Bridgeport alum builds the banners for school sports teams

BY MIKE MALTAIS STAFF WRITER

BRIDGEPORT - The next time you see the sports teams and awards banners hanging in the gym or outside on one of the playing fields, give a nod and quiet thanks to Bridgeport school alum and resident Connie Watson, because she is the one who makes them.

Watson took on the project more than two decades ago while working as the elementary librarian and is now credited with creating or restoring every team banner in the school.

A school official approached Watson about taking over a se-

nior project making banners that was left partially uncompleted. Watson came equipped with a background that helped her take on the job thanks to her college training. After graduating Bridgeport in 1964, Watson attended Washington State University and majored in clothing and textiles.

"They don't offer that degree anymore," Watson said.

While at WSU Watson also met her future husband, Barry, who does his own part for Bridgeport sports as the long-time scorekeeper for the high school football and basketball games. The Central Washing-

Pateros hosts fifth annual Arbor Day observance

BY MIKE MALTAIS, STAFF WRITER

PATEROS - This designated Tree City hosted its fifth annual Arbor Day observance, Community Roots, last Friday, April 27, in Pateros Memorial Park with a wide variety of activities fitted into the two-hour afternoon schedule.

Mayor Carlene Anders welcomed visitors, thanked Tree Board members Megan Sherrard, Angela Van Ensynga, Brenda Brady and arborist/city administrator Jord Wilson for their work, read the official Arbor Day Proclamation and introduced the day's guest speaker Linden Lampman, Urban and Community Forestry Program Manager, who made the trip from her office in Olympia to address the group.

Arbor Day had its roots in Nebraska where, in 1872,

Julius Sterling Morton proposed the observance that was later reinforced by the planting of one million trees

in Nebraska. Lampman explained that the state's Tree City designation is an Arbor Day Founda-

tion program that her office administers and requires that city to meet four qualifications to be so recognized.

"One is to have an ordinance that talks about taking care of trees and one is to have that ordinance say who takes care of trees," said Lampman. "Another is to spend some money on taking care of trees, planting and planning for trees and the fourth one is doing what we're doing today, celebrating Arbor Day."

In keeping with that pledge, Wilson had new samplings staged around park grounds and ready for planting that day.

The Brewster Boys and Girls Club provided craft and science activities for the youngsters and the Pateros FFA students had their barbecue fired up to cook hamburgers

New letters bring Pateros sign closer to completion

BY MIKE MALTAIS, STAFF WRITER

PATEROS - On April 11 last year, an excavator from BTO Construction began moving the first scoopfuls of earth at the site for the new Pateros sign along the east side of U.S. Route 97 south of Pateros. Last Friday, April 27, a crew from BTO Construction in Pateros applied the three-foot-high letters to the 20-foot-wide concrete backdrop as progress on the new installation continues with a completion date in time for the 71st Apple Pie Jamboree on July 20-22.

The new sign will replace the original 24-foot-by-36-foot wooden original that was destroyed in the July 2014 Carlton Complex wildfire.

campaign to rebuild the iconic welcome fixture that was the first thing drivers saw as they approached Pateros from the south on Highway 97. A sign committee was formed to come up with a new design, volunteers and donors brought on board to help with materials, construction, and negotiations opened with the state Department of Transpor-

tation to relocate the sign. A GoFundMe account (www.gofundme.com/paterossign-fund) was established to raise the estimated \$20,000 to cover project costs.

Still to come on the fireproof concrete, metal and stone structure will be boulders and river rock around the base and solar lighting to help illuminate the sign during nighttime hours, said Pateros Chamber secretary Joni Parks.

"Jamboree is the goal!" Parks said.

composting and the proper planting and care of trees.

A big hit of the afternoon was a History Panel comprised of long-time area residents Jerry Bryant, Phil Brownlee, Bill Meadows, and Pateros school superintendent Mike Hull. Hull led off the presentation that included descriptions of life and work in Old Pateros together with a photo display of earlier versions of the city.

A 6-by-10-foot map of Old

Pateros showing streets and structures that Bryant drew by hand from memory was a centerpiece of interest, questions and discussion.

Since 2013 when the first Arbor Day observance was held in Pateros the city has made many improvements to grounds, plantings and water quality including:

- A reduction in manganese content through development of new city water wells;
- Removal of invasive tree species at Ives Landing Park and along street rights of way;
- Automatic irrigation at Ives

Landing;

- Removal and grinding of tree stumps;
 - Pruned maples along North Street and evergreens and Honey Locusts in Memorial Park;
 - Improvements to irrigation and mulching in the Mall.
- New trees planted in 2018 included more than two dozen small trees, Serviceberry, Rocky Mountain Maple and Juniper at Ives Landing, 13 Ponderosa Pines and eight Pacific Red Cedars at Ives Landing, and one Ponderosa Pine at the Methow Memorial.

Bridgeport FFA plant sale blossoms May 4-5

By MIKE MALTAIS
STAFF WRITER

BRIDGEPORT – The FFA Plant Sale, annual spring event that many area gardeners have been waiting for, will open the doors to the Bridgeport school greenhouse on Friday and Saturday, May 4-5.

By popular demand, this year's selection will include more flowering baskets, said FFA advisor Adam Corum, and with a price tag of \$18 for a 10-inch arrangement, each one is a buyer's bargain. A good selection of ornamentals and vegetables will include three varieties each of peppers and tomatoes plus geraniums, petunias, impatiens, phlox, portulaca and more.

Friday, May 4 hours run from 3:45-5 p.m. The sale continues Saturday, May 5, from 9 a.m. to 4 p.m.

For more information contact Corum at (509) 686-8770.

PATEROS – Last Saturday, April 28, a group of lucky young ladies in the company of their proud fathers, gathered at the Pateros High School gym for a “Once Upon A Time” experience – for both parties – at the fourth annual Father/Daughter Dance 2018.

Complete with refreshments, entertainment and professionally posed portraits, the annual dance was originally organized by Pateros School District Administrative Assistant Erika Varrelman who said she got the idea from other schools.

“I saw that some of the bigger schools were doing it,” said Varrelman, “and decided that we should do that too.”

Varrelman, who also doubles as the Cheer coach, organized the occasion as a cheer fundraiser.

This year the event drew scores of dads and daughters with a total attendance of about 120, including several from nearby cities like Twisp and Omak.

“It was open to all fathers and daughters, said Varrelman, “Grandparents too. We had a big turnout with lots of new faces.”

Dj Smallz (Sarah Polina), of Dj Smallz Mobile Music Service in Omak provided the evening's entertainment and Char Harmier of Char Harmier Photography in Brewster was

the official photographer.

The Father/Daughter Dance waltzed in on the heels of the Mother/Son Dance held the previous day so both events could take advantage of the decorations used for the Quad City Prom held on Saturday, April 21. For that event K-12 Administrative Assistant

Dona Slater, teacher Scotti Wiltse and Pateros ASB students put up the decorations that saw triple usage. About 75 turned out for the Mother/Son Dance, Varrelman said.

As the name implies the Quad City Prom is a joint

event with participating schools including Bridgeport, Soap Lake, Entiat, Manson and Mansfield. Each year a different school hosts the prom. Last year it was Soap Lake, this year Pateros, said Varrelman.

ton 2B league honored Barry last year with its Outstanding Scorekeeper Award.

Following college, the Watsons spent a couple of years working in the Shelley-Idaho Falls area with potato-sizing equipment, a related family business. Their next move was back to Bridgeport and the family ranch, Foster Creek Land and Cattle, a 9,000-acre spread east of Leahy Junction.

“We're the fourth generation,” said Watson. “About half the ranch is in CRP (Conservation Reserve Program); we have the cropland leased out and have sold the livestock.”

“Our family has been on Foster Creek since 1883,” said Watson. “My grandfather came here from the Palouse. My mother's side came to Foster Creek to plant the first orchard and grew and sold vegetables to the Fort Okanogan soldiers.”

The Watson's daughter, Wendy, graduated BHS in 1986 as a National Merit Scholar. She attended WSU and is now the university's library manager.

Son, Mike, also a National Merit Scholar, graduated BHS in 1990. He attended WSU and is now an electrical engineer for a logistics company in Kent, Wash.

Watson started making Bridgeport banners when the teams could still take them to the state tournaments, a practice not permitted now. Most are now made of felt that Watson acquires

by the bolt and reuses many patterns and templates from past pieces.

“The letters are fused with fusible web that you can iron on,” Watson said.

Her latest creations that took her about eight hours to complete were the CWB team sportsmanship banners awarded to the varsity football team and the varsity boys and girls basketball teams for the 2107-18 season. Perhaps Watson's most viewed work is the large quilted Mustang banner that hangs in front of the scorekeepers' table at the basketball and volleyball games.

I entered that piece in the Apple Pie Jamboree Quilt Show and won first place,” Watson said.

In her spare time Watson works on quilts as a member of the Columbia River Quilt Guild.

“We have about 12 members, but only about eight active,” Watson said.

One of the group's most ambitious projects was making a quilt for every family that survived the 2014 Carlton Complex wildfire. They also present three quilts annually to local veterans.

“We present one at the Jamboree and a couple on Veteran's Day,” Watson said.

While she finds her banner-making project rewarding, Watson said she would welcome someone who would like to apprentice with her and take over the project when the time is right. Anyone with an artistic eye and creative bent can contact Watson at (509) 686-7563.

OBITUARIES

Richard David Spencer

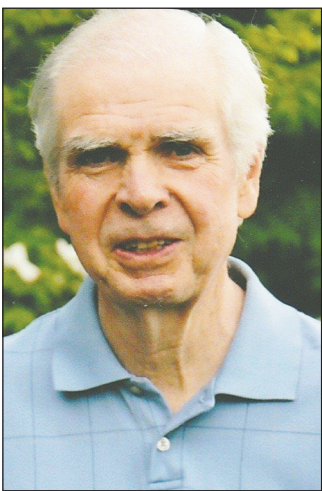

August 20, 1944 -
April 24, 2018

Dave, a long-time resident of Bridgeport, Wash. passed away from a sudden heart attack. Dave was the second of five children born in Brockton, Mass. to Ron and Alice (Harriman) Spencer.

After high school Dave went to the University of Idaho to study Forestry. He was in the ROTC program, and graduated in 1967 with the rank of Ensign in the Supply Corps, and a Bachelor's degree in education. He married Meredith Horning June 10, 1967 in Boise, Idaho. Dave's first commission was in Athens, Georgia at Supply School. From there he was sent to Bremerton, Wash. where he was a supply officer aboard the USS Sacramento until 1970.

When Dave left the Navy the couple moved to Bridgeport as both had teaching jobs in Mansfield. In 1975 Dave started building greenhouses to hold the orchids he grew. This turned into a business, Spencers' Greenhouse. Dave became an accredited orchid judge in 1996 and they traveled to many orchid shows in the Pacific Northwest, entering plants in competition, as well as selling plants.

As a retired couple they bought a small RV and to celebrate their 50th anniversary last year, drove across Canada to P.E.I. to visit one of Dave's sisters. Then they all continued down the east coast and

visited the rest of his family. In January of this year they did a snow-bird trip to Arizona and were looking forward to more fun trips.

Dave was preceded in death by his parents, one brother, Fred and brother-in-law Eddie. He is survived by his wife, Meredith of Bridgeport; brother Ron (and MarKay) of Newport News, VA; sister Val Malinowski of Brockton, Mass.; sister, Becky (and Dave) Bollans of Murfreesboro, NC; and sister-in-law Roberta of Hanson, Mass.

A service of remembrance will be held Friday, May 11 at 11:00 a.m. at the Bridgeport Marina Park. Come ready to share stories and bring your own lawn chair. A light lunch will be served. In lieu of flowers donations may be made to the charity of your choice, or to Faces4Hope, either online at www.faces4hope.com, or checks can be mailed to 2810 Riverwalk Place, East Wenatchee, WA 98802.

Please leave any thoughts and memories for the family at www.barneschapel.com.

Services are entrusted to Barnes Chapel of Brewster.

A temperature drop of some 20 degrees between Friday, April 27, and the opening day of fishing season on Saturday, April 28, put a damper on the results for many anglers like these fishing from the bank at Alta Lake.

American Legion Posts to Help Central Washington State Communities

SUBMITTED BY
MATTHEW JACKSON, EPHRATA
AMERICAN LEGION

EPHRATA— Military veterans in and around this region are invited for a special service session at the Art Semro American Legion Post 28 located at 267 8th Avenue

N.W. in Ephrata. National and state teams along with local post members from The American Legion will be in town to discuss veterans' benefits and service and kick off this community and veteran service campaign within the community.

All veterans in this area

are invited to Post 28 to learn more about The American Legion and veteran benefits. Membership and veteran information staff will be available on May 19, from 10 a.m. to 4 p.m. and May 20, from 10 a.m. to 3 p.m.

A veteran service officer will be available to assist area

veterans with claims or other veteran benefit related questions during these times.

In keeping with the nearly 100-years of tradition of The American Legion, the American Legion posts in this area will focus on community service and assistance to veterans. The scope and nature

of the posts' community service is determined by its members and with input from local civic and community officials.

Since its inception in 1919, The American Legion has been a key advocate for veterans' benefits, patriotic American values, instilling values

in young people through numerous programs and a strong national defense with focus on quality-of-life issues for those serving in today's armed forces.

Progress in Congress on Protecting Northwest Hydropower

For months, my Pacific Northwest congressional colleagues and I have been raising our voices and working on legislation to prevent increasing forced spill at the lower Snake and Columbia River dams from raising electricity rates in our region by \$40 million. That forced spill order, the result of a ruling of a single federal judge in Portland, took effect at the beginning of April.

Last week, our work resulted in passing bipartisan legislation, H.R. 3144, introduced by Rep. Cathy McMorris Rodgers, myself, and members of Congress from the Pacific Northwest, which would protect our dams and preserve lower electricity rates for families in the Mid-Columbia.

Our bill requires that the dams in the Federal Columbia River Power System (FCRPS) continue to operate under a comprehensive framework called the FCRPS Biological Opinion, which was put in place during the Obama Administration, until 2022. That framework was the product of painstaking negotiations that included local stakeholders, scientists and engineers at federal agencies, states, and sovereign Northwest tribes (Confederated Tribes of the Umatilla Reservation, the Confederated Tribes and Bands of the Yakama Nation, the Confederated Tribes of the

Dan Newhouse
U.S. Cong.

Warm Springs, the Confederated Tribes of the Colvilles, the Salish-Kootenai Tribe, the Kootenai Tribe of Idaho, and the Columbia River Intertribal Fish Commission).

Yet a single judge threw out that Biological Opinion, saying it did not do enough to help salmon recovery.

In fact, according to the Public Power Council, salmon and steelhead populations in the Columbia River Basin have been improving due to a combination of ocean conditions, better fish passage survival at the dams, improvements in freshwater habitat, harvest reforms, and predator control. More than \$15 billion spent by ratepayers to support salmon recovery since the 1970s, has had meaningful results. The Bonneville Power Administration (BPA) reports that yearling Chinook salmon and steelhead smolts have a 96-99% survival rate through each of the four lower Snake River dams.

What is actually in question is whether the judge's forced spill order will aid or

hurt juvenile salmon because it would increase the levels of gases that can be dangerous enough to give young fish the "bends."

Our legislation is Congress' effort to exercise our constitutional legislative authority to override a faulty decision

by a single judge that has enormous consequences for a federal water system and the communities that depend on it.

H.R. 3144 was approved in a vote in the U.S. House of Representatives of 225 to 189, with eight Democrats joining

in support. Now that legislation would require action in the U.S. Senate to move forward, and I have been urging senators to listen to the people who live, work, and pay for electricity in the Mid-Columbia.

House approval for bipar-

tisan H.R. 3144 shows that we have harnessed strong support for dams on the Snake and Columbia Rivers, I will continue to make the case that the Mid-Columbia deserves to be heard to preserve our fish species and our dams.

Nannies headed to District 5/6 playoffs in Kittitas

PATEROS – The Nannies varsity softball team wrapped up its regular season with a pair of double-headers against Manson and Waterville-Mansfield last week, handing the Lady

Trojans a pair of losses, 14-13, and 16-1, in suffering the same treatment in turn from the Lady Shockers, 14-8, and 13-12.

Head coach John Slater liked the way his team played during their last two regular season stands. The battle against the Lady Shockers

was decided by a single run in game two.

“It came down to a little mistake,” said Slater of the 13-12 defeat. “We had them down almost the entire game, but we just ran out of innings.”

The Nannies honed their game against some tough competitions in the Cen-

tral Washington 2B league this season including No. 1 Brewster, 14-1, No. 2 Liberty Bell, 11-4, No. 3 Lake Roosevelt, 11-4, No. 4 Tonasket, 10-5, and No. 5 Waterville-Mansfield, 9-6. With only two seniors on the squad and a host of larger schools on the regular season schedule, the Nannies now face a 1B rival

that will require them to be ready for the big time.

The Nannies first opponent at Kittitas High School on Wednesday, May 2, in District 5/6 1B play is Sunnyside Christian. The Lady Knights posted a 16-2 win-loss record and stand in first place in the 1B Greater Columbia Gorge league.

“We have to bring our ‘A’ game,” admitted Slater who acknowledged that the Lady Knights will bring out the best in his team.

If the Nannies prevail in the loser-out game against Sunnyside Christian, their next stop will be a District 7 contest at Kettle Falls on Saturday, May 5.

Bears win three league games, give up two non-league outings

By MIKE MALTAIS, STAFF WRITER

BREWSTER – The Bears varsity baseball team collected three Central Washington 2B league wins and a pair of non-league losses since last Tuesday, April 24.

Brewster stopped the Tigers at Tonasket, 12-1, April 24.

“(We) got on them early and just chipped away until we had the 10-run advantage,” said head coach Todd Phillips.

Tonasket spoiled the near-shutout in the bottom of the fifth inning following back-to-back two-out walks, said Phillips. Then a Tigers batter smacked a double to score one run.

Two days after the Tonasket win the Bears were on the road for a three-plus hour, 185-mile trip to Zillah. Follow-

ing all that trouble, the South Central Athletic Conference 1A Leopards sent Brewster home with a 5-3 loss.

On the bright side, Phillips said he was “happy for the opportunities we have had this season to play good games that will help us prepare for the playoffs.”

The following day, Friday, April 27, the Bears took a tough 7-2 loss from 1A Chelan of the Caribou Trail League.

Phillips said it was the Bears’ first loss to the Goats since he has been head coach and it snapped a 17-game home win streak that Brewster was riding.

Brewster had to work out of an early hole but tied the game in the fourth inning, but Chelan rallied to seal the game in the seventh.

A doubleheader against Manson on Saturday, April 28 went all Brewster’s way with wins of 8-1 and 16-1. Logan McGuire scored Brewster’s first run in the third inning of the first game and the Bears never looked back.

Brewster “took control of this one early,” said Phillips of game two, as the 15-run margin implies.

The Bears were scheduled to host Tonasket in the final regular season game and Senior Night on Tuesday, May 1.

Photo by Mike Maltais

Brewster senior Felix Nava celebrated Senior Night last Thursday by scoring three of the Bears’ six goals against visiting Liberty Bell. Nava also scored his 100th career goal to set a record for the varsity soccer team.

Brewster teams tie up three CWB league titles

By MIKE MALTAIS, STAFF WRITER

BREWSTER – Three Bears varsity teams, boys’ baseball, girls’ softball and boys’ soccer have tied up the Central Washington 2B league championships and will be heading to post-season playoff action following final regular season games that were scheduled for May 1.

Led by last season’s CWB Most Valuable Player Felix Nava, the Bears’ varsity soccer team was undefeated 9-0 in league and 12-1-2 overall prior to Brewster’s final league game against Bridgeport, May 1.

The Lady Bears softball team was at 14-1 in league play and 18-1 overall going

into Tuesday’s game with fourth-place Tonasket. Their only loss was a one-run, 3-2 loss to Lake Roosevelt in an April 13 doubleheader. Most of Brewster’s other league rivals were defeated by double-digit margins. The Lady Bears are headed for the Paul Lauzier Athletic Complex Field in Moses Lake for the District 5 2B tournament on Saturday, May 19.

The Bears varsity baseball team was undefeated 15-0 in league play and 15-4 overall heading into their final game against Tonasket, last Tuesday, May 1. The Bears will be at Larsen Field in Moses Lake on Saturday, May 5, for their first CWB 2B post-season game.

CITY OF PATEROS, WASHINGTON

ADVERTISEMENT FOR BIDS WELL #3 PUMP STATION

Sealed bids will be received by the City of Pateros, Washington, at City Hall located at 113 Lakeshore Drive, Pateros, WA 98846 until 11:00 AM on May 17, 2018 and will then and there be opened and publicly read aloud.

The CONTRACT DOCUMENTS may be examined at the following locations:

1. City Hall, City of Pateros, 113 Lakeshore Drive, Pateros, WA 98846
2. Varela & Associates, Inc., 601 W. Mallon Ave. Suite A, Spokane, WA 99201 (509) 328-6066
3. Various plan centers - call Varela & Associates or visit www.varela-engr.com for list.

- The work generally consists of:
 - 32'x14' concrete block building with metal roof
 - 100 HP line shaft vertical turbine well pump with 1,000 gpm capacity
 - Site work and landscaping
 - Site piping and pump station piping
 - Electrical, VFD and related controls
 - Pumping system startup and testing
- Approximately 170 LF of 8" sanitary sewer main replacement
- Approximately 340 SY of 2-inch HMA over 6-inch CSTC paving and patching
- Other related items

The project is located within the City of Pateros city limits, properties and rights-of-way.

Proposals must be submitted on the forms provided in the Contract Documents. Bid bonds in an amount not less than 5% of the amount bid are to be made payable to the City of Pateros. 100% performance and payment bonds will be required from the successful bidder.

All work performed on this project will be subject to the higher of the prevailing state or federal wage rates. The City of Pateros is an equal opportunity and affirmative action employer. Small, Minority- and Women-owned firms are encouraged to submit bids.

This project is partially funded through the Washington State Community Development Block Grant program with federal funds from the U.S. Department of Housing and Urban Development and also by Washington State Legislative Direct Appropriations.

The City of Pateros reserves the right to reject any and all bids, to waive technicalities, and in its sole judgement, accept the bid which it deems is in its best interest. Additional bid acceptance and contract award provisions are specified in the Contract Documents.

Copies of the CONTRACT DOCUMENTS may be purchased at the office of Varela & Associates, Inc., here as referred to as the Issuing Agent, for \$60 per set (non-refundable, see address above). For additional information regarding this project, contact Pete Cowger at Varela & Associates, Inc., at (509) 328-6066. Published in the Quad City Herald on April 26 and May 3, 2018. #81797
