BREWSTER – Last Friday, May 26, marked the observance of National Poppy Day as the hand-fashioned, blood-red flowers began decorating lapels, button holes, rear-view mirrors and other prominent display spots.

Brewster mayor, Art Smith turned up the American Legion Columbia Post 97 headquarters late Friday morning where he purchased a poppy from three-year-old Ellie Counts, whose presentation to the mayor marked the official beginning of National Poppy Day in Brewster.

Thanks to the efforts of American, Moina Michael, who, following the close of World War I, campaigned to have the red poppy designated the national symbol or remembrance, the American Legion so adopted the flower in 1920. A year later the Legion Auxiliary did the same a year later.

The Auxiliary came up with the original idea to have disabled veterans make the poppies to raise funds to provide financial and therapeutic assistance to disabled and unemployed WWI vets. The Auxiliary paid a penny for each red memorial poppy the veterans made.

Pittman and his crew began early Monday morning installing the large memorial flags, each labeled with a veteran’s name, at Locust Grove Cemetery before departing for Pateros Cemetery at for the first of five ceremonies the group would conduct between 9 a.m. and noon.

At each location in turn, Pateros, the Bridge Street Bridge, Packwood, Monse and

# Memorial to Methow dedicated May 27

PATEROS – A large crowd gathered at Lakeshore Park last Saturday, May 27, to witness the official dedication of the city’s latest attraction, the Memorial to the Methow installation on the shore of Lake Pateros.

The new park spearheaded by former Pateros High School graduate, Chuck Borg, now of Wenatchee, took about a year from conception to completion and will serve as a permanent reminder of the valley’s early Native American culture.

Once Borg secured project approval from the Pateros Chamber of Commerce he convened a committee of like-minded volunteers and began a fundraising campaign to cover construction costs.

Native American activist,

Randy Lewis, also a graduate of Pateros High School, served as the Master of Ceremonies and entertained listeners with history-rich stories, cultural insights and song.

Lewis thanked a long list of contributors and sponsors who helped make the memorial a reality and introduced a series of guest speakers and performers.

One of those was Monse resident Arnold Cleveland who played his native flute.

Artist Smoker Marchand, who will also serve as Grand Marshall at this year’s Omak Stampede, explained the evolution of his horse-mounted spearfisherman sculpture and expressed his surprise to discover that a horse would actually stand in a river and allow someone to hang salmon from

nior-and the graduating class valedictorian, Bobbi Hall explained her senior class community project that involved creating a series of native petroglyph tiles that are now installed in the memorial’s concrete walkway.  
Methow native and Memorial Committee member, Mark Miller delivered the most emotional address about his

connection to the community and the significance of the memorial dedication for him.  
“The doors I walked through in this community, my great grandfather Sam walked through, my grandfather, Gerry walked through, my father walked through that door,” said Miller. “My children, my grandchildren are walking through that same

door in this community.”  
Miller said the occasion of the Memorial to the Methow was more proof that the cultural heritage of local native peoples will not be lost.  
Miller said that Memorial Day is the most important day of the year for his family because that is when they gather to clean graves, say prayers for ancestors and host a dinner in honor of those people.  
“It’s a weekend to honor our past, and this monument does that in an incredible way,” Miller said.  
“I thought about messages for this thing,” said Miller, “I’m a grandfather who could die tomorrow and know that my grandchildren get it. It’s not disappearing with me leaving.”

Lewis presented a custom-made, framed work of art titled “Caribou Moon” to Chuck and Nancy Borg in appreciation of the key role they played in the creation of the memorial.  
Following the dedication, guests dined on barbecued and smoked salmon fresh from the mouth of the Columbia River at Ilwaco.

The completed Memorial to the Methow features life-size sculptures, teepee, barbecue pit, petroglyph walking path, sitting logs, and native plantings, among other attractions.

# Deishi pole vault leads Shocker state track squad

By MIKE MALTAIS  
STAFF WRITER

WATERVILLE-MANSFIELD – Pole vaulter, Lexi Deishi and spring and field specialist, Hannah Hughes led a trio of Waterville-Mansfield Shocker varsity track and field girls who competed at the state track and field championships at Cheney last Thursday-Saturday, May 25-27.

Deishi, a junior, carried the

District 5/6 pole vault record of 11 feet to the state meet and finished in second place at Cheney with a vault of 10', well below her personal record.

At the league championships in Tonasket, May 10, Deishi easily outdistanced her nearest rival by two feet to win the league title. The following week at District 5/6 competition in Quincy, Deishi cleared 11 feet to set the new district mark.

At Districts, Deishi also placed fourth in the 100-meter dash and fifth in the 400M.

"She really has exemplified what it takes to be successful, hard work, motivation and a personal commitment to her event," coach Justin Grillo said.

Hughes, a Mansfield sophomore and multi-event specialist, qualified in four track and field events, where she is ranked among the top 10 in

the state, Grillo said. Those events include the 100-and 200-meter sprints, long jump and discus.

Hughes placed third at state in long jump with a leap of 16'11.25", eighth in the 100M and 10th in discus with a toss of 100'8".

"Earlier in the preliminaries, she placed eighth in the 100 meters with a time of 12.99 which qualified her for the finals," said Grillo. "She

also took 12th in the 200-meter dash preliminaries with a time of 27.62, but did not qualify for the finals."

Hughes entered the state competition ranked second in long jump, fifth in the 100M, eighth in discus, and 10th in the 200M, in the 2B division.

At earlier District 5/6 competition Hughes, a three-time district champion, won the 100M, long jump and

discus and finished second in the 200M.

"She is also a 4.0 student athlete at Mansfield High School," Grillo said.

Freshman, Sarah Mullen "made it in the triple jump which is pretty awesome for her to have the opportunity to compete at the state level," said Grillo.

Mullen placed 14th in the state triple jump finals with a distance of 30' 03".

## Lady Bears make Elite Eight at state softball championships

By MIKE MALTAIS  
STAFF WRITER

YAKIMA – The Brewster Lady Bears varsity softball team made a strong statement in the first round of state softball competition with a 13-0 win over Asotin to advance to the Elite Eight at Yakima last Friday, May 26. But the Napavine Tigers ended Brewster's shot at the championship with an 11-3 victory over the Lady Bears later that evening.

Brewster scored five runs in the first inning, one in the second, another in the third and six in the fourth to stop Asotin in four and a half innings and pitcher Yvette Sanchez fanned eight Panthers to get the win.

Napavine's strong presence

at the plate collected 19 hits off Sanchez despite a pitching performance that struck out four and gave up no walks in the course of 108 pitches.

Brewster took a one-run lead in the second inning but the Tigers quickly turned the tables with five runs of their own in the third. The Lady Bears added two more runs in the fourth inning while Napavine added two runs in the fourth, one in fifth and three in the seventh.

Napavine advanced to the championship game but lost to Pe Ell/Willapa Valley.

The Lady Bears dispatched Liberty Bell, 16-11 in the march toward third and fourth place Saturday morning, May 27. That drive was ended with a loss to Northwest Christian, Colbert, later the same afternoon in a game that could have

gone either way between two well-matched teams.

Northwest took an early two-run lead in the first inning until Brewster rallied with three runs in the second to take a 2-1 lead. The Crusaders fought back with a three-run inning in the third against two for Brewster to knot the game at five-all. Following a scoreless fourth inning for both teams, Northwest scored twice in the fifth to go up by two.

The Lady Bears gave Northwest a scare when Marlisa Garcia scored in the seventh and Cynthia Sanchez made it to scoring position at third base, but the final, tying run eluded Brewster for the loss.

The Crusaders got past Ocosta but lost to Toutle Lake in the contest for third and fourth place

# Brewster and Bridgeport send 12 athletes to Cheney

BY MIKE MALTAIS  
STAFF WRITER

**BREWSTER / BRIDGEPORT** – The Brewster Bears varsity track and field team sent four men and one woman to the state championships at Cheney last Thursday-Saturday, May 25-27.

It was the final tour for seniors Brandon Bach, Edgar Guzman, and Freddi Bastidas.

Guzman competed in both the 800-and 1600-meter distance races.

“Both of his times were either a personal record or just off his PRs,” coach Greg

Austin said.

Bach, who placed second in earlier District 5/6 competition with a throw of 151 feet, 10 inches qualified for the state finals with his last throw in the preliminary round.

“He threw his best throw of the day on his last throw in the finals to move into eighth place and a medal,” said Austin. “I am really going to miss him in the spring. He will be enlisting in the military in a few months.”

Bastidas, was competing in his first state meet in the discus event.

“Unfortunately, he did not

have his best throws and failed to reach the finals,” said Austin. “I am going to miss his work ethics at practice these past years and wish him the best.”

Junior, Ernie Nanamkin “had a very successful state meet,” said Austin, “Placing in both the events (javelin and 400M) he qualified in.”

Nanamkin threw 163’2” in the javelin, a PR by over twelve feet and finished seventh.

“Earlier in the day he ran in the finals of the 400M, placing eighth,” said Austin. “He has been so consistent all season and had a great finish.”

Freshman, Karste Wright competed in the high jump and placed sixth.

“She came into the meet with some injuries to her lower legs and ankle and did not practice all week,” said Austin. “She made some great attempts at five feet which would have been a PR for her. I expect to see her on the podium again next year.”

**Bridgeport**

Emily Saucedo, with a sixth-place finish in women’s discus, and Brevin Evenson, eighth in the men’s triple jump, led the way for the

Bridgeport varsity track and field team at the state championships in Cheney last Thursday-Saturday, May 25-27.

Saucedo threw the discus 107feet, 8 inches and Evenson leaped 40-08.75, to claim medals. Evenson also placed 18th in the high jump, clearing the bar at 5’8”.

Other Bridgeport state competitors included:

Nicanor Palacios - 10th and 13th respectively in the 300-meter hurdles (44.13 seconds) and 110M hurdles (17.43).

David Ochoa – 14th discus, 115-08; shot put, 15th, 40-08.5.

Jasmine LeDuc – 10th long jump, 16’; 15th 200M, 27.84.

Ivette Orozco – 12th discus, 99-06.

Itzel Muniz – 15th shot put, 86-04.

Lesly Velasco – 15th 300M hurdles, 51.96.

Esmeralda Garcia – 13th 400M, 1:05.52.

The Bridgeport relay team of Velasco, Garcia, LeDuc and Anayeli Trejo placed 13th in the 4x200 in 1:53.46.

Orozco, Velasco, LeDuc, and Maura Morales finished 16th in the 4x100 in 55.02.

Garcia, Velasco, Trejo and Catalina Martinez came in 14th in the 4x400 in 4:37.44.

**LEFT: Brevin Evenson finished in 18th place in the 2B High Jump after topping out at 5’8” on Friday afternoon.**

**BELOW: Nicanor Palacios competed in the boys 110m hurdles and finished with a time of 17.43, good enough for 13th place in 2B.**

**BOTTOM LEFT: Esmeralda Garcia finished in 13th place in the girls 400m with a time of 1:05.52.**

**MIDDLE LEFT: David Ochoa was another 2-event competitor as he threw in both the discus and shot put. He got 14th in discus with a final distance of 115’08” and 15th in shot put with a throw of 40’8.5”.**

Publisher's an idiot

What an ignorant “publisher” you have. I love how he blames calls impeachment discussions for “making a mockery of our election process” as if Trump didn’t already do that with his campaign tactics, personal/work BS, and Twitter activity or that

the calls for impeachment are because he won in general and not for the anti-American and unconstitutional bullshit his team did to win and continue to do or attempt daily. I get it that everyone is entitled to an opinion but come on, this is the type of clueless and

reality ignoring buffoon you honestly have pumping out your editorials? I can’t even say shame on him but rather, shame on you all for standing behind such a lacking in class character.

Lame-stream media still focused on fake news

With over 30 years in the news business it is clear to me that most journalists today do not understand their role in the traditional American system. I am not sure exactly where they went astray but they have clearly lost their way.

It is not the responsibility of the media to make or break a President or a particular political party. It is their job to accurately report on the issues of the day.

Accurate means complete. The problem often isn’t that the stories are factually inaccurate. The problem is that they are often incomplete or ripe with personal opinion and as a result convey a message that is inaccurate or leaves the listener or reader with a false impression.

For example, this last week the President was on a tour around the world to convey his message that things have changed in Washington D.C.

The President was often direct in his remarks to allies and foreign leaders but the

IN MY  
OPINION  
Bill Forhan  
Publisher

majority of the media found it important to describe his remarks as rude or out of place. But the most ridiculous reporting came when they couldn’t resist the opportunity to suggest there was growing discord between the President and First Lady because it appeared she “slapped his hand away” as they approached the plane.

Are you kidding me? Really? There were important foreign relations issues being confronted by the President and yet the media found a possible marital spat more important than reporting on the President’s message to foreign leaders.

NPR lead off their report this way, “President Trump has had, according to the White

House, a successful maiden trip outside the U.S. But the bad news is he has to come home. Back in Washington, the ongoing Russia investigations await him along with another appeals court setback for his travel ban.” A fine piece of objective journalism there.

CNN couldn’t resist describing President’s trip to Saudi Arabia this way, “Any concern about an uneasy touch-down abroad disappeared quickly. Welcomed with horse parades, draped with a gold medal and lured into a male-only sword dance, Trump had finally found a country to treat him like a king, if only for a weekend.”

It would seem that none of the national media can report on the new President without finding some way to belittle his activities or more importantly try to understand and clarify his position.

President Trump told the Muslim world that they needed to rid their countries of radical Islamic terrorists. He told our NATO allies that they needed

to start paying their bill for their own defense. It is no longer going to be acceptable for them to leave it up to the American taxpayer. And he told the leftist European leaders that he was not going to sign the Paris Climate accords. These are substantial changes in American foreign policy that need some honest and direct reporting.

Unfortunately, reporting on these issues would illustrate how horribly ignorant the media is on substantive issues. They have sold out objective reporting on issues like climate change, capitalism and civil rights in favor of multiculturalism, open borders

and pseudoscience.  
To address the issues raised by President Trump these reporters would actually have to do some serious research on how far behind our “allies” are in their debt to the American taxpayer. And, they might actually have to look into why the President is questioning the climate change hoax – oh, excuse me the consensus position that we are killing the planet. A position that the media has been promoting for decades so now they would have to admit that maybe they have been wrong?  
One thing did seem to be consistent across all of their reporting. They were upset

that Trump did not hold a press conference during his trip. But why would he? Anything he says gets twisted into some negative review of his administration.  
And the news of the Russian controversy goes on, and on. No evidence has been found. Those closest to the issue have declared there is no evidence but the sensational press just cannot let it go. They ignore real news to interview every discredited and dismissed has been bureaucrat trying to find a sound bite to keep the non-story alive.  
It’s time to turn off your TV news.
