

Rep. Goehner to host ‘Legislative Coffee Chat’ on Oct.1 in Twisp

TWISP - Rep. Keith Goehner, R-Dryden, will be hosting a “Legislative Coffee Chat” on Tuesday, Oct. 1, 10 a.m.-12 p.m., at the Twisp Town Hall, 118 S. Glover St.

The informal event will allow 12th District constituents the opportunity to meet with Rep. Goehner to discuss the 2020 legislative session, issues important to their communities and other state-related matters making headlines.

Any questions regarding the event may be directed to Rep. Goehner's office at 509-664-1274 or Keith.Goehner@leg.wa.gov.

Those unable to attend are also welcome to contact Rep. Goehner's office to share any concerns, questions or ideas.

Rep. Keith Goehner

Burn restrictions eased in parts of East Washington

By MIKE MALTAIS
STAFF WRITER

QUAD CITIES --- Effective Sept. 18, the Washington State Department of Natural Resources (DNR) has eased burning restrictions in portions of Eastern Washington thanks to recent rain and lower temperatures.

“Rule and permit burns are allowed in most areas, however, there are still burn restrictions in a few areas,” a DNR media release said. “Please check with the local fire district or visit <https://fortress.wa.gov/dnr/protection/firedanger/> before lighting any fire.”

DNR sources advise the following simple steps before burning:

1. Check before burning by calling 1-800-323-BURN (2876) or visiting <https://fortress.wa.gov/dnr/protection/firedanger/> for current burning conditions.
2. Put a firebreak around your fire.
3. Never leave fire unattended.
4. Put the fire completely out every night.
5. If wind speeds increase, put out your fire.

Career Connection Expo coming Oct. 29 to Agriplex

By MIKE MALTAIS
STAFF WRITER

OKANOGAN – The second annual Okanogan County Career Connections Expo is coming to the Okanogan County Fairground Agriplex from 9 a.m. to 12 noon, Tuesday, Oct. 29.

Okanogan County WorkSource is partnering with the North Central Educational Services District (NCESD), the Colville Confederated Tribes, the Apple STEM Network, and Economic Alliance to host the event that introduces local high school students to career, training, and education opportunities offered by business and educational institutions.

Last year's debut Expo drew more than 750 students who were exposed to more than 80 vendors. Organizers anticipate that more than 1,000 students from across 10 school districts will turn out for this year's Expo.

“This event is a great opportunity to connect with your future workforce and introduce our students to the wealth of career opportunities and training/education programs within your businesses and educational institutions,” wrote Career Connection Specialist Kristi O'Neill of WorkSource Okanogan County to potential vendors. “Our hope is to make this event as interactive and hands-on as possible.”

Vendors in attendance will include community, technical, and four-year colleges, military, Job Corps, employers, skills centers, and apprenticeships.

Brewster High School senior class representative Gabe Garcia, a volunteer fireman with Douglas-Okanogan County Fire District 6, was among the students who attended the Expo as a junior last year. Garcia met with a representative of the Washington National Guard and learned that the opportunities it offered would allow him to pursue career of his choice, qualify for the means to pay for his education, and remain in close proximity to home while doing it.

Sgt. Justin Morris, Station Commander with the Guard at Moses Lake told the Quad he made 51 contacts at the 2018 Expo and scheduled 10 follow-up interviews with students interested in the programs the Guard offers.

“It's the best Expo I've ever been to,” said Morris “and I've been doing this for 12 years.”

A complimentary continental breakfast and refreshments will be served throughout the day. For further information contact O'Neill at kroneill@esd.wa.gov or phone 509-826-7555.

Bridgeport to interview candidates for new reservoir design

Sheriff updates council

By MIKE MALTAIS
STAFF WRITER

BRIDGEPORT – City council members will hold interviews with three of the four contractors who submitted bids to design the new city water reservoir. The new structure is scheduled to be built adjacent to the existing reservoir on property the city acquired through an exchange with the Washington State Department of Fish and Wildlife.

City engineers Gray & Osborne met with city officials prior to the bid request to make sure all relevant details were included in the reservoir plan. As to its eventual carrying capacity, Public Works Superintendent Stuart Dezelle said further analysis will determine that issue but that 250,000 gallons is a minimum amount.

Council member Phil Lee agreed to take the place of former council member Eric Schmidt on the Public Works Committee that addresses city street, water and sewer issues. The committee will interview one potential designer at 2 p.m., Sept. 30, and the

remaining two at 10 a.m. and 2 p.m., Oct. 1, before making its selection.

In other business, public works superintendent Stuart Dezelle reported that all items on a contractor's checklist have been completed on the Foster Avenue Overlay Project and recommended that the council approve the project as completed. Council members so voted.

Council members scheduled the date for the preliminary budget workshop for 6 p.m. Oct. 9, scheduled a Planning Commission Joint Workshop for 6 p.m., Oct. 16, and approved a preliminary budget public hearing for the next regular council meeting at 7 p.m., Oct. 16.

Mayor Janet Conklin advised that Columbia Valley Medical Clinic (CVMC) followed up its presentation at the August council meeting to inquire if the council wants the CVMC mobile unit to make a return trip to Bridgeport. In the earlier visit the mobile unit patients included Bridgeport school students.

Mayor Conklin told council members that the Family Health Center at 1015 Columbia Avenue provides a nurse on staff at the Bridgeport school. FHC also has plans to

Douglas County Sheriff Kevin Morris

acquire a mobile van to travel to migrant housing sites and other locations to provide on-site care. Council members decided to take no action on the CVMC proposal.

Conklin said she recently had an advisory from the chamber of commerce that Brewster Food Bank is requesting a donation. City clerk/treasurer Judy Brown advised the council that the city will need to secure memorandum of understanding (MOU) similar to the one it has with the Brewster Senior Center before it approves a donation schedule.

“I think this would be a good

thing to include in our budget,” said council member Matthew Schuh of next month's 2020 budget discussions.

Lee suggested that the city contact the food bank with respect to its willingness to approve an MOU and if so, revisit the issue during budget discussions.

Melinda Posner, Parks Planner for the Washington State Parks and Recreation Commission contacted Mayor Conklin with a request to appear at the next regular council meeting on Oct. 16, to discuss ways to get the community more involved in the Bridgeport State Park located two miles north of Bridgeport on the north shore of Rufus Woods Lake. Posner said the state is also willing to entertain any offers to purchase land from property owners in the outlying areas.

“The biggest thing the state parks could do is to stop the requirement to have a pass to even drive out there even to visit with someone who's staying out there,” said Dezelle. “You have to have a \$10 one-day pass.”

Douglas County Sheriff Kevin Morris updated the council on the latest developments with his department. In

Emergency Management schedules disaster training for October 3 in Okanogan

Are you ready?

By MIKE MALTAIS
STAFF WRITER

OKANOGAN – Since 2006, Washington state has experienced 17 Presidential Disaster Declarations including flooding, high winds, ice storms, mudslides and a tornado. These events involved costs for repairs to permanent infrastructure in excess of half a billion dollars.

Okanogan County received about \$22 million in recovery assistance since 2012., according to figures supplied by Regional Public Assistance Supervisor Jonathan Holmes,

Amateur Radio Club installs Tunk Mt. repeater

By MIKE MALTAIS
STAFF WRITER

BREWSTER – It has taken more than a year to complete, but the W7ORC Okanogan County Amateur Radio Club finally has its own two-meter repeater operating at a site on Tunk Mountain. Club secretary Mike Mauk said the new installation is in a building that the club acquired last year from the Border Patrol.

“The frequency is 145.470 with a pl tone of 173.8,” Mauk said using references that amateur radio operators would know. “This is open to all licensed members.”

Mauk said the repeater incurs monthly PUD operating costs and the club welcomes donations to help meet the expenses. The club address is: P.O.B. 464, Okanogan, WA 98840, with websites at w7orc.com and on facebook.com.

“We thank K7AUC Bob (Sandy) Sanderson for all

the equipment and all of his time and tech support for installing the antenna, and climbing the tower,” said Mauk. “We also thank Ken Rau our Repeater Coordinator for working with us to get frequencies.”

Club vice president Sanderson has assumed duties as club president replacing former president Dick Miller while the group prepares for an election of new officers next January.

Bob (Sandy) Sanderson is acting president of the W7ORC Amateur Radio Club.

a moment of levity, Morris handed out three months of incident reports – June, July, and August – that became intermingled in the course of distribution and then stood by as council members sorted and exchanged sheets until all present had a copy of each.

“It’s a test,” chuckled Morris.

“We’re not doing that well,” a council member observed.

Morris said the new Douglas County Law and Justice Center, a 17,900 -square-foot building on 19th Street in East Wenatchee is about a month-and-a-half away from occupancy in mid-November.

“We’re down three people right now,” Morris said of deputies on staff.

Two of those, Ruby Ramirez of Quincy and Adrian Lopez of East Wenatchee, are attending the Basic Law Enforcement Academy in Burien, a 720-hour training program required for all state law enforcement personnel. A department new-hire, Jeremy Adams, will join the Sheriffs’ Office on Oct. 1 and begins academy training at the end of November. Following graduation, Lopez will be assigned to the north end of the county and fills the last open slot for the north end.

Morris said he will also ask the Douglas County Commissioners for funding to add another staff member for the North Central Washington Narcotics Task Force.

Morris said a site has been chosen for the new Tacti-

cal Training Facility (TTF) shooting range.

“It’s at Brandt’s Quarry between Farmer and Douglas, smack dab in the middle of the county,” said Morris. “It’s a large area and I hope to have it ready to use next year.”

Council member Sergio Orozco advised Morris that he has received citizen complaints of drivers passing school busses while they are stopped with lights flashing. Morris said the schools have forms for the bus drivers to use to document passing infractions. Once they are forwarded to the Sheriff’s office Morris said his deputies will pay a call on the offenders to educate them on applicable traffic law.

Conklin said she was approached by a citizen who is also a retired police officer who wants to use one of the city’s vacant buildings to start a boxing club for youngsters in Bridgeport and inquired if that was an activity Morris would support. Morris said he would support any legal activity for area youth.

Conklin said she was also contacted by a lady requesting a letter from the city supporting her drive to designate September as Children’s Cancer Awareness Month. Governor Inslee supports the effort and wants towns around the state to write their own proclamations endorsing the measure. Conklin said if council members had no objection, she would draft a proclamation on behalf of Bridgeport.

The next regular meeting of the Bridgeport city Council is at 7 p.m. Wednesday, Oct. 16.

Author/broadcaster Basket to visit Pateros Library

By MIKE MALTAIS
STAFF WRITER

PATEROS – Author and broadcaster Harriet Baskas will appear at the Pateros Public Library at 6 p.m., Oct. 16, as part of a three-stop tour of North Central Regional Library branches next month.

“In her program, Washington On Wheels: Odd and Innovative Transportation Ideas from the Pacific Northwest, Baskas takes audiences on a tour of notable highlights of state transportation history,” an NCRL media release said, “examining not only how we get around, but why we travel and where we might be going next.”

In an interactive exchange, audience members will be invited to share their own stories of unusual and memorable travel experiences and discuss the future of trans-

Author and broadcaster Harriet Baskas

portation.

Baskas has served as the general manager of three PNW radio stations and has created award-winning radio for National Public Radio (NPR).

“(Baskas) currently writes about airports, travel and museums for outlets that include NBC News, CNBC and USA Today,” the NCRL release said.

Okanogan County Emergency Management is hosting Public Assistance (PA)/Preliminary Damage Assessment (PDA) training to help those who address emergency disaster events become better informed and prepared to disaster. The three-hour session will be held from 8-11 a.m., Thursday, Oct. 3, in the Sheriff’s Training Room, 123 Fifth Ave. North, Room 200, in Okanogan.

Topics will include:

- PA program overview
- PA process/grant timelines
- FEMA grant portal (new)

- PA delivery model (new)
- PDA procedures and reporting
- Contracts and procurements
- Federal and state audit concerns
- Documentation requirements
- Lessons learned
- Those who should attend this training include:
- Anyone responsible for gathering and reporting disaster damages and costs.
- Program and finance staff
- Emergency management
- Public works/roads/solid waste staff
- Public utilities
- Parks personnel
- Special purpose districts

To register online visit go to <https://docs.google.com/forms/d/e/1FAIpQLSddhRZPU-Umvcuf3tfhTutRWABhg-7REaLo0h8tNysabd1cPYg/viewform> or contact Eric Cunningham at 253-512-7408 or email eric.cunningham@mil.wa.gov.

The Left hates Trump's overt masculinity

Actress Joan Lunden is being paid beaucoup bucks for exclaiming the virtues of "A Place For Mom" and apparently no one is complaining that this approach to assisted living/retirement homes is blatantly sexist.

This commercial, this company itself, is proof that actuaries have taken over the world.

That's right. Actuarial tables have convinced some companies and people and governments to act like robots and shun any semblance of human compassion.

Robots, i.e., computers, are fed information and create algorithms and then act or call for action, based on same. The "default" of numerology-induced logic (statistics) can only lead to alienation between the sexes, races, cultures and countries because these systems only belong in sports - such as the sabermetrics* models used to analyze professional baseball.

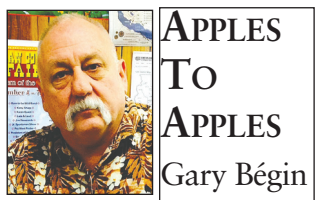

If we are all okay with a nationally broadcast commercial telling us that this living arrangement is all about Mom, does that mean Dad is chopped liver?

Yes, he is. Might as well feed him to the dogs now, eh. Men have been relegated to non-human status. I knew this day would come. I wondered why I was barking at the moon more than I used to.

(I admit that I have eaten Milk Bones in the past and they aren't so bad.)

So why is the hatred of men on the Left so obvious? Must men act effeminate and subservient to get the "female" vote? I hope that is not the case with all these Democrat men vying to become President of the United States of America.

The natural machismo, bravado and utter confidence of our current leader, President Donald Trump, infuriates the Left. Have you heard the recent pledges made by nearly every male Democrat running for president? They

APPLES TO APPLES
Gary Bégin

are falling over themselves to tell the world how they would all choose a woman as a running mate.

What wimps. Can't they just choose a running mate based on actual skills, knowledge and dedication to public service? Well folks, that is just too much to ask for.

I was recently counseled by one reader, who refused to go on the record, that I should stop my constant ranting against Democrats and complain instead about local issues.

As far as I'm concerned, our fairly cosmopolitan communities are microcosms of the big world out there and so I have every right to point to overt sexism being flaunted on national television.

Women of America are much smarter than the Left gives them credit for. They don't need to be pandered to by men who fear their own manhood.

It is a phony way of getting votes from "the fairer sex." For the most part, women are the fairer sex, but that is not indicative of their toughness nor does it have anything to do with their intelligent quotient.

The right way to show women respect is to show them respect. If you want the "female" vote then give them something to vote for, not just a token candidate with an empty brain.

*Sabermetrics is the empirical analysis of baseball statistics that measure in-game activity by player, situations and a variety of outcomes and is used for predicting future game results based on players' past performance. It has gained great favor among general managers of professional baseball teams beginning about 20 years ago and has gradually grown in use.

Okanogan PUD organizing new community solar program

SUBMITTED BY
OKANOGAN COUNTY PUD

OKANOGAN - The Okanogan County PUD is organizing the new Sunny Okanogan Community Solar program, available to any of our customers. Because individual solar projects can be cost-prohibitive, community solar seeks to bring many families and

businesses together to share the cost and make renewable energy available for everyone. Those who participate by buying units (stay tuned for details on that) will receive a credit on their bill for their portion of energy produced by the project, and an annual incentive check from the state of Washington. Get more questions answered on our

website, www.okanoganpud.org/communitysolar. Want to get updates as more info becomes available? We will use your contact info to let you know what's happening with this program, but we won't share that information with any third parties. Email, mail or drop the following information to us. Your name; account num-

ber; Email address and phone number. Yes, I am also interested in meeting regularly as part of a community group for Sunny Okanogan Community Solar. Yes, I am interested in buying units of Sunny Okanogan Community Solar when they become available. Your check mark here isn't a commitment to buy; it just lets

us know that you might like to later. There will be other steps to take long before we ask you to pay. Please email the information to: communitysolar@okpud.org

98840 Or drop at any of our offices in Brewster, Okanogan, Omak, Oroville, Tonasket or Twisp.

Bingo is back at Brewster Senior Center

BREWSTER – Bingo is back at 10:15 a.m. every Wednesday morning at the Brewster-Pateros-Bridgeport Senior Center at 109 S. Bridge St. Cost is 25 cents per card.

DOUGLAS COUNTY PUD

SUBMITTED BY
DOUGLAS PUD COMMISSION

EAST WENATCHEE - Douglas County PUD Commissioners Ronald E. Skagen, Molly Simpson and Aaron J. Viebrock executed the following actions during the September 23, 2019 Commission meeting held at the District's East Wenatchee office:

- Conducted a hearing for the 2019 Update to the Integrated Resource Planning Study. One member of the public asked clarifying questions. With no other comments received, Commissioner Simpson declared the hearing closed.
- Approved the adoption of a 2019 Update to the Integrated Resource Planning Study. The Integrated Resource Plan evaluates the full range of energy alternatives, including conservation and renewable generation in order to provide adequate and reliable service to customers at the lowest system cost. (19-112)
- Authorized a weatherization agreement with the Chelan-Douglas Community Action Council. Douglas PUD has participated in the Washington State Department of Community Development's Energy Matchmaker Low Income Weatherization Program through the Chelan-Douglas Community Action Council since 1988. Douglas PUD will contribute \$60,000 for 2020. The program utilizes matching funds to weatherize houses for low-

- income residents of Douglas County. (19-113)
- Declared miscellaneous items of personal property as surplus to the needs of the District, and authorized the sale of those materials by public auction. The sale, handled by the Chuck Yarbrow Auctioneers, is scheduled for Saturday, September 28. (19-114)
 - Awarded contract 19-24-D, supply and deliver tubular poles for Rapids Switchyard to General Pacific, Inc. the lowest responsive bidder. (19-115)
 - Approved a call for bids under bid document 19-27-D, supply and deliver compact 1100 kcmil EPR primary underground cable. (19-116)
 - Authorized negotiation with Tripwire under RFP 19-21-W, Cybersecurity- Cyber System configuration monitoring and management solution. Necessary for regulatory compliance. (19-117)
 - Approved a call for bids under bid document 19-26-W, 15T compact rough terrain mobile crane for the Wells Hydroelectric Project. (19-118)
 - Authorized Interagency Agreement with Washington Department of Fish and Wildlife to increase Chinook abundance. Southern Resident Orca populations feed primarily on Chinook salmon. The District submitted a proposal to Washington State Department of Fish and Wildlife to rear and release 500,000 summer Chinook salmon at the Wells Hatch-

- ery for two years at a cost of \$175,000 per year. (19-119)
- Approved agreement for professional services with Biomark, Inc. with regard to 2020 Survival Study for Wells Hydroelectric Project. Biomark, Inc. will be responsible for PIT tagging and biological support services required for the 2020 Survival Study as required by the Wells Habitat Conservation Plan. This contract will not exceed \$657,238 and will expire December 31, 2020. (19-120)
 - Authorized sale of District property and granting of a two year construction easement to the Washington State Department of Transportation. Necessary for construction of a roundabout at the intersection of 35th St and Sunset Highway adjacent to a District substation. (19-121)
 - Approved renewal of Information Security and Privacy Liability Insurance with Beazley. (19-122)
 - Authorized a private sidetrack agreement with Cascade and Columbia River Railroad Company. Necessary to transport heavy equipment and materials to and from the Wells Hydroelectric Project. (19-123)
 - Heard a report on the Douglas County Community Network. The network currently has 5,087 end users.
 - The next meeting of the Commission is scheduled for 1:30 p.m. October 14, 2019 at the District's East Wenatchee office.

Mike Maltais/QCH
Landscaping was nearing completion around Well House 4 (background, left) at the Pateros Mall as this photo from last week shows. A pile of river rock in the foreground was being applied around boulders from Starr Road, driftwood from Azwell and tree plantings to complete the final phase of the contouring and cover project.

OBITUARIES

Alice Renee Rickles

Alice Renee Rickles (NeNe) 71 passed the 14th of September 2019 at CWH amongst her family.

Services will be held privately with her close friends and family. She enjoyed being with her family whom she would say was her greatest accomplishment in life.

She is survived by her Husband Bill, Son Chauncey and his Wife Lila , Daughter Mardi and her Husband Rick, Grandchildren Jacob and Kristy and her husband David and many other friends and family who loved her.

DEATH NOTICES/SERVICES

James Allen Baum

James Allen Baum, 67, of Pateros, Wash., passed away on Sept. 18, 2019. No services at this time.

Please leave any thoughts and memories for the family at barneschapel.com. Services are entrusted to Barnes Chapel of Brewster.

Victoria Hull

Victoria Hull, 78, of Brewster, Wash., and formerly of Azwell and Pateros, Wash. passed away on Sept. 23, 2019.

Please leave any thoughts and memories for the family at barneschapel.com. Services are entrusted to Barnes Chapel of Brewster.

Obituaries and Death Notices also appear online at www.qcherald.com

No, you can't wrap a fish in a Web site,

...but you can get the local news online at www.qcherald.com

OBITUARY & MEMORIAL POLICIES

NCW MEDIA, INC.

An **obituary** is a way for family member(s) to commemorate a loved one's life and to notify the larger community of the deceased. Obituaries are also used for historical and ancestral data.

Memorials are another way of letting the community know about the life and memories of the person who has died. A Memorial is different from an obituary. An obituary is usually current while a memorial can be written later.

Obituaries and memorials need to be typed and emailed no later than Friday by 4:00 p.m. to be placed in the next available issue(s). Please call for cost of an obituary and which NCW paper(s) that it will be placed in to.

Cost of the obituary/ memorial is due at the time of placement. Funeral homes and chapels can submit obituaries by Noon on Monday, unless a holiday.

Obituaries are priced per word while Memorial ads are per column-inch.

For info call Ruth 509-682-2213, or email ruthk@lakechelanmirror.com

Nannies edge Crusaders in best of five volleyball

By Mike Maltais
Staff Writer

PATEROS – The Nannies varsity volleyball team raised its early season record to 2-2 with a best-of five, 3-2 match win over visiting Riverside Christian at its Central Washington 1B league season opener last Thursday, Sept. 19.

The two well-matched teams traded victories through the first four sets with Pateros wining the first and third sets, 25-11, 25-14, and the Lady Crusaders taking set two and four, 25-18, 25-16. Both teams had their share of errors and missed serves but also some impressive digs and rallies to keep the outcome in suspense down to the final six-point Pateros victory in the 15-9 deciding fifth set.

“We had some trouble reducing our errors,” said head coach Chloe Piechalski, “but the team kept their mental game strong and came out with the win.”

Junior Jillian Piechalski made 22 serves with only one error to go along with five kills at the net.

Junior Anna Williams had

Monse Hernandez takes her turn at the service line.

Senior Tylor Harrild, 10, gets the ball past a Riverside Christian defender.

17 assists and sophomore Vanessa Cenicerros 14 digs.

The Nannies lost their season opener to non-league Okanogan, 3-0, and recovered to notch their first Central Washington 1B league win at Moses Lake Christian, 3-0. A 3-0 non-league to the Lady Trojans at Manson preceded

the victory over RCH.

Pateros was scheduled to travel to league rival Cascade Christian on Tuesday, Sept. 24, and will host league opponent Entiat on Thursday, Sept. 26, to determine which of the 2-0 teams will emerge on top of the early CW1B standings.

Fillies fall 3-0 to LBHS, 4-3 to Omak

Bridgeport senior Alondra Jimenez, 22, battles a Lady Mountain Lion for control of the ball.

By Mike Maltais
Staff Writer

BRIDGEPORT –The Fillies varsity soccer team faced two tough rivals in non-league Omak and at Liberty Bell last week, losing both and starting its season with a 2-2 record.

Against the Caribou Trail League’s 1A Pioneers at Omak last Thursday, Sept. 19, Bridgeport started strong with a 2-0 lead in the first 20 minutes of the first half.

“Karla Torres scored for the Fillies in the 15th minute with an assist from Monica Trejo,” said head coach Gabe Gonzalez. “The second goal of the match was made by Lesli Moreno from a penalty kick in the 20th minute.”

The Lady Pioneers came alive with their first goal in the 35th minute of the first

half, leaving the Fillies with a 2-1 advantage going into the second half of play. Omak struck for the second time 14 minutes into the second half to tie the game.

“Bridgeport’s Jaqueline Lombero broke through Omak’s defense and scored a goal in the 59th minutes,” said Gonzalez. “Omak scored in the 78th minute which tied the game.”

The game went into a shoot-out to determine the winner.

“It was a good opportunity for the girls to practice a shoot-out,” Gonzalez said.

Unfortunately, it wasn’t good enough practice to win for the Fillies who lost by a point to Omak.

Melisa Rodriguez was the Fillies’ goalkeeper during the first half and had four saves. Becky Hernandez

took over in the second half and was credited with two saves.

LBHS wins

Two days earlier Bridgeport suffered a 23-0 shut-out at the hands of defending Central Washington 2B league champion Liberty Bell.

“We played a strong first half creating opportunities and were able to put pressure on Liberty Bell’s defense,” said Gonzalez. “We had two shots hit the goal post and were unable to put the ball in the net.”

Hernandez patrolled the goal for both halves of the game and stopped 13 Liberty Bell scoring attempts.

The Fillies were scheduled to play Manson on Tuesday, Sept. 24, and will host Brewster at 4:30 p.m., Thursday, Sept. 26.

By Mike Maltais
Staff Writer

BRIDGEPORT – The Mustangs varsity football team came up short for its second loss of the year, 62-24, to the visiting Entiat Tigers under

the lights last Friday, Sept. 20. Bridgeport opened its season with a 32-20 win at Liberty Bell on Sept. 6, followed by a crushing loss to defending state champion Odessa, 88-6, on Sept. 13.

Senior quarterback J.J. Flores connected on 7 of 12 passes for 64 yards and a touchdown and carried the ball 11 times for 150 yards and a second TD. Senior tailback Gilberto

Padilla carried the ball seven times for 73 yards and had an 85-yard kick return for a touchdown. Padilla also had seven tackles on defense. Senior tight end Julio Sanchez had three pass recep-

tions for 35 yards, including one for a score. Senior linebacker Edwin Bucio shined on defense with eight tackles, four of those for a loss of yardage for Entiat. Senior defensive lineman

Enrique Morales made six tackles, three for lost yardage. The Mustangs will travel to Coulee City to take on Almira-Coulee-Hartline on Friday, Sept. 27.

Billygoats split games against Soap Lake, Republic

Mike Maltais/QCH
Pateros freshman running back, Chris Poore, 82, takes a pass to set up the first Pateros touchdown during first quarter play against Soap Lake.

By Mike Maltais
Staff Writer

PATEROS – The Billygoats varsity football team lost to Soap Lake at home, 34-12 last Friday, Sept. 20, after delivering a defeat to the Tigers at Republic, 26-18, a week earlier. “Soap Lake was able to complete some big pass plays,” said head coach Marcus Stennes who added that pass coverage will be a primary defensive

focus in weeks to come. “We got a good win against Republic,” said Stennes. “Ivan Cenicerros was able to connect with Erich Espino and Kobe Thixton for a few touchdowns and ran one in himself.” Following the stinging 58-0 stinging loss to Almira-Coulee-Hartline on Sept. 6, Stennes said it felt good to see his team bounce back with a good performance against Republic. “We did a much better job

defensively of holding our blocks and getting a running game established so the pass would open up,” said Stennes. “We still have a long way to go but it was nice to see these guys get a win. The Billygoats face a daunting opponent in defending state champion Odessa on the road Friday, Sept. 27.

**Part-time Equipment
Mechanic**
Have you had a successful career as an Equipment Mechanic? Are you looking to put your years of experience to work in a dynamic construction environment? This post offers flexible hours in a part-time position adding to your supplemental income.
The ideal candidate will have a broad range of experience, solid work ethic, and a self-propelled approach to a job well done. You'll diagnose, troubleshoot, repair, and maintain diesel/ gas engines and equipment.
Anderson Landscaping, www.landscapebyanderson.com, is a design-build landscape contractor in Wenatchee. Competitive wages DOE.
Part-time, seasonal with flex hours.
