ENHANCING TODAY'S

2023 Ambassadors

Jorja Davenport

Hi! I'm Jorja Davenport. I am one of the two 2023 Chelan County Fair ambassadors! I am 16 years old. I will be a junior at Wenatchee High School for the 2023-2024 school year. I have been involved in FFA for two years now and have been involved in many CDE and CTE competitions, such as livestock judging, apple judging, horse judging and agricultural mechanics.

I was in 4-H for a year and have been in WAHSET (Washington High School Equestrian Team) for two years. I've had lots of experience and fun memories around animals. I can't wait to share the Chelan County Fair experience with everyone!

Karyln Kocher

Hi! I'm Karyln Kocher. I am 16 years old and an incoming senior at Cascade High School. I have been showing at the Chelan County fair for 13 years in 4-H. I have shown poultry, rabbits, goats, swine and sheep. I have also entered many still-life projects throughout the years I have attended.

I am so excited for this year, as I have the honor being a Chelan County Fair Ambassador with my co-ambassador Jorja Davenport. I have had so many amazing experiences at the fair and can't wait to share the amazing fair experience with everyone!

2023 Volunteer of the Year

Marcia Miller

Marcia Miller

Marcia's first experiences with fairs were when she was growing up, entering items into the Waterville fair and working at the fair with her grandmother at the Wheat Wives booth. Marcia then participated for numerous years, helping her grandmother at the fair. Over the years, she has been involved in various community organizations and volunteered much of her time.

Marcia has been involved with Relay for Life for six years, dedicating time and energy to the events in our community. After all of that, she said yes when asked to join the Wenatchee Central Lions back in 2010, which has given her another avenue to be involved in the community. In 2015, Marcia stepped up as secretary, a role she continues to fill today. She has participated in numerous volunteer activities in the Lions.

In 2010, she started volunteering at the Chelan County Fair by selling and taking tickets. After a few years of selling and taking tickets she became a team captain for certain days during the fair. Now she does the scheduling and is the captain for the fair, working numerous shifts and most every fair day. This is one of her favorite events that she participates in as a Lion.

Marcia has received Lion of the Year and the Melvin Jones Award from the Wenatchee Central Lions as well as a few other awards during her time as secretary. She prefers to be the behind-the-scenes person but appreciates this honor.

Cashmere FFA welcomes you to market

BY RUSTY FINCH,
CASHMERE FFA ADVISOR

The Chelan County Fair is September 6-10, and the Cashmere FFA will have 51 exhibitors in attendance with market animals. Students will haul in their livestock on Wednesday, September 6 and sell them at 10 a.m. on

Saturday, September 9.

Prospective buyers will be able to purchase the market animals in-person at the auction.

Described below are the different ways to purchase and or support Cashmere FFA and 4-H animals. FFA and 4-H programs would like to thank all of our businesses for their continued support of these agricultural projects.

Option 1: Buyers can buy the animal and then “turn” it to the Packer Buyer who will pay a pre-

established market price. For example, a business decides to bid a 275 pound hog up to \$500 and then “turn” it to the Packer Buyer who has a set price of \$.60 pound.

The Packer Buyer will pay \$165 (275 pounds x \$.60/pound) and the business will pay the remaining \$335 in the form of support.

Option 2: A buyer can purchase the animal for personal consumption and send that animal to a local processor of their choice.

Typically, a market hog will yield about 55% of its live weight into retail product after processing and fabrication. For example, a fair hog weighing 280 pounds, should yield around 150 pounds of pork cuts. Market lambs and goats should yield just under 50% of their live weight for retail product.

Option 3: Finally, buyers/supporters can locate an “Exhibitor Support” form on the Chelan County Fair Website and submit an “Add-On” for a specified

exhibitor.

Cashmere FFA will have 34 hogs, 15 lambs, 1 one steer and one goat.

Hogs: Joseph Acton, Michael Acton, Lincoln Bainter, Thomas Bergren, Addy Burger, Paige Dart, Prin Fox, Jesse Hall, Dru Heyen, Jacob Holaday, Alia Kenoyer, Ella Kenoyer, Korey Knoll, Taylor Kunz, Allie McKenna, Kaden Miller, Amia Mutch, Drake Mutch, David Odenrider, Aubrey Potter, Carson Potter, Kira Potter, Logan Potter, Lili-

Ponderosa 4-H saddles up for the fair

SUBMITTED BY PONDEROSA HORSE 4-H CLUB

Ponderosa Horse 4-H Club is excited to participate once again at the 2023 Chelan County Fair. For nearly 70 years Ponderosa has had equestrian team entries, and this year five teams will be showing off all their hard work and accomplishments over the last year. These horse and rider teams are true partnerships – learning from, working with, and supporting each other – human and equine together. Look for these Ponderosa teams at the Horse Barn.

Faith Smith will be teaming with her 4-H horse Psy-

mon at the Fair. Faith is a 4-H Senior in 10th grade and, in addition to being in Ponderosa for four years, in 2022-23 she participated in her first year with the Cascade Washington High School Equestrian Team. She will also be performing with the Tillicum Riders Drill Team at the Rodeos during Fair so be sure to come check it out! Faith says, “I am excited about showing with 4-H and riding in the drill team with Tillicum.”

Jaley West will be teaming with her 4-H horse Annie at the Fair. Jaley is a 4-H Intermediate in 9th grade and has been in Ponderosa for three years.

Jaley says, “I am super excited about the 4-H Western Gaming Showcase and watching the PRCA Rodeos at Fair.”

Kaylee Smith will be teaming with her 4-H horse Remi at the Fair. Kaylee is a 4-H Intermediate in 8th grade and has been in Ponderosa for four years. She also plays volleyball and runs track at school. Kaylee says, “I am really looking forward to introducing Remi to everyone at the Fair.”

Reese Houghton will be teaming with her 4-H horse Amada at the Fair. Reese is a 4-H Intermediate in 8th grade and has been in Ponderosa for three years

but riding for four. Reese says, “I am excited for fair this year to meet all the little kids that come to the barn and love horses as much as I do.”

Josie Reichlin will be teaming with her 4-H horse Slyde at the Fair. Josie is a 4-H Intermediate in 6th grade and has been in Ponderosa for four years, although this is only her second year bringing her horse to fair. Josie says, “I have learned so much this year, especially with a new horse that is also still learning! I am excited to show off everything accomplished.”

Aubree Pulliam, a mem-

ber of Tumbleweed 4-H, has been practicing all season with Ponderosa and has become an “honorary” member. She will be teaming with her horse Bailey and is a 4-H Intermediate in 6th grade. This will be her first year at fair and she says, “I’m really looking forward to the 4-H Western Gaming Showcase Thursday night.”

In addition to the horse and human teams you’ll see, four additional devoted Ponderosa members, who have worked equally hard this year, that will be there as well: Josie (Jo) Ayala, Avery Bradburn, Raylan Nicholson, and Adalee Reeves. Keep an

eye out for them at the Horse Barn.

CHELAN — Evelyn LeFebre, sophomore, of Chelan High School's FFA program (Future Farmers of America) is in her first year with FFA, though she has always loved and wanted a job working with animals. She currently lives on a farm, Union Valley Farms, where her family raises primarily birds (chickens and quail) and goats. Evelyn is a part of Livestock Showing within FFA, though students may participate in a range of activities such as Trapshooting, Tractor-Driving, Produce Judging, Livestock Judging, and Dairy Judging. For her involvement in CHS's Livestock Showing division of FFA, she chose this year to raise sheep. She picked two lambs, each born in May and acquired in June. She sold her first, Dustin, in August for the Waterville Fair. She will sell her other, Bosheba, in September for the Chelan County Fair.

Evelyn's dedication to her work with animals shows in her intended career path, as she wants to be an ER Veterinary Surgeon, possibly for exotic animals. She intends to work at a zoo after

veterinary school for a while with the exotic animals, and ultimately plans to return to Chelan. "I can go back to Chelan and I can start my own practice and specialize in birds, because Chelan, Wenatchee—nowhere near here has any vets that specialize in birds."

MANSON - Bailey Evans, freshman student at Manson High School is a member of the school's FFA program. Although it is her first year with FFA, she has also been an active member of 4-H since 2015. She has been an active member of both programs this year.

Bailey's specific focus in Manson High School's FFA program is in the Livestock Showing division. For her first year she decided to raise goats, and show her goat Bronco at the Chelan County Fair.

Even though she is new to FFA, this isn't her first time raising goats. Her family has raised and bred goats her entire life, and she has shown them throughout her career in 4-H. She acquired Bronco in mid-April and has raised him over these past months in preparation for sale at the Fair.

Bailey intends to continue raising and keeping goats, but she also has aspirations of working with horses as she is also a rodeo participant. "Well, I want to have horses my whole life, and then I do rodeos...so, I want to keep going with that stuff. And then probably have goats

my whole life too, but I think I want to be a nurse after school." Bailey would like to attend Washington State

University and eventually have a career as a labor and delivery nurse practitioner.
