Lance Corporal Marvin Galbraith remembered

John Timothy "Tim" Lane to be honored May 27

By MIKE MALTAIS STAFF WRITER

BREWSTER - Army PFC John Timothy "Tim" Lane, 20, was killed in action in Vietnam 55 years ago on May 4, 1968.

Lane was stationed in Hua Nghia Province when he and three other men in a night defensive position came under attack from an enemy force infiltrating his unit perimeter.

During the fierce fire fight, an enemy soldier threw a hand grenade which exploded in the hole where the soldiers were located. With complete disregard for his own safety, Lane covered the explosion with his own body.

At the time of his death,

Lane was a member of the 9th Infantry, 25th Infantry Division. For his actions Lane was posthumously awarded the Distinguished Service Cross (DSC).

Columbia Post 97 of the Brewster American Legion Post recently became aware of PFC Lanes' sacrifice when a movement started by one of his army buddies, Jim Martin, sought to upgrade his DSC to the Congressional Medal of Honor (CMOH).

The Brewster American Legion will participate in a special ceremony honoring Lane at 9 a.m., Saturday, May 27, at Locust Grove Cemetery. Many dignitaries will attend including Congressman Dan

John Timothy "Tim" Lane.

Newhouse, military personnel from the 25th infantry from Ft. Carson Colorado, the Brewster American Legion honor guard, local government of-

ficials, family, and friends.

Lane was a 1966 Brewster high school graduate. Following graduation, he worked briefly for Crane and Crane Custom Orchards.

PFC Lane was survived by his parents, Mr. and Mrs. John S. Lane, two sisters, Treacia Lane Johnson, and Jo Ella Lane (now Crossland), and his grandparents, Mr. and Mrs. John B. Stewart, La Habra, California.

Lane was the second Brewster casualty of the Vietnam conflict. Marine Lance Corporal Marvin Galbraith was killed six weeks before Lane. Lance Corporal Galbraith will also be mentioned and honored at the ceremony.

Okanogan PUD applies for Carlton broadband grant

By MIKE MALTAIS STAFF WRITER

OKANOGAN - The Okanogan County PUD commissioners discussed topics ranging from a broadband grant opportunity for Carlton and legislative updates to a national safety award and construction projects.

- Commissioners authorized staff to apply for \$5 million in funding from the USDA's Community Connect grant program to bring direct fiber to the home for the Carlton area. If the grant is awarded, it would require about \$750,000 total in matching funds from the PUD over several years. Legislative consultant Jason Herbert of Energy Northwest shared some highlights and challenges from the 2023 legislative session. Among the bills discussed:

- Utility wildfire mitigation bill - requires utilities to create and share wildfire mitigation plans with the state Department of Natural Resources. Resource adequacy bill - requires the state to study the likelihood of insufficient power supply in years to come, especially considering the current push toward electrification and the shuttering of non-renewable energy sources. Extreme heat moratorium bill - allows customers behind on bills to request not to be disconnected during periods of extreme heat, as determined by National Weather Service reports. Commissioners congratulated PUD staff on an Hon-

- orable Mention Award for safety from the American Public Power Association. The program compares similarly sized electric utilities and their safety records over the past year. Customer Service Supervisor Mindy Morris reported that from October to April, more than 1,000 customers had utilized in excess of \$466,000 in payment assistance. Partner agency Okanogan County Community Action Council is now operating on a full 12-month funding cycle and currently has assistance available for those in need. Engineering Manager Allen Allie shared that the Tonasket substation rebuild would get power transformers soon. Also, contract crew Olympic Electric was working on Pharr Road outside Riv-

- erside and would soon be working on Aeneas Valley replacing aging infrastructure. Chief Engineer Dan Simpson reported that Bonneville Power Administration (BPA) is working on two sections of their transmission lines that they identified as "high risk" for wildfire. If the area of the lines were to get a red flag warning and predicted wind speeds of 30-plus mph, BPA could choose to disconnect power. Although that would not likely affect the PUD because of its redundancy, it could have some local impacts if other issues occurred at the same time. BPA's planned maintenance on the lines could remove them from the high-risk list, but exact dates for that maintenance are unknown.

WDFW will discuss deer herd health May 22

MIKE MALTAIS STAFF WRITER

TWISP - How do you think the deer fared last winter? Road kills on both old and new Highway 97 were a too-common sight as the herds navigated both highways and heavy snow.

The Washington Department of Fish and Wildlife (WDFW) would like to hear public comments about how local deer emerged from the snows, so it is holding a public meeting from 6:30-7:30 p.m., Monday, May 22 at the Twisp Valley Grange, 344 W. Second Avenue in Twisp.

The early winter with its high snow load raised concerns from area residents that local mule deer populations could be negatively affected by the harsh conditions. Members of the public called on WDFW to initiate an emergency feeding program. Department staff periodically evaluated conditions and monitored radio-collared

does over the winter to assess herd health.

Now, with winter over, the Department wants to meet

with the public to discuss this winter's impact on deer and winter feeding in general. "We kept a close eye on

the situation over the entire winter," said Region 2 (North Central) Director Brock Hoenes. "But emergency feeding of wildlife is never ideal. In the end, conditions weren't as bad as anticipated for an extended amount of time, but we want to address the concern for future years."

Information provided by tracking collars on mule deer wintering in the area shows that adult deer were not highly affected by winter conditions. In addition to presenting this information at the meeting, staff will discuss deer biology and adaptations to survive without the help of humans, lessons learned from historical feeding programs, and the many ways feeding programs can do more harm than good.

The WDFW works to preserve, protect, and perpetuate fish, wildlife and ecosystems while providing sustainable fish and wildlife recreational and commercial opportunities.

Local graduates named to Community Colleges of Spokane honor rolls

SPOKANE – Community Colleges of Spokane announced that seven recent graduates of Brewster, Pateros, and Bridgeport high schools have made the 2023 winter quarter honor rolls.

Jacqueline Garcia-Corrales, Duvan Martinez, Britany Perez, and Sarahi Tinoco all of Brewster are among 1,358 students at Spokane Community College (SCC) who maintained a grade point average of 3.0 or above to be listed on the

honor roll.

SCC serves more than 15,000 students and is known for its programs in career and technical training as well as its apprenticeship programs, but it also offers associate degrees including those that are transfer-ready for those going into universities.

Alonzo Garza of Bridgeport, Adaih Najera of Brewster, and Jennifer Flores-Khurape of Pateros are among 1,904 Spokane Falls Community College

(SFCC) who made the winter quarter honor roll there.

SFCC serves more than 5,000 students and is renowned for its theater, music and fine arts as well as exceptional STEM programs. About 60 percent of its graduates transfer to four-year colleges and universities.

Community Colleges of Spokane is a dynamic, 12,300-square-mile state community college district that includes Spokane Community College, Spokane Falls Community

College and six rural education sites, serving residents in Pend Oreille, Stevens, Whitman, Ferry and parts of Lincoln counties.

CCS offers high-quality academic transfer, career-technical and eLearning degree and certificate programs; business and community training; and adult literacy programs throughout north-eastern Washington, enrolling approximately 34,000 students a year.

County commissioners discuss how to get the word out

Editor's note: The following meeting summaries of the Board of Commissioners of Okanogan County (BOCC) for the first week of May 2023 are taken from notes provided by County Watch (countywatch.org).

OKANOGAN – The Board of County Commissioners discussed options to bring news of their meetings and proceedings to the attention of county residents who do not have computers. Regular printed news releases mailed to residents were among the possibilities discussed.

Monday, May 1

- Bob Eubanks made a public comment about zoning issues in the county area between Omak and Okanogan. He and his neighbors prefer to remain in the county instead of being annexed into a town.
- Pete Palmer, Planning Director Pete Palmer would like to hire someone to help the department work on proposed planned developments.
- Emergency Management Director, Maurice Goodall, described some areas of flooding from spring runoff.
- Palmer and Commissioners finished discussing the proposed county rezoning code, except for the District Use Chart, scheduled for agenda of Monday, May 8.

Tuesday, May 2, morning

- Public comments: Meetings, special meetings, and significant action should be publicized better since a lot of Okanogan County folks don't have computers. News releases might be helpful and/or mailing.
- Discussion of code revisions/policy changes with the Civil Deputy - removing things that are obsolete. Civil Deputy will

work on resolutions and/or ordinances to codify changes. Things like office hours need to be updated for all departments. BOCC is the legislative body to determine these. There are some rules/regulations that come from the Health District.

- Team Okanogan to come to BOCC next week.
- Discussion of whether to assess a misdemeanor or infraction for non-compliance with Planning.
- Public Works Update: Maintenance & road conditions, Owhi Lake, Bonaparte Lake, Seal Creek, Wolf Creek, upcoming projects – speed reduction for Barnholt Loop Road requested. Waiting for the sale of Hunter Mounting acquisition to close. First draft of 2024-2029 road project list in draft form.
- Okanogan Homeless Coalition looking for funds to continue construction.

Tuesday, May 22 afternoon

- Housing officials appeal for funds to cover \$750,000 spending gap for Oroville Housing
- Authority's 16-unit project, due to break ground in June; county can foot half the bill.
- Human Resources director says Lifeline is the cheapest for CPR/defibrillator training:
- \$5,000 for 100 employees; cost of adding defibrillators (with spare parts) to courthouse;
- \$4,500.
- First opioid settlement received, more to follow.
- Commissioner Neil not happy about farmers' emergency winter housing ousted to build Oroville's affordable housing development. Commissioner Branch mentioned county right of way activity, problems with the State waiving rules.
- Water Board member approved.
- Commissioner Hover's comment letter asking for participant status in grizzly re-introduction plan signed by Whatcom and Skagit counties; Chelan and Snohomish wrote separate letters.
- In informal discussion Commissioners Branch and Neil expressed skepticism over animal management programs; Branch suggests possible BOCC third term.

Obituary & Memorial Policies

NCW Media, Inc.: Leavenworth Echo, Cashmere Valley Record, Lake Chelan Mirror, Quad City Herald: An Obituary is a way for family member(s) to commemorate a loved one's life and to notify the community of the passing of the loved one. Obituaries are also used for historical and ancestral data. Memorials are another way to let the community know about the life and memories of the person who has passed. A Memorial is different from an Obituary. An Obituary is usually current, while a Memorial can be written later. Obituaries and Memorials need to be typed and emailed as a Word Document. They can be placed in one or more papers - all publish weekly on Wednesday. Obituaries are priced by the number of words and include one color photo and go online at no extra charge. Memorials are priced per column inch. Please call for cost. *Payment is due at the time of placement. *Exception: Chapels, funeral homes who have an account, can be billed. There is no charge for a Death Notice - information is limited. Deadline is 4 p.m. on Friday - some exceptions may apply. Please call 682-2213 or 689-2507 for more information Or email ruthk@lakechelanmirror.com

Junior Cort Gebbers outdistanced his nearest rival by 50 feet in the discus and six feet in the shot. His shot toss of 48 feet, 1 inch, was short of his earlier personal record and new school record of 49’9” set on April 28 at the Rieke Invitational in Leavenworth.

Senior Francisco Duran had a good day winning both the 110-meter and 300M high hurdles. Duran also helped his team win the 4x400 relay.

Junior Kaydence Carrington owned the distance events, winning the 800M, 1600M, and 3200M meter runs.

Junior Dave Hampe won the 400-meter run and senior Juan David Martinez captured the 1600M.

Brewster leads 2B ranking

Bears beat Bulldogs, Tigers, advance to Regionals

MIKE MALTAIS
STAFF WRITER

BREWSTER – The defending state champion Brewster varsity baseball team punched its ticket for a return trip with a 6-2 win over Okanogan in a loser-out league/district game last Tuesday, May 9.

The Bulldogs had earlier ended Manson’s season, 4-3, but in three previous regular season games Brewster had defeated Okanogan by a score of 11-3 on March 28, and 3-0 and 16-1 in an April 1 double-header.

Head coach Todd Phillips said his team started slower than usual in the four-hitter game, falling behind in the first inning for only the second time this season.

“Taking ten days off and going into a loser out game left us a little tight,” Phillips said. “I think it was the lowest team batting average in a game that we have ever had in a win.”

Pitcher Tyson Schertenleib had some early trouble locating the strike zone but still only allowed one hit to one of the better Bulldog hitters in the league.

“We really should have gotten out of there with only one run on the board, maybe a shutout, but we made a few bad decisions defensively,” said Phillips. “(Schertenleib) was one batter away from getting the complete game.”

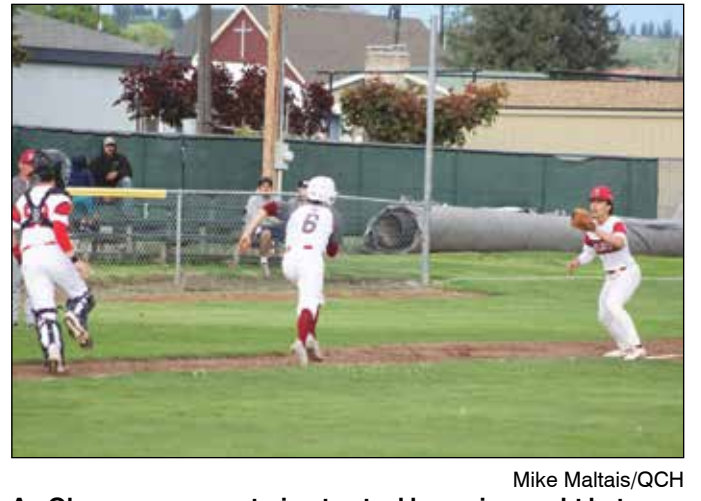

In the first inning Okanogan’s Carson Boesel drew a walk, stole second, stole third and then scored on a throwing error attempting to throw him out, Phillips said.

The Bears evened the score in the second inning when Nico Maldonado was hit by a pitch, advanced on a fielder’s choice and scored from second on an errant throw off the bat of Kash Vandelaac, said Phillips.

The Bulldogs reclaimed the lead when Boesel singled up the middle, stole second, advanced on a fielder’s choice, and scored on a ground out by teammate Brayden Meyer.

The Bears took their first lead in the bottom of the third. Cole Aparicio led off with a single, Reese Vassar singled, and Brady Wulf laid down a bunt to advance both runners. Aparicio scored on a passed ball and Vassar followed on an overthrow to the pitcher who was covering home plate.

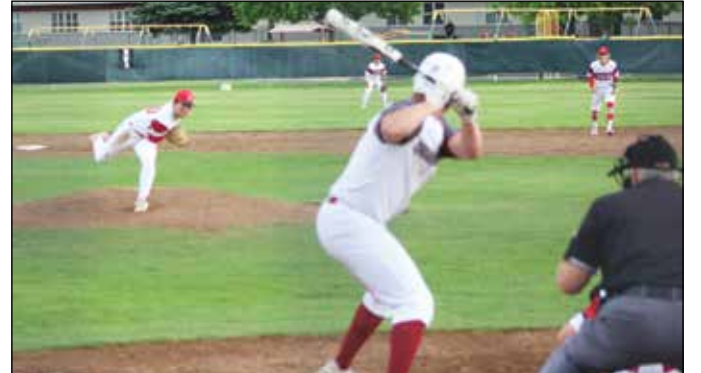

In the fifth inning Aparicio drew a walk, and Vassar

reached first on an error. A wild pitch advanced both runners. When Okanogan failed a run-down attempt “allowed us to score two more on the fielder’s choice off the bat of Brady Wulf,” Phillips said.

In the sixth inning Grant Baker reached base on an error, Vassar walked, and Wulf walked to bring in Baker on a wild pitch, Phillips said.

Summing up the game Phillips said, “Aparicio may have been our offense player of the game and he flashed some leather on a pretty diving play in the outfield.”

That was a running, diving catch Aparicio made on a high fly ball outside the left field line.

As of this writing the 21-1 Bears lead the state 2B RPI

rankings with the remaining top four teams being:

2. Cle-Elum/Roslyn (19-2)
3. Jenkins (Chewelah) (18-3)
4. Toutle Lake (19-2)
5. Tri-Cities Prep (15-3)

Tonasket (11-10) comes in at 21, and Liberty Bell at 23 (8-11).

City of Pateros STATE ENVIRONMENTAL POLICY ACT Determination of Non-Significance

Date: May 3, 2023
Lead agency: City of Pateros
Agency Contact: Kerri Wilson
Agency File Number: Rock Garden Holdings
Rock Garden Holdings has proposed a mixed-use commercial and residential project composed of two buildings. Building A will be constructed first and has three commercial units at the ground level and three residential units above that are accessed by a private staircase from an opening at one side of the adjacent commercial space. Building B will be constructed second and will have 4 commercial units at the ground level and four residential units above. They will be access in the same way as Building A. The commercial spaces will be "white box" spaces, designed out to be a blank canvas for small businesses to rent them. The types of offices that will likely be in this space will be businesses such as lawyers/real estate offices, small retail, hair dressers/nail salon etc. As for the site as a whole, there will be a parking lot at the plan view north side of the site dedicated to the building's multiple uses. There will be a public pedestrian path from the sidewalk down to the City of Pateros' public pedestrian promenade. The buildings orient to face the river and will have large glazed portions at the river facing side to maximize the views. The sizes of each building are broken down below:
Building A:
Total Square Footage: 7,536 SF
Ground Level Commercial SF: 3,551 SF (1,184 SF per unit)
First Level Residential SF: 3,985 SF (1,328 SF per unit)
Building B:
Total Square Footage: 9,741 SF
Ground Level Commercial SF: 4,574 SF (1,184 SF per unit)
First Level Residential SF: 5,167 SF (1,328 SF per unit)
Site: Total Site Size: 0.600 Acres (26,200 SF)
Zoning: Central Business District
Building Coverage on Site: 35%
Impervious Surface Coverage on Site: 94% (100% Allowable)
The City has determined that this proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). A copy of the Environmental Checklist and draft plan are available for review at Pateros City Hall. This determination is based on the following findings and conclusions:
All potential significant environmental impacts are mitigated.
This DNS is issued under WAC 197-11-340(2) and the comment/appeal period will end on May 30, 2023. Comments and/or appeals must be made in writing to Kerri Wilson, City Clerk, City of Pateros, P.O. Box 8, Pateros, WA 98846, 509 923 2571

Calcium does a lot more than just keeping our bones strong

Q: How much calcium should I take to prevent osteoporosis (thin bones)?
Several years ago, after stepping out of her front door, my 75-year-old neighbor Barbara turned around and, after losing her balance, fell down a flight of stairs, shattering her left ankle and breaking her right arm in 3 places. Barbara then endured 2 surgeries, one to reinforce her arm with a steel rod and pins and a second, grueling 5-hour marathon during which the surgeon collected and fit the multiple pieces of her ankle back together. She had been taking prednisone daily to control her lupus, a painful inflammatory condition. After her emergency surgery, her doctor informed her she had osteoporosis, or "thin bones," and prescribed a bone-building medicine, plus a daily calcium and vitamin D supplement.

Dr. Louise Achey
painful kidney stones. For these reasons, bone and kidney specialists discourage their patients from relying on getting all of their recommended daily calcium by taking a calcium supplement. Most forms of calcium sold as supplements are calcium carbonate or calcium citrate. Calcium carbonate is the most concentrated form of supplemental calcium. It is available as flavored chewable tablets (Tums) and large pills. Calcium carbonate causes constipation in some people. You won't absorb calcium carbonate well when taking acid-blocking medicine like omeprazole (Prilosec®) or lansoprazole (Prevacid®). Instead, you should choose calcium citrate. Have trouble swallowing large tablets? Calcium supplements are also available as gummies.

Here are 5 Tips on Getting Enough Calcium:
1. Eat calcium-rich foods. Most people get 300mg of calcium daily from non-dairy sources. You also get 300mg of calcium per serving of dairy products like milk, yogurt, and cheese. Green vegetables, oranges, and figs also contain calcium.
2. Check out the Calcium Calculator app. This app lets you keep track of your calcium intake. You can also check the lists of calcium-rich foods on the International Osteoporosis Foundation website, www.iofbonehealth.org.
3. You need adequate calcium and vitamin D when taking bone-building medicine. Medicines like alendronate (Fosamax®), risedronate (Actonel®), ibandronate (Boniva®), and teriparatide (Forteo®) strengthen your bones by adding calcium back into them. If you don't have enough calcium in your diet, they won't work.
4. Limit supplements of calcium to 500mg at a time. Your body absorbs calcium better at lower doses. This avoids a potential "spike" in your calcium level that can increase your risk of heart attack or stroke.
5. Get at least 400 IU of Vitamin D every day. Vitamin D is necessary to help your body absorb calcium. Although you can get vitamin D from sun exposure, salmon (800 IU per 3 ounces), canned tuna (150 IU per 3 ounces), fortified milk (about 120 IU per 4 ounces), and fortified orange juice (80 IU per 4 ounces) are also good sources.

Unfortunately, recent studies have shown that taking a calcium supplement may provide too much calcium. This can result in increased risks of heart attack or stroke. It's theorized that there's a spike in blood levels of calcium when taking a concentrated calcium supplement, which may damage your blood vessels. Taking calcium supplements has another dark side: they encourage the formation of

Rotary takes over Leavenworth with 'Imagine Rotary Reimagined' District Conference - 'a new way to conference'

The general public is invited to participate in a week filled with unique experiences and inspiring presenters.

SUBMITTED BY JAMIE HOWELL
HOWELL AT THE MOON PRODUCTIONS

LEAVENWORTH - Rotary District 5060 is excited to unveil a unique, first-of-its-kind conference coming to Leavenworth May 19-21. Designed to provide a transformative experience for all participants, for the first time ever, Rotary is opening the annual district conference and all associated events to the general public this year.

"We've turned it inside out," explains conference executive producer Colin Brine. "This conference is not about what participants can sit and listen to, it's about what kind of new experience they can create on their own, it's about relationship building, it's about imag-

ining a new future not just for Rotary, but for themselves and the world they live in."

There are so many activities surrounding the conference, in fact, that the City of Leavenworth issued a proclamation officially declaring the week of the conference "Rotary Week in Leavenworth."

In a break from tradition, Rotary is inviting the general public to participate in any and all of its conference events. Here are some of the highlights planned for the upcoming event:

- **Prologue Events:** A series of social events in the days leading up to the official start of the conference starting Wednesday, May 17.

- **Going Green Golf Tournament and Game Olympics** - May 17, 9 a.m. - 1 p.m., at the Leavenworth Golf Club with events for golfers and non-golfers alike.

- **The Great Leavenworth Geo-Hunt** - May 17, 2 - 5 p.m., will send participants on a discovery/scavenger hunt around town.

- **Roady Rally for the Environment** - May 18, 9:30 a.m. - 1 p.m., takes participants on 2.5-hour journey of discovery

by car.

- **Tour de Leavenworth Discovery Ride** - May 18, 2 - 6 p.m. is two-hour guided bike or e-Bike tour, led by Bavarian E-Bike Tours co-owner Tom Potter.

- **U.S. vs. Canada Mini-Golf Tournament** - May 19, 12:30 - 2:30 p.m., at the Icicle Village Resort features a silent art auction and prizes for the winners.

- **Special guests:** The conference itself will feature entertaining and inspirational presentations from Olympic gold-medal winning cross-country skier Kikkan Randall and mountaineering legend Ed Viesturs. In addition, The Paperboys will play a private, live concert in the Leavenworth Festhalle for all attendees and their families. The entire event will be led by Master Facilitator James Carter.

- **"Build a Dream" Bikes for Tikes** program: Conference organizers plan to give away 100 bikes, helmets, locks, and backpacks to youth in need.

- **Rotary Causes Expo Village:** "Rotary Cause Vendors" will line the blocks around the Leavenworth Festhalle during the three days of the conference, with booths featuring local organizations whose products or missions align with one or more of **Rotary's Seven Causes.**

- **Community Impact Project and Team Challenges:** Participants will focus on building together to create a positive impact on the community through guided activities designed in part by the participants themselves.

- **Rotary Youth Leadership Awards (RYLA):** Rotary is working to provide scholarships for up to 100 high-school age students to participate directly in this year's conference, as part of the annual RYLA Camp taking place at the Lake Wenatchee YMCA Camp.

"Imagine Rotary Reimagined" is the second annual district conference to be held by Rotary District 5060 since

before the COVID pandemic. The district conference is hosted in the home of its 2022-23 District Governor, Karl Ruether of Leavenworth.

Rotary International is one of the world's largest non-profit service organizations, counting more than 1.2 million members in over 32,000

clubs across 200 countries. The Rotary motto, "Service Above Self" guides their efforts to create positive impacts on the communities where they live and work, as well as on a global scale. To find out more or to register for any of the events listed above, visit rotaryreimagined.com.

Welcome-Willkommen to the District Conference

Having the District Conference in Leavenworth is a long time coming. Past District Governor Jim Adamson Senior introduced me to Rotary back in 1994 and the rest is history as they say.

Jim Willems, Tom Boyd, and Bill Forhan and others encouraged me to apply for District Governor and I took over as Assistant District Governor for Area 8 from Carol Adamson and then shortly after I was chosen to be the District Governor for Rotary year 2022-2023 and this conference is a culmination of several years of training and serving District 5060. This conference is however very different than any previous one, hence the name "Rotary Reimagined" following this year's Rotary Theme of "Imagine Rotary". If Rotary is to stay relevant and successful far into the future, then we need to tell our story better and often so that everybody understands what Rotary is and more importantly what Rotary does. Come and join us on May 18 to the 21 and see for yourself.

Benefit concert May 21

SUBMITTED BY JUDY KELTS AND SUSIE SCHELL-DIETSCH

WENATCHEE - On Sunday May 21, 2 p.m., Wenatchee First United Methodist Church is sponsoring and hosting a special concert called Music For the Refugees. It will feature

The Wenatchee Big Band, The Apollo Club, The Applearies, a combined church choir, and other solo artists.

Our concert will directly benefit Ukrainian refugee families in Chelan, Douglas, and Grant counties, through the Friends of Ukrainian Refugees (FOUR). Admission is free, and a free-will offering will be taken.

Did you know today there

are around 50 Ukrainian refugee families in North Central Washington? They're quietly living among us, practicing, and learning English, going to school, finding their way around new neighborhoods; studying to get a driver's license, finding jobs, paying their rent, and trying to make new friends and new lives. We watch the news and read the

paper, shocked by devastating pictures of the war in Ukraine.

Many of us are feeling called to do more, and our words can only go so far. When words fail music speaks. Let's show our compassion and caring, and truly make a difference for the Ukrainian families in our area. Please join us and bring your extended family, friends, and neighbors.
