Stories wanted for ninth annual Pateros Strong IRIS Summit

By Mike Maltais Staff writer

PATEROS – Mid-June is the deadline for public contributors to submit stories that helped bring Pateros together following the 2014 Carlton Complex wildfire for the ninth annual NCW Community Success Summit to be held in Pateros on Nov. 15.

The summit, sponsored by the Initiative for Rural Innova-

tion and Stewardship (IRIS), carries the headline "Pateros Strong" and will highlight success stories that help bring Pateros together following the wildfire, together with other accounts from the Okanogan, Douglas, Chelan and Grant county region. Interested contributors can visit www. irisnew.org online to download the Success Story Exchange template.

Pateros to host the Summit this year," said IRIS Board President Brooklyn Holton in an IRIs media release. "and to learn more about how they have strengthened their whole community that stretches south to Wells Dam and west to Carlton."

Summit attendance is anticipated to draw nearly 200 people from Pateros and around the region. The event will also serve as a fundraiser to allow IRIS to continue its community focus work through 2020 and beyond.

Pateros Mayor Carlene Anders said she likes the way the summit brings citizens together to share their stories.

"We don't have the Grange meetings anymore that used to bring people from rural communities together," said Anders.

Anders acknowledged that while technology dependence

is causing rural people to lose touch with one another "we can sit together at the summit and hear those stories of success that can improve our communities and are important from an economic, environmental, and even spiritual perspective."

IRIS has reached out to the Pateros School District to design the event logo, facilitate summit discussions and SEE **STORIES** ON PAGE 2

Emergency Management schedules Okanogan River flood meeting

Thursday, May 10 in Okanogan

BY MIKE MALTAIS STAFF WRITER

OKANOGAN – Water levels are rising in Osoyoos Lake, straddling United States/ Canadian border between Osoyoos, British Columbia, and Oroville, Wash., and the Washington Department of Ecology (DOE) is issuing flood warnings for the Okanogan and Similkameen rivers as a result.

The Okanogan River is expected to exceed 19 feet by Saturday, May 12, and Okanogan County Emergency Management Manager Maurice Goodall has scheduled an Okanogan County Flood Meeting and conference call from 1:30-3 p.m., Thursday, May 10, in the Commissioners Hearing Room at 123 N. Fifth Ave., in Okanogan, to discuss the threat. Those who cannot attend in person are invited to call the conference line at 605-468-8035, access code 7206#, to participate.

As the name Osoyoos, derived from an Okanagan Indian name that means "narrowing of the waters" implies, the lake's level plays a major role in water levels in the Okanogan River.

"There is twice as much water coming into Lake Osoyoos than can exit," said a DOE media release of May 7.

The DOE target is to maintain a lake water level between 911.5 and 912 feet from May through mid-September. Lake Osoyoos, 26 miles long, is fed by the far larger Okanagan Lake, 84 miles long, and snow runoff in the upper watershed raises water levels in the smaller border lake. Lake lev-

"We are at 914.04 feet, up by a foot and a half since Friday (May 4)," said DOE spokesman Al Josephy last Monday. "Last year, which was the highest we recorded in more than a decade, we reached 914.87 on June 2."

Brewster students stage 'Stand for the Second' walkout

As the ball nears the net, two Cashmere players make a last-ditch attempt to prevent it from entering the goal and breaking a 1-1 tie game as Zarate, No. 4, watches.

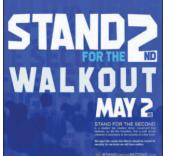

Despite the sliding efforts of the two Tigers, the ball enters the goal and gives Bridgeport a one-point lead that the Mustangs will later increase to 3-1 and advance Bridgeport to the next round against Chelan. See story on Page 5. By Mike Maltais Staff writer

BREWSTER – A trio of Brewster High School students staged a lunch hour walkout on Wednesday, May 2, in conjunction with a nationwide "Stand for the Second" student walkout in support of the Second Amendment right to keep and bear arms.

Brewster sophomore Gabriel Garcia organized the local observance and was joined by fellow sophomores Kylee Clune and Nila Sutherland.

Garcia said he became aware of scheduled walkout after seeing an online story about a New Mexico high school student who started the movement.

Will Riley, a Carlsbad High School senior in Carlsbad, N. Mex., started the gun rights campaign (StandfortheSecond. com) as the first counter response to the #Enough National School Walkout of March 14 and April 20. Those protests called for stricter gun control measures following the Feb. 14 mass shooting of students at Marjory

Stoneman Douglas High School in Parkland, Fla.

"I was supposed to register with the school a week before," said Garcia but admitted that he missed that deadline.

Garcia said he went online and printed a guide that explained the proper way to conduct the walkout on school property.

"I printed out and put up some flyers," said Garcia, "but only three of 280 students took part."

Garcia, whose family moved here from Texas, said he comes from a part of the country where there is a strong gun culture.

"Sacrificing your rights for temporary security is not the solution," Garcia said.

An advisory committee will help IRIS schedule a catered lunch by Sweet River Bakery, sponsor displays and live music.

"IRIS is proud to acknowledge our 2020 Legacy Partners including the Port of Douglas County, Community Choice, The Wenatchee World, and Wenatchee Valley College," the media release said.

Summit sponsors include the City of Pateros, Pateros School District, Craft3, Molina Healthcare, and the Regional

Innovation District Coalition. IRIS fosters sustainable NCW rural communities by gathering and sharing success stories that enhance a sense of belonging, inspire action and build community. IRIS has convened the annual summit in a different city each year since 2009. IRIS plans to produce a book "Thinking Like a Community" by 2020 that will include success stories from Pateros and the region that will serve as a guidebook for future community action. Something fishy about that guy Douglas County deputies apprehend, incarcerate St. Peter

Compiled from a report by Douglas County Sheriff Harvey Gjesdal

BRIDGEPORT – Late Monday evening, April 29, Douglas County deputies were advised that a suspect wanted on a warrant for Escape from Community Custody was hiding at a residence in the 700 block of Fairview Avenue in Bridgeport. When deputies visited the residence a female who answered the door gave them conflicting stories, then retreated into the house and reappeared with the suspect, 20-year-old Morningstar St. Peter. St. Peter was arrested and transported to the Okanogan County jail.

"Although the renter told deputies she did not know if there were any additional people in her house, they discovered three males and one female inside," wrote Gjesdal. "The deputies also noticed drug paraphernalia in the house. The deputies secured the residence and applied for a warrant to search for illegal drugs."

After a judge reviewed and granted the affidavit the search warrant was granted.

"While executing the warrant the deputies found two small bags of heroine, one small bag of methamphetamine, and four glass pipes containing methamphetamine," wrote Gjesdal. "The investigation is continuing."

Vehicles strike Brewster business and residence

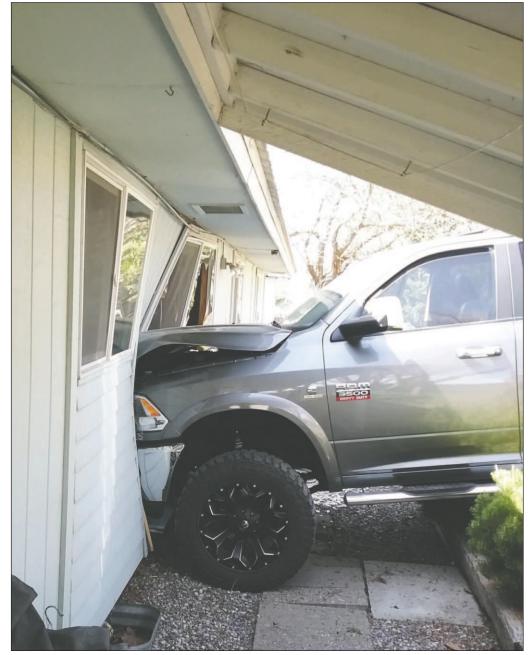

Compiled from a report from Brewster Police Department

BREWSTER – In two separate accidents a day apart last month vehicles struck and damaged a Brewster business and a Brewster residence according to a report from the Brewster Police department.

On April 24, Brewster resident Lisandro Arevalo Garcia was in the process of parking his vehicle in a private parking lot at the Confluence Health Clinic at 418 W. Main Street in Brewster when the front of Garcia's vehicle struck the north side of the building. There was damage to the building and a small amount of damage to the vehicle, the Brewster Police Department report said. Insurance information was exchanged

Garcia advised Brewster police that he was unaccustomed to driving a vehicle with a clutch-operated manual transmission. He was not cited.

The following day, April 25, Brewster Police and Fire

"We are so proud of all the outstanding efforts happening daily within our districts. These Excellence Banquets provide an opportunity to recognize and honor those who are really going above and beyond consistently. It is a privilege to honor their efforts," explained Superintendent Dr. Michelle Price.

The North Central Educational Service District is a resource to the 29 districts within the four-county service area, providing professional and timely tools to meet the needs of individual schools and districts, and a reliable point of educationrelated information for the communities served. The NC-ESD is a respected resource to other ESDs throughout Washington State.

BRIDGEPORT - Last Wednesday, May 9, 19 Bridgeport High School FFA students departed for the 88th Washington FFA Convention and Expo at Washington State University campus in Pullman. Proceeds from last week's annual plant sale helped provide some of the funds necessary to cover trip and lodging expenses.

Bridgeport FFA advisor Adam Corum said mid-way through the second day of the two-day sale, revenues had already exceeded the previous year by several hundred dollars. "I think we about \$600 or \$800 over last year," said Corum early Saturday afternoon.

Mustangs advance to District second round with Cashmere win

BY MIKE MALTAIS STAFF WRITER

BRIDGEPORT – The Mustangs varsity soccer team took one step closer to the 1A Caribou Trail League/Central Washington B District championship and a spot at state with a 3-1 win over the CTL's Cashmere Tigers in a fast-paced and physical match on Bridgeport's home pitch last Saturday, May 5.

"After a slow start during the first half, the Mustangs scored in the 33rd minute off a header from Hugo Santana which he received from a corner kick from Ozzy Orozco," head coach Gab Gonzalez said.

Five minutes later the Tigers tied the game with a goal in the 38th minute.

"During the second half the Mustangs came out stronger," Gonzalez said.

Junior midfielder Alex Zarate put the Mustangs ahead, 2-1, when he scored in the 49th minute off an assist by teammate Christian Aguilar.

The Tigers responded aggressively but Bridgeport goalkeeper Carlos Ruiz made several stops of shots on goal to keep Cashmere making scoring attempts.

Near the mid-point of the second half, junior forward Alexis Valdovinos scored Bridgeport's third and final goal with a header from the right side of the net from a crossed kick by Aguilar.

The Mustangs, who finished the regular season with an 8-2 record, appear to be peaking at just the right time as the competition ramps up in post season play. Bridgeport capped its regular season finale with a 4-3 win over league champion Brewster and handed the Bears their only CWB league loss on Tuesday, May 1.

Bridgeport goalkeeper Edgar Meza, dripping wet from an ice-bucket bath, gets hoisted on the shoulders of teammates after he blocked a crucial Brewster penalty kick to give the Mustangs a 4-3 victory over the Central Washington 2B league champion Bears on May 1.

The loss eliminates Cashmere from competition and sets the Mustangs up to face the CTL's number one Chelan Goats in Chelan at 4:30 p.m. Tuesday, May 8. The Bears will host Cascade at the same day and time in Brewster. Cascade advanced to the second round with a 3-0 win over Manson on May 5. The winners of both games will meet for the District championship In Wenatchee's Apple Bowl at 6 p.m. Thursday, May 10. Both finalists will advance to state competition.

Mustangs end regular season with comeback win over league champion Bears

May 1

BRIDGEPORT -- In a comeback battle that came down to a five-ball overtime shoot-out, the Bridgeport Mustangs varsity soccer team took vengeance for an earlier season 7-0 loss by defeating the previously unbeaten Brewster Bears, 4-3, on its home pitch and on Senior Night last Tuesday, May 1.

The first 40-minute half was a defensive battle leaving both teams scoreless at the start of the second period. The Bears broke the deadlock when Felix Nava scored their first goal on a penalty kick two minutes into the second half. Nava added Brewster's second goal in the game's 50st minute to give the Bears a 2-0 lead.

Bridgeport quickly rallied and took advantage of the Bears' lapse on defense to get its first goal one minute later when junior forward Alexis Valdovinos had a cross-field kick deflect off a Bears player and go into the Brewster goal, head coach Gabe Gonzalez said.

The Mustangs tied the game in the 68th minute when junior Danny Valdovinos broke between two Brewster defenders and scored one-on-one with the Bears' goalie.

"The third Mustangs goal was by Alexis Valdovinos from a penalty kick in the 80-plus-second-minute of the second half," said Gonzalez. "Brewster scored in the 80-plus-fourth-minuteof the second half, which tied the game up, 3-3.

Jose Gomez tied the game for the Bears on a deflected corner kick, head coach Jenner Sanon said.

Two scoreless overtime periods later, the game went into a five-ball shootout to determine the winner.

In alternating attempts, the Mustangs connected on all five of their attempts. Bridgeport goalie Edgar Meza blocked the Bears' fourth goal shot to the loud approval of the home crowd. Meza then scored Bridgeport's fifth and winning goal and pandemonium reigned. Meza was drenched by a barrel full of ice water and hoisted on the shoulders of his teammates as the Mustangs celebrated their win.

The 9-1 Bears had already claimed the Central Washington 2B league title and had earlier shutout the second-place Mustangs 7-0 on Brewster's home pitch, April 12. Brewster will host its first playoff game next Tuesday, May 8, against the winner of Manson-Cascade, said Sanon. The winner of that loser-out match will advance to the Apple Cup in Wenatchee on Thursday, May 10.

The Mustangs will host Cashmere at 11 a.m., Saturday, May 5, coach Gonzalez said.

Central Washington stories show need for opioid abuse answers

Newhouse to host Free Opioid Summit Friday, May 11, 10 a.m.-12:00 p.m. in

to heroin overdose" is another tragic comment that I received.

While there is no single cure-all, this is a crisis that demands a concerted, long-term, bipartisan response at the federal, state, and local levels. During the 114th Congress, I voted in favor of legislation, the bipartisan 21st Century CURES Act, to increase state grants for treatment from \$500 million to \$1.5 billion. Now, the House Energy and Commerce Committee is following up on many hearings that closely examined the problem and is expected to advance further legislation in the next two weeks, with the goal of bringing legislation for a full House vote by Memorial Day.

I asked for what kind of policies Congress should respond with to address the complex problem, and the feedback was very helpful: Don't punish people who just had surgery," and "more education, better control of prescription abuse, and more efforts to help victims of addiction." Some pointed out that we must also be aware of the potential impacts of policy solutions for people who suffer from chronic pain: "It has made it more difficult for those with chronic pain to get the relief they need" is one response.

These are the kinds of questions and solutions that I am encouraging constituents to share with me as your representative in Congress.

To respond to requests for better public education on this crisis, I am inviting constituents in the 4th Congressional District to a free Opioid Summit I am hosting in Moses Lake on Friday, May 11, from 10:00 a.m. to 12:00 p.m. PST. The Summit will be held at Moses Lake Civic Center on 401 South Balsam Street. I have invited a panel of experts from Moses Lake Police Department, U.S. Drug Enforcement Agency, Washington State Department of Health, and the U.S.

Department of Agriculture to discuss efforts to combat the crisis and answer questions. There will also be information provided on the prescription drug take-back program and drop-off center locations.

Moses Lake

"My brother is an addict. I am raising his daughter." That is one of the many responses I received when I asked constituents of the 4th Congressional District how opioids and heroin abuse have affected people in our community. The responses are eye-opening to the heartbreaking cost of

the opioid crisis in Central Washington:

"The opioid crisis is destroying my family's life," and "my adult child has battled addiction for 20 years after taking post-surgery opioids at 18," are two more responses that are truly a call to action.

Families are struggling due to this epidemic: "Lost brother

Another constituent comment testified that families can gain the upper hand in their fight: "Our nephew battled this addiction for several years. Fortunately, with help, he has beaten this." The voices I have heard from Central Washington are clear. Families need assistance to beat this epidemic, and equipped with more information and resources, we can offer help that makes a difference.

The tyranny of 'the law'

"Power tends to corrupt and absolute power corrupts absolutely," Lord Acton.

The FBI was founded in 1908 as the Bureau of Investigation. From the very beginning some members of Congress were concerned about the formation of a "federal secret police." It would appear that their concerns were well justified.

It should be clear to anyone who is willing to examine the recent activity or lack of activity of the FBI, that it is the epitome of the "deep state." It is functioning like a fourth branch of government with its own political agenda.

Many on the left describe the concept of the deep state as a right wing conspiracy but the concept simply recognizes the fact that much of the government operates independently from our elected representatives. Powerful agencies create regulations and enforcement techniques that impact our daily lives without proper oversight from our elected representatives.

In the case of the FBI, Congress has been requesting access to documents on investigations of President Trump, Hillary Clinton and several Justice Department officials.

The agency has been stonewalling and "slow walking" sometimes refusing to produce some documents entirely. Many of the documents that have been provided are so highly redacted as to make them useless. Reportedly, one disc of documents was 100 percent redacted.

Last week Judge T.S. Ellis in Virginia declared that the prosecution had no authority to prosecute Paul Manafort and demanded that the prosecutor produce a copy of the "scope" memo defining the authority of special prosecutor Robert Mueller. Only time will tell if that document is released. In the meantime, Manafort will continue to incur legal fees for preparing his defense.

Originally charged with investigating Russian collusion in the 2016 Presidential race, Mueller has produced no evidence. But his prosecution of everyone connected with President Trump has become persecution. Mueller is using the law to intimidate or extort any information he can possibly use to discredit or impeach a duly elected President.

It is a tactic often used by lawyers in personal injury cases or class action lawsuits where the defendant agrees to settle in order to limit the cost of defense. We should all be concerned when that tactic is employed by government investigators.

These are the tactics of a police state. The government has unlimited funds to prosecute but few citizens have unlimited resources to defend themselves against a protracted investigation. This can lead to guilty pleas just to put an end to the legal harassment.

Over the weekend I was engaged with a friend regarding the FBI. My friend said the actions of James Comey and the FBI are justified by their Constitutional responsibility to protect the American people. It is an interesting point of view. The problem with that line of thinking is it puts an unelected and unaccountable Federal agency above the elected representatives of the people.

The problem is that this type

of government is growing and not just at the Federal level. How many orchardists have been threatened with shut down for some minor infraction? How many contractors have been harassed by an overzealous code enforcement officer?

There are good reasons to have laws designed to protect us from those who would purposefully damage our environment or endanger our families with shoddy workmanship. The problem is when enforcement becomes oppressive or is not administered equally then we must question our representatives. And those representatives must be able to examine everything an agency is doing in order to determine if they have exceeded their authority.

It is far past time to end this political witch hunt.

Like him or not Trump was elected by the people to upset the status quo in Washington. Clearly he has stirred up the swamp and the alligators are biting back.

It is time to clean house at the Department of Injustice and send a clear message to the rest of the deep state that abuse of the American people for political purposes will not be tolerated. FAMILY HEALTH CENTERS

BRIDGEPORT – The Fillies varsity track and field team, led by top finishers in the shot put and discus field events and 4x200 relay, won team point honors at its home Bridgeport Invitational track and field meet on Senior Night, Tuesday, May 1.

A total of 14 teams from schools ranging in size from 1B Upper Valley Christian in Leavenworth to 1A Omak, competed against local quad city athletes from Brewster, Pateros, Waterville-Mansfield and host Bridgeport.

The Fillies collected 122 team points to outdistance second-place Liberty Bell by 15.5. Omak won the boys' division with 111.5 points. The Bridgeport boys placed seventh with 47 points.

Senior Emily Saucedo took first place in both the discus and shot, throwing the four-kilogram iron ball to a personal record (PR) distance of 35 feet, seven inches. Saucedo's discus throw was 110 feet, seven inches, almost four feet beyond the second-place throw of 106'10 by teammate Itzel Munoz. With Kaiden Morris tossing

the discus 102'6, the Fillies swept the top three spots in the event and four of the tip five in the shot.

The Fillies' 4x200 relay team finished first with a time of one minute-53.12 seconds and placed second in the 4x100 relay in 53.10 seconds.

Jasmine LeDuc took second in both the 200 meters with a PR time of 27.50 and long jump. Miriam Jimenez finished second in the 3200M in a PR time of 14:28.13.

Bridgeport's Ricardo Vazquez finished second in the 400M in a PR 55.04. Issac Ochoa cleared PR nine feet for second in pole vault.

Brewster Junior Alfredo Nila threw the discus to a second-place distance of 125'08. Sophomore teammate Ubaldo Arellano cleared the high jump in a PR 5'8, two inches higher than the PR 5'6 of third-place Ernie Nanamkin. Mario Guzman ran the 200M in a PR time of 24 seconds.

Kim Nila finished second in the girls' javelin with a throw

of 99'10. Freshman Miriam Garcia ran the 100M hurdles in 17.22 seconds for third place.

The girls' 4x400 relay team placed third in 4:52.27, and junior Julissa Olvera ran to third place in the 3200 in a season record 14.52.80.

Pateros

Freshman sprinter Anna Williams won the 100M in 13.04 seconds, was third in the 200M in 27.53, and cleared the high jump bar at 4'6 for third place.

Waterville-Mansfield Shockers' freshman Elizabeth Katovich won the girls' long jump with a PR leap of 15'5.

The 2B District 5/6 State Qualifier will be held Friday, May 18, at Kittitas Secondary School. The WIAA 1B, 2B, 1A State Championship Meet will run from Thursday-Saturday, May 24-26, at Eastern Washington University in Cheney.

Bears beats Patriots, Irish to advance to District 5/6 championship

By Mike Maltai

STAFF WRITER

BREWSTER – The Bears varsity baseball team put together back-to-back wins over Liberty Christian, 5-2, and DeSales, 18-2, in the respective quarterfinal and semifinal rounds of the District 5/6 tournament at Moses Lake last Saturday, May 5, to advance to the championship game against Tri-Cities Prep at Wenatchee's Rec Park at 4 p.m. Saturday, May 12.

"We came out and jumped on them early like we wanted to," said head coach Todd Phillips.

By jumping out early Phillips meant the 3-0 lead that the Bears grabbed in the first inning and never let the Patriots back into the game. The scoring punch of Joe Taylor, Corey Jarrell, Isaac Baker and Kade Kelpman put Brewster's three runs on the board early.

A Cade Gebbers single in the second inning and sacrifice fly by Turk Riggan scored the fourth run.

Logan McGuire walked in the fourth inning and advanced on Gebbers ground out before scoring the Bears fifth and final run of the game.

Two hours later, Brewster tutored DeSales in a fourth inning hitting clinic that put 13 runs across the plate and put the Irish in a hole too deep for them to escape.

"We did a great job of maintaining our intensity all the way through this thing," said Phillips of the always-tough DeSales squad.

This time around the Irish struggled from the mound and in the fourth inning "their wheels fell off," said Phillips. "They threw five different pitchers in the fourth. We had 14 straight runners reach (base) with one out."

That was the inning that sealed the game.

Bears ends undefeated season with win over Tonasket

May 1

BREWSTER – The 2018 Central Washington 2B league baseball champion Bears defeated Tonasket, 10-1, on Senior Night last Tuesday, May 1, to wrap up an undefeated regular season.

Head coach Todd Phillips said it was a bittersweet game for him because while the team celebrated a successful season, it also bid farewell to Caiden Riggan, the single senior on the squad.

Phillips described Riggan as "the epitome/e of what we want a Brewster baseball player to be." "Caiden Riggan has been one of the hardest workers and best teammates I have ever coached," said Phillips. "He brings integrity and focus to the field every day and never has to be told what to do or how to do things our way. He does what is right and the right way every day."

Phillips said that Riggan's leadership will be missed and hopes that upcoming seniors will follow his example.

Riggan celebrated his final home game in a Bears uniform by leading the team in RBIs with three and smacked his first double of the year.

"He went out with a bang," Phillips said.

In hindsight, Brewster had the game won in the first inning with three runs although Phillips said his team struggled to score runs as the game progressed.

"In the first, Joe (Taylor) got on off an error with one out and Corey Jarrell singled," said Phillips. "Isaac Baker singled to drive in a run and Turk Riggan reached on an error that pushed another man across. Caiden Riggan drew a bases-loaded walk to score out third of the inning."

In the second inning Jeff Sonneman walked and reached second on a passed ball, moved to third on a walk, and scored on Taylor's single, Phillips said. Taylor then singled, stole a base and scored on a Jarrell ground out. Quincy Vassar walked and scored on Kade Kelpman's single. Turk Riggan walked, and Caiden Riggan drove both Kelpman and

The Bears scored twice more in the third inning and

Tonasket put one run on the board. By the end of the third the scoring was done for both teams.
