## Chelan County projects get boost

**\$2.5M: 'Cascade Fund' grants rural growth money**

BY GARY BÉGIN

*NCW Media Managing Editor*

The Board of Chelan County Commissioners last week approved the Cascade Public Infrastructure Fund (CPIF), a grant program for public facility projects serving economic development, unanimously.

Because these funds can only be spent for public facility projects, eligible applicants will be entities like city governments, the Chelan-Douglas Port Authority, water districts, and other junior taxing districts that can demonstrate a nexus between their proposed project and economic development.

Public facilities includes bridges, roads, water, sewer, and other utility systems, port facilities, and more, according to strict interpretation of the rural counties tax laws.

The grant program does not impose a new tax on Chelan County citizens, but instead will be funded by existing revenues from the sales and use tax for public facilities in rural counties (Rural Counties Tax) which is a .09 percent remittance on the state's sales tax.

Over the next three years, the CPIF plans to invest nearly \$2.5 million into economic development projects in Chelan County.

"The CPIF grant program will be a critical resource in local economic development to grow the private sector in order to incentivize and attract new businesses to Chelan County, while at the same retain and expand current businesses," said Blake Baldwin, Director of Economic Development for Chelan County. "The county is eager to make investments that will strengthen our economy and create family wage jobs and opportunities available to county residents."

Baldwin spoke exclusively with NCW Media and added the following to his original news release:

"Public investment in these utilities is critical to economic development to help ensure a project site is equipped with infrastructure that will not only incentivize new industry to relocate to Chelan County, but will also help expand and grow existing businesses."

The CPIF Advisory Committee will be looking at several priorities to evaluate, score, and rank projects, including: How many jobs the project will attract to Chelan County, he said. Also included and highly prized as part of the incentive package are projects that significantly increase county revenues, such as sales tax, property tax, and personal property tax.

"The increase in revenue benefits local governments and junior taxing districts, which in turn helps ease the tax burden upon Chelan County citizens" will be a major criteria in the selection process, according to Baldwin.

How the project will improve the

quality of life for Chelan County citizens as well as how projects can demonstrate a partnership between the applicant and another public entity and/or private sector business or organization

This often means the project has secured matching funds which helps stretch the CPIF grant program further allowing for more public investment in economic development.

The Chelan County Board of Commissioners will assemble the CPIF Advisory will also be a major consideration, according to Baldwin.

A committee to help guide and inform the decision-making process for these public investments will be formed consisting of eleven members and the county, and will begin extending invitations to "desired participants."

Desired participants include representatives from city governments in Chelan County, community councils, the Hispanic Business Council, and the Chelan Douglas Regional Port Authority. These entities will be asked to send project details.

The committee will review, score, and rank all applications and submit their recommendations to the Chelan County Board of Commissioners for final decision making.

Chelan County will be accepting CPIF grant applications from March 29 to May 7 and awards will be announced in early June. Applications will be available at [co.chelan.wa.us](http://co.chelan.wa.us).

To receive a CPIF grant, the applicant must be a public entity and the public facility project must meet the definitions described in RCW 82.14.370. Furthermore, the project must be listed or referenced in the economic development element of the Chelan County Comprehensive Plan, or the comprehensive plan of a city or town located within the county.

"We look forward to bringing our local government and community partners together to advise and inform the commission's CPIF investments in Chelan County," said Chelan County Commissioner Kevin Overbay.

"The county plans to work with our public sector partners to prioritize investments that will increase county revenues, in turn helping to ease the tax burden to county citizens," Overbay concluded.

NCW Media reached out to Baldwin for more details regarding specific projects that might be receiving consideration from the project-ranking committee. He said the list will be revealed after the application filing deadline.

Be sure to continue reading NCW Media publications for the latest on this important fiscal "shot in the arm" for county projects.

## State Libertarians hate new gun bills

**Hawkins: 'Enforce existing gun laws'**

STORY AND PHOTOS BY GARY BÉGIN

*NCW Media Managing Editor*

**OLYMPIA** – The Libertarian Party of Washington (state) put out a news release decrying current gun rights bills in the state capital stating, "Olympia got a little bit right on police reform, but they're also pushing through a spate of new gun control bills that are as stupid and racist as they are unconstitutional."

While Congress protects themselves with layers of weapons around the Capitol, they have no compunctions about taking away citizens' rights to do the same.

The headline for the news release was appropriately titled, "Washington Legislature's New Gun Control Bills: Stupid, Racist, and Unconstitutional."

It is the third largest of the state's three party's and often offers something in

between a hard "yes or no" on many issues.

East Wenatchee Republican Senator Brad Hawkins, representing the 8th State Senatorial District, in an exclusive NCW Media interview, stated, "Gun issues have long been a major focus of state and federal policy. Most gun proposals, like other ideas, do not actually pass. This particular session could be different given the expanded Democratic majorities of recent years and the interest of many urban legislators in limiting gun use."

Below are the Libertarian opinions on these bills:

HB 1229 outlaws "military-style assault weapons," including AK-47s, AR-15s, and all semi-auto rifles under 30 inches. News flash, Olympia: The vast majority of gun killings are by handguns, not rifles, and the vast majority of those are gang-related. If you want to save the children, end the drug war.

HB 1283 bans carrying any weapon in a way that "warrants alarm for the safety of others," an amorphous term which means bearing arms is now a class C felony if someone else doesn't like seeing it.

HB 1164 is a doozy: the Big Gulp of gun bans, outlawing magazines holding over 10 rounds. This pointless law will do nothing to stop hardened criminals and only hurt the single mom whose life depends on reloading.

Hawkins, whose district includes Chelan, Douglas and parts of Okanogan and Grant counties, continued with his gun reform opinion: "For me, I have always believed that enforcing existing gun laws and upholding constitutional rights are key."

Libertarians seem to feel that some proposed gun laws may be inherently racist.

"Politicians in Olympia who claim to value "equity and diversity" conveniently ignore that half of all those busted for gun possession are black. The State makes felons out of our young people, wages war against them, and then jails them for trying to keep themselves alive," stated the news release.

Hawkins wants more focus on those deemed "mentally ill".

"Gun violence is never acceptable, and we also must significantly improve our state's mental-health system," he said.

Anna Johnson, communications director, Libertarian Party of Washington The thinking is that left wing radicals concluded, "While politicians in Olympia protect themselves with layers of weapons around the Capitol, they have no compunctions about taking away citizens' rights to do the same and

## Lake Wenatchee Fire announces Protection Class evaluation

BY LAKE WENATCHEE FIRE AND RESCUE BOARD OF FIRE COMMISSIONERS

The Lake Wenatchee and Plain communities have received their Fire Department Community Protection Class evaluation. The community maintained its previous rating of 6.

The Washington Surveying and Rating Bureau provides insurance grading to Fire Departments and communities throughout

Washington State. The Bureau assigns ratings from 1-10, with 10 being "unprotected," 4 being the top residential grade, and 1 being the top commercial protection.

The report showed Department and community improvement in numerous areas. The report also offers information about where the Department can improve its service. Replacing aging equipment, upgrading the Hwy 2 staging area

(station 95) into a formal station, adding education programs, and improving our local water systems will help us take some of the next steps to improve our insurance ratings and services in the District.

While a rating of 6 is a very good grade for a rural community, the Department believes that with continued advances, we can reasonably reach a protection class of 5 within the next few years.

## Battle for the Pear Bowl trophy on tap

By BILL FORHAN

The annual battle for bragging rights in the upper valley is set for this Friday, March 19 in Cashmere. The Bulldogs will be trying to wrest possession of the Pear Bowl Trophy from the Kodiaks who won it on a thriller in November of 2019.

Going into this game each team is 1 and 1 in the shortened season caused by the COVID Pandemic and shutdown of the schools. Practice time has been short so it is anybody's guess who will be most prepared.

The Kodiaks are coming off a big win against Quincy where they shut down the Jackrabbits 33 to zero. The Bulldogs defeated Quincy in their first game of the shortened season beating them 38 -9.

The Bulldogs are coming off a heartbreaking loss to Moses Lake. With only seconds left on the clock the Bulldogs had scored leaving them one point behind. They decided to go for the two point conversion but failed.

Both teams showed some big offensive numbers in their

last game. Cascade had a 154 yards passing and 177 yards running for 331 yards against Quincy, while Cashmere had 171 yards rushing and 140 yards passing for 311 total yards of offense.

For many of the players on both teams this will be their last chance to go into the history books as a member of the winning Pear Bowl Team of 2020 - 2021. Fifteen of Cashmere's 43 man roster graduate this year. Nine of Cascades 40 man roster are seniors. This would indicate the Bulldog roster is a little more experienced than the Kodiaks.

It would appear on paper that the teams are pretty well balanced so the game should be another close one just like the last one in 2019. Both teams are capable of making big plays and both teams play with a lot of heart, never giving up. Despite the shortened season it should be a good game.

Attendance will be limited as a result of the Pandemic. It will be played in Cashmere beginning at 7 p.m. Friday, March 19.

*Hats off for a great game!*

punishing those they already oppress.”

Hawkins concluded with this statement, “However, new laws should not restrict the rights of law-abiding gun owners to enjoy hunting outdoors or to protect themselves and their families. Self-protection is a constitutional right, similar to free speech. While I will always be open-minded about proposals, lawmakers should not infringe upon fundamental rights.”

The Sportsmen’s Warehouse Manager in East Wenatchee was unable to give any comment on national issues per corporate policy, when NCW Media asked for same.

Off the record, one clerk at the gun counter did say that weapon sales have been brisk ever since early 2020 and haven’t stopped. “It’s been a full year,” he said.

Fear is cited as the reason for strong gun sales nationwide over the last calendar year, according to most industry experts and political observers. The last year has been a two-fold “perfect storm” of perceived need for increased personal defense due to COVID-19 fears of civil chaos as well as fear of “liberal backlash” now that Democrats control both Houses of Congress and the presidency.

Liberal backlash is what some conservatives expected if Donald Trump lost, and he did. The idea is to arm one’s self before a middle-left coalition in Washington, D.C. imposes stricter gun control or even as a response to local unrest perpetrated by leftwing groups like Antifa.

## State Parks To Visit This Spring!

By JOHN KRUSE

Several parks east of the Cascades offer lots to do before summer arrives!

**Curlew Lake State Park:** Located north of Republic in Ferry County, this 87-acre State Park with a campground sits on Curlew Lake, a 5-1/2 mile long body of water known for good fishing. You can catch everything from trout and bass to perch and tiger muskies here. There's also plenty of wildlife around. Deer are abundant and during the springtime you can enjoy the sights of a heron rookery on one of the islands on the lake. If you are looking for something unique to do head to the Stonerose Interpretive Center in Republic, rent some tools, and dig for fossils (mainly

plants or insects) that are up to 49 million years old.

**Palouse Falls And Lyons Ferry State Parks:** There is no better time of year to visit Palouse Falls State Park in Southeast Washington than April and May. That's when the Palouse River is full of spring run-off and it makes for a spectacular sight as it drops and crashes 198 feet into a basalt basin. Better still, the area surrounding the falls is full of spring wildflowers and hawks and falcons frequent the area too. There is a small camping area at this park that is currently closed because of the COVID-19 pandemic.

Once you are done taking in the sight and sounds of Palouse Falls, drive a short distance down a hill and check out Lyon's Ferry State Park. This day park sits at the confluence of the Palouse and Snake Rivers.

Bass fishing near Maryhill State Par

There is a swimming area and beach here and there are also opportunities in the spring for anglers to go after channel catfish, some of which are quite large. Other fish to catch include bass and walleye. The Lyons Ferry KOA across the bridge from this park usually has good information on what's biting.

**Daroga State Park:** This one is a sleeper. Located on the Columbia River north of Orondo, this park boasts a great RV camping loop with views of the river as well as an expansive day use area featuring a swimming beach, playground, ballfield and even tennis courts. There is also a wide trail that takes you along a dike to a walk-in campground bordered by the Columbia River on one side and a lagoon on the other where you can fish for smallmouth bass, catfish and other species. If you go bring your golf clubs and reserve a tee time at the nearby Desert Canyon Golf Resort, one of the nicest courses in the region.

**Maryhill State Park:** If you head south of US Highway 97 make a left turn just before crossing the bridge

over the Columbia River into Oregon. When you do, you'll find yourself at Maryhill State Park. This park has a campground and day use area and sits on 4700 feet of prime, low-bank riverfront real estate. There's plenty to do here. If you like to fish you can launch a boat (or drive) a few miles upstream and fish below John Day Dam for walleye, sturgeon, smallmouth bass and starting in May, American shad. A replica of Stonehenge, built as a memorial by Sam Hill in the 1920's to local soldiers killed in World War I, is just a couple of miles east of the park. Speaking of Sam Hill, this famous entrepreneur and builder of the Columbia River Highway also built the Maryhill Museum of Art, a must visit destination just five miles away. Finally, not related to Sam Hill, but right by the museum above the Columbia River Gorge, is the Maryhill Winery.

Want to find out more about these parks or make a reservation? Go to the state parks website at <https://parks.state.wa.us/>.

### Help Wanted

**Highly Capable Program March 15, 2021**  
Cascade School District is committed to identifying and providing for the unique educational needs of all of our students. At this time, the district is soliciting nominations from parents, school staff, and community members for students that are believed to have a high capacity to learn quickly, deeply, and /or broadly, so that we can better provide an individualized educational service to each of our students. Students nominated through this process will be considered for enrollment in the district's highly capable program based upon screening and assessment with the permission of their parent/ guardian. Definition of highly capable students means those students who:  
Perform or show potential for performing at significantly advanced academic levels when compared with others of their age, experiences, or environments.  
(1) Capacity to learn with unusual depth of understanding, to retain what has been learned, and to transfer learning to new situations;  
(2) Capacity and willingness to deal with increasing levels of abstraction and complexity earlier than their chronological peers;  
(3) Creative ability to make unusual connections among ideas and concepts;  
(4) Ability to learn quickly in their area(s) of intellectual strength; and  
(5) Capacity for intense concentration and/ or focus.  
Nomination forms can be obtained from the Cascade School District website ([www.cascadesd.org](http://www.cascadesd.org) under Programs and Highly Capable) and in school offices. **Highly Capable Program Programa de Alta capacidad 15 de marzo, 2021**  
El Distrito Escolar de Cascade está comprometido a identificar y proveer para las necesidades educacionales únicas de todos los estudiantes. En este momento, el distrito está solicitando nominaciones de padres, del personal escolar, y de los miembros de comunidad para estudiantes, que se creen tener una alta capacidad de aprendizaje rápido, intensivamente, y/o de manera amplia, para que podamos proveer un mejor servicio de educación individualizada para cada uno de nuestros estudiantes. Los estudiantes nominados para este proceso se van a considerar para la matriculación en el programa, *highly capable program-* (Programa de alta capacidad), será basado en exámenes y evaluaciones con el permiso de los padres/ tutores legales.  
La definición del estudiante de alta capacidad significa que: Trabajan o demuestra el potencial para funcionar a niveles académicos significativamente avanzados, cuando se le compara a otros de su misma edad, mismas experiencias o de los mismos ambientes.  
(1) La capacidad de aprender con la profundidad rara de entendimiento, retener lo que se ha aprendido, y transferir el aprendizaje a nuevas situaciones;  
(2) La capacidad y la voluntad de tratar con niveles cada vez mayor de abstracción y complejidad más temprano que sus compañeros de la misma edad cronológica;  
(3) La creativa de hacer conexiones inusuales con las ideas y conceptos;  
(4) La capacidad de aprender rápidamente en su(s)) área(s) de fortaleza/destreza intelectual; y  
(5) La capacidad para la concentración y/o enfoque intenso.  
Las formas para hacer una nominación se pueden obtener por la página de web del Distrito Escolar de Cascade ([www.Cascadesd.org](http://www.Cascadesd.org) se encuentran bajo la pestaña del Programs y Highly Capable) y en las oficinas escolares. Con el fin de ser considerado para la identificación del próximo año escolar, deben devolver las formas de nominación al Sr. Mike Janski, Director del Programa de Alta Capacidad en la Escuela Intermedia Icicle River para el **16 de abril, 2021, por correo electrónico ([mjanski@cascadesd.org](mailto:mjanski@cascadesd.org)) o por correo; 10195 Titus Rd, Leavenworth, WA 98826.** (WAC 392-170-035, WAC 392-170-036)
