Chelan County Fair • Sept. 9-12, 2021

MISSION STATEMENT: “The Chelan County Fair exists to provide a family event reflecting the past, showcasing current accomplishments and looking to the future county’s best resources - Its youth, agriculture, and communities.”

Greetings from the Chelan County Fair President

“Welcome to the 2021 Chelan County Fair!

We are happy to once again be welcoming everyone back to the fair and this year’s fair will prove to be better than ever.

We want to give a special Thank You to everyone who supported the Virtual 4-H and FFA livestock sale in 2020. This year we have a little something for everyone, come see the livestock shows and animals, check out all of the different exhibitor buildings and ride the carnival rides. We have plenty of entertainment each and every day of the fair, including a free concert Friday Night featuring Jerrod Niemann, the livestock

auction on Saturday, PRCA Rodeo on Saturday night and Sunday afternoon, and a jam-packed schedule of entertainment in between.

I would like to thank the Chelan County Fair Board and the whole community for all their hard work and sponsorships. It truly does take a group effort to put on a great fair.

I hope to see you all September 9th thru 12th.”

Thank you,
Chelan County Fair President / Rick Hanson

Chelan County Fair Ambassadors

Nora Guezwiler

Nora Guezwiler

My name is Nora Gutzwiler, and I am excited to serve as one of your 2021 Chelan County Fair Ambassadors. I've participated in the fair since the age of six, showing animals like chickens, ducks, rabbits, sheep, and swine. I have also exhibited sewing

projects, baked and canned goods, produce, and photos. This is my seventh year showing swine out of my eleven years of 4-H. I've also served as a secretary, treasurer, vice president, and president in my club, the Wenatchee Heights 4-H Club.

In addition to being heavily involved in

agriculture through 4-H, FFA, and my family's cherry orchard, I throw discus and shot put for the WHS track team. I am honored to serve you as an ambassador this year, and I hope to use this knowledge and experience in the future to attend WSU and pursue an education in veterinarian medicine.

Natalie

Sotelo-Solorio

Hello, my name is Natalie Sotelo-Solorio. I am a seventeen-year-old senior at Manson High School. I come from a family of five and was originally born in Fresno, California.

I enjoy multiple sports and animals, especially

pigs.

I have been involved in FFA for three years, and every year I have shown a pig. I am excited to make my last year the best it can be as well as showing everyone the joy of caring for animals. Thank you for reading a bit about me.

2021 Volunteer of the Year

My name is Kevin Amsden, I come from a family of educators, both my younger sisters are teachers and school administrators. I really enjoy helping students learn and experience new things, helping people that need a helping hand.

I love doing things with my family, we just celebrated our 26th wedding anniversary. Have one son, Cody who is in his senior year at WSU majoring in Mechanical Engineering. We enjoy outdoor activities like snowmobiling, boating, and camping in our RV with family and friends. Spending time at our cabin at Lucerne.

I spent 2 years on an elite wildland fire fighting crew in La Grande Oregon, the Union Hotshots.

My first teaching job was in Manson and along with that came being the FFA Advisor for the high school, 40 years ago. I have also been involved with the fairground for 40 years and served on the fair board for two terms.

My favorite memory associated with help at the Chelan County Fair includes when my students are selected as Grand or Reserve Champions, or Fair Ambassadors, to help promote the fair they love.

I am honored to have been chosen as the Volunteer of the Year and I hope to see all of you at the fair from September 9th thru 12th.

CASHMERE FFA ADVISOR

The Chelan County Fair is on and the Cashmere FFA is ready to roll with 29 market animals. Students will haul in their livestock on Wednesday, September 8 and sell them at 10 a.m. on September 11. New this year is a dual-platform auction. Buyers have the option of bidding in person at the Fairgrounds or through an online bidding catalog at Yarbro.com. Described below are the different ways to purchase and or support Cashmere FFA and 4-H animals. FFA and 4-H programs would like to

thank all of our businesses for their continued support of these agricultural projects.

Option 1: Buyers can buy the animal and then “turn” it to the Packer Buyer who will pay a pre-established market price. For example, a business decides to bid a 275 pound hog up to \$500 and then “turn” it to the Packer Buyer who has a set price of \$.60/lb. The Packer Buyer will pay \$165 (275 lbs x \$.60/lb) and the business will pay the remaining \$335.

Option 2: A buyer can purchase the animal for personal consumption and send that animal to a local

processor of their choice. Typically, a market hog will yield about 55% of its live weight into retail product after processing and fabrication. For example, a fair hog weighing 280 pounds, should yield around 150 pounds of pork cuts. Market lambs and goats should yield just under 50% of their live weight for retail product.

Option 3: Finally, buy-
