## Manger Mall, Farmers Market debut at Pateros Chamber

By MIKE MALTAIS  
STAFF WRITER

PATEROS - Guest speakers, Kathi Fedor of Chelan Valley Hope (CVH) and Emmanuel "Manny" Hurtado of Brewster addressed members of the Pateros Chamber of Commerce at their regular monthly meeting last Thursday, May 4.

Fedor proposed that the Chamber bring the Manger Mall Christmas toy drive that has been a fixture in the Chelan-Manson community for the past nine years. Fedor said her goal is to see Manger Malls next established in the Pateros-Brewster-Bridgeport area in Okanogan County and eventually all the way to the Canadian border.

Major Mall volunteers begin purchasing and gathering new, unwrapped toys in October for distribution to families during the second Saturday in December. Registration forms in English and Spanish are distributed to schools, community service organizations and other locations where low income families can be reached.

Once the forms are returned with ages and gender of children, appointment cards are sent to the registered families advising them of the time and date to shop for toys. All items can be purchased by parents one dollar each and gifts are organized into age groups for children up to 18 years of age.

Fedor said Manger Mall served about 1,100 youngsters last year.

Corina Gebbers, sales and marketing manager for Gamble Sands is helping Fedor get Manger Mall off the ground in Brewster this year, in cooperation with the Brewster Boys and Girls Club.

"Manger Mall is kind of like

Toys for Tots," said Fedor "except it's a much more community-oriented event."

Hurtado addressed the Chamber about the new Farmers Market that he and his brother, Martin, are opening Saturday mornings on Sixth

and Main streets in downtown Brewster. Hurtado also encouraged members to spread the word that vendors are needed and welcome at the new venture. Vendor spaces cost \$10 per week for a 10 x 15-foot space with power available in some locations.

Currently vendors are prohibited from offering hot food items or second-hand articles at the market.

The Farmers Market opened for business Saturday, April 29, 8 a.m. to noon; and now Hurtado is making the rounds to ask for support.

"We need vendors and I need your help," Hurtado said. "I came here for your Arbor Day and it was full of people; you certainly know what you're doing."

## THANK YOU

Once again I find myself indebted to the greater Brewster area community. I am truly blessed and ever grateful for all your support during my recent health ordeal. For all your hugs, cards, best wishes, kind thoughts and prayers I thank you from the bottom of my recently-healed heart.

A special thanks to those of you who remembered my wife and mother - as it's actually harder on those watching over the patient than it is for those of us receiving care.

For those of you still actively participating in a prayer chain on my behalf, consider me well on my way to recovery and therefore please feel free to send your ministrations to someone more deserving or more in need.

Warmest regards,  
Dan Pariseau

### OBITUARY

#### Lola Marie Zahn

Lola Marie Zahn was born April 4, 1931 at the family home on Weston Mountain, Oregon, near Pendleton, the fifth of six children born to parents John and Inez Garner. Her favorite memories of that time were of adventures with her siblings and her dog that could always lead her home from anywhere on "the mountain". Times were hard growing up during the Great Depression and at the age of eight she was given over to a woman who ran a boarding house to wash dishes to earn her keep. The concern for having a food supply never left her and having learned hard work from an early age she would can, dry, freeze, and put away stores of food until her pantry was overflowing ever after. She enthused over memory of one of her first jobs as a car hop at an A&W drive-in. She later worked as the head bookkeeper for Carnation in Spokane where she met and married the love of her life, Bruce Zahn and together they ran Bruce Zahn Orchards Inc. for the next 57 years. They were very successful at everything they put their hands to. Lola began skiing at the Loup Loup Ski Bowl with him when the only lift was a rope tow. She became a National Ski Patrol, taught skiing and first-aid lessons and is likely most fondly remembered for her often requested chocolate sheet cake and by those she taught how to ski.

Her civic dedication was remarkable by any stan-

dards; she was a qualified EMT and volunteered on the local Bridgeport Fire and Ambulance service for numerous years (even occasionally bringing her famous chocolate cake to meetings). She was recognized by the Douglas County Elections Board for her 42 years of service overseeing the voting in Bridgeport.

Her friends will recall a remarkably excellent Bridge player who hosted and played all up and down the valley from Bridgeport to Twisp. She was a member of the Garden Club and predictably, The Red Hats Club.

Lola and Bruce shared many adventures in life, camping, travels to the beaches of Hawaii, Tahiti, and The Grenadines, honeymooning in Mexico, skiing in Canada, business trips to Japan, China, and vacations in Australia and New Zealand, always enjoying the local cuisine, culture and peoples they met, preferring to be led by a local to local cuisine and celebrations over the typical tourist attractions.

Her primary interest was her devotion to family. She

dedicated her life to making the lives of everyone around her better in every way. Lola and Bruce always freely gave of their love and attention, their advice and their financial support without reserve or restraint to all family members in order to advance their education, their living situations, their health and their happiness with never a concern for the cost to their selves.

The matriarch of the clan Zahn, Lola, is survived by her son, Brian, his S/O Stacy Roberts; son Tracy and his wife Terri; grandson Brison; granddaughters Jessica and her husband Dusty Jones; Melanie and her husband Mike Johanns; Lolly and her husband Jerry Brown; Darby and her husband Greg Jones; great-granddaughters: Katie and her husband Kyle Sarvela, Kylie and her soon to be husband Chris Stein, Jill Jones, Bridget and Kate Jones, and Presley Avenell, great-grandsons Xavier Zahn and Eric Im, a great-great granddaughter Bellamy Sarvela, and a great-great grandson Dustin Stein. And a special fuzzy loyal companion, Queen Jo.

Lola's family takes comfort believing such a life of clear demonstration of Christian values warrants her name recorded in the Book of Life forevermore.

A service led by Pastor Sam Buckingham is planned Thursday, May 11, at 11 a.m. at Beaver Creek Cemetery, Twisp.

Please leave your thoughts and memories for the family at [www.barneschapel.com](http://www.barneschapel.com). Services are under the direction of Barnes Chapel, Brewster.

#### James Michael Lovaas

James Michael Lovaas, born February 14, 1945, in California, passed away at home on May 1, 2017.

Jim grew up in Pateros, Wash., where he attended Pateros High School graduating in 1963. After high school, he joined the National Guard and served for six years. Upon his return, Jim worked for Northwest Wholesale, in Brewster, as a truck driver and warehouseman for several years. He later found his passion in the construction industry, and was proud to have worked on the Chief

Joseph Dam project. He was a member of the Fraternal Order of Eagles in Bridgeport, and the American Legion Post 0097 in Brewster.

In retirement, Jim enjoyed playing pool and attending his grandchildren's sporting

events, He was a true collector of memorabilia and antiques, but mostly he collected friends wherever he went.

He was preceded in death by his father and mother, Harold and Evelyn Lovaas. He is survived by his sister, Jeanette Greedy-Clements, his sons, James Michael Lovaas, Jr. and Terry Tisdale Lovaas, and daughter, Tasha Tisdale. Graveside services will be held at 11 a.m., Saturday, May 13, at Pateros Cemetery. A reception and luncheon will follow at the American Legion, in Brewster, Wash.

Please leave your thoughts and memories for the family at [www.barneschapel.com](http://www.barneschapel.com). Services are under the direction of Barnes Chapel, Brewster.

The Bridgeport girls scored 138.5 points and the boys 113 points to lead their respective divisions in a field that included three 1A schools from the Caribou Trail League – Chelan, Cashmere, and Omak. Other schools included Brewster, Almira-Coulee-Hartline, Entiat, Lake Roosevelt, Liberty Bell, Manson, Oroville, Soap Lake, Upper Valley Christian, Wilson Creek, and Waterville.

The best performance of the day, however, belonged to Hannah Hughes, a Mansfield High School sophomore competing on the Waterville Shockers team. Hughes finished first in the women's 100 meters with a time of 13.13

seconds to lead the 20-runner sprint.

Hughes also excelled in field events, winning the discus with the best throw among 31 competitors with a distance of 106 feet, 1 inch, almost two feet beyond second place.

The Lady Shocker then leaped a winning 16'7" in the long jump, seven inches further than second place.

As a team, the Waterville girls finished fifth with 61.8 points.

The closest team grouping in one event was the women's discus, where Bridgeport throwers finished in second, third, fourth, sixth, seventh and ninth spots.

Top finishers among the Bridgeport, Brewster and Waterville teams included:

# Mustangs avenge earlier loss with 14-13 win over Hornets

By MIKE MALTAIS  
STAFF WRITER

BRIDGEPORT – Revenge was sweet for the Mustangs varsity baseball team as they held on to a one-run lead to defeat Oroville in a final home stand last Tuesday, May 2. The Bridgeport win evened the season record 1-1 against the Hornets who handed the Mustangs an 11-7 loss last April 25.

The Senior Night home finale gave an upbeat sendoff to Bridgeport seniors Tano Martinez, Isai Acevado and Zackary Gonzalez who suited up for the last time in Mustangs orange and black. Bridgeport closed its regular season with a 3-13 North Central Washington 2B League record on the strength of a doubleheader win over Lake Roosevelt in addition to last week's Oroville victory.

The Mustangs struggled through the regular season with a roster heavy with eighth graders and freshman who made up 17 of the team's 22 players. If Andrew Gaines plays next season, he will be Bridgeport's only returning senior. Manny Flores will be the only returning junior, so the Mustangs will still have a young, but more experienced lineup of veterans.

Senior Tano Martinez takes one of his last swings as a Mustang varsity baseball player during Bridgeport final season home game against Oroville.

# Billygoats bedevil Manson in final inning 6-5 home win

By MIKE MALTAIS  
STAFF WRITER

PATEROS – It could not have been a better ending for the Pateros varsity baseball team against Manson last Tuesday, May 2.

Not only did the Billygoats avenge an earlier 9-3 loss to the Trojans at Manson, they won the game by one run in the bottom of the seventh inning – and on Senior Night on top of that.

After trailing through six innings, Manson came from behind to score two runs in the top of the seventh to knot the game 5-5. Manson pitcher, Zach Serafini had the Billygoats on the ropes with two outs and the bases loaded when Pateros hitter, Jeremy Piechalski stepped to the plate.

Piechalski hit a solid ground ball between second and third base. Trojan third baseman Parker Schoenwald made a heads-up diving catch to keep the ball from entering the outfield but was unable to

regain his feet in time to throw Piechalski out at first as the winning Pateros run crossed home plate.

Piechalski hit 2-4 on the day with a double. Teammate Logan Robinson was 2-3 at the plate also with a double.

Robinson pitched six innings, struck out six and allowed six hits. Dakota Poole pitched the final inning and gave up one walk and one hit.

Bo Charlton started on the mound for Manson and threw 46 pitches in two innings with two strike-outs, two hits, four runs and two walks.

Serafini took over for the remaining 4-2/3 innings, with seven strike-outs, five hits, two runs and four walks on 74 pitches.

The Trojans out hit Pateros 10-7 but “committed four costly errors,” said coach Bill Thompson. Avery Thompson was a perfect 4-4 with two doubles and Marcus Bernardo had two runs batted-in (RBI). Charlton, Serafini, Jose Pascaio and Caleb Rossell also had

hits for Manson.

“The Trojans...were eying the short porch in right field where ground rules dictated doubles are the call over the short wall,” said Thompson. “Rossell had the hardest hit ball on the night with a rocket shot for a ground-rule double.”

The Billygoats honored the only senior on the team, Dakota Poole, who played his last home game for Pateros.

Pateros will play Sunnyside Christian in a loser-out game in the first round of District competition at Kittitas at 11 a.m. Saturday, May 13.

“We played them two years ago,” VanLith recalled.

At the same time, Riverside Christian will play Moses Lake Christian on an adjacent field.

If the Billygoats win, they will play the winner of Riverside-Moses Lake. A second win will move Pateros on to Regional play.

# Fillies end softball season with 19-1 loss to Oroville

By MIKE MALTAIS  
STAFF WRITER

BRIDGEPORT – An occasion for celebration was no help for the Fillies last Tuesday, May 2, as the visiting Oroville Hornets stung Senior Night festivities with a 19-1 win over Bridgeport in its final game of the season.

The sixth-place Hornets, with an 8-10 record in the North Central Washington 2B League, staged a performance similar to their earlier 16-1 win over the Fillies on April 25.

Bridgeport closed its season with a 3-15 league and overall record, just a notch above last-place and winless Manson in the NCW2B. The Fillies' only

wins this season were against Soap Lake and a doubleheader over the Lady Trojans.

It was the final game in a Fillies' uniform for pitcher, Shaylee Polvos and second baseman, Annabella Valdovinos who were honored in Senior Night ceremonies before the game.

Senior Shaylee Polvos makes solid contact in her last home game against Oroville.

# Dismantling Obamacare a tough fight

The Republicans have finally introduced a bill to replace the un-Affordable Care Act. It is far from perfect and what ultimately gets passed will undoubtedly be substantially modified.

Here is a brief summary of the provisions of the bill passed by the House:

**IN MY OPINION**  
Bill Forhan  
Publisher

It eliminates the tax penalty for not having health insurance.

People will no longer be required to buy their insurance through the marketplaces created by Obamacare.

It replaces the income based tax credits with age based tax credits.

It converts Medicaid from an entitlement program to a program that gives grants to the states to administer as the states see fit.

It allows states to apply for waivers that will allow states to opt out of much of the regulations and "consumer protections" that were included in

Obamacare.

Both the Congressional Budget Office and The Kaiser Family Foundation have declared the plan will cost older Americans more than it will younger Americans. Since the current rates for Obamacare are exploding all over the country it is hard to judge exactly how anyone can afford to continue to pay for insurance coverage.

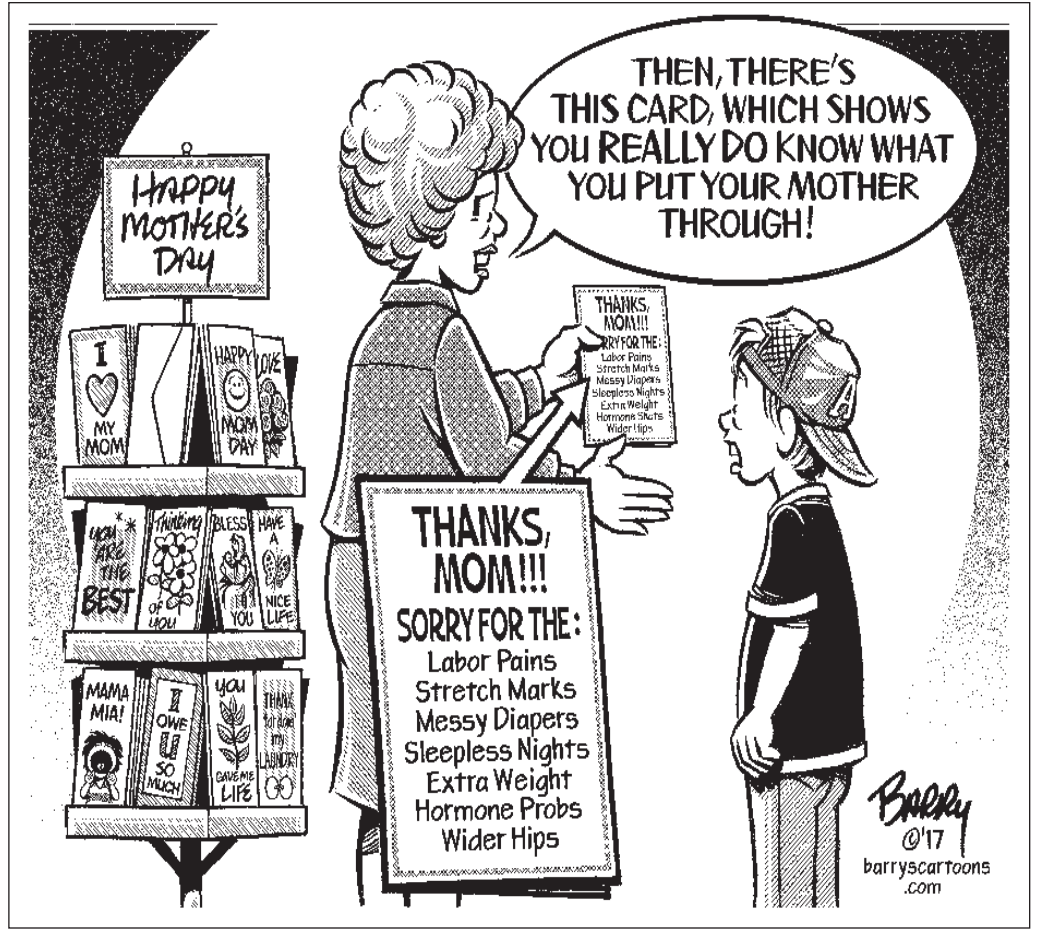

The Kaiser Family Foundation has produced a cost comparison chart on the impact of the plan for every county across the country. According to Kaiser a 40 year old making \$30,000 per year ad living in

Chelan, Douglas or Okanogan County could expect the net cost of health insurance will decrease by 86 percent.

Political promises and government estimates often come out differently. Obama promised every family could save \$2,500 per year with his plan.

Unfortunately, this is more like Obamacare-lite. While it addresses some of the issues of Obamacare, it fails miserably in fixing any of the real problems of escalating medical costs. For example, it does nothing about the impact of frivolous lawsuits. Nor does it address the issue of medical savings accounts and other alternatives to providing for your health care.

So we are still on the path to socialized medicine. What we should know is that socialism doesn't work. It has never worked; just look at the most recent example - Venezuela.
