## Council has night filled with considerations

### New Public Works Operations Manager introduced

By ERIN ROSSELL, STAFF WRITER

CHELAN – Motion considerations and administrative reports dominated a majority of the agenda during the regular council meeting, Tuesday, March 27. Prior to addressing the scheduled agenda, however, members of the public took advantage of the citizen comment portion, voicing individual thoughts and concerns to the council.

Brian Patterson, of Manson, came to voice his concerns on the Holiday Hills development, he explained. “In the public comment period of that development, I submitted some extensive comments,” he began, “I forwarded a copy of those to everybody on the council and to the Mayor. These (comments) are based on my 25 years of environmental consulting experience,” he added, “and I probably wouldn’t be talking about this if I didn’t have that experience.” Patterson stated that he had some key concerns that “re-

volve around the state and environmental policy act (SEPA) procedures and requirements, the processing of the applications,” he explained, “and what I’m reading so far, the City is not meeting those requirements. In fact, the key notifications that the City has sent out on this project so far don’t meet the intent of SEPA and moreover legal requirements.” His concern began with the notice of application, the original filing in October of 2017, as well as the most recent notice issued this March. “I have two major concerns,” he expressed to Council, “my first concern is that neither of the notice of applications acknowledge the significant lead and arsenic soil contamination at the project site. It’s a well-known soil contamination has to be negated in accordance with environmental rules, and unfortunately under SEPA, the City doesn’t note this.” The public notifica-

Brian Patterson

tion process, known as an Optional DNS process, minimizes the amount of public comment that’s allowed, he explained, “in fact, the SEPA does not allow this streamline process to be used, so my comment is that on that issue is to go

back, acknowledge the contamination, address how it’s going to be mitigated and reissue a notice of application that allows the public to comment on that, which is a key part of the SEPA process.

Patterson moved into another concern, being the traffic assessment submitted by developers. “It’s fatally flawed,” he expressed, “the baseline traffic volumes that were taken from April traffic counts, and then assigned these with a seven percent increase to be representative of the peak traffic counts. All the information that’s out there, including Washington Department of Transportation

City Engineer Jake Youngren (left) introduces the new Operations Manager in Public Works, Randy Baker (right).

Photos by Erin Rossell

information, suggests that a city like Chelan, summertime traffic increases twice as much as what we see in the month of April.” Concluding his concerns, he pointed out a procedural error in the March 7 notice of application. “It’s unfortunate, but the March 7 notice of application did not appear in the

Department of Ecology’s SEPA website. It’s actually a rule requirement, it has to be in there,” he declared, “I actually pointed this out to the City the first day it was out, and they could’ve corrected it that day and it actually wouldn’t have even been a problem. But, as of the end of the comment period, it still is

posted on the SEPA website. So, again, unfortunately the notice of application and public comment period that we just went through are completely invalid.” After Patterson had concluded his concerns, Mayor Mike Cooney expressed, “I think

### Administration seeks parent, community voices

## Manson School District to hold community meeting

By ERIN ROSSELL, STAFF WRITER

MANSON – School District Superintendent Matt Charlton, along with Chelan County Sheriff Sergeant Chris Foreman are opening up the doors to community members for a roundtable style open discussion on

safety within the schools on Tuesday, April 10 in the high school cafeteria.

Dinner will be provided for those in attendance, and will begin to be served at 6:00 p.m., followed by a brief presentation and discussions starting at 6:30 p.m. The purpose of this meeting, ex-

plained Charlton, is to hear any concerns, suggestions or comments from parents and community members. The discussions will cover a range of topics depending on concerns expressed, including any facility/building, operations or extreme safety concerns such as an

active shooter scenario and prevention.

Following the meeting, suggestions and concerns will be shared with members of the Manson Schools Safety Committee to begin exploring ideas and solutions on how to best provide the utmost safety of the students

throughout the district.

Childcare will be available during the dinner and meeting.

For questions or more information, contact Addie Grageda, Parent Involvement/Post-Secondary Coordinator at 509-687-9585 or agrageda@manson.org.

## Chelan Valley hops into spring with bountiful egg hunts

Photo by Erin Rossell

Lake Chelan Lions and Eagles clubs sponsored the annual community egg hunt, Saturday, March 31 at Don Morse Park in Chelan. Events of the day also included bike raffles and balloon animals for the kids. See more photos on page 3 and [www.lakechelanmirror.com](http://www.lakechelanmirror.com)

## Checking out the neighborhood

Photo courtesy of Paul Rogers/Chelan

Residents in the Eldorado Way neighborhood of Chelan Hills had an unexpected visitor on Saturday morning, March 31 around 9 a.m. This young moose, according to Paul Rogers, spent a couple of hours checking out the neighborhood and the neighbors porch, before finding the grass clippings from Rogers freshly mown lawn. Rogers figures the moose weighed 200-300 pounds and came down the draw in that area and when done checking things out, left the same way.

Bringing the community to your door

# Affordable Housing consultant hired by City of Chelan will make public presentation April 24

SUBMITTED BY KAREN SARGEANT,  
CITY OF CHELAN

CHELAN - As part of the ongoing community effort to address the shortage of affordable housing in the Chelan Valley, the City of Chelan has engaged the services of Housing and Community Development consultant, Julie Brunner.

Julie Brunner is a nationally recognized expert in planning and implementation of affordable housing strategies.

She has extensive experience in participatory community and organizational capacity assessments. She has supported a wide variety of communities and organizations in the Northwest and across the country to assess and plan for meeting their unique affordable housing needs. In addition to being a consultant, Ms. Brunner has served as OPAL Community Land Trust's housing Manager, on Orcas Island, Wash. since moving there January 2002. As

such, she regularly assesses housing needs for Orcas Island to implement solutions in that community.

Ms. Brunner's work here in Chelan will include:

A housing availability and needs assessment that will identify gaps in housing availability for various populations and identify the associated options for housing solutions.

Conducting a preliminary analysis to assess the amount of subsidy required to create permanently affordable home

ownership units in Chelan.

Research and annotation of existing and potential sources to support the development of affordable housing in Chelan.

As a critical part of this work, Ms. Brunner will be visiting Chelan during the week of April 23 to meet with stakeholders and interested residents. Stakeholders might include those looking for low or middle-income housing, social service providers, employers and those in the real estate and construction industries.

She will bring an educational presentation to deliver as well as be prepared to meet in small groups or one on one with potential advocates or skeptics.

On Tuesday, April 24, at 6 p.m., Ms. Brunner will make a public presentation to the Chelan City Council. All interested parties are encouraged to attend.

Anyone interested in participating in this process may contact Chelan City Hall, at 682-4037.

## COUNCIL

CONTINUED FROM PAGE 1

this is exactly why we have public comment, for information like that. We will make sure we have an internal discussion and we will follow up ... thank you for those points," he said to Patterson.

Phil Long with the Lake Chelan Research Institute took the podium next, explaining that he wanted to comment on a Lake Chelan Watershed Planning Committee meeting recently held. The meeting including an informational piece from Teagan Ward with the City of Bellingham, and the boat inspection program that they have. "They do a fabulous job," Long began, "they actually have a fairly substantial budget, but their interest is in protecting their drinking water watershed that's represented by Whatcom Lake." Bellingham has a yearly budget of about \$450,000, which is funded by the county of Whatcom, the City of Bellingham, their water and sewer district and approximately one-third of the cost is covered by permits, he explained to the council members, "they actually permit boats before they can even go on the lake, so it's just a fabulous program."

"What came out of the meeting and the discussion," Long stated, returning to the intent of his speech, "is that we need a risk assessment for Lake Chelan, to see whether or not we need that level of protection. The aquatic invasive species are the responsibility of Fish and Wildlife Department and the State of Washington, and they're doing a much better job now then they have in the past, but we still don't have the literal boat launch by boat launch, boat by boat inspection that they have at Whatcom, which is pretty amazing. They go down to dusk, April to September ... they can tell you where ever boat that goes to Whatcom Lake has been, where it was last in the water ... they actually inspect kayaks as well as motorized boats ... it's a pretty impressive program," he offered, "it didn't happen overnight for them, it took a while to build out. They started in 2012 collecting some voluntary data from boaters and built out from there. But I just want to point out that the one thing we don't want in this lake is Quagga and Zebra Mussels, you've probably all seen pictures of what they do to infrastructure."

The night's agenda included a single presentation amidst the various reports and motion con-

siderations. "We just recently went through the hiring process for Operations Manager in Public Works," began City Engineer Jake Youngren, "and it was a good process, and a very competitive process," he explained. The candidate selected was Randy Baker, he stated. Baker, Youngren continued, just celebrated 32 years with the City of Chelan, "he started March 1, 1986," Youngren added, then jokingly told Baker, "I won't tell you when I was born."

There might not be anybody that has more institutional knowledge than Randy Baker," he conveyed, "I don't know anybody who cares more about serving the citizens in the community, who cares deeply about customer service, and that's a very high priority for Randy." Baker is highly respected among his peers and throughout the departments, he concluded, "we're really lucky to have him on board." Adding a brief comment in the moment, Mayor Cooney stated, "we'd be remiss if we didn't send our best to Larry Sweeney, who's retiring today."

Sharing a report on small works rosters, Public Works Director Dwayne Van Epps began by explaining what exactly the roster is, and why it is in place. "A small works roster

is a provision in state law that allows agencies to go through a bidding process as a more streamline than a formal bidding process for projects under \$300,000," Van Epps explained to council members. This method has been used on a very regular basis for the department, he added, "and we have done that through a method allowed by all municipalities, by operating and administering that small works roster, where we advertise and solicit contractors with these different traits to sign up with us, so we can draw on that list of contractors for jobs that meet that criteria." The Municipal Research and Services Center (MRSC) has built up a state-wide, shared roster as a service across the states, he explained, all the administration and solicitation for contract work is handled by MRSC, and all participating members can draw off from the shared roster. "Staff has gotten to the point that we believe the city would be well served by utilizing that service." Going through MRSC would help in broadening the scope of contractors available for jobs, he concluded.

Youngren provided a motion consideration to council members, requesting the use of SCJ

Alliance for design services after partnering the Historical Downtown Chelan Association's (HDCA) Woodin Avenue Landing project with the City's current Woodin Bridge project. "The idea with the design is that it would be a two-phase process," he explained, "phase one would incorporate the critical element of the project that is the landing plaza and some stairs that tie into the bridge project, and that would be incorporated, hopefully via addendum, into the bid period for the bridge project. So, it will be bid with the project. Once the bids are received we'll evaluate where we're at." HDCA Director Erin McCardle has requested approval from her board to reimburse 100 percent of the city's cost for the design, he continued. "I think it's really smart to use the same designer and dovetail them together," advocated Councilwoman Wendy Isenhardt. Council members unanimously passed the motion.

Chelan Council Meets every second and fourth Tuesdays, beginning at 6:00 p.m. inside Council Chambers. The next regular council meeting is scheduled for Tuesday, April 10.

## CORRECTION

\*Editorial Note: The original publication of this story included a misquote on General Manager Steve Wright's statement. The following story includes the corrected quote.

## Chelan PUD freezes applications for cryptocurrency

BY ERIN ROSSELL, STAFF WRITER

CHELAN COUNTY -PUD Commissioners unanimously voted to cease all application acceptance and processing for electric service requests with the intent of mining cryptocurrency, Monday, March 19. "The moratorium is effective immediately to reduce operating and financial risks," explained Public Information Officer Kimberlee Craig in a press release.

Cryptocurrency, or Bitcoin, is a digital currency used in web-based financial transactions. What's the big deal about that, right? Well, if you're a resident in Chelan County, the harvesting of the digital currency can have near-devastating consequences on your community, due to unauthorized and improperly equipped harvesting operations. These unauthorized operations tend to not be equipped with the proper equipment, which can cause an overload of the equipment or wiring and lead to a fire. "Impacts from crypto-

currency mining applications are hampering responses to the District's overall planned work," explained General Manager Steve Wright, "and threatens the county's electric grid capacity to meet planned growth."

Chelan County offers one of the lowest energy rates nationwide, which draws in consumers looking to expand on the Bitcoin harvesting.

"This pause will allow lessons learned to be adopted for the existing, under-five megawatt (MW) rates and policies as well as to develop new rates and policies for above-five MW loads," as stated in the PUD's press release. "we do need time to take a deep breath and work through the issues and this may be the best approach," suggested Commissioner Randy Smith at the PUD commissioner's meeting.

An audio link from the meeting is available on the PUD's website, chelanpud.org, and a public hearing on the moratorium is scheduled for Monday, May 14 beginning at 1 p.m.

MAKING SENSE OF INVESTING

# Citizens, firefighters working together to maintain current service levels hosting community meeting April 4

SUBMITTED BY  
CITIZENS FOR FIRE DISTRICT 7

## Proposition 1 Supports Chelan Fire & Rescue

CHELAN - On April 4, Citizens for Chelan 7 are hosting a public meeting at the Chelan High School PAC located at 215 W. Webster. The meeting

is scheduled to begin at 6:30 p.m. and conclude at 8:30 p.m. Information will be provided that will help voters make an informed decision when they cast their vote on April 24 for Proposition 1.

Chelan Fire & Rescue Commissioners made the decision to ask citizens to support a lid lift that would help maintain the current level of services they receive. Funding for fire depart-

ments is not an easy thing to understand nor does the system and regulations they face make it easy for a fire departments to address growth and improve services to the communities they serve. The Citizens for Fire District 7 are hosting this meeting so that citizens can better understand what this levy can do and what will be lost if it does not pass.

One important thing citizens

do need to know is that Chelan Fire and Rescue received a SAFER grant from the Federal Emergency Management Administration in 2016, which provided them with the funding to hire six additional firefighters for two years. These types of grants help a fire department obtain safe staffing levels and strengthen response times for volunteer-dependent organizations. The addition of these

firefighters helped Chelan Fire and Rescue meet the minimum number of personnel (four firefighters) required to be on scene before they can engage in interior firefighting operations, according to Washington Administrative Code (WAC) 305-296. Without a lid lift these six positions will be lost, taking the department back to 1-2 firefighters on duty each day, greatly impacting their

ability to respond quickly and address a fire in an effective and safe way.

The purpose of a lid lift is to allow the voters to disregard that 1% "lid" on annual increases, and instead raise the total tax revenue by an agreed amount. In this case, the district is asking to lift the lid to establish a new rate of \$1.32, an increase of 40 cents per \$1,000 over the current rates.

Lady Goats' remain undefeated leading into league matches

## Goats' tennis split victory against Cascade Kodiaks

By ERIN ROSSELL, STAFF WRITER

LEAVENWORTH – Goats' tennis traveled to Leavenworth, Tuesday, March 27 to take on the Cascade Kodiaks for their CTL opener.

After results from the matches, the Lady Goats remain undefeated with an overall record of 4-0 and league record of 1-0. On the boys' side of the court, the Kodiaks handed the Goats' their first loss of the season with a score of 2-3, resulting in an overall recording of 4-1 and sitting at a league record of 0-1.

JV wins for the Goats include Scott Abel and Aiden Peterson with a win of 8-4, Lana Fielding and Nadia Van-Wechell taking victory with a

score of 8-0, and Emmalee and Elaine Folsom claiming taking a win with 8-3.

Submitted by Head Coach Marty Rothlisberger

That was a cold and windy night, and we played a ton of close matches that pushed our timeline to the brink of darkness.

**Girls: Chelan 4, Cascade 1**

#1 Singles: Emma McLaren (Chelan) defeated Megan Evans 6-1, 6-0

#2 Singles: Sydney Hawkins (Chelan) defeated Kolby Hunt 6-4, 6-7(4-7), 7-6 (9-7) This match was the highlight of the evening on the girls' side and finished with a dramatic tie-breaker.

#3 Singles: Maddie Vandel (Cascade) defeated Katelyn Deal 6-3, 6-2

#1 Doubles: Sierra Rothlisberger/Madeline Peebles (Chelan) defeated Carmen Herrera/Dorothy Espinosa 6-0, 6-0

#2 Doubles: Elle Rothlisberger/Bella Gatzemeier (Chelan) defeated Stella

Johnson/Marie Dickinson 6-1, 7-5

The Chelan girls improve to 4-0 overall, 1-0 in league.

**Boys: Cascade 3, Chelan 2**

#1 Singles: Micah Larson (Chelan) defeated Finn Johnson 6-2, 6-3

#2 Singles: Dylan (Cascade) defeated Wyatt Habich 3-6, 7-5, 6-4

#3 Singles: Sam Keziah (Cascade) defeated Tobin Wier 2-6, 7-5, 6-4

#1 Doubles: Giovanni Luechesi/Arthur Drake (Cascade) defeated Alex Gavin/Tyler Higgins 6-4, 2-6, 7-6 (7-5)

#2 Doubles: Eli Phelps/Steven Williams (Chelan) defeated Dickinson? 6-1, 6-0

The Cascade boys came up big in the close matches, winning each of the trio of tight three-setters that were played. The Chelan boys move to 4-1 overall, and 0-1 in league

Next up: Chelan vs Quincy after spring break on Monday, April 9.

Emma McLaren moves to return a serve from a Cascade Kodiak opponent, Tuesday, March 27 in Leavenworth. She defeated opponent Megan Evans 6-1 and 6-0.

Sydney Hawkins back swings to send the ball back to her Kodiak opponent. She went on to defeat opponent Kolby Hunt, 6-4, 6-7(4-7), 7-6(9-7) in a "dramatic tie-breaker," said Head Coach Marty Rothlisberger.

# Goats celebrate successful match against Omak Pioneers

SUBMITTED BY HEAD COACH  
KIRK EINSPAHR

CHELAN -- Chelan hosted Omak today (Tuesday, March 27) for our first league match of the season. Weather turned out great for March, and the predicted winds stayed fairly calm with just a few breezes throughout the match.

With very little "course-time" under their belts, Chelan's boys turned in some great scores for this early season match. Leading the way with honors were co-medalists Miles Grossberg (Chelan, freshman) with a 48-38 for an 86, and also with an 86 was Corbin Morley

(Chelan, senior) with 47-39. The team score for the boys was a 386 (Omak did not have enough boys for a team score).

For the girls, Chelan senior Emily Christenson took medalist honors with a 53-56 for a 109. She continues to improve each time out; the other Chelan girls struggled a bit, but nothing unexpected for this early in the season. The Chelan girls had a team score of 483 (Omak did not post a girls' team score).

Following spring break, the Goats will host the Okanogan Bulldogs Tuesday, April 10, beginning at 2:30 p.m. at the Lake Chelan Municipal Golf Course.

Kailyn Boykin gently putts the ball into the cup.

## CHELAN & MANSON SPORTS SHORTS

### Chelan Golf

Submitted by Head Coach Kirk Einspahr  
**Thursday, March 29 at Quincy Colocumk Ridge Golf Course**  
Chelan golfers continued their improvement today at Quincy's Colocumk Ridge GC. Medalist for the boys, shooting a hot 2-over par 73 went to Quincy's Trajan Trevino, followed closely by Chelan's Corbin Morley with a 77, Miles Grossberg with a 78, and Seth Hannu with an 82. Chelan's boys took the team honors by 8 strokes with a 337 to Quincy's 345. Quincy's Stacia Sarty took medalist honors for the girls with a 91, but Chelan's girls took team honors as Quincy did not have enough varsity girls scores for a team score.  
Overall, Chelan golfers continue to make vast improvements, both girls and boys, each time they go out. After our top 3 boys, the next three came in today at 100 (JD Gonzalez in his first varsity match, 21 strokes better than his score on Tuesday), 101 (Jeremy Avery, 26 strokes better than Tuesday), and 102 (Ainsley Pehrson, 13 stroke improvement). For the girls, Emily Christenson shot a 105 (4 stroke improvement from Tuesday), Kaylin Boykin 107 (7 stroke improvement), Andrea Villa 114 (13 stroke improvement), and Katie Rainville 121 (12 stroke improvement). It's very exciting to see these kinds of improvements and I hope that our golfers are all encouraged by the progress they are each making (with the JV golfers making the same kinds of improvements as well).  
Chelan will be taking the next week off from matches during our Easter/spring break and return to action with two home league matches on April 10 and 12.

### Baseball

Submitted by Athletic Director Rob Rainville  
**Saturday, March 31 Versus Omak Pioneers**  
Chelan baseball team took the field on Saturday after a long week of spirited practice to earn two lopsided wins versus a dedicated and committed Omak Pioneer baseball team.  
The Chelan bats were alive all day, rapping out 31 hits in the CTL double header. Game one featured three hits apiece for Colt Corrigan, Quinn Stamps and Drake Bird, plus a long home run by Breckin Sporseen. All other starters contributed at least one hit each in the offensive hit parade. On the mound, Connor Wilson and Drake Bird combined to allow only one hit and one run to earn the game one victory.  
In game two, the Chelan bats continued to be hot, with Colt Corrigan belting a home run, and Breckin Sporseen adding his second home run for the day. Kenny Reeves, Gage Estes, Bryson Darlington each added two hits apiece in the offensive outpouring. Sam Austin earned the win on the mound, going the distance, allowing only two hits and one run.

Next up: Friday, April 6, 4:30 at home, a non-league game against a strong 2A opponent from Blaine.

### Track and Field

Submitted by Head Coach Erik Romero  
**Thursday, March 29 - Chelan Invite**  
This was our Senior Night, even though it was early in the year, we held since we only have one meet a year at our facility. We had 9 seniors and I am happy for all of their accomplishments. The Seniors are as follow Javier Pastor, Hunter Lehmbecker, Matt Smith, Javier Torres, Caleb Dodge, Jacob Bekel, Braden Williams, Olivia Nygreen and Ava Dickes. They have all done a lot for our program and school community. Thank you again for taking the time to come and support our Student Athletes this past Thursday. The students and their parents wanted to say thank you, as well, to everyone that showed up to support.

### Boys Results:

Three boys in the 110 High Hurdles: Antonio Cazarez, Cameron Manda and Guage Culver. Toni got 4th, Cameron was 3rd and Guage was 5th. Their times were Manda - 20.84, Toni - 21.06, Culver - 23.31  
Skyler Gordon ran a 12.5 in the 100 meter dash.  
Antonio was 3rd for us in the 300 meter hurdles with a time of 49.75.  
We two Chelan athletes get 2nd and 3rd in the Pole Vault. Braden Williams and Javier Pastor. Williams cleared 10 Feet and Pastor cleared 9 ft 6 inches.  
Matt Smith got 2nd in two events, the Javelin and Shot Put. He throws measured, 127 ft 9 inches and 35 feet 5 inches in the Shot.  
In the discus, our boys performed very well. We had the top 4 spots. Starting with Kevin Cazarez, Alex Neri, Hunter Logan and Caden Bryant. Their throws were as follows; Cazarez - 109 feet 10 inches, Neri - 99 feet 8 inches, Logan - 92 feet 5 inches and Bryant with 91 feet 5 inches.  
We didn't have a number of our kids do their main events this past Thursday. We wanted to make sure that we honored our Senior Boys and had a good time as well. With that being said, I look forward watching our boys continue to get better and perform better each time out.

### Girls Results:

Senior Girls - Ava Dickes and Olivia Nygreen  
We started off with a 1st place finish from Freshman Ely Collins in the 100 meter hurdles. Her time was 17.10 in her first official HS track meet. She also placed 2nd in the Pole Vault clearing 10 feet and only missing 1st place by a few misses.  
Molly Oswald finished 2nd for us in the 100 meter dash with a time of 13.62 and Matea Ivory came in 6th with a time of 13.72.  
We also performed well in the 1600 meter run. We had three girls get 2nd, 3rd and 4th place. Ashlyn Sanderson. Olivia Nygreen and Geo Granados. Their times were 6:33.3, Nygreen - 6:39.36 and Grandados - 6:42.02  
We also had 3 girls place in the top 5

of in the 400. Mireya Garibay, Emille Barnes and Ella Polley. Garibay - 71.74 2nd, Barnes - 72.29 3rd, and Polley - 75.45 5th

Same goes for the girls 800. We had 4 girls place in the top 5.

With enough girls, we were able to put together two 4x100 relay teams and we finished 2nd and 3rd. It was fun to watch a number of girls compete on the dirt track.

Same as the boys, we held back a some of the girls and had some fun before we got to Spring Break. Thank you again for taking the time to come to our meet and watch our kids compete. I hope that you get the opportunity to come and watch at other meets as well.

We look forward to Spring Break, a time to reflect and get energized, before we start the stretch run of SCHOOL and Regular Season for Track. We have a busy schedule coming up. We have three invitationals over three weekends and with two track meets per week; it will make for a busy month of April. That is also what makes it fun.  
I hope to see you all at the Brewster Relays on the Tuesday that we get back from Break. April 10, 4 p.m.

### Manson

Submitted by Athletic Director Eric Sivertson

### Baseball

**Monday, March 26 at Waterville**  
Manson 11 Waterville 12  
The Trojans returned to Waterville on Monday for the second matchup of the season with the Shockers. The previous Tuesday, the Trojans traveled to Waterville and took the game 15-7.  
Junior Jose Pascasio drew the start for the Trojans and looked to pick up where he left off last Tuesday in Waterville when he was outstanding for 3 innings of relief work, striking out 5.  
Freshman Caden Beazley was the starting catcher for the Trojans. Pascasio struggled early and pitched 1 1/3 innings, giving up 7 runs on 7 hits, using 53 pitches, striking out 2 and walking 3.  
Pitching in relief was Avery Thompson who did well going 3 1/3 innings, using 66 pitches, striking out 6, walking 4 and giving up 3 runs.  
Pascasio returned to the hill to pitch again but was soon relieved by senior Zach Serafini.  
Serafini went 3 1/3 innings, using 61

pitches, striking out 3, giving up 2 runs, on 3 hits. Serafini got out of a big jam with two outs in a tied 8th inning after an intentional walk loaded the bases, the Trojans played a five-man infield, and a Shocker hit a weak fly ball and the second baseman Jake Lodwig hauled it in to keep the Trojans alive for another inning. Offensively for the Trojans' Avery Thompson lead the way going 4/5 with a double and 4 RBI's. Thompson added two nice stolen bases against one of the best catchers in our league. Zach Serafini had a big RBI hit with a swinging bunt that put the Trojans ahead in extra innings, but the Trojans couldn't hang on in the end and gave up two runs in the bottom of the ninth.  
Trojans with hits were Avery Thompson (4, 2B), Bryan Bernardo, Zach Serafini (2), Bryce La Mar.  
At times, the Trojans played without focus and lost the game due to several key mental errors. A very difficult loss to accept while recording only 1 error on the board.  
The game's web gem came in the bottom of the 7th when a Shocker drove a ball deep into the dim light of right field and Trojan sophomore Bryce La Mar with his back against the wall, made an outstanding catch.

Pitch Counts:  
Jose Pascasio: 53  
Avery Thompson: 66  
Zach Serafini: 61  
Manson's Overall Record: 2-2

### Softball

**Thursday, March 29 at Waterville**  
The Lady Trojan softball team travelled to Waterville on Thursday, for Manson's second game of the season and came up short with a final score of 4-27.  
Although it doesn't reflect so in the score- the Trojans celebrated several of their own successes including 12 stolen bases and some great defensive plays.  
Scoring runs for the Trojans were Veronica Lulo, Melanie Marin, Salena Joiner and Libbey Ireland. Melanie Marin racked up the only Trojan hit on the day and Salena had the only RBI.  
Defensively, Melanie Marin fielded a ground ball for a solo play at first and Mara Vargas had two great plays at the plate from a 3rd strike dropped ball tag out and a hustle play for an out off a passed ball. Libbey Ireland also had a deep infield catch.

# Steele re-opens 12th District office in Chelan

CHELAN - Rep. Mike Steele announces that he has re-opened his 12th District office in Chelan, as of Monday, April 2.

"We temporarily closed the Chelan office in January for the 2018 legislative session. However, the 60-day session ended March 8 and I am back in the district attending events and meeting with citizens," said Steele, R-Chelan.

Steele's 12th District office address is: 216 E. Woodin Ave., Suite 3, Chelan, WA 98816.

"It's important for me to keep in close contact with the constituents I serve," added Steele. "Having a dis-

trict office in Chelan is easier for citizens from throughout the 12th District to drop by with their questions, concerns and ideas about the Legislature and state government.

The office is staffed by Steele's legislative assistant, Wanda Brosey. Office hours are Mondays through Wednesdays from 8 a.m. to 5 p.m., and Thursdays from 8 a.m. until 4 p.m. The office is closed on Fridays.

The telephone number is: (509) 888-4846. Rep. Steele may also be reached via email at: [mike.steele@leg.wa.gov](mailto:mike.steele@leg.wa.gov) or from his website: <http://mikesteele.housepublicans.wa.gov>.

## OBITUARIES

## Buddy Wayne Wason

Buddy Wayne Wason, 77, passed away surrounded by family on March 25, 2018. He was born April 24, 1940 to Mildred and Robert Wason in Lodgegrass, Montana. He was a graduate of Chelan High School where he met the love of his life, Maria.

Buddy enrolled in the Coast Guard where he was trained as an electrician. Upon his departure from the Coast Guard he worked for IBEW.

His hobbies mainly centered around skills and interests he developed as a Boy Scout and a Scout leader; he enjoyed wood working, being in his mother-in-laws orchard, and bowling. Buddy was a member of the North Cascades Sportsman Club, the Boy Scouts, and St. Francis Catholic Church in Chelan.

However, Buddy's greatest joy in life was his family, especially his grandchildren.

He always wore his "World's Greatest Grandpa" shirts they made him with such pride.

Grandpa Buddy always made sure his wood shop was open to his grand kids

for any and all their projects and creations.

He is survived by his wife, Maria and their children, Heidi and Eric Gocke, Dina and Martin Wason, and Victoria and Todd Bennett, as well as his grand kids, Chelsea, Courtney, Kevin, Gunnar and Missy.

He is preceded in death by parents, is two brothers, and his sister.

Grave side services will be held at Fraternal Cemetery in Chelan on April 7, 2018, at 11 a.m. A reception will held at the Lake Chelan Eagles from Noon to 3 p.m.

Please leave any thoughts and memories for the family at [www.prechtrose.com](http://www.prechtrose.com). Services are entrusted to Precht Rose Chapel of Chelan.

## DEATH NOTICES

## Sylvaine B. Christman

Sylvaine B. Christman, 82, of Manson, Wash. died March 27, 2018.

Please leave any thoughts and memories for the family at [www.prechtrose.com](http://www.prechtrose.com). Services are entrusted to Precht Rose Chapel of Chelan.

## COMMUNITY BULLETIN BOARD

## SCHOLARSHIPS

## April 6 deadline

## Lake Chelan Wine Alliance

CHELAN / MANSON - The Lake Chelan Wine Alliance is offering a \$1,000 scholarship to a graduating senior at Chelan or Manson high school who is interested in pursuing a career in the wine industry and/or has a family member in the wine business. Applications are available at the schools. The deadline is Friday, April 6.

## April 16 deadline

## Lake Chelan Rotary

CHELAN - MANSON - Applications are now available for 2018-19 Lake Chelan Rotary and ShineOn scholarships for students who are currently seniors at Chelan and Manson High Schools and the School of Innovation. Three Rotary scholarships will be awarded to each high school; two per school focused on career and technical post high school studies and one per school focused on academic studies at traditional four-year colleges and universities. ShineOn scholarships are intended to assist graduating seniors who have overcome significant adversity in life and have reached their goal of graduating from high school. [www.lakechelanrotary.org/2018-2019-scholarships/](http://www.lakechelanrotary.org/2018-2019-scholarships/) Application packages are due no later than midnight on April 16, 2018.

## May 1 deadline

## NCWAR Lake Chelan Realtors Council

CHELAN/MANSON - NCWAR Lake Chelan Realtors Council is offering four, \$1,400 scholarships for high school seniors who are graduating from Manson High School or Chelan High School and who will be pursuing business-related degrees at an accredited college during the 2018-2019 school year. See your high school counselor for application forms and scholarship requirement information. Deadline for receipt of applications is May 1, 2018.

## Monday-Friday every week

## Chelan/Manson Senior Center Events

Senior Meals, Monday-Thursday, call (509) 888-4440. Home Delivery Meals (509) 470-0522. For information Chelan Senior Center, 682-2712. Manson: Manson Senior Lunch, Friday, Kathy 687-3377.

## EVENTS / MEETINGS

## April 4

## Celebrate Recovery

CHELAN - Celebrate Recovery meets Wednesdays, at 6:30 p.m., at the Chelan Valley Hope Building, 417 South Bradley Street. For information: [lcvc1@gmail.com](mailto:lcvc1@gmail.com) or (509) 860-8108.

## Book-It Repertory Theatre of Seattle to perform at libraries

CHELAN - Book-It Repertory Theatre of Seattle will perform the book Whoosh! Lonnie Johnson's Super-Soaking Stream of Inventions. The free performance brings to life the children's book by Chris Barton which tells the story of Lonnie Johnson, who's love of rockets, robots and inventing became the cornerstone for a career as an engineer. The theater group will perform the show at the Chelan Public Library, on April 4, 3 p.m.

## North Cascades Sportsman's Club

CHELAN - The North Cascades Sportsman's Club Board meetings are held the first Wednesday of the month at 7 p.m. Meetings take place at the Chelan PUD located at 1034 E. Woodin Ave. in Chelan.

## April 6

## Community 'Soup' Kitchen

CHELAN - The Lake Chelan United Methodist Church Community 'Soup' Kitchen is open every Friday, noon to 1:30 p.m. The church is located at the corner of Johnson and Emerson.

## Baby rhymin' time

CHELAN - Baby rhymin' time is every Friday at 10 a.m., at the Chelan Public Library on Emerson Street, for ages 0-3 years. Join them for singing, dancing, nursery rhymes, musical instruments, and story telling for babies, waddlers and toddlers.

## April 9

## Friends of Public Library to meet

CHELAN - Chelan Friends of the Public Library will have their monthly

meeting on Monday, April 9, 7 p.m., at the Chelan Public Library, at 216 N. Emerson St. They welcome all who are interested in supporting community literacy.

## April 10

## Bruce Bjornstad to speak at Wenatchee Valley Erratics Chapter

WENATCHEE - The Wenatchee Valley Erratics Chapter of the Ice Age Floods Institute will meet at 7 p.m., Tuesday, April 10 at the Wenatchee Valley Museum, 127 South Mission. Ice Age megafloods, from at least three different sources, left a dramatic mark on the Pacific Northwest that is clearly visible today. Bruce Bjornstad, will show evidence for dozens of floods from glacial Lakes Missoula and Columbia, as well as Lake Bonneville, via maps, drone videos and other imagery. Bjornstad is a licensed geologist/hydrogeologist and author who specializes in the Ice Age Floods. The program is free and open to the public.

## AI-Anon

CHELAN - AIAnon meetings are weekly at the Lake Chelan United Methodist Church, 206 Emerson Street, Tuesdays, 12-1:15 p.m. For more information call Sherylann, 682-1817.

Woodin Ave. After a short business meeting, Steve Byquist, past voice of KOZI, will take everyone down memory lane of area events during his time at the radio station. Members are urged to come. Anyone wanting to become a member can join that evening. "History Notes" will be available.

## Lake Chelan Lions Club seeks scholarship applicants

SUBMITTED BY LAKE CHELAN LIONS CLUB

CHELAN/MANSON - Chelan and Manson high school seniors are encouraged to apply for the Harvey Cooper Scholarship, sponsored by the Chelan Lions Club. Applications for the \$1,000 scholarships are open to students who plan to attend a trade school, a two-year community college or a four-year university. The Lions Club will award four scholarships, two to seniors at Manson and Chelan high schools.

Applications and submissions details are available at the high school's Career Counseling Office. Scholarships are awarded based on scholastic achievements, school activities, community service, future goals, leadership and financial need. Applications must be returned to the Counseling Office by May 1 or mailed to the Lions Club, postmarked by May 1, 2018.

## OBITUARY &amp; MEMORIAL POLICIES

## NCW MEDIA, INC.

An obituary is a way for family member(s) to commemorate a loved one's life and to notify the larger community of the deceased. Obituaries are also used for historical and ancestral data.

Memorials are another way of letting the community know about the life and memories of the person who has died. A Memorial is different from an obituary. An obituary is usually current while a memorial can be written later.

Obituaries and memorials need to be typed and emailed no later than Friday by 4:00 p.m. to be placed in the next available issue(s). Please call for cost of an obituary and which NCW paper(s) that it will be placed in to.

Cost of the obituary/ memorial is due at the time of placement. Funeral homes and chapels can submit obituaries by Noon on Monday, unless a holiday.

Obituaries are priced per word while Memorial ads are per column-inch.

For info call Ruth 509-682-2213, or email [ruthk@lakechelanmirror.com](mailto:ruthk@lakechelanmirror.com)

Thank You  
In many ways a small town is a family. This was confirmed by the love and support offered so generously after Bob Carr's sudden death. Thank you friends and family far and wide for sharing my grief.  
Vicki Olson Carr

#### Highly Capable Program

March 20, 2017

Cascade School District is committed to identifying and providing for the unique educational needs of all of our students. At this time, the district is soliciting nominations from parents, school staff, and community members for students that are believed to have a high capacity to learn quickly, deeply, and/ or broadly, so that we can better provide an individualized educational service to each of our students. Students nominated through this process will be considered for enrollment in the district's highly capable program based upon screening and assessment with the permission of their parent/ guardian.

Definition of highly capable students means those students who: Perform or show potential for performing at significantly advanced academic levels when compared with others of their age, experiences, or environments.

(1) Capacity to learn with unusual depth of understanding, to retain what has been learned, and to transfer learning to new situations;

(2) Capacity and willingness to deal with increasing levels of abstraction and complexity earlier than their chronological peers;

(3) Creative ability to make unusual connections among ideas and concepts;

(4) Ability to learn quickly in their area(s) of intellectual strength; and

(5) Capacity for intense concentration and/ or focus.

Nomination forms can be obtained from the Cascade School District website ([www.cascadesd.org](http://www.cascadesd.org)) under Programs and Highly Capable) and in school offices. In order to be considered for identification for the coming school year, nomination forms should be returned to Mike Janski, Highly Capable Director, at Icicle River Middle School by April 18, 2018 either by dropping them by the middle school, by email [mjanski@cascadesd.org](mailto:mjanski@cascadesd.org) or by mail; 10195 Titus Rd, Leavenworth, WA. 98826. (WAC 392-170-035, WAC 392-170-036)

You've Got It! Somebody Wants It!

**HELP WANTED**

**Highly Capable Program-Programa de Alta capacidad**

**21 de marzo, 2018**

El Distrito Escolar de Cascade está comprometido a identificar y proveer para las necesidades educacionales únicas de todos los estudiantes. En este momento, el distrito está solicitando nominaciones de padres, del personal escolar, y de los miembros de comunidad para estudiantes, que se creen tener una alta capacidad de aprendizaje rápido, intensivamente, y/o de manera amplia, para que podamos proveer un mejor servicio de educación individualizada para cada uno de nuestros estudiantes. Los estudiantes nominados para este proceso se van a considerar para la matriculación en el programa, highly capable program- (Programa de alta capacidad), será basado en exámenes y evaluaciones con el permiso de los padres/ tutores legales.

La definición del estudiante de alta capacidad significa que: Trabajan o demuestra el potencial para funcionar a niveles académicos significativamente avanzados, cuando se le compara a otros de su misma edad, mismas experiencias o de los mismos ambientes.

(1) La capacidad de aprender con la profundidad rara de entendimiento, retener lo que se ha aprendido, y transferir el aprendizaje a nuevas situaciones;

(2) La capacidad y la voluntad de tratar con niveles cada vez mayor de abstracción y complejidad más temprano que sus compañeros de la misma edad cronológica;

(3) La creativa de hacer conexiones inusuales con las ideas y conceptos;

(4) La capacidad de aprender rápidamente en su(s) área(s) de fortaleza/destraza intelectual; y

(5) La capacidad para la concentración y/o enfoque intenso.

Las formas para hacer una nominación se pueden obtener por la página de web del Distrito Escolar de Cascade ([www.CascadeSD.org](http://www.CascadeSD.org) se encuentran bajo la pestaña del Programs y Highly Capable) y en las oficinas escolares. Con el fin de ser considerado para la identificación del próximo año escolar, deben devolver las formas de nominación al Sr. Mike Janski, Director del Programa de Alta Capacidad en la Escuela Intermedia Iclicle River para el 18 de abril, 2018, por correo electrónico [mjanski@cascadesd.org](mailto:mjanski@cascadesd.org) o por correo; 10195 Titus Rd., Leavenworth, WA, 98826. (WAC 392-170-035, WAC 392-170-036)

**Chelan Fire and Rescue seeks applications for Board of Fire Commissioner Vacancy**

The recent resignation of a Board member from Positon 2 on the Board of Fire Commissioners has created a vacancy on the three-member Board. To fill the vacancy, the Board of Fire Commissioners is soliciting applications from individuals who would be interested in being appointed to fill the vacancy.

When a vacancy occurs on a Board of Fire Commissioners, State law provides that it can be filled by appointment of the Board. The chosen appointee then serves for the rest of the vacated Board members term. In this case, the term of the vacant seat lasts until November 26, 2019. The chosen appointee would be eligible to stand for election in November 2019.

The Board of Fire Commissioners is a non-partisan, part-time legislative body. Chelan Fire and Rescue was formed in 1926. Board meetings are held at 4:00 p.m. on the second Wednesday of each month with some exceptions. There may be special meetings occasionally to attend during the month as well.

By State Law, the chosen candidate must be a citizen of the United States, a registered Washington State voter, and have resided within the fire district limits of Chelan Fire and Rescue for at least one year. The appointee also must be at least 18 years of age.

The appointed Commissioner would have the same level of duty and privilege as all other Commissioners. Chelan Fire and Rescue Commissioners are compensated \$114,000 a meeting during the length of their service.

To be considered, applicants are asked to submit an application and a Declaration of Eligibility. A resume and a cover letter detailing the applicant's previous and current involvement in the Chelan community. The application can be found at [Chelan7.com](http://Chelan7.com) website or stop by the administrative office at 232 E Wapato Ave, Chelan, WA.

Application materials must be submitted by 5:00 p.m. on Friday April 6, 2018 to the Administrative Office Manager at 232 E Wapato Avenue, Chelan, Washington 98816. Applicant's information will be forwarded to the Chelan County Elections Department for verification of eligibility before an application will be forwarded to the Board of Fire Commissioners. The Board of Commissioners will review all qualified applicants and an appointment will be made at the May 9, 2018 regular meeting of the Board of Fire Commissioners. The selected appointee is anticipated to begin his/her term in May 9, 2018.

For further information, please contact Administrative Office Manager Carol Kibler at 509-682-4476. Published in the Lake Chelan Mirror on March 28 and April 4, 2018. #81546

Notice of Decision VAR2017-04 April 4th, 2018

Proposal: **The City of Chelan has issues a final decision on the Fisher Detached Garage.**  
Location: **318 SR 150, Chelan, WA, 98816; Chelan County Parcel No: 272204440300**  
Applicant: **Scott and Lucia Fisher, 703-A 122nd Ave NE, Bellevue, WA, 98005**

**Environmental Review:** The City of Chelan, as SEPA lead agency, has reviewed the proposed project for probable adverse environmental impacts and expects to issue a determination of non significance (DNS). The optional DNS process in WAC 197-11-355 is being used. **This may be your only opportunity to comment on the environmental impacts on this phase of the proposed project. A copy of the threshold determination may be obtained upon request.**  
Project Decision: **A detached garage associated with a single-family residence has been Approved. For a copy of the decisions, please call (509) 682-8017.**

**Appeal Period:** Anyone aggrieved by this decision may appeal it, pursuant to the provisions regarding "Closed Record Appeals" identified in Section 19.18.010 and Chapter 19.34 of the Chelan Municipal Code.  
Contact: **Joey Meisenheimer, Associate Planner PO Box 1669 Chelan, WA 98816 509-682-8017**
