BREWSTER – Guest speakers from the Care Net Pregnancy Centers and North Central Washington Economic Development District addressed the regular monthly meeting of the Brewster Chamber of Commerce on Wednesday, Sept. 4, on topics of business and social needs facing local communities.

Karla Phillips representing area Care Net Pregnancy Centers previewed the organization's second annual benefit and auction that will be held this year at Sun Mountain Lodge on Saturday, Oct. 26.

Care Net has centers in Omak, Orville, Coulee Dam and Brewster that provide free and confidential services to Okanogan County women considering abortion or facing an unplanned pregnancy.

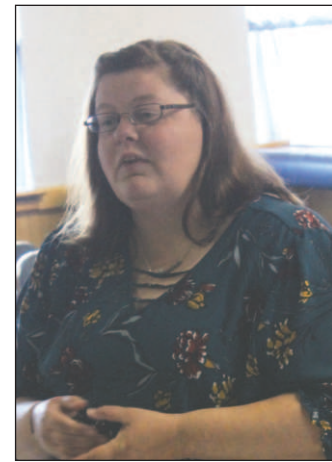

"It's not enough to say we're pro-life," said Phillips "but not give the support needed once a woman makes the decision to keep her baby."

Karla Phillips of Care Net Pregnancy Centers discussed the organization's upcoming banquet and auction at Sun Mountain Lodge in October.

Care Net provides emotional and spiritual support and physical help in the form of diapers, clothes, formula, car seats and other items through a program called Earn While You Learn that offers a variety of ways to earn points.

Alyce Brown, NCWEED marketing and events manager introduced a project called Supernova Business Launch Competition that the organization will debut in October to encourage small business development.

The October benefit and auction will raise funds not only for continued operating expenses but also to help purchase a mobile van that provides ultrasound scans for pregnant women. Banquet tickets are \$40 for the banquet

and those wishing to stay overnight get a special \$100 room rate.

Tickets can be purchased through Charee at 509-422-5506.

The auction features three levels of sponsorship, Gold, Silver and Bronze.

Gold sponsors (\$1,000) get company logo and sponsorship recognition for six months on the Care Net website, table sponsorship, event banner, press release and video presentation recognition together with eight event tickets.

Silver table sponsors (\$500) receive table sponsorship, press release and video presentation recognition along with four event tickets.

Bronze individual sponsors (\$250) receive logo/sponsorship and video presentation recognition and two event tickets.

The deadline for sponsors is Sept. 21.

Learning by Listening

By Sen. Brad Hawkins

Earlier this September, I concluded my third annual district-wide listening tour. We expanded it this year by one additional day which was helpful and much needed. Traveling throughout North Central Washington with my staff has become an annual tradition in the fall, the time of year that legislators traditionally begin planning for the upcoming legislative session.

In past years, I have visited Leavenworth, Cashmere, Wenatchee, East Wenatchee, Chelan, Quincy, Coulee City, Soap Lake, Bridgeport, Patros, Twisp, Winthrop, and

Waterville – all communities in our vast Legislative District 12. This year’s tour included many of those same stops along with new additions of Mansfield and Mazama. Despite all of the communities we have visited, there are some still remaining on my list for a future year. The size and diversity of our district can make some decisions more difficult in Olympia, but I try my best to learn the range of issues affecting us and to represent the entirety of our district when making decisions.

Hearing the diversity of voices throughout the region – as is the case each year – helps me do my job better. During

This year’s listening tour, community members helped me learn more about agriculture,

healthcare, wildfire, transportation, education, land use, and clean energy issues just to name a few. Business regulations, tax pressure, outdoor recreation, traffic slowdowns, wildfire response, education funding, water availability, and housing affordability continue to be topics of major interest.

This feedback will certainly be helpful for me when casting key votes in Olympia.

Similar to past listening tours, I concluded my busy week with a community hike, this year up the Chelan Butte Trail overlooking beautiful Lake Chelan. Participants included Chelan Mayor Mike Cooney, Representative Mike

Steele, Lake Chelan Trails Alliance, Chelan High School football team, Butte Brand apparel creators, and other individuals and groups.

The hikes provide me with an opportunity to connect with people in a unique and different way – and they have become political “walk and talk” opportunities, which are a fun change of pace from common conference room or office discussions.

As I review my notes from this month’s listening sessions and look ahead to the legislative session in January, I will travel to Olympia not only better prepared to represent us but also filled with gratitude for the opportunity

to do so. If you were not able to participate in my recent listening tour, please know that you can connect with me year round.

Whether here in the district or in Olympia, please reach out and stay in touch through letters, phone calls, or emails. Thank you for the opportunity to serve as your 12th District state senator. I appreciate your willingness to share your thoughts and ideas with me. I learn by listening.

Care Net is a 501(c)3 organization.

Brown, Marketing and Events manager for NCWEDD, introduced a new project, the Supernova Business Launch Competition (SBLC) coming in October. SBLC seeks to address re-

gional challenges facing small business entrepreneurs by identifying an supporting new and expanding NCW businesses.

In other business the chamber is looking for a new treasurer in the wake of Lainie Hammond’s resignation effective Sept. 4, and a new director to replace Brewster Senior Center President Kathy Lowry who resigned her position on August 22. Nominations for replacement candidates are due by Oct. 15 for an election scheduled for Nov. 30.

The next meeting of the Brewster chamber is 9 a.m., Wednesday, Oct. 2, at American Legion Columbia Post 97.

Sen. Cantwell announces \$225K grant to bolster economic development for Chelan, Douglas, Okanogan Counties

Cantwell-backed program will fund implementation of new strategy to diversify, strengthen county economies

SUBMITTED BY OFFICE OF SENATOR MARIA CANTWELL

WASHINGTON, D.C. – On August 27, U.S. Senator Maria Cantwell (D-WA) announced that the North Cen-

tral Washington Economic Development District has been awarded an Economic Development Administration (EDA) grant by the U.S. Department of Commerce to implement a comprehensive economic development strategy (CEDs) for Chelan, Douglas, and Okanogan counties.

The grant contributes \$225,000 to the \$450,000 CEDs project, which establishes a roadmap for private and public sector collaboration to create economic development that strengthens

and diversifies the regional economy, supports private investments, and creates jobs in the region.

“This grant is critical to help provide the vision that Chelan, Douglas, and Okanogan counties need to continue to create sustainable jobs and spur diverse economic development,” said Cantwell, the Ranking Member of the Senate Committee on Commerce, Science, and Transportation and a member of the Senate Small Business Committee.

“Creating strong private and public partnerships will help the region find new and innovative ways to increase job growth and economic opportunity.”

Senator Cantwell has been an ardent supporter of EDA grants during her career in the Senate. She consistently supports the program during the appropriations process, ensuring that strong economic development projects throughout the country receive the necessary funding.

WVC receives grant for five more years of CAMP funding

SUBMITTED BY WENATCHEE VALLEY COLLEGE

WENATCHEE - The College Assistance Migrant Program (CAMP) at Wenatchee Valley College has received a grant to continue its funding for another five years. WVC first received funding to start CAMP in 2009 and is now entering its third five-year grant cycle for the program. The program celebrated 10 years at WVC last year.

CAMP is a federally-funded program designed to pro-

vide academic, career and support services, financial assistance, and community and follow-up services to migrant and seasonal farmworkers or members of their immediate families during their first year of college. The program has existed in the U.S. since 1972.

The WVC CAMP program serves about 55 students per year. More than 550 students have participated at WVC since 2009. More than 85 percent of CAMP students enroll for a second year at

WVC. Of those who graduate each year, more than 70 percent transfer to a four-year university.

“Our program provides wrap around services to help our scholars integrate to the campus culture,” said Yuritz Lozano, CAMP director. “Our goal is to give them the tools they need to be successful.”

While applying to renew the grant, CAMP received letters of support from community partners, including North Central

Educational Service District, Chelan County PUD, Apple STEM Network, Wenatchee Learns Connect, GWATA, Columbia Valley Community Health, Eastmont School District, Wenatchee School District, WorkSource and the YMCA.

Learn more about CAMP or apply to the program at wvc.edu/CAMP. Watch “You Decide Your Future,” a WVC video featuring Pablo Cortez-Gomez, a CAMP graduate, on the WVC homepage, wvc.edu.

OK FAIR

Sunday, Sept. 8

The two renovated fairgrounds facilities, the race-track and rodeo arena were well received by competitors and spectators alike according to venue directors.

"The contestants loved the arena," said rodeo director Sam Buchert. "The timed-event cowboys liked the roping set up and the barrel racers loved the ground."

Buchert said it was cool getting high-fives from many of the barrel racers who traveled long distances to compete not knowing what to expect of the arena conditions.

"The rodeo itself was good," said Buchert. "There are always a few little things to dial-in with a new facility like the sound system and that's to be expected, but we will definitely work on making it better next year."

Buchert said he overheard one National Finals Rodeo qualifying roper tell the Pro-West president, who was on hand to see the new arena: "This is the nicest facility there is and they (Pro-West) should have the Pro-West finals here."

Future plans call for bleachers along the east side of the arena. In their absence fans backed pickups along the fence Saturday afternoon to have prime viewing spots for the Saturday evening rodeo.

"It was awesome to see the arena lined with people and vehicles for the show Saturday," Buchert said.

Pro-West Results

Horse race coordinator Carol Sivak noticed a larger than usual turnout of spectators and racers, "especially the Junior Relay which we had 10 teams," said Sivak. "it was great to see the youth getting involved more."

Sivak said competitors came from Colville, Inchelium and Keller to fill the races.

The winner of the Senior Relay race on Sunday, Sept. 8, Omak Express, is qualified and paid into the World Championships at Walla Walla on Sept. 28-30.

During the races on Saturday, Sept. 10, Doug and Deance Ralston hosted the County Roping and Barrel Race for community members who are 18 years and older, Sivak said.

Between the Sunday races Marnee Cleveland hosted games for kids to play on their horses to entertain the spectators.

"There was a costume contest, Texas Trot, Boot Race, Bubble Gum Run, Gunny Sack Hop, Egg on the Spoon, Hurry Scurry (a speed/timed, low jumping game), and Horse and Rider Soccer," Sivak said.

On the track two heats each of kids races and Walk, Trot and Run events were crowd pleasers.

Sivak said the new dirt overlay on the track held the water well from the Saturday night/Sunday morning deluge that fell.

"We are working hard to know how to work the new surface," Sivak said of track maintenance.

OBITUARIES

Donald E. Howell, Sr.

Donald E. Howell, Sr., age 91, passed into the presence of his Lord and Savior on August 29, 2019. He passed with his son Paul, at his side, holding his hand.

Don was born September 13, 1927, to Orlando E. and Frances (Jennings) Howell. He grew up on his family's farms in Marysville, Washington. Each farm was pioneered by both parents' side of the family. One of the farms is now Jennings Park in Marysville. In 1950, Don entered the Army, serving in Korea and Japan during the Korean War. Sgt. Howell was honorably discharged in 1952 and continued to serve in the Army Reserves then the National Guard.

He met Leona A. Leonard while doing graduate work at Seattle Pacific University. Don and Leona were married on August 14, 1953, in the First United Methodist Church in Marysville. Don directed and sang in church choirs in the Spokane area. One such

traveling choir was the Whitworth Acapella Choir. He had a beautiful baritone singing voice. During this time, he graduated from Whitworth University with a Bachelor Degree. He taught music, drama and mathematics in Deer Park and Raymond School Districts. Don was able to play any instrument proficiently, whether it was strings, brass, reeds, or percussion.

Don and Leona moved to Aberdeen, Washington in 1955, where he taught mathematics at Hopkins Jr. High, Weatherwax Sr. High School

and Grays Harbor College. He earned a Masters degree from Portland State College in 1966. Don retired from teaching in 1985. He remembered each of his students by name and the year they were in his classes. During his teaching career, he served in the Army Reserves and Washington National Guard. After going up through the ranks, he retired from the National Guard with the rank of Lt. Colonel in 1987.

Don served as a councilman for the 5th Ward on the Aberdeen City Council in the 1970's and was a member of the Aberdeen Planning Commission. He was very active member of the United Commercial Travelers and served

as Grand Counselor in 1986. He served as a Commander of and was a life member of the American Legion. Don was a member of the Aberdeen Elks, the Washington Education Association and National Education Association.

After retiring from teaching in 1985, Don went on a Walk to Emmaus where he was immersed in a closer walk with our Lord. Donald and Leona entered the ministry serving churches in the Methodist conference for the next 12 years. In 1985, Don and Leona's unpaid ministry led them to Eastern Washington where they served as Pastors of the Pateros and Bridgeport Methodist Churches for three months. Don and Leona were

authorized by the Bishop of the Methodist General Conference to conduct regular church services, officiate at weddings, funerals, and baptisms. Don and Leona traveled great distances to visit people in the hospital and those that were home-bound. Parishioners often commented that Don preached like Billy Graham and sang like George Beverly Shea. Because the people of the churches would not let them go, three months turned into eight years continuing their ministry. They retired from lay ministry in 1997. They travelled to numerous states, villages in South America, Canada, and made many road trips. When they retired from ministry, their car had over 400,000 miles on it from ministry and from touring the United States.

On May 21, 2016, Don suffered a stroke that prevented him from being mobile. For the next three years, he remained at home surrounded by his loving family.

Don is survived by Leona, his loving wife of 66 years, five children: Orlando G. Howell

(Julia), Dona Carriker (Gene), Donald Jr. (Lisa), Paul, Carlene Kuhn (Gene). He is also survived by 11 Grandchildren and 5 Great Grandchildren, a sister Ruth Jobs, a brother-in-law Thom Leonard, numerous Nephews and Nieces. His parents, his sister Lucille and son-in-law Gene Kuhn preceded him in death.

The family thanks Don's wife Leona, all the amazing caregivers, staff at Harbors Home Health & Hospice, daughter-in-law Lisa Howell, daughter Dona Carriker, Grandson Evan Kuhn, and primary caregiver Orlando Howell for the quality care they provided during the past three years giving Don a good quality of life and to be at home surrounded by his loving family.

A memorial service will be held at Fern Hill Funeral Home chapel, Aberdeen, Wash. on Saturday, September 14, 2019 at 11:00 AM.

A private interment will occur at an earlier date.

Arrangements are entrusted to Twibell's Fern Hill Funeral Home in Aberdeen, Wash.

Brewster opens football season with non-league loss to Chelan

Six All-League veterans return

By Mike Maltais
STAFF WRITER

BREWSTER – The Bears varsity football team opened its 2019 season with a 35-25 non-league loss to the visiting Chelan Goats of the 1A Caribou Trail League, but it took the Goats the better part of four quarters to finally lead by double digits.

Chelan started with a bang after recovering a Bears' fumble on the very first play of the game and scoring a 40-yard touchdown on the next play. A pass play to Cade Gebbers near the Chelan goal set up Brewster's first TD to end the quarter, 7-6.

Chelan jumped out to a 14-6 lead early in the second quarter but would not lead by more than a touchdown until late in the fourth when the Goats added seven points to a 28-25 lead to win by 10.

"I thought that Logan McGuire played a great game offensively for his first high school football game," said head coach Jake Johanson. "He made some big plays to bail us out."

Johanson added that Adaih Najera "ran well all night and played tough on defense."

Other defensive highlights went to Gio Nila and Arnie Arevalo with seven tackles each. Cade Gebbers picked off a Chelan pass and returned it 83 yards for a Bears' TD. Jorge Ramirez added another interception.

Brewster finished second in the Central Washington 2B League last season, earned a spot in the state playoffs and fell to Napavine in the first round. The Bears lost seven seniors to graduation but have six returning CWB All-League players. They are seniors Mason Kelly, Jorge Ramirez and Rodolfo Madrid, juniors Gio Nila and Mario Guzman, and sophomore Arnie Arevalo.

The Bears travel to Quincy for a non-league on Friday, Sept. 13.

Bears stats:

QB Mason Kelly - 15-24 for 236 yards, 0 TD, 2 INT
Rushing
Gio Nila - 17 carries for 103 yds, 1 TD
Adaih Najera - 9 carries for 69 yds, 1 TD
Jorge Ramirez - 7 carries for 24 yds, 1 TD

Cade Gebbers - 5 catches for 93 yds
Adaih Najera - 2 catches for 43 yds

Lady Bears volleyball eyes return to state

By Mike Maltais
STAFF WRITER

BREWSTER – With the loss of only one senior from last year's fifth-place state team, the Lady Bears are back with a strong nucleus of veteran players for another run at state.

2018 League Coach of the Year coach Marcy Boesel has a senior-heavy lineup this season comprised of five seniors, three juniors and three freshmen. They include All-League First Team player Karste Wright and League MVP Brooklynne Boesel, Second Team nominee Sammi Emigh, and Honorable Mentions Karina Martinez and Anah Wulf. Brooklynne suffered two concussions during

the later basketball season and was cleared to get back onto competitive sports last May.

"She is working hard to come back in full capacity," coach Boesel said.

While she has some players who will swing between the varsity and JV, Boesel said her varsity roster includes veterans, a couple of new faces to the Bears volleyball program and some freshmen.

Last year's 1B/2B Northwest League champions defeated Ocosta in the opening round of state play but lost to defending state champ La Conner. In consolation play the Lady Bears lost to Toutle Lake and defeated Kalama for fifth place.

Returning veterans lead Pateros varsity volleyball

By MIKE MALTAIS
STAFF WRITER

PATEROS – The Nannies varsity volleyball team got the early season gears working at the multi-team Ephrata Invite on Sept. 7, to prepare for their non-league home opener at 6:30 p.m., Thursday, Sept. 7.

Head coach Chloe Piechalski said she has five returning veterans this season in Jessi Hixon, Anna Williams, Alley Piechalski, Jillian Piechalski, and Vanessa Cenicerros.

“We have five strong returners,” said Piechalski,

“and our new additions to the team fit in perfectly.”

The Nannies came within a game of the trophy round at the 2018 WIAA 1B volleyball state championships in the Yakima SunDome last year. They defeated Neah Bay, lost to eventual champion Oakesdale, and lost in the consolation round to Puget Sound Advent in competition for fifth place and finished the season in sixth.

Pateros will play Moses Lake Christian on the road Friday, Sept. 13, followed by Manson on the road next Tuesday, Sept. 17.

Anna Williams (right) was named to the 2018 Central Washington 1B All-League Volleyball first Team by a vote of coaches and athletic directors.

While Williams was the only Pateros player to make the First Team among some stiff competition, the Nannies won the team Sportsmanship Award.

Brewster soccer girls back for another attempt at state

By MIKE MALTAIS
STAFF WRITER

BREWSTER – The Lady Bears varsity girls' soccer team barely missed a spot in the state playoffs last year and, absent five seniors lost to graduation, is back for another run at a state berth. Three of those graduates were All-League First Team picks but the Lady Bears have returning All-League nominees in senior midfielder Kelsey Ochoa (First Team), junior midfielder Miriam Garcia (Second Team), and junior goalkeeper Alexia Hurtado (Honorable Mention).

Brewster finished second behind Liberty Bell in Central Washington 2B League play last season. A loss to Northwest Christian in a crossover game left the Lady Bears with a 10-3 record. League opponents this season include Liberty Bell, Bridgeport, Oroville, Lake Roosevelt, Manson, Pateros, and Tonasket.

Brewster will host Oroville in its Central Washington 2B League opener at 4:30 p.m. Tuesday, Sept. 17.

Nannies soccer schedule is on the road this season

By MIKE MALTAIS
STAFF WRITER

PATEROS – Following a 2018 team debut that allowed acquisition of valuable experience during an all-road game winless season, the Nannies varsity girls soccer team is back on the field stronger and more prepared for the eight opponents they will face this year.

Owing to a lack of home field space on the single Pateros venue, the Nannies will once again take all 12 of their games on the road, starting with Bridgeport. Scheduled to host Pateros last Tuesday, Sept. 10. Between that opener

and the end of the regular season on Oct. 24, the Nannies will face junior varsity teams at Ephrata, Wenatchee, Cashmere and Cascade, Chelan of the 1A Caribou Trail League and CW2B opponents Manson and Lake Roosevelt.

Head coach Jesse Villalobos said he is looking forward to a better outcome this year from his roster of 17 players, several with a year of varsity experience to bring to the field. Veterans returning from last year's inaugural team include Aleeka Miller-Smith, Samantha Oros, Yanise Cazares, Ruby Mota, Yadhira Ascension, and Nayeli Hernandez.

The 2019 Pateros varsity girls' soccer team roster includes, front row, from left, Jimmena Caballero, Ahtziri Arevalo-Pio, Cheyanne Hanson, Alyssa Lopez, Nayeli Hernandez, Yadhira Ascension, and Itzel Diaz. Pictured in the back row, from left are America Portillo, Ruth Estrada, Janette Hernandez, Samantha Oros, Yanise Cazares, Kassandra Rosas, and Amaris Osorio. Billygoats fall to ACH, 58-0 in season opener

By MIKE MALTAIS
STAFF WRITER

PATEROS – The Billygoats varsity football team opened its season on the road against a buzz saw at Almira-Coulee-Hartline last Friday, Sept. 6. Against the 2018 second-place state champion Warriors Pateros was able to hold down their opponent's scoring in three of four quarters with single touchdowns in the first, third and fourth.

"We came out fired up and had a great first quarter only limiting them to eight points," said head coach Marcus Stennes. "The second quarter we got tired and they were able to take advantage of it."

Stennes said senior veterans who will play big roles on the team this season include quarterback Ivan Cenicerros, wide receiver Ramiro Ambriz, running back Kobe Thixton, and lineman Erich Foster.

"Other veterans that we

are relying on are Lucas Miller, Eric Espino, and Anthony Medel," said Stennes. "New guys who are going to be right in the mix are Josh Smith and my freshmen Chris Poore, Esteban Fonseca, and Nate Hart."

Stennes said this should be an interesting season with the addition of Liberty Bell to the roster of eight-man football this year. That makes a nine-team Central Washington 1B league with Bridgeport, Waterville-Mansfield, Entiat, Soap Lake, Odessa, and Wilbur-Creston, and ACH joining the Mountain Lions and Nannies.

The Billygoats finished 4-4-1 last season. They play at Republic, Friday, Sept. 13.
