High school hosts multi-agency training exercise

BREWSTER – Law enforcement, EMS, and emergency response teams conducted a Multi-Agency Training Exercise (MATE) at Brewster High School early Monday morning, March 27.

The monitored exercise was designed to assess the readiness and reactions of first-responders. Street accesses to BHS were blocked, checkpoints established, and a lockdown imposed on all unauthorized personnel. Those restrictions extended to a member of the news media - requested to participate in

the same manner a real-life incident would predict – to test interactions with news representatives and access to designated sources.

The MATE was organized by Brewster Police Chief, Nattalie Cariker, and included law enforcement from Okanogan, Douglas and Chelan counties, Washington State Patrol, responders from Fire District 15, local EMS, WADOT, Three Rivers Hospital, Brewster public works and school staff volunteers. Administrators from the Brewster and Pateros school districts observed

the exercise and Okanogan County Emergency Manager, Maurice Goodall, served as an adviser.

Cariker said other jurisdictions around the nation have conducted similar intruder training. The chief said she decided to schedule a MATE at Brewster following an earlier training exercise held at BHS last year.

Monitors, both from local responder teams and from outside the area, were on hand to observe and evaluate every

Body found in Okanogan River south of Malott

OKANOGAN – A body recovered from the waters of the Okanogan River on March 16 is undergoing forensic examination to determine if the remains are those of a young Malott man who was reported missing last Dec. 14.

Two boaters discovered the body near an area called Rattlesnake Point, 2.5 miles south of the town of Malott on Old Highway 97.

Okanogan County coroner, Dave Rodriguez said personnel from the Okanogan County Sheriff's office and coroner's office "responded and removed the body" from the river.

"An identification exam and autopsy were completed on March 21, at the King County Medical Examiner's office," reported Rodriguez. "Positive identification and cause and manner of death were not achieved during the exam due to the advanced stage of decomposition."

Rodriguez said the family of Marcos Aguilar-Cendajas, who has not been seen since his disappearance in mid-December, "has been notified and briefed on any developments regarding this situation."

The coroner's office is now conducting DNA analysis as the next step in determining a positive identification of the recovered remains.

One of the last people to see Aguilar-Cendajas, 26, on the day he was reported missing, was Malott store owner, Catrena Lyon, who said she answered the young man's inquiries about bus service to Okanogan and watched him board the Trango Transit. Lyon said she learned later that Aguilar-Cendajas was seen crossing a river bridge leading out of Okanogan.

BRIDGEPORT – The school district was on the receiving end of an unexpected but welcome gift from the Douglas County Commissioners earlier this month.

The commissioners presented the Bridgeport School District with 35 Dell computers as part of a dispersal of surplus inventory.

Commissioners Steve Jenkins (District Three), Dan Sutton (District One), and Kyle Steinburg (District Two) delivered the computers on March 14.

"When Douglas County Commissioner Steve Jenkins contacted us, yes, it was a welcome surprise," said BHS superintendent, Scott Sattler. "We are very thankful for the donation and the computers will be put good use."

The commissioners elected to donate the computers to schools where they can be put to good use, Sattler said. The school plans to program the donated units and integrate them into classes this fall.

"Bridgeport School District will utilize the computers in a high school classroom that focuses on foreign language learning.

Pateros City Council addresses a busy agenda

By MIKE MALTAIS

PATEROS – With a full agenda typical of a Pateros City Council meeting, members passed five of six resolutions and heard updates on city projects ranging from the new Memorial to the Methow and Ives Landing Park expansion to sewer, water and street issues last Monday, March 20.

Council approved a request from property owner Steve

Varrelman for a variance on setbacks at 128 W. Warren Avenue.

- Council also approved:
- A Time Study Policy for city employees as recommended by the state auditor.
 - A Light Meal and Refreshment Policy, also recommended by the state auditor.
 - A Fuel Card Policy for fuels cards used by the Volunteer Fire Department.
 - Estimated costs to draft the Community Development Block Grant (CDBG) for the

Pedersen Road Neighborhood Project.

Council also approved tent camping in Memorial Park and the Winter Boat Launch for the Hydros event on August 11-13, and accepted the proposed cost of \$6,802.60 for Erlandsen & Associates to survey that portion of Warren Avenue being returned to the city by Douglas Co. PUD.

Signs and sculptures have been ordered for the Memorial to the Methow installation in Lakeshore Park. The locations

for the teepee, oven and camp have been adjusted to be more "event-friendly," city administrator, Jord Wilson said.

Wilson said Rob Crandall, owner of Methow Natives, has offered to donate plants for the memorial grounds. Plans call for plant placement during Arbor Day celebrations, April 28.

Wilson also met with representatives of Varela & Associates of Spokane to reduce cost

Three Rivers Hospital was

also on temporary lockdown to allow medical staff to tend to the mock casualties transported by EMTs from the school to the hospital.

"We wanted to make this as realistic as possible," Goodall said.

One goal of the MATE is to improve the response, turnaround and resolution results so that funding can be acquired to expand MATE to other school districts.

Charlene Florence Linzy

Charlene Florence Linzy (nee Johnson), passed away on March 23, 2017 at Providence St. Peter Hospital in Olympia, Wash. Her son, Rob, and daughters, Joanne and Kristen, many family members, and friends were present.

Charlene was a loving mother and like a second mother to many. She was a cherished grandma to several grandchildren, related and not related. She enjoyed the last years of her life with her beau, Ron, and their dog, Charlie.

Besides being an amazing hairstylist, Charlene was a master gardener, crafter-seamstress, canner extraordinaire, listener, encourager, and fisherman! Her quiet faith in Jesus was her strength and best gift given to her children.

The family will receive friends from 5-7 p.m. at Precht Rose Chapel, 332 E. Woodin Ave., Chelan, Wash., 98816 on April 7, 2017.

A memorial service will be held at Lake Chelan Lutheran Church on April 8, 2017 at 10 a.m. followed by a graveside gathering at Sullivan Cemetery in Winthrop, Wash. All are welcome to attend and celebrate Charlene's life.

Please feel free to leave any memories and condolences for the family at www.prechtrose.com. Services are entrusted to Precht Rose Chapel of Chelan.

Judy Marie Hook

01/17/45 -03/14/17

It is with sad hearts that we tell that our mother, Judy Marie Hook passed away at her home in Brewster on March 14, 2017.

Judy Marie Hook was born January 17, 1945 in Spokane, Wash to Marie Vera Ingraham and James Stroud.

Judy lived in the Spokane area before moving to North Bend in 1950. She attended Mount Si High School where she met the man who would later become her husband, Thomas Hook. They were married in 1962 in North Bend, Wash. They had three children; Steven, Kelly and Wendy. Tom and Judy lived in Whidbey Island, Wash. while Tom was in the Navy. In 1963 they had their first child, Steven. In 1964 once Tom was out of the Navy, they moved to Bainbridge Island for about one year. In 1965 they moved to the Skagit Valley; specifically Diablo and Nehalem. In 1966 they had their middle child, Kelly.

In 1967 they moved to Madeline Falls for a year before returning to Diablo. In 1969 Judy and Tom had their third and final child, Wendy. They

lived in the Diablo-Nehalem area where Tom worked for Seattle City Light until moving to Pateros in 1974. While Tom with Douglas County PUD at Wells Dam, Judy went to work in the packing sheds in Pateros and the Pateros IGA grocery store. She then worked for many years at the Brewster Drug store.

Once they were empty nesters, Tom and Judy decided to go their separate ways and in the fall of 1999, Judy moved to Arizona. She lived in Lake Havasu City and was there for nearly five years. Judy was a people person who always enjoyed entertaining guests

and spending time with her friends.

In 2004 she moved to Pasco, Wash. where she was much closer to her mother, children and grandchildren.

During their children's school years, Judy was very active in the kid's interests and activities. Judy instilled manners, ethics, courage and a strong family unity within her children. She was always the one to host Christmas dinners with family, friends or whoever passed by her home. Her love for the holidays was precious. In her younger years she enjoyed being on the water in the summer or backpacking in the mountains but be assured; family was always nearby and always put first. Whether she was called Judy, mom, Gram or Mema she was always a huge supporter of her family. She had a contagious smile that would always lighten up any room and a laugh that warmed hearts around her.

When her mother Marie moved to Brewster in 2010, Judy moved next door to be closer to her. They were inseparable until Marie passed in 2012. Judy lived her last years

in Brewster. She continued to visit with her children, grandchildren and their families. She passed her time by reading her favorite books, cook books, baking and crocheting blankets, throws and whatever she could knit.

Judy was preceded in death by her mother, father, step-father, one grandson and one nephew.

She is survived by her brother Ben Wells of Hawaii, ex-husband Tom Hook, her three children; Steven Hook and his wife Nattalie of Pasco, Wash., Kelly Hook and his wife Nicole of Brewster and daughter Wendy Hernandez and her husband Alejandro. Her five grandchildren, one niece and numerous cousins, aunts and uncles. Her children will dearly miss her smile and tender heart.

A private grave side service with family will take place April 1, 2017 at St. Mary Presentation Catholic Church and Cemetery in Deer Park, Wash.

Please leave any thoughts and memories for the family at www.barneschapel.com. Barnes Chapel is entrusted with the arrangements.

Marilyn Lucille Bengé

December 16, 1939 - March 13, 2017

Mom passed after her long, hard fought battle to pancreatic cancer. She joins her husband of 58 years Jim, who recently lost his battle with cancer as well, in Jesus's arms.

Mom was born to A.J. and Lucille Heath in Emmett, Idaho. She married her high school sweetheart, Jim, in Emmett on November 15, 1958. They lived in Emmett, Anderson Ranch, and Mountain Home, Idaho. For a brief period, they lived in Redding, Calif. They moved to Brewster, Wash. in 1977 and lived there until 2011, after which they moved to Davenport, Wash.

Mom has been a hard worker her entire life. She was the fastest cherry picker in her uncle's orchard. In Emmett, she worked at the local cannery, at Bork Motor, and as a hygienist. In Brewster, she worked at the Quad City Herald and the school district. If she met you, she wanted to talk and get to know you and all of us kids would soon be aware of a new friend in her life.

She had a great vision for remodeling, which Jim and she did frequently. She was very creative and repurposed everything she could. She lived by the saying "Waste not, want not". Every holiday it was a joy to see the house decorated, the smell of all the great things she was cooking in the kitchen, and open arms to anyone who came to the house. She always had special things for her granddaughters to enjoy - a special tea party, dolls, trains set up, flowers to plant, vegetables to pick, or a special road trip in the camper.

Mom loved collecting and reading cookbooks, embroidering napkins on each holi-

day for her grandchildren, digging in the dirt planting and gardening, and checking out her "trap line" aka the thrift stores, and yard sales. Mom was a member of Job's Daughters and was the honored queen in her youth. She was always full of energy and never stayed still. She kept an immaculate house. Mom loved all her family and kept us all together by spreading the news and details of our lives.

Marilyn was preceded in death by her parents, her sister Peggy, and nephew Jimmy. Her mom and sister also both were taken by cancer.

Marilyn is survived by her three children; Rick (Paula), Scott (aka Woody), and Marci (Rob); her grandchildren Olivia, Megan, Grace, Sydney, and Audrey; and her great-grandchild Cole and foster great-grandchild Marie and her very special brother Carl. Her generosity, kindness, loving and caring attitude, and strength will be missed.

We love you mom.

A joint service for both Mom and Dad will be planned at a later date.

Please sign the online guestbook at www.strateruneralhome.com. Strate Funeral Home, Davenport, Wash. is caring for the Bengé family.

Lady Bears lose to Cashmere by a run, 7-6

By MIKE MALTAIS
STAFF WRITER

BREWSTER – Following an easy season-opening doubleheader against Oroville on March 18, the Lady Bears got a workout from a well-matched roster of Cashmere Bulldogs that came to town last Saturday, March 25.

In a game that featured good pitching, fielding and hitting from both teams and could have gone either way, Cashmere edged by Brewster, 7-6, in the final inning to claim the win.

Scheduled games at Bridgeport, March 21, and a doubleheader with Soap Lake at home last Saturday

were both postponed due to unfavorable field conditions, coach Rick Miller said.

The Lady Bears were scheduled to host Bridgeport in a doubleheader last Tuesday, March 28.

“Soap Lake has not been re-scheduled yet,” Miller said.

Fillies draw league's toughest teams in softball openers

By MIKE MALTAIS
STAFF WRITER

BRIDGEPORT – The Fillies varsity softball team drew the tough hand of facing two of the North Central Washington 2B League's best teams in Liberty Bell and Lake Roosevelt in its season openers earlier this month. And the Bridgeport girls

would have faced a third, Brewster, had not a cancellation pushed that game back.

As it was, the Fillies took a 23-1 loss against the Mountain Lions playing on Brewster's diamond, March 18, and dropped both ends of a doubleheader to the Raiders, 20-0 and 21-1, at home last Saturday, March 25.

Aside from six return-

ing veterans, the Fillies are heavy with young players this season with seven freshmen and eight eighth graders to fill out team positions.

Bridgeport was scheduled to play the Lady Bears at Brewster on Tuesday, March 28, and will travel to Soap Lake for a doubleheader against the Eagles on Saturday, April 1.

Above: Bridgeport left fielder, Elia Asilo fields a Raiders' hit during last Saturday's home doubleheader against Lake Roosevelt.

Top Left: Bridgeport's Anabella Valdovinos beats the throw to Liberty Bell's third baseman during the fillies' opening season loss to the Mountain Lions at Brewster last March 18.

Baseball forfeits even Mustangs' record at 2-2

By MIKE MALTAIS
STAFF WRITER

BRIDGEPORT – The Mustangs got two wins the easy way, though not the way they preferred, last Saturday, March 25, when Lake Roosevelt was forced to forfeit a doubleheader league baseball game they were scheduled to play on Mustang Field.

A week earlier, Bridgeport opened its season at Brewster with a 27-0 loss against a strong Liberty Bell team that brought with it some strong pitching and

powerful hitters.

Behind Liberty Bell the equally strong Brewster Bears handed Bridgeport its second road loss, 12-0, on Tuesday, March 21, adding to the Mustangs' anticipation to even things up with a pair of wins against the Raiders at home.

But it wasn't to be. "Lake Roosevelt had to forfeit, so we got the two victories," said new coach Jesse Macy, who added: "Not the way we wanted to earn them."

With only five players

above the sophomore grade level, the Mustangs' roster is packed with eager young players including five freshmen and 11 eighth graders. It's a great opportunity for the pre-fresh set who will get an extra season of valuable experience and make Bridgeport a power to reckon with in a few years.

Bridgeport was scheduled to meet the Bears again at Brewster on Tuesday, March 28. The Mustangs will host Soap Lake for their first doubleheader starting at 11 a.m. next Saturday, April 1.

Hughes leads Shockers track at Ray Hughes Invitational

By MIKE MALTAIS
STAFF WRITER

EPHRATA – Waterville-Mansfield's varsity track sprinter Hannah Hughes turned in the best finish for the Shockers' boys and girls track team at the 38-team Ray Cross Invitational held at Ephrata High School last Saturday, March 25.

Hughes placed 10th in long jump and 11th in the 100-meter dash and 12th in discus

in a field that included 27 schools ranked at 1A or larger. Hughes finished among the top 11 among 67 sprinters with a time of 13.74 seconds in the 100M and 10th among 55 jumpers with a leap of 15-feet, three inches. Her discus distance of 92'1" was only bested by 2B Bridgeport's Emily Saucedo who placed ninth.

Lexi Deishl finished 22nd in the 400 meters and 23rd in long jump.

Among the Shocker boys, Kayden Browning placed 21st in the 110M hurdles with a time of 19.57 seconds. Browning also had a 25th place time in the 300M hurdles and was 31st in high jump.

As teams, the Soap Lake girls, with nine points, and Liberty Bell with 6, were the only 2B girls to finish ahead of Waterville-Mansfield.

Nest up for the Shockers is the Ephrata JV Invite on Tuesday, April 11.

Fillies hop, run & dash in Ephrata

By MIKE MALTAIS
STAFF WRITER

EPHRATA – The Bridgeport High School varsity track and field team competed against some giant programs at the 38-school Ray Cross Invitational at Ephrata High School last Saturday, March 25.

Nicanor Palacios and Emily Saucedo were the only two Bridgeport athletes to make top-10 finishes where nearly 75 percent of the teams were from 1A schools or larger.

Palacios finished sixth in the 300-meter hurdles among a field of 38 runners. Palacios' time of 45.37 seconds was just

beyond three seconds of the winning time of 42.20 posted by a Richland sprinter. Palacios also had a 18th place 110M hurdles in 19.27 seconds.

Saucedo threw the discus 94-feet, 10-inches for ninth place. She also threw the shot 28-11.75 feet for 19th place.

The Fillies relay teams made their mark with 13th place finishes in both the 4x100 and 4x200 relays. Ivette Orozco, Lesly Velasco, Samantha Martinez, and Jasmine LeDuc ran the 4x100 in 57.27 seconds. LeDuc and Velasco then teamed up with Karina Craig and Anayeli Trejo to clock a 4x200 time of

2:04.76.

The Fillies' 4x400 relay team of Trejo, Catalina Martinez, Yojaira Velazquez and Jennifer Gomez placed 18th in a time of 5:14.66.

Edgar Alcantara was consistent in both the 1,600M and 3,200M with 16th place finishes in both in 4:59.44 and 10:51.47 respectively.

Ronaldo Ubaldo finished the 110M hurdles a step ahead of teammate Palacios with a 17th place time of 18.90 seconds.

Bridgeport will host Brewster, Soap Lake, and Omak in a four-school showdown starting at 4 p.m. Thursday, March 30.

Mustangs capture first league soccer game from Liberty Bell

By MIKE MALTAIS
STAFF WRITER

BRIDGEPORT – The Mustangs varsity soccer team won when it counted with a 3-1 victory over Liberty Bell on their home pitch last Thursday, March 23.

Bridgeport took the early lead with scores that came close together in the first half of play.

Mustangs' junior forward, Keven Cervantes scored in the 12th minute off an assist from sophomore forward Ramiro Espino to put Bridgeport up 1-0.

Two minutes later Bridgeport scored again when another Ramiro assist set up junior defender Hugo Santana for a second goal in the 14th minute.

Liberty Bell managed to get on the board in the 66th minute for its only score of the game. The Mountain Lions got 10 shots on goal but Mustangs' sophomore goalkeeper Edgar Meza saved four of those and freshman GK Carlos Ruiz stopped one. Bridgeport got 14 shots on goal.

"It was a good win for our first league game," said coach Gabe Gonzalez.

"We still need to work on some things," Gonzalez said of his team's on-field performance, "but they are learning and improving daily."

Manson wins

The Manson Trojans brought a limited bench to Bridgeport for a non-league game, Saturday, March 25, but still managed to pull off a 2-0 win over the Mustangs.

Manson's GK, Serafin Chavez, blocked some good Bridgeport shots on goal to keep the game scoreless through the first half.

The Trojans stepped up the pressure in the second half and scored their first goal with about 20 minutes remaining in the game. Manson continued to press and scored again off a corner kick with 10 minutes left to seal the win.

Bridgeport was scheduled to play at Tonasket, Tuesday, March 28.

Manson will be back at

Bridgeport on Thursday, March 30, for a league match starting at 4:30 p.m. The Mustangs will host Okanogan for a non-league doubleheader starting at 11 a.m. Saturday, April 1.

Highly Capable Program
March 20, 2017

Cascade School District is committed to identifying and providing for the unique educational needs of all of our students. At this time, the district is soliciting nominations from parents, school staff, and community members for students that are believed to have a high capacity to learn quickly, deeply, and/or broadly, so that we can better provide an individualized educational service to each of our students. Students nominated through this process will be considered for enrollment in the district's highly capable program based upon screening and assessment with the permission of their parent/ guardian.

Definition of highly capable students means those students who: Perform or show potential for performing at significantly advanced academic levels when compared with others of their age, experiences, or environments.

(1) Capacity to learn with unusual depth of understanding, to retain what has been learned, and to transfer learning to new situations;

(2) Capacity and willingness to deal with increasing levels of abstraction and complexity earlier than their chronological peers;

(3) Creative ability to make unusual connections among ideas and concepts;

(4) Ability to learn quickly in their area(s) of intellectual strength; and

(5) Capacity for intense concentration and/ or focus.

Nomination forms can be obtained from the Cascade School District website (www.cascadesd.org under Programs and Highly Capable) and in school offices. In order to be considered for identification for the coming school year, nomination forms should be returned to Mike Janski, Highly Capable Director, at Icicle River Middle School by **April 19, 2017 either by dropping them by the middle school, by email (mjanski@cascaresd.org) or by mail; 10195 Titus Rd., Leavenworth, WA 98826.**

Alligators still winning the battle in D.C.

So in his first effort to drain the swamp, the swamp wins. President Trump has decided to let Obamacare explode. Couldn't get the votes needed to pass a bill to repeal it so he agreed to pull the bill.

The first problem with that is nobody actually had to go on the record as voting for or against the bill. That is one of the biggest problems with the swamp in Washington, D.C. The cowards we elected always get to argue both sides of the issue but when they actually have to go on the record and vote they avoid accountability by withdrawing the legislation.

In either case the legislation fails but we don't really

IN MY OPINION

know how our representative would have voted. We are left with the question, were they really serious or just acting out a sham?

They can go home and continue to be ambiguous in discussing difficult issues. They can go home and blame it on some other unnamed member or members of the other party who didn't have to go against their party leadership when put to the

test.

Trump's mistake here was to give into Speaker Paul Ryan when Ryan claimed he didn't have the votes. He probably didn't have the votes but would it have been different if the individual members had to go on the record and vote against repeal? After eight years of promising to repeal Obamacare the Republicans failed again to live up to the promise they made to voters.

Once again the Washington establishment wins and the American people lose.

Trump is right. Obamacare will collapse. It has already failed to meet the promise of affordable care for all. Insurance companies are withdrawing from Obama-

care and premiums are rising at unsustainable rates.

Republicans have been running on the promise to repeal Obamacare. They have not run on the promise to replace it with their own version of socialized medicine. Supposedly, that is why conservatives wouldn't support their bill.

Many say they can't just repeal it because too many Americans would be left with no coverage. But guess what, with the deductibles and co-pays in these plans Americans have no real coverage now. And the mandates for employers to provide coverage are causing many Americans to be underemployed as employers limit hours to avoid having

to buy the insurance for their "full time" employees.

President Trump said Democrats now own Obamacare. The truth is they always owned it. Only one Republican voted for it originally.

Failing to repeal it once again indicates that many establishment Republicans are privately in support of Obamacare. It is true they voted numerous times during the Obama administration to repeal it. Those votes were truly specious since they knew that even if they got it through the Senate Obama would veto it. So failing to vote to repeal it once again shows their complicity in retaining this failed legislation.

Forcing members of the House to vote on the bill would make it clear if they were simply voting the party line or if they were opposed on principle. It is easy for representatives from either party to tell party leaders they would support the party line. But when forced to go on the record publicly, especially if they are facing a potentially close fight in their next election, they may vote differently.

Before Obamacare does any more damage, Trump needs to force a vote to repeal it. That is what he promised he would do.

Let's find out which alligators, Republican or Democrat, support this disastrous bill.
