

Vicki Orford announces retirement from TRH Board

Effective Dec. 31, 2019
SUBMITTED BY JENNIFER BEST,
TRH BUSINESS DEVELOPMENT
COORDINATOR

BREWSTER -- After nearly nine years serving on the Three Rivers Hospital Board of Commissioners, Vicki Orford submitted her resignation effective December 31, 2019.

"I've enjoyed it a lot, but I'm ready to move on," Orford said at the board's regular meeting on December 4. "The board is a really great board. It's great to know that we're all going toward the same goal as far as what we want this hospital to be."

Vicki Orford served nearly nine years on the TRH Board.

"On behalf of the public hospital Board of Commissioners, administration and staff of this medical facility, and the people of our public hospital district, I would like to thank Vicki Orford for her many years of service, dedication, and leadership," Chairman Mike Pruett stated during the meeting. Orford was presented with a certificate of appreciation, flowers, and a card from the administrative team.

"Vicki has helped to guide our district and hospital through times of struggle and through many major accomplishments," Pruett added. "Her advocacy and leadership style have helped to bring consistency and direction to both the hospital and the governing board. All of us are grateful for the time and energy she has brought to her positions."

Orford was appointed to the board on February 28, 2011 and was re-elected to a six-year term in 2017. She took the helm as board chair in January 2014 and continued until January 2019, when Pruett was elected to the role. In turn, she was elected as vice chair.

Longtime commissioner and board secretary Tracy Shrable credited Orford with introducing changes for the better at the hospital. "She didn't come on [to the board] quietly," Shrable said. "The hammer fell, and that was instrumental. It needed to be done and Vicki did it. From then on, changes started to happen. Thank you."

Orford said she accomplished the goals she set out to do when she first joined. She began her service by encouraging the board and administration at the time to address areas that were not sustainable. Over the years, she has championed being responsible stewards of public funds and encouraged board

BY MIKE MALTAIS
STAFF WRITER

PATEROS -- The school board took a proposal under consideration at its Nov. 25 regular meeting to sell a portion of its Methow School property to Okanogan-Douglas Fire District 15. The fire district wants to expand the

Methow Fire Hall and approached the school district about purchasing a portion of the Methow School property to proceed with the expansion.

School superintendent Greg Goodnight briefed the board about the proposal. Goodnight said he will share the documents provided by the school district's legal counsel with

the fire district and report back to the board at its regular December meeting. A public hearing would be held in January 2020 before the proposal is referred to the school board for a vote.

In other board business a timeline was outlined for installation of irrigation and seedling preparation on the

eight-acre property that will be the site of new athletic fields. Athletic director Marcus Stennes will help the board determine what type of athletic he recommends as the highest priority.

For academic excellence for the quarter, Principal Mike Hull's report identified eight students with perfect

4.0 GPAs, 26 who made the Superintendent's List, 20 on the Principal's List, and 36 Merit Scholars.

The board approved hiring Tom Asmussen as the high school girls' assistant basketball coach and accepted the resignation of Darryl White as high school girls' assistant softball coach.

Youngsters in numbers too numerous to count lined up to await their turn to sit on Santa's knee and recite rehearsed gift wishes. Gifts were handed out to each. A table of refreshments and warm beverages helped combat the cold that really was moderate for an early December evening.

City Administrator Jord Wilson opened the back of the building that houses the pump, piping and apparatus that will soon come online to help provide the city with more than adequate clean and safe water. Mayor Carlene Anders, Fire Chief Keith Zweigle, city council members and city staffers were on hand to share in the fun and make sure every detail was addressed.

Along with Shrable, she served throughout her tenure on the hospital's Finance Committee. She also introduced board education at their monthly meetings. Topics have ranged from internal processes to Open Public Meetings Act training and Three Rivers Hospital's rural health care advocacy efforts on state and national levels. "Vicki was faithful, active, and uncompromising in her support of TRH," said board member Leslie McNamara, who was appointed in 2017. "Her leadership was inspiring and goal-oriented, meeting and surpassing even her own benchmarks. As a person who was not afraid to voice her opinions or concerns, I respected her input as well as her model as board chair. She will be greatly missed as a member of our board." Chief Executive Officer J. Scott Graham said he's sorry to see Orford go, and he thanked her for her unwavering support since he was hired in April 2014. "I really have appreciated working with Vicki," Graham said. "She was the board chair when I came on and has been super supportive of me, and she is responsible to a large degree for my development here at the hospital... because of her leadership and drive and desire for the hospital." Three Rivers will soon be seeking letters of interest from residents in the hospital district who would like to serve on the Board of Commissioners.

PUD considers options to possible 2020 rate increase

SUBMITTED BY SHEILA CORSON, APR, COMMUNITY RELATIONS COORDINATOR

OKANOGAN -- The Okanogan County PUD board continued to discuss the 2020 budget at a Dec. 2 meeting, including the possibility of a two-percent revenue increase and avoiding the Omak office to avoid a higher increase.

The revenue increase is necessary to cover the rising costs of operating the district and fund debt service payments for several infrastructure projects over the next several years. The exact rate increase per class (residential, general service, etc.) would be determined through a separate process after the budget is approved.

The staff and board also discussed raising the cost of power adjustment (COPA), as noted on customer bills, to pass through increases in the cost of power incurred to the district. The COPA is currently .54 cent per kilowatt-hour (\$0.0054). Director of Finance and Accounting Don Coppock said a district resolution requires the COPA be adjusted for changes in power costs—at one point since its 2010 implementation, it has gone down to follow a cost decrease. The recommendation was to raise the COPA to six-tenths of a cent (\$0.006) per kWh. That would mean about 60 additional cents for every 1,000 kWh used (the average home uses 1,200-1,500 kWh per month).

Closing the Omak office and not hiring a currently open customer service representative position would save the district about \$84,000 annually. The office is a drive-thru only location that takes payments. Since the Okanogan office is nearby, and no other branches have nearby offices, district staff have recommended Omak's closure to avoid additional rate increases. The current customer service staff member at Omak would still work for the district, but at an open location.

Commissioner Scott Vejraska said he couldn't support fully closing the Omak office, and asked about other scheduling possibilities, whether just scaling back hours or trading off with another lower traffic office. He said the amount of traffic through Omak's office was second only to Okanogan's.

There was also discussion about slowly closing the office, reducing the number of hours or days it is open while customers connect with other payment methods, such as SmartHub online or app-based payment, pay-by-phone or traveling to the Okanogan office.

Customer Service Supervisor Mindy Morris said there will always be a drop box at the Omak location for payments, and if the office was closed, there would be a daily pick-up scheduled. Keeping the office open now is a challenge without another customer service representative on board, and that it sometimes has to close when more than 2 representatives are sick.

Earlier budgeting for 2020

called for a 4 percent revenue increase, but staff made cuts and delayed projects to reduce the increase to 3 percent, and then 2 percent. The budget hearing, including discussion on closing the Omak office, will continue at least once more until the next board meeting on Dec. 16.

In other business, the board:

Heard from Jennifer Harper of Energy Northwest about partnerships they have to bring electric vehicle charging stations to areas around Washington state. Energy Northwest is interested in installing up to 4 stations in Okanogan County.

Authorized the general manager to execute change order No. 9 of the Max J. Kuney Company Design-Build Contract, in an amount not to exceed \$200,000 for the Enloe Dam Phase 1 Services, for additional site investigation work.

Approved Resolution 1696, authorizing certain staff members to designate certain expenditures for potential reimbursement from bonds that may be approved in the future.

Approved Resolution 1697 regarding the rate stabilization fund. The account will be funded to \$6 million (already in the account), and staff will develop policies on withdrawing and replenishing the funds.

Approved Resolution 1698, updating General Provisions, to add in a paragraph regarding the new process for high-density load customers.

Approved first reading of Resolution 1699, establishing a vehicle replacement reserve account. The resolution would take an existing \$135,000 in the rate stabilization fund (which is over the \$6 million target amount) to establish the account, then it would be maintained with \$75,000 monthly deposits from the district to fund vehicle replacements. The resolution will be heard again at the Dec. 16 meeting.

Approved Resolution 1700, revising the collective bargaining agreement between the district and the IBEW Local No. 77 union. The 3-year contract would begin April 1, 2020. Commissioner Vejraska abstained from the vote.

OBITUARIES

Victoria Joan McChristian Hull

Victoria Joan McChristian Hull, 78, died September 23, 2019 surrounded by her family at her home in Brewster. She lost a very courageous nine year battle with cancer that she fought valiantly until the end.

Vicki was born November 1, 1940 in Prairie Grove, Arkansas to Charlie and Hazel McChristian. Her family migrated to Pateros when she was two years old. Vicki attended school in Pateros.

On November 8, 1957 she married Charles Hull in Pateros. They made their home at Azwell Orchards where they welcomed their son Mike and daughter Donna. They lived in Springdale, Arkansas for

a brief time where their son Mark was born. They returned to Azwell where their daughter Deanna and son Matt were born. They lived at Azwell for over 40 years until they retired in 2006 and bought their home in Brewster.

Vicki was an avid sports fan no matter what the event or where it was located. She was there loving and cheering on her husband, kids and grandkids, at football, basketball, softball,

baseball, tennis, and track.

Her family was Vicki's greatest joy. Vicki attended as many family milestone occasions as she could—graduations, births of her grandchildren, weddings, and birthday parties. She was always ready for a trip somewhere. It meant she could eat out and go shopping.

Vicki loved a family gathering with her many family, friends and those that called her Grandma Vicki.

Vicki is survived by her husband Charles Hull, sister Lexie Whitman, their five children and families—Mike (Diane) Hull, Donna (Randy), Mark (Katie) Hull, Deanna (Dan) Lague, and Matt (Cori) Hull. She loved her 13 grandchildren and was blessed with 13 great-children.

At her request there will be no services. If you would like to share a memory or story about Vicki with the family, email to hullshogs@ncidata.com.

Marion Louise Schmidbleicher

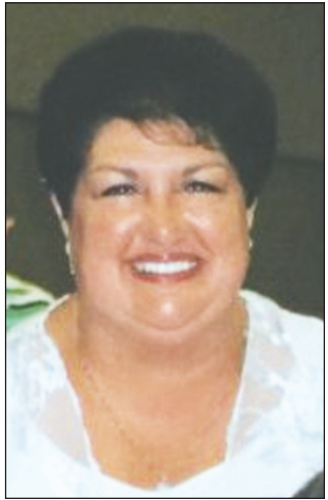

At the end of the second world war in 1946, among all the children born, two were to be born in Detroit, Michigan who would eventually be brought together by the Lord for over 51 years of love and 50 years of impact for the Lord and His Word. The first is the one we are honoring, a baby girl. Her name was to be Marion Louise Mallette. The second was myself, her husband Paul, born 7 months later in December. Marion was born on May 30, 1946 as the third daughter of Joseph and Ruth Mallette. She would have two older sisters 14 and 10 years her senior. She was born into a country home in Wayne, Michigan just West of Detroit.

Her mother, Ruth, had a deep Bible-believing faith which young Marion latched on to at a very early age. She heard, understood, and believed the gospel of faith in Christ needed as the only way of salvation. She could be found out on the dirt piles of the men digging the ditches along her road preaching to them as a pre-schooler.

She would attend early schools in the area of Wayne, Michigan and ultimately graduate from Wayne High School in 1964. At her church she was a leader in the youth group and

had a close relationship with the Youth Leader. He encouraged her to continue her education at Bethel Christian College, in Minneapolis-Saint Paul. However, she found being so far away from home was hard and being homesick she returned home after the first year. She would work at some jobs in and around Detroit. One of them was as a receptionist at Trinity Electronics in Detroit. There she would meet the man who was to become her husband of 51 years, Paul Schmidbleicher. He was working summer jobs in television repair while attending the University of Michigan. As he left in the fall to return to U/M for his sophomore year, he wrote Marion about seeing her during Thanksgiving vacation. They would have their first date at the 1966 J.L. Hudson Thanksgiving Day Parade on Thanksgiving Day.

Marion and Paul spent most of the time talking about the Lord in their lives and the directions they believed the Lord was leading. The end result was to become a proposal for marriage. Marion already believed the Lord was calling her to ministry. Paul was also being pulled away from engineering and towards ministry. The result would be that both would enroll in Detroit

Bible College in 1967 and be married in August of 1968.

The couple found a residence in an upper flat in Detroit. Paul would complete a Bachelor of Theology Degree at Bible College and Marion would work after her first year at Bible College to help support the couple along with Paul's summer jobs.

Paul's graduation found the couple wondering what was next. It was to be Seminary and preparation for the Pastorate. Both had become convinced that this was the direction in which the Lord was leading.

Marion's husband was accepted into the premier Bible-believing seminary of that day in Dallas, Texas, (Dallas Theological Seminary). In late summer 1970 the two were off to an exciting 4 years in Dallas Texas. This time Paul would work along with Seminary

and Marion could do part-time things and build their home.

After Seminary graduation the first call of the Lord's leading would be to Belle Plaine, Iowa in 1975 and a newly formed church in Toledo, Iowa. Marion would be a Pastor's wife with all the details that filled the life of pastors and pastor's wives. She and Paul would give birth to a daughter, Holly in 1975. Shortly thereafter a son Erik would be born to Marion and Paul. It was now a family of four. Marion did early home schooling for pre-kindergarten for both children. Marion ministered as a pastor's wife in teaching children's Sunday School, Camping Ministry, Music, Trios, and counselor to the women who would seek her wisdom.

In 1989 a call came from a North Seattle church to come to Seattle. The couple had ministered in Iowa 15 years and helped encourage that congregation in many ways even encouraging the building of their own church building. The call of Seattle was strong. Marion and her husband realized that to say no would be to be out of the will of God. They would move to the Seattle area to minister at Evergreen Baptist Church. It was there that Marion's talents and abilities were finely honed to become an even greater asset for the work of the Lord. She was into choirs, musicals, camp ministry and head of the

Children's Sunday School. Her wisdom and knowledge were sought by many as they were drawn by her Biblical knowledge, quick wit, and sense of humor. She and her husband would minister at Evergreen for nearly 30 years.

During that time, their son Erik, would bless them with their first grandchild, a baby girl named Autumn. Daughter Holly would marry and soon give us several more grandchildren making them a major part of her life. Marion got to travel back to Michigan to see family. Daughter Holly arranged for her to go to Disneyland in California and she was having the time of her life.

Toward the end of those 30 years Marion began to experience some health problems - early COPD [She NEVER SMOKED]. She and her husband were now in their 70's. They realized that retirement was next. Daughter Holly and Pastor Husband Greg were now ministering in Brewster, Washington. They also had brought 6 of the 7 grandchildren into the world. A house was found and Marion with her husband moved to Brewster, Washington in 2018 to be close to family and enjoy retirement.

As Marion's COPD became worse, she became house-bound and her husband contributed to her care. She was now on oxygen 24-7 and the COPD was pro-

gressing. During the first week of December she entered the hospital: first in Brewster and then transferred to Wenatchee. Her desire became to enter the presence of the Lord. Her "earthly home" was failing. The Lord graciously allowed Marion to say goodbyes to her 7 grandchildren, her son, surviving sister, nieces and nephews. On December 8, 2019 at 6:14 p.m. with her husband and daughter holding her hands, playing her favorite Christian Music, she quietly left her failing "earthly house" to enter into the presence of her Savior, Jesus Christ, and the glories of a new home in heaven.

Marion is survived an older sister Thelma Webb of Garden City, Michigan, by husband, Rev. Paul Schmidbleicher of 51 years, Daughter Holly Thorn and husband Pastor Greg Thorn of Brewster, Washington, and her a son, Erik Schmidbleicher of Bothell, Washington.

Marion has seven grandchildren: Autumn Welker and husband Jack of Bellingham Washington, six Thorn grandchildren of Brewster, Washington: Madelyn, Aubrey, Keira, Elijah, Isabelle, and Elsie. She has several nieces and nephews in Michigan as well.

Please leave any thoughts and memories for the family at barneschapel.com. Services are entrusted to Barnes Chapel of Brewster.

Nannies field young varsity roster for basketball

Six veterans return

By MIKE MALTAIS
STAFF WRITER

PATEROS – The Nannies varsity basketball team will face some challenges this season with a young roster of three juniors, three sophomores, three freshmen but no seniors. Following the loss of seniors Samantha White and Andrea Baird to graduation last June, the responsibility of leading the team falls to juniors Aleeka Miller-Smith, Jillian Piechalski, and Jennifer Flores.

Sophomore Alley Piechalski is a returning varsity veteran joined by sophomores Sage Scott, who moved up from last year's JV squad and new face Ahtziri Arevalo. Freshmen Karina Mota and Lani Gallegos floated between varsity and JV last year as eighth graders and Tea Asmusen moves up from the JV ranks.

Not returning to the court this year is junior multi-sport standout Anna Williams, recently named the volleyball Most Valuable Player for the

Central Washington 1B league and the defending 1B state track and field 100-meter champion. Sophomore veteran Vanessa Cenicerros

“We are a young team with three new starters,” said head coach Jared Henton.

Henton said Miller-Smith is the team's leading scorer and he will be looking for Jillian Piechalski, to lead the team rebounding and helping with scoring.

“Jennifer Flores will help us in scoring as well,” said Henton. “We have two freshmen that will be stepping up to be our guards.”

The Nannies opened their season with losses on the road to Cle Elum, 47-28, on Dec. 3, and a strong Waterville-Mansfield team, 81-22, on Dec. 5, and Liberty Bell, 65-31, at home Dec. 6. Their lineup of CW1B opponents this season include Moses Lake Christian, Cascade Christian, Entiat, Easton, Riverside Christian, and Wilson Creek.

The Nannies are playing on the road through the Liberty Bell Christmas Tournament, Dec. 27-28. The Pateros girls will host Entiat on Jan. 9, 2020.

Billygoats open basketball season with back-to-back wins

By MIKE MALTAIS
STAFF WRITER

PATEROS – The Billygoats varsity basketball team is serving up some of the most exciting games of the early season with two of their first three starts ending in down-to-the-wire finishes. Not including the one-point win over Manson at the Chelan Jamboree on Dec. 2, the Pateros men defeated Cle Elum, 54-51, with a three-point buzzer-beater on Dec. 3, and Liberty Bell, 52-49, Friday night, Dec. 6, when the Mountain Lions were unable to tie the game with a final Hail Mary shot and one second showing on the final quarter clock.

It's a strong start for a team that lost five key seniors to graduation last June, yet three veteran seniors and a junior from last year's varsity plus four juniors and a senior returning from the 2018 junior varsity appear to be dialed in for all comers in the Central Washington 1B league.

This year's lineup of five seniors includes Ivan Cenicerros, Scott Moore, Aiden Hall, and the two Ethans – Freels and Wall. Juniors include Eric Espino, Lucas Miller, Calvin Blackburn and Aiden Hall.

Hall handed Pateros the win over Cle Elum with a

“We were down by 14 early in the third quarter,” said head coach Marcus Stennes of the Cle Elum win, “but were able to cut it to one by the fourth.”

With four Billygoats scoring in double figures Pateros mounted an offensive charge in the last half of the game to outscore Cle Elum, 30-18.

Waterville-Mansfield

“We struggled with Waterville's press the first half but were able to figure out our rotations at halftime which led to easier baskets in the second half,” said Stennes. “We then were able to open up the lead and control the game from there.”

Pateros took a nine-point halftime lead and doubled their 39 first-half points to win by 27. Freels, Hall and Wall scored in double figures while Blackburn, Thixton,

and Cenicerros pulled down 24 rebounds between them.

Liberty Bell

Against the Mountain Lions at home last Saturday, Dec. 6, it was the details like hitting critical free throws and forcing turnovers that made the three-point difference at the end of the game.

The teams were knotted 14-all at the end of the first quarter and went into the half tied at 26.

Liberty Bell capitalized on 19 offensive rebounds while the Billygoats “struggled to find their shooters defensively,” said Stennes. “We forced some turnovers late in the fourth and were able to make a few free throws which helped us secure the win.”

With a two-point lead going into the final seconds, Hall hit one of two free throws to put Pateros up, 52-49 with one second showing

on the clock. The Mountain Lions had one chance to drill a three-pointer from beyond the center line but missed.
