weddings, funerals or hospital visitation are needed. "I am still on call 24/7 and my pastor's heart could not say no to any parishioner in a crisis."

He states that he loves people and his compassionate pastoral care through the ministries of weddings and funerals are also a love of his.

Aside from his pastoral duties, he loves history, art, antiques and "the precious time spent with my sons and grandsons."

"I look forward to partnering with you in making our

historic and beautiful community church the vital place of worship, service and spiritual growth that it deserves to be," said O'Neal."

The Manson United Methodist Community Church is located in the corner of Boetzkes and Green Avenue in Manson. Sunday service begins at 9 a.m. for more information call (509) 687-3311.

OBITUARIES

Harriet Olive (Hobbie) Morehead

Hobbie (Buckner) Morehead, passed away on Friday, September 14, 2018 after a long full life.

She was born on September 15, 1921 in Manson, the second daughter to Harry and Olive

(Field) Buckner of Stehekin. She graduated from Chelan High School and married Kenneth Morehead on January 27, 1946 in Stehekin. She made her home in Manson for the rest of her life.

Hobbie was involved in the community of Manson in many ways, as a member of Manson Muscular Dystrophy Guild, the Lake Chelan Outboard Club, Manson Community Council, Manson Growers Co-op, Man-

son Apple Blossom, and also served on the Lake Chelan Historical Society board of directors.

Survivors include her children, Dwight (Patricia) Morehead of Freeland, Larry (Sally) Morehead of Longview, Adrienne (Keith) Carpenter of Manson, Lucinda (Jim) Gilbert of Manson, Christy (Rocky) Libbey of Manson, and Scott (Holly) Morehead of Ballard. Hobbie had 14 grandchildren

and 24 great-grandchildren. She is also survived by her sister, Elizabeth (Bucky) Gans of Stehekin and Goleta, Calif.

She was preceded in death by her husband, Kenneth, her parents Harry and Olive Buckner, and her sister Irene Sargo.

Services are under the direction of Precht Rose Chapel on Saturday, September 22, 2018 at 1:00 p.m. at Northshore Bible Church, Manson, Wash.

In lieu of flowers, memorials may be made to Buckner Homestead Historical Society, PO Box 184, Manson, Wa. 98831, Manson Educational Aide Fund at 420 Upper Joe Creek Road, Manson, or the Lake Chelan Historical Society, PO Box 1948, Chelan, Wa. 998816.

Remembrances can be made online at www.prechtrose.com if wanted. Services are entrusted to Precht Rose Chapel of Chelan.

DEATH NOTICES/SERVICES

Donna Jean Craig

Donna Jean Craig, 84, of Chelan, Wash., passed away on Sept. 12, 2018. Graveside services will be held on Friday, Sept. 21, 3 p.m. at Fraternal Cemetery in Chelan.

Please leave any thoughts and memories for the family at www.prechtrose.com. Precht Rose Chapel, Chelan is in care of the arrangements.

Jenae Marie Pape-Miller

Jenae Marie Paper-Miller, 54, of Chelan, Wash., passed away on Sept. 13, 2018. No services are planned.

Please leave any thoughts and memories for the family at www.prechtrose.com. Precht Rose Chapel, Chelan is in care of the arrangements.

Harriet O. Morehead

Harriet O. Morehead, 96, of Manson, Wash., passed away on Sept. 14, 2018.

Please leave any thoughts and memories for the family at www.prechtrose.com. Precht Rose Chapel, Chelan is in care of the arrangements.

COMMUNITY BULLETIN BOARD

Farmers Markets

Sept. 19, 22

Manson Farmer's Market

MANSON - The Farmer's Market in Manson is open Saturday and Wednesday mornings at the Manson Grange. Market starts at 8:30 a.m. when the bell rings. Market runs until 11:30 a.m., some vendors may linger longer, but many vendors sellout and leave early. Local farmers, growers, crafters and artisans bring fresh picked produce and handcrafted items. Sellouts are common so come early for the best selection. The Manson Grange is at 157 Wapato Way on the right as you enter Manson. For more information: Market Masters Gordon Lester 687-3158, Mike Detering 687-3606.

Sept. 20

SEE BULLETIN BOARD ON PAGE A5

OBITUARY & MEMORIAL POLICIES

NCW MEDIA, INC.

An obituary is a way for family member(s) to commemorate a loved one's life and to notify the larger community of the deceased. Obituaries are also used for historical and ancestral data.

Memorials are another way of letting the community know about the life and memories of the person who has died. A Memorial is different from an obituary. An obituary is usually current while a memorial can be written later.

Obituaries and memorials need to be typed and emailed no later than Friday by 4:00 p.m. to be placed in the next available issue(s). Please call for cost of an obituary and which NCW paper(s) that it will be placed in to.

Cost of the obituary/ memorial is due at the time of placement. Funeral homes and chapels can submit obituaries by Noon on Monday, unless a holiday.

Obituaries are priced per word while Memorial ads are per column-inch.

For info call Ruth 509-682-2213, or email ruthk@lakechelanmirror.com

LETTERS TO THE EDITOR

Thank you for the honor

I would like to thank the Chelan football coaches and Ken Jenkins for their honoring the 1967 undefeated football team. I especially want to honor the team members that made me look like a genius. The 1965 team graduated a

lot of seniors and I was going to have to use a lot of sophomores that were not very large, and I did not want them to get hurt.

In 1966 I borrowed a book from an Ohio high school coach that used a spread offense to win 65 games in a row. It was called the run and shoot offense; the offense of the future.

My line averaged 145. The 1966 team won nine games and lost one. The 1967 team won 9-0 was rated eighth in the nation in scoring and was voted by the state second.

The 1968 team was undefeated winning 9-0, again voted second. The 1969 team won seven, lost one and tied one. Total of 25 wins 2 losses and 1 tie.

The point I am trying to make is that I truly mistook the capabilities of these players and they made me look like a genius. The really good part of the whole thing was that the 1967 team had 17 National Honor Roll students.

I truly believe that if a coach has the players he can win with any offense. I sincerely want to thank my players and

to let them know that I love every one of them. We had some crazy play names and used only 12 plays with the quarterback having three options on every play depending on what he read from the defense. Again thank you 2018 football team for the honor.

Jim Talley

Deadline is Friday Noon Email your letters to: publisher@leavenworthecho.com

Remember the old childhood schoolhouse game of telephone?

During a recent game of "telephone" played in a church workshop meant to explain problems with human communication, someone whispered in my ear that I had ED. I said to myself - Wow! I have Extraordinary Deception! When I exclaimed my delight at discovering my newfound gift out loud in church the next Sunday after the preacher asked for testimonials, more than a few heads turned my way.

Later on at coffee in the basement community room, a young professional spoke to me quietly out of the earshot of ol' spinster Hammerschlenkle, who was munching on a carrot cake nearby.

He explained to me that "ED

APPLES TO APPLES
Gary Bégin

around here means End of Democracy and you also must realize you are in a progressive community of like minded souls who truly believe in Democracy and progress. Don't you?"

He insinuated that I was a no-good conservative who hated both progress and Democracy.

An older fellow was listening in, although uninvited to do so, begged to differ and said, "No, that's not it. What ED means around here is End of

Days. Armageddon is nearing the family of man. You can tell by the events of the last few months."

He was insinuating that I was obviously not a true believer and would be "left behind" upon the Rapture.

I was finally rescued by none other than Sharon Hammerschlenkle who heard every word of every speaker and had sympathy for me, playing as I did, the lowest deckhand on a ship of fools with captains forward and aft.

"Gary, I have a wasp's nest in my car, can you get it out so I can drive home?"

Of course I can help you. By the way, can you explain what ED means so I don't faux pas

myself out of the congregation?

"Sure I can explain ED, but first get in the car and drive fast with the windows down," she said.

Well OK, but what's that all about?

"It is a way for me to explain to you that you actually have Event Depression and after just a mile or so you'll figure out that you are not an exterminator and should never have offered to have helped me."

But Sharon, I need a ride and an escape from these wise men. Besides you asked for my help.

"I just want you to drive me home. I am blind and that's why I was able to hear you guys so well, she said."

Sharon made me feel proud again. I was able to help the handicapped and justify my feeble existence. I never did ask her how she drove to church in the first place. It was enough to know we were mutually beneficial.

Hey Sharon, I asked boldly, bracing myself for the cold hard truth, what does Event Depression mean?

"It's all about your situation in life," she said. The events of tomorrow are influenced by the events of yesterday, thus leading to whatever fate has in store for you. It is a series of events that will be certain to depress you because you have absolutely no say in the matter."

Sounds fatalistic Sharon.

Does it count whether I am a registered Republican or Democrat?

"Look bud, when you go to the food trough at a buffet it all goes into the same pie hole. Need I say how that story ends?"

You mean that I voted for a Republican that was a Democrat, but it doesn't mean anything because it was a choice from a Chinese menu?

Yes, now you understand. Although you have eaten what you paid for, you are still not satisfied and you will be hungry for change again soon - real soon.

The progressive vegetarian preacher heard it all and simply said - "lettuce pray."

Numerica PAC announces September events

Zeppelin USA to perform Sept. 26, The Sandlot movie to show Sept. 28

SUBMITTED BY NUMERICA PAC

WENATCHEE - Numerica Performing Arts Center kicks off the 2018-2019 Season with a Led Zeppelin tribute band, Zeppelin USA, on Sept. 28, and a Monthly Movie on the Big

Screen: The Sandlot (1993) on Sept. 26.

The Sandlot

In partnership with the Wenatchee Downtown Association, as part of Young Professionals Week, the Numerica PAC is showing The Sandlot on Sept. 26 at 6:30 p.m. When Scottie Smalls moves to a new neighborhood, he manages to make friends with a group of kids who play baseball at the sandlot. Together they go on a series of funny and touching

adventures. The boys run into trouble when Smalls borrows a ball from his stepdad that gets hit over a fence. This film is rated PG. Tickets are only \$3. Supported by media sponsor Alpha Media, Country 104.7 KKRK, ESPN Radio 900 & 1020, and 94.3 Jack FM.

Zeppelin USA

Zeppelin USA (ZUSA) is all about the music and spirit of Led Zeppelin. Instead of donning the blonde wigs, the dragon suit, and the three

rings on the kick drum, ZUSA sets themselves apart by standing on the music. Focused on getting the right tones, vocal inflections, and front mix out - borrowing from the studio and live versions - much attention is spent on delivering a true sonic Zeppelin experience. But ZUSA also believes in entertainment. The members of ZUSA (Brody Dolynuk, Steve Zukowsky, Jon Gilcrest, and Pat Leon) are veteran musicians who've captured

the sound and spirit of the greatest rock band of all time, and promises to either introduce or remind fans of just how great the mighty Zep will always be.

This performance is sponsored by Wild Birds Unlimited of Wenatchee with support by Mike and Sheila Salmon, Washington Trust Bank, Angel Donors, Avenue Car Wash - David Noyd and Natalie Hoback-Noyd, and media sponsor Sunny FM. Tickets are \$27-\$31

with discounts for seniors (\$25-\$29) and youth (\$21-\$25) and increased prices on show day.

For tickets and information, call (509) 663-ARTS, go to www.numericapac.org, or visit the Numerica PAC Box Office at the Stanley Civic Center, 123 N Wenatchee Avenue.

The Numerica Performing Arts Center at the Stanley Civic Center is a non-profit organization and naming partner with Numerica Credit Union.

Junior Service League of Wenatchee changes name to 'Women's Service League of NCW'

Open to all women in North Central WA

SUBMITTED BY WOMEN'S SERVICE LEAGUE OF NCW

WENATCHEE - The Junior

Service League of Wenatchee has changed its name to Women's Service League of NCW effective immediately. Its first event under that new moniker is Tuesday, Sept. 18.

Celebrating 10 years, the local women's volunteer-

based nonprofit kicks off its new year with a Summer Membership Social on Sept. 18, 5:30-7:30 p.m. at Pybus Public Market. New and prospective members are welcome to come and learn about the organization and its incredible projects,

such as Diaper Drive, My Girlfriend's Closet, Prom Dress Giveaway and Touch a Truck.

As if starting a new year was not exciting enough for this group, Junior Service League of Wenatchee will also showcase a new name.

It will now be known as Women's Service League of NCW. "The name change comes with the vision of making this group inclusive of all women throughout North Central WA," said Theresa Filbeck, WSL President. The change comes

with a new visual brand and improved website to launch this month. A new logo of WSL of NCW features a woman in a cape, symbolic of all the extraordinary tasks that the women of this group take on, focusing on making a difference in NCW.

COMMUNITY BULLETIN BOARD

Sept. 25

Al-Anon

CHELAN - AlAnon meetings are weekly at the Lake Chelan United Methodist Church, 206 Emerson Street, Tuesdays, 12-1:15 p.m. For more information call Sherylann, 682-1817.

Sept. 26, Oct. 9

Cancer Support Groups

CHELAN - The Women's Wellness Group, cancer support group, has two support groups. The second Tuesday of each month for lunch, with lunch provided by the Wenatchee Wellness Place, at the Lake Chelan Community Hospital Board Room at 11:45 a.m.; and the fourth Wednesday of each month at LaBrisa, at 5 p.m. For more information, contact Anne at 682-8718.

Sept. 26

Manson Chamber to meet

MANSON - The Manson Chamber of Commerce will hold their monthly meeting Wednesday, Sept. 26, 8:30 a.m., in the Manson Parks office on Pedoi.

Chelan Town Hall meeting

Sept. 27

CHELAN - On Thursday, Sept. 27 at 6 p.m. at the Chelan Senior

Center the City of Chelan will hold a Town Hall Meeting. The lead subject will be whether or not the community is interested in purchasing land on the Butte. Nine hundred and forty acres of land is for sale and Mayor Mike Cooney wants the community's input on the subject. This land could be put aside for future generations, however the city can't do it by itself.

Sept. 29

Habitat for Humanity Yard Sale

MANSON - Lake Chelan Valley Habitat for Humanity will hold a one day yard sale on Sat., Sept. 29, 8 a.m.-5 p.m. at the Manson United Methodist Church, 28 Boetzkas Avenue. There will be furniture, electronics, housewares, linen, clothing, books, and so much more.

Sept. 30

Potluck dinner

CHELAN - Berean Baptist Church has a potluck dinner after the morning service on the last Sunday of every month. The church is located at 515 E. Woodin Ave. There will be no evening service on that Sunday.

28th Annual Wenatchee River Salmon Festival

Salmon on the Move

Free Family Fun Nature Festival Saturday, Sept. 22, 10-5 at the Leavenworth Nat'l Fish Hatchery

Reptile Man, exhibits, food booths and Native American Village

www.salmonfest.org

The Leavenworth National Fish Hatchery is located off of Icicle Road, two miles south of the "Bavarian Village" of Leavenworth. Free Parking!

Wenatchee River Salmon Festival Directors Message 2018

Hailey Croci and Corky Broaddus
Executive Directors

Dear Residents and Friends in the Communities of the Wenatchee Valley,

The 28th Anniversary of the Wenatchee River Salmon Festival is dedicated to you! Celebrating the return of the salmon to the Wenatchee River Valley is the most important local and regional nature event of the year. From the tributaries that feed Lake Wenatchee sending glacier-fed water down the valley through Plain, Leavenworth, Peshastin, Dryden, Cashmere, Monitor and into the fresh water of the stunningly beautiful Columbia River Gorge on to the Pacific Ocean, we celebrate one of the most treasured species in this wondrous natural world of the Pacific Northwest.

The Salmon Festival is all about connecting people with nature. Living in our Wenatchee Valley are some of the most inspiring and educated local natural resource specialists and recreational leaders in the world. Salmon Fest was literally spawned in 1991 by the creative thinking of fish and wildlife biologists, tribal leaders, passionate public outreach educators, civic leaders, volunteers, non-profit organizations and multiple government agencies. This event brought together the shared vision of providing high quality outdoor education in a fun natural setting, promoting outdoor recreation, and sharing the cultural significance of salmon to all people who live, work, study, and play in our greater Wenatchee Valley backyard. We call it, "Edu-tainment".

More than 3,000 elementary students will embark on a grand field trip to our Leavenworth National Fish Hatchery for School Days, September 20 and 21. High School students will receive community service credits for assisting outdoor educators as they share their knowledge of nature with the younger ones. Families and people of all ages are welcome to come spend ALL day on Saturday, September 22 to be inspired by artists and raptors, the Reptile Man and Birds of Prey, Native American Village, music and food, hands-on interactive exhibits, outdoor recreation adventures, and much more.

The Wenatchee River Salmon Festival is free!! It is yours to enjoy nature at its finest. Please come share in a Salmon Experience you will never forget!

Thank you,
Yours truly,
Corky Broaddus and Hailey Croci
Festival Directors

28th Annual Salmon Festival T-Shirts

Stop by the Salmon Festival Sales Booth and check out the 28th Annual Salmon Festival T-Shirts in a variety of colors. Proceeds from t-shirt sales go to the Nancy Duree Memorial Scholarship Fund, named for dedicated activity leader and festival planner Nancy Duree. Duree was a longtime employee of the Chelan County PUD, a major partner in producing the festival.

This year's artwork for the t-shirt was created by

local artist Candice Dillhoff. T-shirts were made by Leavenworth Boutique.

Welcome!

Thank you for attending our 28th anniversary party!
Visit the Friends booth and learn how to join the fun!

Friends of Northwest Hatcheries

We hope you and your family have a grand time at Salmon Fest!

O-FISH-AL SALMON FEST SPONSOR

Entertainment Schedule

Beau Van Winkle (left) and Brittany Jean will be performing at Salmon Festival on the Main Stage at Wenatchee River Salmon Festival on September 22.

- Beau plays acoustic rock, similar to Dave Matthews or Steve Earle, with many original tunes. He will be joined by Tony Sandoval, on guitar, and Billy Turner on drums.
- Brittany Jean is an Americana singer/songwriter in the Pacific Northwest, currently living in the tiny, apple town of Brewster. Brittany stepped into a recording studio for the first time in 2012, and she has since released three albums—all recorded in Nashville, Tenn. Her newest album, "Wander With Me", was released in January, and it is her best yet. With songs about being brave and standing tall, to songs about learning to dance again, Brittany's acoustic and heartfelt music is an invitation—won't you wander with us?

Saturday, September 22

Entertainment Schedule - Main Stage at Hatchery Park

- 12:00 p.m. - Welcome and Awards Ceremony
- 12:30 - 1:30 p.m. - Reptile Man
- 2:00 - 2:45 p.m. - Music of Beau Van Winkle
- 3:00 - 3:45 p.m. - Music of Brittany Jean
- 4:00 - 5:00 p.m. - Reptile Man Returns!

At Gazebo on Hatchery's Chinook Avenue
3:30 - 4:00 "Student Prince" cast ensemble

At Native American Village:
Dancing, drumming and exhibits - ALL Day

"Beyond the Frame-What it means to be Native" with Steven Paul Judd, guest presenter

All Festival Activities run from 10 a.m. to 5 p.m.

Reptile Man, Scott Petersen, has been delighting Salmon Fest audiences for years.

Live on the Main Stage, we proudly present The Reptile Man, Scott Petersen, from Monroe, Washington's own Reptile Zoo. Scott, a zoologist and educator, is not a stranger to Salmon Fest. In fact, he has been with us since the beginning. He and his son, Isaac, have been a top favorite act for many years throughout the entire Pacific Northwest. They have performed and educated in more than 800 schools, multiple festivals, events and

venues. You can see Scott on Disney's nationally televised "Bill Nye-The Science Guy", Q-13 Kids Club, Northwest Afternoon, "Watch This", and more.

Don't miss the opportunity to see Scott and his live cast of reptiles on stage at Hatchery Park. His programs focus on the natural sciences and teach us all about the importance of all animals in the balance of nature.

Check show times on Festival Schedule.

ABOVE: Salmon Festival characters with members of the Native American tribes.

LEFT: In this colorful 30-foot long nylon inflatable Salmon Tent, audiences will be entertained with a variety of meaningful stories. It's entertainment for the whole family in a unique setting.

Fun Fish Facts for You!

- Did you know a female spring Chinook salmon can carry more than 4,000 eggs?
- Salmon returning to the Wenatchee River travel 500 miles and over 7 dams from the Pacific Ocean to get to their place of birth here in Icicle Creek
- 150,000 visitors have enjoyed Salmon Fest during these past 19 years
- Fish can get sunburns
- Bobby Beaver and Sammy Salmon, mascots of Salmon Fest, have been hugged by 150,000 kids since the festival began in 1991
- Swimming Mayflies may shed their skin as many as 27 times!
- Caddisflies eats dead leaves and the fungi on the leaves may be a source of nutrition, much like peanut butter on bread
- Vocabulary Words to Know:
 - a.Redd - nest dug in gravel by female salmon to put her eggs in
 - b.Anadromous - fish that migrate from fresh water to salt water and back

- to fresh water to spawn
- The oldest known salmon is 7 years old. Count the rings on a fish scale to determine their age....much like counting the rings on a tree
- The oldest salmon fossil found is 50 million years old
 - 5 to 6 million years ago salmon had fangs, weighed over 500 lbs. and were ten feet long
 - The intricacies of a salmon's genetic code insist that the salmon always faces upstream into the current, so that when it navigates to the sea it swims tail first
 - When Lewis and Clark entered the lush Pacific watersheds in 1804, they discovered millions of salmon in the untamed wild Columbia River. At that time 15 to 20 million salmon lived in the pristine habitat of the mighty Columbia
 - We had 1,001 entries in this year's student Poster Contest!
 - The Salmon Fest won the "International Best Children's Program" from the International Festival and Events Association

By DIANA PIÑON STAFF WRITER

ENTIAT - After losing four starters and a libero from last year, over the summer the Entiat Volleyball team tried different rotations in order to see where new girls were comfortable and did their best.

With three returning players, the team has gained five sophomores who moved up to the Varsity team this year.

"They have worked hard to bring their level up to be ready to compete," said head coach Heather Long.

Long's expectations re-

main the same, "to make sure we get a spot to play in Districts and compete for a spot at state. We take it one match at a time and try not to look too far forward. We want to be ready for the opponent we are playing next and then prepare for the next one."

Entiat's biggest strength is their chemistry, the girls work hard for each other. "Nobody wants to disappoint."

So far it has been a great competition, "it's better to be challenged so we can continue to improve our game," said Long.

Tigers bring their experience, speed to a new season

Photo by Diana Piñon

2018 Entiat Football team.

By DIANA PIÑON STAFF WRITER

ENTIAT - The Tigers kept themselves busy by hosting their own training camp during the summer, par-

ticipating in other camps and tournaments and having scrimmages with other schools nearby.

"They had a really great summer to prepare for the

season," said head coach Brian Bailey.

The number of players in the team have increased, "we will have 25 ... this year we are mostly juniors and

seniors, we have six nine graders which have been a great surprise."

With seven starters back on offense and seven back on defense the Tigers are "a

pretty experienced team."

"This year and next are the two that we have been working towards. A lot of these guys started as ninth graders, the last two years they have been getting experience, we think we can compete for a league title and a good playoff run .. those are our goals," said Bailey.

The coaching staff has been together for a long time and the students are very comfortable with their coaches, "things are very consistent."

"We have all the traits you would want in a team," said coach Bailey. However, the

Tiger's are in search of an emotional leader as Bailey calls it.

The team is fast and experienced, "we have been to the playoffs the last two years with this group, they just haven't had a ton of success there yet, we are close."

So far the Tigers are 2-1, "I think we have the potential to be the top four or five in the State, if we can get to the semifinals, quarter finals ... a lot of kids have mention they want to make the semis, so that's what we are pushing for."

Manson Football playing as a family

Photos by Diana Piñon

2018 Manson Trojan Football team: Johnny Garcia, Juan Garcia, Chris Villasenor, Avery Thomson, Caden Beazley, Trento Stotko, Nick Strecker, Alez Zaragosa, Hugo Lopez, Briar Soliday, Jesus Portillo, Tucker Flowers, Jamison England, Marco Sanchez, Bailey Cameron, Bryan Bernardo, Daniel Frayle, Christian Montes, Jojo Morales, Joseph Mogan, Cody Fitzpatrick, Henry Armstrong, Parker Schoenwald, Alex Solorio, Anthony Martinez, Alan Hernandez, Victor Calderon, Ty Chariton and Cole Beazley. **Head Coach:** Joey Johanson. **Assistants:** Bill Thompson and Scott Meyers

By DIANA PIÑON STAFF WRITER

MANSON – A second year for head coach Joey Johanson and his Trojans has already began.

“We started off by playing with some great competition, so hopefully we can continue on throughout the season,” said Trojan Captain Avery

Thomson.

The team’s chemistry is looking more than great, “we really feel like a family this year and this helps with playing at our level,” he added.

Johanson has helped tremendously, “we are getting back into the rhythm of things with all the chemistry and bonding we do,” Thomson said.

The Trojans attended a summer camp at EWU, “the smoke made it hard in the beginning, but once we were out of the gym we have been hitting conditioning hard,” said Johanson.

In the roster are 35 Manson students, “we have 12 seniors, we haven’t had 35 in a long time.”

Last year, the Trojans won the league 8-2, “this year the goal is to get back to where we were and hopefully go a little further.”

Johanson wants the team to compete, “in the fourth quarter we still have a shot to win the game, no matter who the team is.”

“Family is huge concept,

out of the field, in the field, we got each other’s back,” said coach.

The team’s seniors are “great leaders” they help freshman by teaching them everything they need to know, “they bonded a lot, we are back to being a family.”

The Trojans have the ability to “pass the ball, that’s

one of our huge strengths.” The offensive line is another great strength the team has, Johanson describes the players as “technical” because at every play they know who to block.

“If we keep playing like a family, we can go as far as we want. There’s no stopping,” said captain.

Manson Cross Country running over obstacles

By Diana Pinon
MANSON – After unforeseen circumstances, Kurt Toolson has taken the role as Manson Cross Country new head coach.

With only a few days ahead of team, Toolson says that this is a very brand new season

for him.

“I can tell that the kids had put work in some time over the summer, getting in shape and getting mentally and physically ready for the season,” he said.

The team has a great attitude and they are ready to

accomplish their goals. Even though at some point they had work with the smoke and train indoors, “they stuck with it and now they are moving forward from that, no excuses.”

This year there are a few returning kids, more so in the boys team. “They are experi-

ence runners and they are leaders, they know what to expect,” coach said.

Toolson knows that everyone has set goals for themselves this year and he wants for them put in the work for them to accomplish those goals, “it’s just me trying to

provide the best course of action ... they are very self-motivated.”

As a new coach, Toolson has experience nothing but positive interactions with the kids, “they are very open and friendly,” he says.

The team has a “great dy-

amic, they like one another, they like being around one another.”

Toolson believes that the kids experience will get them far this season, “they want to see one another succeed.”

Manson volleyball team at a different level

BY DIANA PIÑON STAFF WRITER

MANSON – The Manson Volleyball team has been preparing for the new season since summer. They attended a volleyball camp at Washington State University and from there they have been practicing with high energy levels.

The team is quite young, a lot of freshman have joined this year. “I just wanted to get ready for competition,” said head coach Hayli Thompson. On Varsity there are four returning players and the rest are brand new.

“We are a different team that we have been in a lot of years, they are young, I want for them to set a standard of what we are doing moving forward. I want them to maintain their high energy, they are really close and they play well together,” said Thompson.

As a team, coach sees the girls going into post season and Districts, “I am positive we can do it, that will be fun to see what they can do.”

The chemistry among the girls is another great characteristic this team has. “They have great chemistry with each other, they are also hard working and they have great chemistry with the coaching staff.”

So far the team has had a couple of matches and after each match they are always reflecting on their performance and figuring out what they need to work on to be better the next time around.

Coach Thompson has a great amount of help this year with assistant coach Ellen Picton and three volunteer coaches, Leslie Burns,

Brittany Siverstson and Javes Escalera. All of them bring great things to the team and work great together.

“Our team is really fun to watch,” said coach. Everyone is welcome to cheer on the Lady Trojans at each and every home game.”

Manson girls soccer: Small team, big hopes

BY DIANA PIÑON STAFF WRITER

MANSON – Manson High School’s girls soccer team is willing to put in all their best efforts into trying to win more games and score more goals this season.

The Lady Trojans have lost every match of the season they played so far, however with every game they play they improve.

Having a small team with some returning girls and others who just joined the team has made it difficult for them to compete. Coach Gilberto Romero stated having no subs at times affects the team’s performance because when it comes down to second half, many of the girls are already tired.

There has also been a couple injuries in team, Romero explained that one of their forwards is injured and will be missing out on the season.

Romero wants the girls to improve from last year and also do better at each game they play.

The coaching staff has a great relationship with the girls, “we joke around at times, but we also know we have to take games and practices very seriously.”

Overall, the girls get along pretty well since they have been involved in the team for two or three years.

Chelan Goats win 13-0 over South Whidbey on Sept. 14

SUBMITTED BY CHELAN FOOTBALL COACH TRAVIS DOMSER

CHELAN - This win was 100 percent our kids effort and enthusiasm. We are excited about how we bounced back and played tough Defense all night. Our Offense scored when we needed it, and special teams play stepped up as well. Our players flew around and had fun. We are excited for next week. Go Goats.

Avery Thompson can get the ball to anyone, but we need guys ready to make the big play," said Coach Johanson. "The best part is that the boys battled all night long and we still had a good game on our hands in the 4th quarter."

Stats:
 Passing: Avery Thompson, 7 for 30, 74 yards, 2 TDs, 2 INT
 Rushing: Caden Beazley 17 carries for 65 yards
 Avery Thompson 2 carries for 10 yards
 Marco Sanchez 4 carries for 18 yards
 Nick Strecker 2 carries for 5 yards
 Receiving: Caden Beazley, 4 receptions for 34 yards, 2 TD
 Ty Charlton 1 Reception for 14 yards
 Nick Strecker 2 Receptions for 26 yards

The Chelan Goats won over South Whidbey 13-0 on Friday, Sept. 14.

Photos by Jesica Bryant

Manson at Liberty Christian game recap

SUBMITTED BY MANSON FOOTBALL HEAD COACH JOEY JOHANSON

Final score: Liberty Christian 32 Manson 14

MANSON - Manson went down to Richland on Friday night and were stunned in the first quarter. Liberty Christian threw for 244 yards in the first quarter and ran up an 18-0 lead. In the 2nd quarter the Trojans made an adjustment to the pass and held LC scoreless. Right before half the Trojans scored on a 12 yard pass to Caden Beazley and converted the 2pt conversion to make it 18-8 at half. Liberty Christian used their onside kicking abilities to their advantage and recovered 4 onside kicks throughout the game. Manson was able to bring the game within reach in the 3rd quarter at 24-14, but fell flat in the 4th quarter. The final score was 32 to 14.

On offense the Trojans were effective running the ball, however they had to run to the pass early which proved to be a disadvantage.

"The onside kicks killed us, so we have to work on that this week. I felt our defense adjusted to the pass after the 1st quarter, but there are still some things we need to work on as well. We also need to find another threat on offense.

CHS Cross Country travels to Spokane Invite

SUBMITTED BY HEATHER FOX, CHELAN HIGH SCHOOL CROSS COUNTRY ASSISTANT COACH

CHELAN - Chelan High School boys and girls cross country team traveled to Spokane on Sept. 8, to compete in Shadle Park's Highlander Invitational. Chelan raced against 41 schools from Washington State, Idaho, and Montana.

Everyone who ran did exceptional. The highlights include Tegan Silva who took 5th in the freshman girls' race and Mireya Garibay who also placed fifth in the combined race. Both girls had amazing kicks in the last 200 meters to pass several runners.

On the boy's side Chris Knight, a junior running in the senior race, just missed out on a ribbon placing 21st.

Chelan Cross Country Results for Sept. 8.

- Freshman Boys/169 Runners**
- 95th Hunter Sumway 17:43
- 110th Nate Harding 18:23
- Sophomore Boys/150 Runners**
- 46th Ivan Duenas 16:02
- Junior Boys/159 Runners**
- 119th Noah Christensen 17:51
- Varsity Boys/140 Runners**
- 26th Chris Knight 14:29
- 35th Anndrick Espana 14:55
- 93rd Antonio Cazarez 17:03
- Freshman Girls/79 Runners**
- 5th Teegan Silva 16:43
- Combined Girls/230 Runners**
- 5th Mireya Garibay 17:23
- 26th Ella Polley 18:44
- 29th Rosa Lopez 18:47
- 57th Lana Fielding 20:02

Everyone who ran in the Spokane Invite did exceptional according to Coach Mark Anderson.

CHS ATHLETES OF THE WEEK

Lexie Gleasman - Volleyball

Lexie led the Goats to a clean sweep over our 4A opponent (Wenatchee Panthers). Lexie played a key role in sets 2 and 3 when we needed to pull away and score. She dominated the net. She racked up 18 kills, 1 block, 5 digs and was 100% from the service line.

Coach Rainville

Quinn Stamps - Football

Quinn Stamps - Led his team all night. He kept his team in check while he orchestrated a comeback as our QB. He accounted for all 6 touchdowns. Quinn is a 3 sport athlete who puts his all into every sport he plays. Quinn was 10 for 16 for 168 yards and 4 touch down passes.

He led all rushers with 12 carries for 90 yards.

Coach Domser

The Lady Goats continue with their winning streak. Last Thursday, Sept. 13, they faced Pateros at Mt. Goat Field winning 13-0. The Lady Trojans are 3-1-1 for the season.

Photo by Diana Piñon

Photo by Diana Piñon

The Lady Goats faced the Lady Trojans on Monday, Sept. 20 at Mt. Goat Field. The Lady Goats were able to put eight goals in the back of the net. Final score 8-0. Up next for the Lady Goats is a match against Cashmere on Thursday, Sept. 20 at 4:30 p.m. Mt. Goat Field. Following with another home game at 11 a.m. against Tonasket on Saturday, Sept. 22. The Lady Trojan's next home game will be on Thursday, Sept. 20 at 4:30 p.m. against Pateros at Singleton Park.

Suicide rates in Washington continue rising, September is Suicide Prevention month

Health officials promote community action during September's Suicide Prevention Month

SUBMITTED BY THE WASHINGTON STATE DEPT. OF HEALTH

OLYMPIA -- Suicide rates in Washington have continued to rise and health officials at the Department of Health want people to take five actions urged in the national "#Bethelto" suicide prevention campaign.

"We want people to know there are steps they can take that can help prevent suicide," said Secretary of Health John Wiesman. "Learning these may be vitally important to those you love and care about."

In 2017, 1,300 Washingtonians died by suicide, and from 2006 to 2017 suicide in Washington state increased by an average of 2.5 percent annually.

The national #Bethelto campaign, highlights five actions people can take to help prevent suicide.

1. Be the one to ask. Ask the tough question. When somebody you know shows warning signs, ask them directly: "Are you thinking about killing yourself?" Take an online screening.
2. Be the one to keep them safe. Do they have access to medications, firearms, or other means of suicide? Ask if they've thought about how they would do it and separate them from anything they could use to hurt themselves.

Learn more from WA's Safer Homes Coalition.

3. Be the one to be there. People thinking about suicide can feel a burden to their loved ones.

If your friend is thinking about suicide, listen to their reasons for feeling hopeless and in pain. Listen with compassion and empathy without judgement. Now Matters Now has videos from people who have experienced suicidal thoughts share what individuals can do to help manage those thoughts.

4. Be the one to help them connect.

Help your friend connect to a support system, whether it's 800-273-TALK (8255), the crisis text line (text "HEAL" to 741741) family, friends, faith-based leaders, coaches, co-workers, health care professionals or therapists, so they have a network to reach out to for help. 2-1-1's online database is another way to find local resources.

5. Be the one to follow up.

Check in with the person you care about on a regular basis.

Making contact with a friend in the days and weeks after a crisis can make a difference in keeping them alive. Send a caring contact. This could be a phone call, text, email, or letter.

If you want to connect with someone anonymously, call the National Suicide Prevention Lifeline at 1-800-273-8255, chat, or text "HEAL" to 741741 to text with a trained crisis counselor.

More information on suicide prevention in Washington and the state's Suicide Prevention Plan is online.
